INDEPENDENT AUDITOR'S REPORT

October 11, 2024

To the Plan Administrator of the
Retirement Savings Plan of Finger Lakes Regional Health System:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of Retirement Savings Plan of Finger Lakes Regional Health System (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

(Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

(Continued)

INDEPENDENT AUDITOR'S REPORT

(Continued)

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

INDEPENDENT AUDITOR'S REPORT

(Continued)

Other Matter - Supplemental Schedule Required by ERISA (Continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

RETIREMENT SAVINGS PLAN OF FINGER LAKES REGIONAL HEALTH SYSTEM

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

1. DESCRIPTION OF PLAN

The following description of the Retirement Savings Plan of Finger Lakes Regional Health System (the Plan) provides only general information. Participants should refer to the Plan document for a complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of Finger Lakes Regional Health System, Inc. (Finger Lakes Health). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Administration

The Plan is administered by management who is appointed by authorized officers of Finger Lakes Health's Board of Directors. Management administers the Plan in accordance with its terms and applicable laws and has all necessary and appropriate powers to carry out the provisions of the Plan. Vanguard Fiduciary Trust Company (Vanguard) was the custodian and recordkeeper of the Plan from the period of January 28, 2021 to October 5, 2023. Empower Retirement LLC (Empower) was the custodian and recordkeeper of the Plan from the period of October 5, 2023 to December 31, 2023.

Eligibility

All employees are eligible to participate in the Plan, except for part-time employees who normally work less than 20 hours per week. All eligible employees may begin making salary deferrals on the first day of the first payroll period pursuant to a properly completed and valid salary deferral agreement entered into by the employee. Participants become eligible for employer contributions after the completion of one year of service and the attainment of age eighteen (18). A year of service is defined as twelve months of service with over 1,000 hours beginning on the date of hire.

Participant Contributions

Active participants may make voluntary pre-tax contributions in the form of salary reductions up to 75% of their annual compensation for the Plan year, or the maximum amount permitted by Section 415(f) of the Internal Revenue Code (IRC) (\$22,500 in 2023 and \$20,500 in 2022) and any applicable rollovers from other qualified plans, subject to certain limitations of the Plan and the IRC under Section 403(b). Eligible participants, who attain the age of 50 before the end of the Plan year, are eligible to make catch-up contributions subject to certain limitations of the IRC (\$7,500 in 2023 and \$6,500 in 2022).

Employer Contributions

The Plan agreement provides that Finger Lakes Health will make contributions, net of forfeitures, on behalf of each participant who is eligible to share in matching contributions for the Plan year. For the years ended December 31, 2023 and 2022, Finger Lakes Health provided a matching contribution to active participant accounts equal to 50% of the first 6% contributed by the participant, up to a maximum of 3% of the participant's annual compensation.

1. DESCRIPTION OF PLAN (Continued)

Employer Contributions (Continued)

For the years ended December 31, 2023 and 2022, Finger Lakes Health provided an additional discretionary contribution equal to 4% of a participant's annual compensation for eligible employees who were active participants in the Finger Lakes Regional Health System Retirement Income Plan on December 31, 2018.

Participant Accounts

Each participant's account is credited with the participant's contributions, employer matching contributions and any earnings or losses, reduced by administrative expenses. Participants direct the investment of the contributions into various options offered by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in all participant contributions plus earnings/losses thereon. Participants who entered the Plan prior to November 1, 2010 are immediately vested in all employer contributions plus earnings/losses thereon. Beginning on November 1, 2010, new participants into the Plan are subject to a vesting schedule for employer contributions. Employees hired on or after this date will be vested in employer matching contributions beginning after the second year of employment at a rate of 25% per year until the employee is 100% vested after their fifth year.

Forfeited Accounts

Forfeitures may be used to pay Plan expense or to reduce employer matching and transitional contributions. Forfeited balances totaling \$138,857 and \$74,984 for the years ended December 31, 2023 and 2022, respectively, were used to reduce employer contributions. Unallocated forfeitures amounted to approximately \$168,220 and \$35,337 at December 31, 2023 and 2022, respectively.

Payment of Benefits

Vested funds are paid to participants when they retire or terminate employment with Finger Lakes Health, or upon attaining normal retirement age of 65. Benefits may be paid out in a single lump-sum distribution or in periodic installments over a period that is not greater than or equal to the life expectancy of the participant.

Hardship Withdrawals

Hardship withdrawals from the Plan are permitted from a participant's account. All hardship withdrawals must comply with the rules relating to hardships, which are uniformly applicable to all participants.

Notes Receivable from Participants

Plan participants may borrow up to the lesser of \$50,000 or 50% of the amount of the participant's vested interest in the Plan and have a maximum of two outstanding loans. The minimum loan is \$1,000. Notes receivable must generally be repaid over a period not longer than 5 years, except in the case of a loan taken for the purpose of purchasing a primary residence. Notes receivable from participants are secured by their account balances and bear interest at rates based on prevailing rates charged on similar loans. At December 31, 2023 and 2022, \$121,294 and \$75,363, respectively, of outstanding loans were considered to be in default.

Participant Rollovers

Participants are allowed to transfer or rollover funds into the Plan, subject to approval by the Plan Administrator.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan prepares its financial statements on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value, with the exception of the group annuity contracts. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

All investments are participant directed. The Plan invests in mutual funds and group annuity contracts. Mutual funds are reported at fair value. The group annuity contracts are stated at contract value, as this is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. (see FN 5) Purchases and sales of securities are reflected on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Fair Value Measurement

Accounting Standards Codification (ASC) Section 820 establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair market value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under ASC Section 820 are described below:

- Level 1 - Valuations based on quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access. Valuation adjustments are not applied to level 1 instruments. Since valuations are based on quoted prices that are readily and regularly available in an active market, valuation of these products does not entail a significant degree of judgment.
- Level 2 - Valuations based on quoted prices in markets that are not active or for which all significant inputs are observable, directly or indirectly.
- Level 3 - Valuations based on inputs that are unobservable and significant to the overall fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

There were no changes in the valuation methodologies used during 2023 or 2022.

The following is a description of the valuation methodology used for assets measured at fair value.

- *Mutual funds*: Valued at fair value based on quoted market prices. Mutual funds are classified as Level 1 investments.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fair Value Measurement (Continued)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amount reported in the financial statements.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. If a participant does not make loan repayments and the Plan Administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document. There were \$121,294 and \$75,363 of defaulted loans for the years ended December 31, 2023 and 2022, respectively.

Payment of Benefits

Benefit payments to participants are recorded when paid.

Administrative Expenses

The Plan pays a significant portion of the administrative costs of the Plan and Finger Lakes Health pays certain other administrative costs of the Plan.

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

3. CERTIFIED INVESTMENT INFORMATION

Vanguard, the custodian and recordkeeper from the period of January 28, 2021 to October 5, 2023 and Empower, the custodian and recordkeeper from the period of October 5, 2023 to December 31, 2023 (collectively, the Custodians), have certified to the completeness and accuracy of information included in the financial statements and supplemental Schedule I, as of and for the year ended December 31, as follows:

<u>Description</u>	<u>2023</u>	<u>2022</u>
Investments	<u>\$ 97,149,344</u>	<u>\$ 85,684,275</u>
Notes receivable from participants	<u>\$ 840,300</u>	<u>\$ 997,022</u>
Interest and dividends	<u>\$ 2,521,463</u>	<u>\$ 2,903,422</u>
Net appreciation (depreciation) in fair value of investments	<u>\$ 11,451,524</u>	<u>\$ (18,097,312)</u>
Interest income on notes receivable from participants	<u>\$ 72,751</u>	<u>\$ 41,707</u>
Schedule of Assets (Held at End of Year)	Schedule I	

4. FAIR VALUE MEASUREMENT

The following inputs are measured at fair value on a recurring basis at December 31, 2023:

<u>Description</u>	<u>Level 1 Inputs</u>	<u>Level 2 Inputs</u>	<u>Level 3 Inputs</u>	<u>Total</u>
Mutual funds	<u>\$ 89,736,843</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 89,736,843</u>

The following inputs are measured at fair value on a recurring basis at December 31, 2022:

<u>Description</u>	<u>Level 1 Inputs</u>	<u>Level 2 Inputs</u>	<u>Level 3 Inputs</u>	<u>Total</u>
Mutual funds	<u>\$ 76,934,444</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 76,934,444</u>

5. INVESTMENT CONTRACTS

Group Annuity Contracts

MetLife Stable Value Fund is a fund that invests in a fully benefit-responsive group annuity contract issued by MetLife and is included in the financial statements at contract value at December 31, 2023 and 2022. The account is credited with earnings on the underlying investments and charged for participant withdrawals. The group annuity contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The strategy for having this investment option is to provide safety and stability by preserving principal and accumulated earnings. There are no redemption restrictions or unfunded commitments related to this investment. Participants may ordinarily direct the withdrawal or transfer all of or a portion of their investment at contract value.

5. INVESTMENT CONTRACTS (Continued)

Group Annuity Contracts (Continued)

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The Plan Administrator is not aware of any events that would limit the Plan's ability to transact at contract value. The crediting interest rate is based on a formula agreed upon with the issuer but may not be less than zero percent. Such interest rates are reviewed on a quarterly basis for resetting.

The contract was invested in U.S. government securities and other debt related investments. The contract value equaled deposits made to the fund, plus interest credited under the terms of the contract, less any withdrawals.

6. INCOME TAX STATUS

Finger Lakes Health (Plan Sponsor) adopted a plan which received a favorable opinion letter, issued to the document provider, from the Internal Revenue Service dated March 31, 2017, which states that the Plan is designed in accordance with the applicable sections of the IRC and is, therefore, not subject to tax under present income tax law. The Plan is required to operate in conformity with the IRC to maintain its qualification. Management is not aware of any course of action or series of events that have occurred that might adversely affect the Plan's qualified status.

7. PLAN TERMINATION

While Finger Lakes Health has not expressed any intent to discontinue the Plan, it has the right to do so at any time, subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their accounts.

8. PARTY-IN-INTEREST TRANSACTIONS

Vanguard was the custodian of the Plan's assets and recordkeeper of the Plan from the period of January 1, 2022 to October 5, 2023. Empower was the custodian of the Plan's assets and recordkeeper of the Plan from the period of October 5, 2023 to December 31, 2023. Finger Lakes Health is the Plan Sponsor. As such, transactions between Vanguard, Finger Lakes Health, Empower, and the Plan qualify as party-in-interest transactions. Additionally, notes receivables from participants are considered party-in-interest-transactions.

9. RECONCILIATION TO FORM 5500

Net assets available for benefits as of December 31, 2023 and 2022, and changes in net assets available for benefits for the years ended December 31, 2023 and 2022 per the financial statements agreed to Form 5500.

10. SUBSEQUENT EVENTS

Subsequent events have been evaluated through October 11, 2024, which is the date the financial statements were available to be issued.
