Independent Auditor's Report

Plan Administrator
Hendrix-ISA, LLC 401(k) Plan
Ephrata, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Hendrix-ISA, LLC 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of, and for the year then ended December 31, 2023, stating that the certified investment information, as described in Note 2 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year from issuance.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control related matters that we identified during the audit.

Other Matter

Supplemental Schedule Required by ERISA

The supplemental schedule of assets held at end of year is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to, or is derived from, the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

HENDRIX-ISA, LLC 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS YEAR ENDED DECEMBER 31, 2023 (with comparative information at December 31, 2022)

1. Description of the Plan and summary of significant accounting policies:

The following description of the Hendrix-ISA, LLC (the Company) 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

The Plan Agreement was restated effective January 1, 2022. The design and operation of the Plan under the new Plan Agreement is generally consistent with the prior Plan Agreement.

General:

The Plan is a defined contribution 401(k) plan covering all employees of the Company who have completed 60 days of service and are age 18 or older. Nonresident aliens, leased employees and employees covered by a collective bargaining agreement are excluded from becoming participants. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). All Plan investments are participant directed.

Participant accounts:

Each participant's account is credited with the participant's deferred contribution and allocations of the Company's contributions and Plan earnings (losses) and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Contributions:

Participants may elect to defer on a pretax basis from their annual compensation up to the statutory limitation. Additionally, participants may designate all or a portion of their contribution as a Roth contribution. Participants may also contribute amounts representing distributions from other qualified plans. In addition, participants over the age of 50 at the end of the Plan year may make catch-up contributions. Participants direct the investment of their contributions and employer contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and a money market fund as investment options for participants.

The Company has elected to operate the Plan as a safe harbor 401(k) plan, which makes the Plan exempt from certain compliance testing requirements. The Company makes a safe harbor matching contribution equal to 100% of each participant's deferred compensation up to 3% of compensation plus 50% of each participant's deferred compensation on the next 2% of compensation.

The Company may, at its discretion, make an additional discretionary contribution to the Plan in an amount determined by the Company. There was no discretionary contribution during 2023.

Vesting:

Participants are vested immediately in their contributions, plus actual earnings thereon. Additionally, participants are fully and immediately vested in discretionary employer contributions and safe harbor matching contributions.

HENDRIX-ISA, LLC 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS YEAR ENDED DECEMBER 31, 2023 (with comparative information at December 31, 2022)

1. Description of the Plan and summary of significant accounting policies (continued):

Benefits:

Benefits are payable following retirement, disability, termination of service or death. A participant may elect to receive the value of the vested interest in his or her account as a lump-sum distribution unless the participant elects to have such amounts directly rolled over to an IRA or qualified plan of his or her choosing. Participants with account balances between \$1,000 and \$5,000 upon termination will automatically have their distribution rolled into an IRA unless they elect to receive a lump-sum distribution or elect to roll over the account into an IRA or qualified plan specified by the participant. Additionally, accounts of participants with balances of less than \$1,000 upon termination will automatically receive a lump-sum distribution.

Forfeitures:

The Plan has a forfeiture account balance resulting from the correction of excess employer matching contributions. At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$410 and \$7, respectively. There were no forfeitures used to reduce employer contributions in 2023.

Basis of accounting:

The accompanying financial statements have been prepared under the accrual method of accounting, in accordance with accounting principles generally accepted in the United States of America.

Investment valuation and income recognition:

The Plan's investments in mutual funds and money market funds are stated at fair value. Fair value is based on quoted market price which is available on the active market.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded when received. The net depreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Payment of benefits:

Benefit payments to participants are recorded when paid.

Administrative expenses:

Certain Plan expenses are paid directly by the Company and are excluded from these financial statements. Expenses incurred in connection with the general administration of the Plan are paid by the Plan and are recorded in the accompanying statement of changes in net assets available for benefits. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

Use of estimates:

The preparation of financial statements in accordance with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

HENDRIX-ISA, LLC 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS YEAR ENDED DECEMBER 31, 2023 (with comparative information at December 31, 2022)

2. Certification of Plan assets and transactions:

The Plan's investments were held by Fulton Bank, N.A./Fulton Financial Advisors Division (a Trustee) and transferred to Matrix Trust Company, the Custodian, effective June 8, 2023. Certifications were provided by both for 2023. Investment information disclosed in the accompanying financial statements and schedule of assets held at end of year, specifically investments held at December 31, 2023 and 2022 and net appreciation in fair value of investments, including investment income, dividends and other income for the year ended December 31, 2023, was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by the Trustee and the Custodian.

3. Fair value measurements:

The Plan ranks investments required to be reported at fair value in a three-level hierarchy for fair value measurements based upon the transparency of inputs to the valuation of an asset. Inputs may be observable or unobservable and refer broadly to the assumptions that market participants would use in pricing the asset. Observable inputs reflect the assumptions market participants would use in pricing the asset based on market data obtained from sources independent of the reporting entity. Unobservable inputs reflect the Plan's own assumptions about the assumptions that market participants would use in pricing the asset developed based on the best information available in the circumstances. The three levels of the fair value hierarchy are described below:

- Level 1 – Quoted prices in active markets for identical investment. All Plan investments are considered to be Level 1 investments.
- Level 2 – Other significant observable inputs (including quoted prices for similar investments, interest rates, prepayment speeds, credit risk, etc.). The Plan does not hold any Level 2 investments.
- Level 3 – Significant unobservable inputs (including the Plan's own assumptions in determining the fair value of investments). The Plan does not hold any Level 3 investments.

See Note 1 for a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023.

HENDRIX-ISA, LLC 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS YEAR ENDED DECEMBER 31, 2023 (with comparative information at December 31, 2022)

3. Fair value measurements (continued):

The fair values of assets measured on a recurring basis at December 31, 2023 and 2022 are as follows:

		Fair value measurements using Level 1
2023	Fair value	
Money market funds	\$ 136,907	\$ 136,907
Mutual funds	3,293,208	3,293,208
Total	<u>\$ 3,430,115</u>	<u>\$ 3,430,115</u>
2022		
Money market funds	\$ 68,805	\$ 68,805
Mutual funds	2,513,210	2,513,210
Total	<u>\$ 2,582,015</u>	<u>\$ 2,582,015</u>

4. Plan termination:

Although it has not expressed any intention to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions set forth by ERISA.

In the event the Plan is terminated, all amounts credited to participants' accounts will become 100% vested. The Company will direct that either the benefits be distributed to participants, or the trust created by the Plan be continued and benefits be distributed to participants and beneficiaries as if the Plan had not been terminated.

5. Income tax status:

The Internal Revenue Service has determined and informed Fulton Bank N.A./Fulton Financial Advisors Division in a letter dated June 30, 2020 that the Prototype Plan from which the Plan was adopted is designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since the determination letter was received. However, the Plan Administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan Administrator believes the Plan is qualified and the related trust is tax exempt.

6. Concentrations:

HENDRIX-ISA, LLC 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS YEAR ENDED DECEMBER 31, 2023 (with comparative information at December 31, 2022)

7. Risks and uncertainties:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities could occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

8. Related party and party-in-interest transactions:

Plan investments are managed by Fulton Bank, N.A./Fulton Financial Advisors Division, another division of Fulton Bank, N.A. who serves as the Trustee as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services are included in net appreciation in fair value of investments, including investment income, dividends and other income. Fulton Bank, N.A./Fulton Financial Advisors Division Retirement Services applies the Plan's mutual fund revenue sharing earned as a reduction of the Plan's expenses.

9. Subsequent events:

The Plan has evaluated subsequent events through October 10, 2024, the date which the financial statements were available to be issued.
