Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

- (1) Unmodified (2) Qualified (3) Disclaimer (4) Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

- (1) DOL Regulation 2520.103-8 (2) DOL Regulation 2520.103-12(d) (3) neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: CLIFTONLARSONALLEN LLP

(2) EIN: 41-0746749

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

- (1) This form is filed for a CCT, PSA, DCG or MTIA. (2) It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Report on the Audit of the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the Financial Statements

We have performed audits of the accompanying financial statements of DI Overnite 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about DI Overnite 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Administrative Committee
DI Overnite 401(k) Plan

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the DI Overnite 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the DI Overnite 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of assets (held at end of year) and delinquent participant contributions as of or for the year ended December 31, 2023 are presented for purposes of additional analysis and is not a required part of the financial statements, but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2022 Financial Statement

Predecessor auditors performed an audit of the 2022 financial statements of DI Overnite 401(k) Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated September 26, 2023 indicated that (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2022 supplemental schedule, other than the information in the 2022 supplemental schedule that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2022 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

NOTE 1 DESCRIPTION OF PLAN

The following description of the DI Overnite 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan that was adopted by DI Overnite LLC, DI Logistics, and All Countries Courier, Inc. (collectively, the Company), effective January 1, 2020, and is subject to the requirements of the Employee Retirement Income Security Act of 1974 (ERISA) and the Internal Revenue Code of 1986 (IRC), as amended. The Plan has been amended throughout the years to comply with tax legislation and most recently amended effective January 1, 2021. The purpose of the Plan is to provide retirement benefits for substantially all employees who have completed at least two months of service and are age 18 or older. The Board of Directors is responsible for the oversight of the Plan. The Administrative Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance.

Contributions

Participants may elect to contribute annual compensation not to exceed the maximum deferral limitation, as defined in the IRC. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation. Also, the Company may make an additional discretionary contribution to the Plan provided that the participant was an eligible employee on the last day of the Plan year. There were no discretionary contributions for the year ended December 31, 2023.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Company's contribution, and an allocation of the Plan's earnings or losses and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their account plus actual earnings thereon is based on years of continuous service. A participant is vested at the rate of 25% each year and is considered to be 100% vested after four years of credited service. Notwithstanding the above, a participant is fully vested upon reaching normal retirement age, death, or permanent disability.

**DI OVERNITE 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Notes Receivable from Participants

Participants may borrow against their account balance within Plan guidelines. Loan terms are at the discretion of the borrower but generally cannot exceed five years. The loan amount can be a minimum of \$1,000 but cannot exceed the lesser of (a) one-half of the participant's nonforfeitable interest under the Plan or (b) \$50,000. Interest is charged on the outstanding balance at rates determined by the Plan administrator based on prevailing interest rates. Principal and interest are paid ratably through biweekly payroll deductions, and a participant can have a maximum number of one loans outstanding at any time. The loans are secured by the vested account balance in the participant's account.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (IRS) are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2023 and 2022 excess contributions to the applicable participants prior to March 15, 2024 and 2023, respectively.

Benefit Payments

Upon termination of service due to death, disability, retirement, or for other reasons where vested value is more than \$5,000, a participant may elect to receive either a lump-sum distribution equal to the vested portion of his or her account or an annuity over the life of the participant or designated beneficiary(ies), as defined in the Plan document. If the value of the participant's account is less than \$5,000 but greater than \$1,000, the entire amount will be rolled into an individual retirement account on behalf of the participant or the participant's beneficiary(ies). Additionally, under certain circumstances of financial hardship or upon attaining the age of 59½, participants are allowed to withdraw their funds from the Plan.

Forfeitures

Forfeitures of the employee's nonvested portion of the Company's contributions are used to reduce future employer contributions or Plan administrative expenses. At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$11,151 and \$10,368, respectively. During the year ended December 31, 2023, there were no forfeitures used.

Administrative Expenses

Certain expenses for maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and included in administrative expenses. Investment-related expenses are included in net appreciation(depreciation) in fair value of investments. Additionally, certain administrative functions related to the Plan are performed by officers or employees of the Company; however, neither the Company nor any officer or employee received compensation from the Plan.

**DI OVERNITE 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The financial statements of the Plan have been prepared under the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. References to the ASC hereafter refer to the Accounting Standards Codification established by the Financial Accounting Standards Board (FASB) as the source of authoritative accounting principles generally accepted in the United States of America.

Investment Valuation and Income Recognition

The Plan's mutual fund investments are stated at fair value at December 31, 2023 and 2022. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 10 for a discussion of fair value measurements.

Fair value of the Plan's common/collective trust investments are measured using net asset value (NAV) per share as a practical expedient. Each unit in a common/collective trust invests directly in a unit of the underlying investment. Unit values are calculated based on the observable NAV per share of the underlying investments in the funds (see Note 11).

The Plan's investment in the guaranteed investment contract is stated at contract value at December 31, 2023 and 2022, as more fully described in Note 5.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Capital gains and/or losses are reported the day after the trade date.

Net realized and unrealized appreciation (depreciation) is recorded in the accompanying statement of changes in net assets available for benefits as net appreciation (depreciation) on investments.

Brokerage fees are added to the acquisition costs of assets purchased and subtracted from the proceeds of assets sold.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. Delinquent participant loans are reclassified as deemed distributions based upon terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

**DI OVERNITE 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Use of Estimates

The process of preparing financial statements in accordance with accounting principles generally accepted in the United States of America requires the use of estimates and assumptions regarding certain types of assets, liabilities, revenues and gains, and expenses and losses. Such estimates primarily relate to unsettled transactions and events as of the date of the financial statements. Accordingly, upon settlement, actual results may differ from estimated amounts.

NOTE 3 NONEXEMPT TRANSACTIONS

During the Plan year ended December 31, 2020, employee withholdings in the amount of \$8,922 were not remitted within the appropriate time period by the Company. This transaction constitutes a prohibited transaction as defined by ERISA. The Company is aware of the occurrences and is taking the appropriate steps to correct the situation, including the payment of lost earnings into the Plan.

NOTE 4 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 5 INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIAN

Certain information disclosed in the accompanying financial statements and supplemental schedules, including investments and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation(depreciation) on investments and interest and dividends for the year then ended, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Empower Annuity Insurance Company of America and Empower Trust Company, LLC (collectively, Empower), the custodians of the Plan (collectively, the custodian).

**DI OVERNITE 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

NOTE 6 INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan has a traditional benefit-responsive investment contract with Empower. Empower maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract is fully benefit responsive, contract value is the relevant measurement attribute to the guaranteed investment contract. Contract value, as reported to the Plan by Empower, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may direct the withdrawal to transfer all or a portion of their investment at contract value.

NOTE 7 INVESTMENT CONTRACT WITH INSURANCE COMPANY (CONTINUED)

The methodology for calculating the interest crediting rate is based on the earnings of the underlying assets in the entire medium, long-term new portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. The interest credit rate is reset quarterly.

There are certain employer-initiated events that could limit the ability of the Plan to transact at contract value with the issuer. These events include termination of the Plan, a material adverse change to the provisions of the Plan, the employer electing to withdraw from a contract to switch to a different investment provider, or if the terms of a successor plan (in the event of the spin-off or sale of a division) do not meet the contract issuer's underwriting criteria for issuance of a clone contract.

The events described above, which could result in the payment of benefits at fair value rather than contract value, are not probable of occurring in the foreseeable future.

Issuers may terminate the investment contract if it is in default and not cured. The following, among other events, may cause the investment contract to be in default: the Plan's loss of its qualified status, uncured material breaches of responsibilities, or material and adverse changes to the provisions of the Plan. If one of these events were to occur, the contract issuer could terminate the contract at the market value of the underlying investments (or in the case of a traditional guaranteed investment contract, at the hypothetical market value based upon a contractual formula).

NOTE 7 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, all participants would become fully vested in their accounts.

NOTE 8 TAX STATUS

The Plan is based on the Prototype Non-Standardized Profit Sharing Plan under a cash or deferred arrangement with Empower, the custodian of the Plan, which received a determination letter from the IRS dated June 30, 2020, stating that the prototype plan was designed in accordance with the provisions of the IRC. The Plan has not filed for its own determination letter from the IRS; however, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. The related trust, therefore, is not subject to tax under present income tax law.

Accounting principles generally accepted in the United States of America requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9 WITHDRAWN PARTICIPANTS

At December 31, 2023 and 2022, there were no amounts allocated to accounts of persons who have elected to withdraw from the Plan but have not been paid.

NOTE 10 PARTIES IN INTEREST

The guaranteed investment contract is managed by Empower, the custodian as defined by the Plan, and therefore, this investment qualifies as a party-in-interest transaction. Notes receivable from participants represent loans to employees and therefore also qualify as party-in-interest transactions. The Plan has a number of service providers. Such providers are parties in interest under ERISA.

NOTE 11 FAIR VALUE MEASUREMENTS

FASB ASC 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**DI OVERNITE 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 12 FAIR VALUE MEASUREMENTS (CONTINUED)

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the assets or liabilities; or
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value. There has been no change in the methodology used at December 31, 2023 and 2022.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common/Collective Trust Funds: Valued at the net asset value of the units held of the collective trust. The net asset value is used as a practical expedient to estimate fair value.

The following table sets forth by level, within the fair value hierarchy, the Plan’s assets, measured on a recurring basis, at fair value as of December 31:

	2023			Total
	Level 1	Level 2	Level 3
