Independent Auditor's Report

To the Administrative Committee of
Hawkins Parnell & Young, LLP 401(k) Profit Sharing Plan
Atlanta, Georgia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Hawkins Parnell & Young, LLP 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Hawkins Parnell & Young, LLP 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note H to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Hawkins Parnell & Young, LLP 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Hawkins Parnell & Young, LLP 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Hawkins Parnell & Young, LLP 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Hawkins Parnell & Young, LLP 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at year end) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

December 31, 2023

NOTE A – DESCRIPTION OF PLAN

The following description of Hawkins Parnell & Young, LLP (the Company) 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. General

The Plan is a defined contribution plan covering all full-time employees of the Company who have completed ninety days of service and are age twenty-one or older, except union employees, nonresident aliens, leased employees, law clerks, and interns. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

2. Contributions

Each year, participants may contribute up to the maximum amount allowable not to exceed the limits provided for by the Internal Revenue Service (IRS) Code. Participants may also contribute amounts representing distributions from other eligible retirement plans. Participants who have attained age fifty before the end of the Plan year are eligible to make catch-up contributions. The maximum catch-up contribution was \$7,500 for the year ended December 31, 2023. Additionally, the Plan agreement allows the Company to make safe harbor matching contributions in an amount not less than 3 percent of participant's compensation. For the year ended December 31, 2023, the Company made safe harbor matching contributions equal to 3% of participants' compensation. The matching contribution, for the year ended December 31, 2023, was \$1,209,583. Participants may direct the investment of their contributions into various investment options offered by the Plan. Rollover contributions are accepted by the Plan.

Additional profit sharing contributions are discretionary and determined by the Company to the Plan participants that are actively employed on the last day of the Plan year and have completed one year of service. The profit sharing contribution amounts are based on a percentage of the employees' annual compensation. Discretionary profit sharing contribution, net of forfeitures, for the year ended December 31, 2023, was \$1,084,078.

3. Participant Accounts

Each participant's account is credited with the participant's contributions, the Company's matching and profit sharing contributions, Plan earnings, and forfeitures and charged with any withdrawals or distributions, Plan losses, and an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

4. Vesting

Participants are immediately vested in their contributions and the Company's matching contribution plus actual earnings thereon. Participants' profit sharing contributions are 100 percent vested after two years of credited service.

5. Notes Receivable from Participants

The Plan does not allow for loans to participants.

NOTES TO FINANCIAL STATEMENTS

December 31, 2023

NOTE A – DESCRIPTION OF PLAN, continued

6. Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum amount or in annual installments over his or her life expectancy. If a participant's vested benefit in the Plan does not exceed \$5,000, then his or her benefit will be distributed in a lump-sum payment as soon as practical. For termination of services for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. In addition, the Plan allows benefits to be paid in cash or in property. Hardship distributions are allowed, as defined by the Plan.

7. Forfeited Accounts

At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$7,970 and \$4,883, respectively. Forfeitures may be used to reduce any employer contributions or to pay administrative expenses of the Plan. For the year ended December 31, 2023, administrative expenses were reduced by \$660 in forfeited nonvested accounts.

8. Reclassifications

Certain changes have been made to the presentation of the December 31, 2022 financial statements to conform to the current period presentation. These changes did not affect net assets available for benefits or changes in net assets available for benefits.

NOTE B – SUMMARY OF ACCOUNTING POLICIES

A summary of the accounting policies consistently applied in the preparation of the accompanying financial statements are as follows:

1. Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

2. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

3. Investment Valuation and Income Recognition

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTES TO FINANCIAL STATEMENTS

December 31, 2023

NOTE B – SUMMARY OF ACCOUNTING POLICIES, continued

4. Administration of Plan Assets

FuturePlan by Ascensus (Ascensus) is designated as the third-party administrator for the Plan.

5. Payment of Benefits

Benefits are recorded when paid.

6. Administrative Expenses and Fees

Certain administrative functions are performed by officers or employees within the Company. Administrative expenses are absorbed by the Plan sponsor, and fees are paid directly from the participants' accounts.

7. Plan Amendment

Effective January 1, 2023, the Company expanded its practice by acquiring attorneys from Selman Breitman LLP. The Plan recognized prior service effective dates for employees of Selman Breitman LLP.

8. Subsequent Events

The Plan has evaluated subsequent events through October 4, 2024, the date the financial statements were available to be issued.

NOTE C – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

HAWKINS PARNELL & YOUNG, LLP 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2023

NOTE C – FAIR VALUE MEASUREMENTS, continued

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Common/Collective Trusts – Valued by the fund's trustee based on the fair value of underlying securities within the fund, which represent net asset value (NAV) of shares held by the Plan at year-end.

Mutual funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

	<i>Assets at Fair Value as of December 31, 2023</i>

* In accordance with FASB ASC 820-10, the collective trust funds were measured at net asset value per share (or its equivalent) and has not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

HAWKINS PARNELL & YOUNG, LLP 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2023

NOTE D – PARTY-IN-INTEREST TRANSACTIONS

The Company signed an Agreement for Services with Transamerica Retirement Solutions, LLC (Transamerica) for providing certain administrative and recordkeeping services, for which fees are charged to the Plan. While the Company pays most of the fees, an insignificant portion is paid by the Plan.

Transamerica signed a Service Agent Agreement with Reliance Trust Company (RTC) for administration of all ministerial duties regarding fund and plan administration. Under this agreement, Transamerica acts and signs on behalf of RTC. While Transamerica has a signed agreement with the Company regarding the Plan, RTC acts as trustee and custodian of the Plan under its arrangement with Transamerica.

NOTE E – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE F – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

NOTE G – TAX STATUS

The Plan has adopted the non-standardized pre-approved profit sharing money purchase plan with CODA from Ascensus. The Internal Revenue Service has determined and informed Ascensus, by a letter dated June 30, 2020, that the non-standardized pre-approved profit sharing money purchase plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable provisions of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS and Department of Labor. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023 and 2022, there are no uncertain tax positions taken or expected to be taken that would require disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2020.
