Report of Independent Auditors

Plan Administrator
Curi 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Curi 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Change of Plan Sponsor

As discussed in Note A to the financial statements, on July 17, 2023, the Plan Sponsor was changed from Medical Mutual Insurance Company of North Carolina to Curi Management Company, LLC (CMC). Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets held for Investment Purposes as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Curi 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Curi 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Change of Plan Sponsor

As discussed in Note A to the financial statements, on July 17, 2023, the Plan Sponsor was changed from Medical Mutual Insurance Company of North Carolina to Curi Management Company, LLC (CMC). Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets held for Investment Purposes as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

Years ended December 31, 2023 and 2022

Note A - Plan Overview

General

The following description of the Curi 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

Medical Mutual Insurance Company of North Carolina adopted the Plan on January 1, 1997. Effective July 17, 2023, the Plan Sponsor became Curi Management Company, LLC (the Sponsor). The change in the Sponsor resulted in the Plan's Employer Identification Number (EIN) as filed with the Internal Revenue Service (IRS) being updated. The change in the Sponsor did not impact the Plan number. The Plan is a defined contribution plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan has been adopted by related companies of the Sponsor (participating employer) for the benefit of its respective eligible employees. References to "the Company" include participating employers.

The Sponsor also serves as the Plan Administrator. Effective March 1, 2022, the Plan changed trustees from Great-West Trust Company, LLC (Great-West Trust) to Fidelity Trust Management Company (Fidelity). The change in trustees initiated a blackout period beginning February 22, 2022 and continuing through March 25, 2022. During this period, participants could not change investment elections or withdraw from the Plan. During this period, employee and employer contributions continued to be made through payroll deductions and the contributions were deposited into the participant accounts at previously specified funds and allocations. Upon the change in trustees, the Plan changed its name from Medical Mutual Insurance Company of North Carolina 401(k) Plan to Curi 401(k) Plan. The change in Plan name had no impact to the Plan's EIN or to the Plan number as filed with the IRS. Pursuant to agreements with each trustee, the trustees also provide specified regulatory and administrative services to the Plan.

The Plan covers all full-time employees who are age 21 or older, with eligibility beginning the first day of the calendar month coinciding with or next after attainment of eligibility. Effective, March 1, 2022, the Plan was amended to permit voluntary after tax contributions.

Contributions

The Plan permits participants to make Roth (after tax) and pre-tax contributions up to 50% of eligible compensation as defined in the Plan agreement, subject to certain limitations established by law. The Company may make discretionary employer matching contributions to the Plan as authorized by the Company. All Company contributions are invested in the manner directed by the participant. During 2023 and 2022, the Company made matching contributions of 100% of the first 3% of eligible compensation a participant contributed to the Plan.

Curi 401(k) Plan

Notes to Financial Statements (Continued)

Note A - Plan Overview (Continued)

Contributions (Continued)

In addition, the Company may make a discretionary profit-sharing contribution to the Plan, as authorized by the Company. Profit-sharing contributions are allocated in the ratio that a participant's eligible compensation bears to the total compensation of all participants. These contributions are also invested in the manner directed by the participant. A 12% profit-sharing contribution of \$3,300,233 and \$3,141,285 was made to eligible employees for the 2023 and 2022 plan years, respectively. At the discretion of the Plan Administrator, participants may roll over distributions from other qualified plans to their accounts.

Investment of Assets

As of December 31, 2023 and 2022, the Plan's funds were invested in mutual funds, collective trust funds, and a Great-West guaranteed investment fund. Subject to certain limitations, participants are provided the option of directing their contributions among these investment options. The Plan trustees manage investments in all funds.

Vesting

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and, (b) plan earnings, and can be charged with an allocation of administrative and investment expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance. Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contributed portion of their accounts plus actual earnings thereon is based on years of continuous service. The employer matching contributions and profit-sharing contributions vest on a schedule as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 2	0 %
2	20 %
3	40 %
4	60 %
5	80 %
6	100 %

Note A - Plan Overview (Continued)

Forfeited Accounts

Prior to March 1, 2022, forfeitures related to employer matching contributions were used to reduce future employer contributions, and forfeitures related to employer profit-sharing contributions were used to pay expenses of the Plan or to reduce future employer contributions. Effective March 1, 2022, forfeitures are first used to pay expenses of the Plan and then are used to reduce any employer matching contributions. As of December 31, 2023 and 2022, unapplied forfeited nonvested accounts totaled \$285,369 and \$85,089, respectively. During the years ended December 31, 2023 and 2022, employer contributions were reduced by \$126,895 and \$299,893, respectively, from forfeited nonvested accounts.

Payment of Benefits

Employee vested balances are available for distribution to participants upon death, disability, retirement, or termination of employment. At the discretion of Company management, hardship withdrawals are permitted by the Plan, provided certain qualifying conditions are met. Terminated participants with account balances in excess of \$5,000 may elect to have their funds remain in the Plan after termination. Benefits are recorded when paid. At December 31, 2023 and 2022, no benefit distributions had been requested by Plan participants but not yet paid.

Notes Receivable from Participants

Prior to March 1, 2022, plan participants were allowed to borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$25,000 or 50% of the participant's vested account balance. Effective March 1, 2022, plan participants are allowed to borrow from their accounts up to a maximum equal to the lesser of \$50,000 or 50% of the participant's vested account balance. Loan repayment terms may not exceed five years. Prior to March 1, 2022, a participant could have no more than two loans outstanding from the Plan at any time. Effective March 1, 2022, there is no limit on the number of loans a participant may have outstanding at any time. The loans are secured by the balance in the participant's account and bear interest at the prime rate published on the first business day of the month the loan is originated, plus one percent. Principal and interest payments are withheld from participant wages through semi-monthly after-tax payroll deductions.

Plan Termination

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan agreement to terminate the Plan subject to the provisions of ERISA. Upon termination, all amounts credited to participant accounts become 100% vested.

Note B - Significant Accounting Principles

Basis of Accounting and Use of Estimates

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP). The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the amounts reported in the financial statements and the accompanying notes. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are generally stated at fair value. However, fully benefit-responsive investment contracts are measured at contract value, as contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan (see Note D).

Current accounting guidance establishes a three-level hierarchy, which prioritizes the inputs to valuation techniques used to measure fair value. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets (Level 1), the next priority to quoted prices for identical assets in inactive markets or similar assets in active markets (Level 2) and the lowest priority to unobservable inputs (Level 3). The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The Plan's investments in shares of mutual funds are valued at readily determinable quoted market prices that the Plan has the ability to access at year end.

The Plan's interest in collective trusts are valued based on the net asset value (NAV) of shares held by the Plan at year end, which is used as a practical expedient to estimate fair value. The NAV is determined by dividing the fund's net assets at fair value by its units outstanding at each valuation date. The Plan's interest in these funds are valued based on information reported by the investment advisor using the audited financial statements of the collective trust at December 31, 2023 and 2022.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net realized and unrealized change in fair value of Plan investments on the statements of changes in net assets available for benefits consist of the Plan's gains and losses on investments purchased and sold, as well as held, during the year.

Subsequent Events

The Plan evaluated subsequent events through October 10, 2024, the date on which these financial statements were available to be issued, and considered any relevant matters in the preparation of the financial statements and note disclosures.

Notes to Financial Statements (Continued)

Note C - Income Tax Status

The Plan is a profit-sharing prototype plan for which the IRS issued a determination letter as to the acceptability of the form of the prototype plan under the Internal Revenue Code. The Plan is relying on that determination and has not applied for a separate determination letter. Accordingly, no provision for income taxes has been included in the Plan's financial statements. Although the Plan has been amended since its formation, the Sponsor believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code.

The Sponsor analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. No tax planning strategies were used in 2023 and 2022.

Note D - Investments

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2023 and 2022, net change in fair value of investments, interest and dividend income on investments and interest on participant loans for the years ended December 31, 2023 and 2022, were obtained or derived from information supplied to the Sponsor and certified as complete and accurate by Great-West Life & Annuity Insurance Company (Great-West Life), Great-West Trust and Fidelity. Fidelity's certifications covered the period March 1, 2022 - December 31, 2022 and the year ended December 31, 2023.

The Great-West Life guaranteed investment fund is a fully benefit-responsive investment contract with an insurance company. The Great-West guaranteed investment fund is similar in concept to a bank certificate of deposit with a guaranteed interest rate determined quarterly by Great-West Trust. Funds are invested in a commingled fashion with investments in Great-West's general account.

Certain events limit the ability of the Plan to transact at contract value with the issuer, including: (1) premature termination of the contracts by the Plan (including mergers), (2) bankruptcy of the Sponsor, or (3) early retirement incentives. The Sponsor does not believe that any events that would limit the Plan's ability to transact at contract value with participants are probable of occurring. Either party to the Great-West guaranteed investment fund contract may terminate the contract with at least 60 days advance written notice to the other party. The Plan terminated its contract with the Great-West guaranteed investment fund in 2023.

Note D - Investments (Continued)

The following table shows how the Plan's investments are categorized in accordance with the fair value hierarchy.

Assets at Fair Value at December 31, 2023				
	Level 1	Level 2	Level 3	Total
Investments, fair value	\$ 30,631,220	\$ -	\$ -	\$ 30,631,220
Investments at fair value	<u>\$ 30,631,220</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 30,631,220</u>

Assets at Fair Value at December 31, 2022				
	Level 1	Level 2	Level 3	Total
Investments, fair value	\$ 22,583,342	\$ -	\$ -	\$ 22,583,342
Investments at fair value	<u>\$ 22,583,342</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 22,583,342</u>

The Plan's investments also include investments in common collective trusts, which are measured at NAV per share (or its equivalent) and have not been classified in the fair value hierarchy. The net asset value of investments in common collective trusts was \$28,583,033 and \$21,088,590 at December 31, 2023 and 2022, respectively.

The Plan's investments for which fair value is measured using the NAV per share practical expedient are redeemable daily and do not require a redemption notice. There were no unfunded commitments at December 31, 2023 and 2022.

Note E - Transactions with Parties-in-Interest

Certain fees are paid by the Plan that qualify as party-in-interest transactions. Fees paid by the Plan to Great-West Life, Fidelity, Gilliam Coble & Moser, LLP, and Johnson Lambert, LLP for administrative and auditing services amounted to \$39,902 and \$44,087 for the years ended December 31, 2023 and 2022, respectively.

Certain administrative functions related to the Plan are performed by employees of the Sponsor. Neither the Sponsor nor the employees receive compensation from the Plan for these services.

The Great-West Life guaranteed investment fund is a fully benefit-responsive investment contract with Great-West Life, the insurance company of the Plan. The Plan terminated the contract in 2023.

Note F - Risks and Uncertainties

Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note G - Reconciliation to Form 5500

There were no differences between net assets available for benefits or the net change in net assets available for benefits per the audited financial statements and Form 5500 for the years ended December 31, 2023 and 2022.
