Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☒ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☒ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: **FORTNER BAYENS, PC**

(2) EIN: **84-0741890**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) ☐ This form is filed for a CCT, PSA, DCG or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)	☒	☐	36550
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)	☐	☒	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)	☐	☒

INDEPENDENT AUDITOR'S REPORT

Weld County Garage 401(k) Plan
Greeley, Colorado

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Weld County Garage 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Notes C and D to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of Financial Statements section of our report. We are required to be independent of Weld County Garage 401(k) Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Weld County Garage 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Weld County Garage 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Weld County Garage 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule of Assets (Held at End of Year) and the supplemental Schedule of Delinquent Contributions as of December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Weld County Garage 401(k) Plan
NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

NOTE A - DESCRIPTION OF PLAN

The following description of Weld County Garage 401(k) Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan, established February 1, 1964, by Weld County Garage (the Plan Sponsor). Weld County Garage is part of the Yoder Family of Companies, which includes Weld County Garage and eight affiliated companies. The Plan allows other related employers (the Adopting Employers) to adopt the Plan and its provisions. The Plan is available for qualifying employees of Weld County Garage and Adopting Employers (collectively, the Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

All employees, excluding drivers, interns and independent contractors, are eligible to participate in the Plan following the completion of six months of service and attainment of age 21.

The Plan includes an auto-enrollment provision whereby an eligible employee will be automatically enrolled in the Plan at an initial three percent pre-tax deferral rate after meeting eligibility requirements. In accordance with the Plan, a participant will be given a reasonable period to affirmatively elect a different percentage or elect not to make elective deferral contributions.

The Plan includes an auto-escalation provision whereby employee deferral elections are automatically increased by one percent each year until a maximum ten percent is reached, unless a participant affirmatively elects to opt-out of the auto-escalation provision.

Contributions

Each year, participants may contribute up to one hundred percent of their annual compensation as defined by the Plan (not to exceed the limits set by the Internal Revenue Code) on a pre-tax basis or as Roth contributions. The Plan allows catch-up contributions for participants who have attained or will attain age 50 by the last day of the plan year, subject to Internal Revenue Code limitations. Participants may change their contribution percentage and may cease making contributions at any time.

Weld County Garage 401(k) Plan

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

December 31, 2023 and 2022

The Company may make discretionary matching contributions to the Plan equal to a discretionary percentage of a participant's compensation or a discretionary dollar amount as determined by the Company on a uniform basis for all participants. All participants share in the allocations of discretionary matching contributions regardless of service completed during the plan year or employment status on the last day of the plan year. There were no matching contributions made to the Plan for the years ended December 31, 2023 or 2022.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's discretionary matching and profit-sharing contributions, and (b) Plan earnings. Allocations are based on participant compensation or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions, plus actual earnings thereon. Vesting in the Company's discretionary matching and profit-sharing contributions plus actual earnings thereon is twenty percent for each year of service after two years of services and participants are one hundred percent vested after six years of service.

If an employee dies, suffers total and permanent disability, or attains normal retirement age of 65 while still employed by the Company, his or her entire interest in all accounts will become fully vested, without regard to the length of service with the Company.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to the lesser of \$50,000 or fifty percent of their vested account balance reduced by the highest outstanding loan balance in the participant's account during the prior twelve-month period. The loans are secured by the vested balance in the participant's account and bear interest at a commercially reasonable interest rate established by the Plan Administrator. Principal and interest are paid ratably through payroll deductions over a period not to exceed five years, though loans for the purpose of purchasing the participant's primary residence may have longer repayment terms if permitted by the Plan Administrator.

Weld County Garage 401(k) Plan

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

December 31, 2023 and 2022

Payment of Benefits

Payment of benefits is made upon retirement, disability, death, or termination of employment. A participant may elect to receive their benefit payments in the form of a lump-sum amount, in substantially equal installments, or as an annuity. Participants may elect to receive a cash payment, rollover the funds to another qualified plan or individual retirement account, or remain in the Plan if their vested account balance has a minimum of \$1,000. If a participant's vested account balance does not exceed \$1,000, the Plan will distribute the vested balance in a lump sum cash payment or rollover payment as soon as administratively practicable. The Plan also provides for hardship withdrawals in certain instances as specified in the Plan.

Forfeited Accounts

Forfeited non-vested accounts are used to reduce future employer contributions and pay certain Plan expenses. At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$171 and \$1,841, respectively.

NOTE B - SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting and Use of Estimates

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from these estimates.

Investments, Guaranteed Investment Contracts and Income Recognition

Pooled separate accounts, collective investment trusts and mutual funds are recorded at fair value. See Note C for discussion of these measurements. Guaranteed investment contracts are recorded at contract value. See Note D for discussion of this measurement.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/depreciation includes the Plan's unrealized gains and losses on investments held, as well as realized gains and losses on investments sold.

December 31, 2023 and 2022

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Operating Expenses

Expenses of maintaining the Plan are generally paid by the Company, though certain expenses may be paid directly by the Plan from forfeitures.

Subsequent Events

The Plan evaluates events occurring subsequent to the balance sheet date, through the date the financial statements are eligible to be issued, to determine whether the events require recognition or disclosure in the financial statements. If a subsequent event evidences conditions existing at the balance sheet date, the effects are recognized in the financial statements (recognized subsequent event). If a subsequent event evidences conditions arising after the balance sheet date, the effects are not recognized in the financial statements but rather disclosed in the notes to the financial statements (non-recognized subsequent event). The effects of subsequent events are only recognized if material or disclosed if the financial statements would otherwise be misleading.

With respect to the December 31, 2023 financial statements, the Plan has evaluated subsequent events through October 8, 2024.

NOTE C – INVESTMENTS AND FAIR VALUE MEASUREMENTS

The following is a summary of the Plan's investments at fair value as of December 31, 2023 and 2022, which was derived from information prepared by Principal Trust Company (the custodian) and furnished to the Plan administrator. The Plan administrator has obtained certifications from Principal Trust Company that such information is complete and accurate.

	2023	2022
Mutual funds	\$ 675,825	\$ 1,139,216
Pooled separate accounts	152,139	203,879
Collective investment trusts	4,615,094	4,326,981
Total investments	<u>\$ 5,443,058</u>	<u>\$ 5,670,076</u>

During 2023 and 2022, the Plan's investments appreciated by \$857,831 and depreciated by (\$1,225,581), respectively. These amounts include unrealized gains and losses on investments held, as well as realized gains and losses on investments sold.

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include:
- Quoted prices for similar assets or liabilities in active markets
 - Quoted prices for identical or similar assets or liabilities in inactive markets
 - Inputs other than quoted prices that are observable for the asset or liability
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

December 31, 2023 and 2022

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used in 2023 and 2022.

Mutual funds – Valued using the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (“NAV”) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Pooled separate accounts – Valued using the NAV per unit of the funds. The NAV is based on the fair values of the underlying investments held by the fund less its liabilities. Principal generally determines the fair values of the underlying investments based on market quoted pricing. These investments are direct filing entities with the Department of Labor.

Collective investment trusts – Valued using the NAV per unit of the funds. The NAV is based on the fair values of the underlying investments held by the fund less its liabilities. Principal generally determines the fair values of the underlying investments based on market quoted pricing. These investments are direct filing entities with the Department of Labor.

NOTE D – GUARANTEED INVESTMENT CONTRACT

One of the current investment options in the Plan is the Principal Fixed Income Guaranteed Option. This investment guarantees principal and provides a stable crediting rate and is backed by the assets in the general account of the Principal Life Insurance Company and does not have specific underlying assets assigned.

This investment is fully benefit-responsive, and contract value is the relevant measurement attribute as Plan transactions are ordinarily executed using contract value without adjustment. As the Plan intends to maintain this investment, and the investment generally cannot be sold, transferred, or assigned externally, contract value is a good proxy for fair value. Contract value, as reported to the Plan by the custodian, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. The total contract value of the guaranteed investment contract as of December 31, 2023 and 2022, was \$37,648 and \$71,483, respectively.

Certain events, such as the termination of the investment contract by the Plan, may limit the ability of the Plan to transact at contract value. As of December 31, 2023, the Plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value are probable of occurring.

NOTE E – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become one hundred percent vested in their accounts. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Company may determine.

NOTE F – TAX STATUS

Effective July 1, 2019, the Company adopted a Prototype Plan Document sponsored by Principal Financial Group. The Internal Revenue Service has determined and informed the Company by letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable provisions of the IRC and therefore believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator does not believe there are any such uncertain tax positions. The Plan may be subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods.

NOTE G – RISKS AND UNCERTAINTIES

The Plan invests in various investment options. Investments are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE H – RELATED-PARTY TRANSACTIONS

Certain Plan investments are managed by Principal Financial Group, such as the pooled separate accounts, collective investment trusts, and the guaranteed investment contract. Principal Trust Company, a member of the Principal Financial Group, is the Plan's custodian. As such, these investments qualify as party-in-interest transactions. Fees paid by the Plan to Principal Financial Group for administrative services amounted to \$38,073 and \$41,543 for the years ended December 31, 2023 and 2022, respectively.

Certain administrative functions for the Plan are performed by officers and employees of the Company. No such officer or employee receives compensation from the Plan. The Company generally pays expenses applicable to maintaining the Plan, other than administrative fees charged directly to the Plan.

NOTE I – RECONCILIATIONS TO FORM 5500

The following reconciles net assets available for plan benefits per the accompanying Statements of Net Assets Available for Plan Benefits to the Form 5500 as of December 31, 2022, and reconciles and the Statements of Changes in Net Assets Available for Benefit to the Form 5500 for the years ended December 31, 2023 and 2022:
