INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants of the
SimuTech Group, Inc. 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the SimuTech Group, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements (Plan's Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of SimuTech Group, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about SimuTech Group, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of SimuTech Group, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about SimuTech Group, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets held for investment purposes is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Other Matter - Supplemental Schedule Required by ERISA (Continued)

In our opinion -

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SIMUTECH GROUP, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

1. DESCRIPTION OF PLAN

The following brief description of the SimuTech Group, Inc. 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering substantially all nonunion employees of SimuTech Group, Inc. (the “Company”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Administration

The Plan is administered by the Company. Empower Trust Company, LLC is the custodian and third-party administrator of the Plan’s assets for the years ended December 31, 2023 and 2022. One employee and one owner of the Company serve as the Plan’s trustees.

Eligibility

Employees of the Company are eligible to contribute to the Plan and receive employer matching contributions upon completion of 1 month of service. Any union, nonresident alien, temporary, seasonal, leased or reclassified employees are not eligible to participate in the Plan.

Contributions

Participants may make pre-tax or post-tax (Roth) contributions up to the maximum percentage of compensation and dollar amount permissible under the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions.

At the discretion of the Company’s management, the Company may make matching or profit-sharing contributions. During both the years ended December 31, 2023 and 2022, participants received matching contributions of 0.25% for every 1% of salary contributed to the plan, with a maximum match of 2%.

There were no discretionary profit-sharing contributions made for the Plan during the year ended December 31, 2023 or 2022.

The Plan accepts direct rollovers as a result of eligible rollover distributions.

Participant Accounts

Each participant’s account is credited with the participant’s contribution and allocations of: (a) the Company’s contribution, (b) investment earnings and losses, and c) administrative expenses paid by the Plan which have not been offset by forfeitures. Allocations are based on participant earnings or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

1. DESCRIPTION OF PLAN (Continued)

Forfeitures

Forfeitures may be used to reduce administrative expenses or employer contributions. At December 31, 2023 and 2022, forfeited nonvested accounts amounted to \$33,041 and \$18,514, respectively. Forfeiture amounts of \$14,122 and \$14,312 were generated for the years ended December 31, 2023 and 2022, respectively. There were no forfeiture amounts used to reduce employee contributions during 2023 or 2022, respectively.

Vesting

Participants are immediately vested in their elective deferrals plus actual earnings. The Plan provides a vesting schedule based on participants' years of service to the Company for discretionary matching and profit-sharing contributions noted below:

Less than 1 year	0%
Year 1	20%
Year 2	40%
Year 3	60%
Year 4	80%
5 or more	100%

Investment Options

Upon enrollment in the Plan, a participant may direct their elective deferrals and employer contributions in any of the investment options offered by the custodian of the Plan, which provide diversified investment options. Participants may change their investment options at any time during the year.

Notes Receivable from Participants

Participants may borrow a minimum of \$1,000 and up to the lesser of 50% of their vested account balances or \$50,000. Participants may choose an amortization schedule of up to five years, unless the note is used for a primary residence, in which case loans may be repaid over a term of up to fifteen years. Principal and interest are paid through payroll deductions. Interest on notes receivable from participants is charged at the prime rate at the time of loan origination (8.50% and 7.50% at December 31, 2023 and 2022, respectively).

Benefit Payments

The Plan provides for benefit payments upon termination of service due to death, disability, or retirement. Benefit payments are made in the form of a lump-sum distribution or a rollover to another qualified investment. The Plan makes mandatory distributions upon termination of service for participants with vested balances less than \$5,000. Additionally, the Plan provides for in-service withdrawals once a participant reaches age 59 ½ even if still employed.

Hardship Withdrawals

Hardship withdrawals from the Plan are permitted from participant elective deferrals. Hardship withdrawals can only be made for payment of qualifying expenses to satisfy financial hardship, as defined in the plan document.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan's financial statements are prepared in accordance with accounting principles generally accepted in the United States.

Investments

Mutual funds and guaranteed market portfolio funds are stated at fair value based on quoted market prices. The Plan's collective trust funds is stated at contract value. Purchases and sales of securities are reflected on a trade date basis. Interest income is recorded on the accrual basis. Net appreciation and depreciation include the Plan's gains and losses on investments bought and sold, as well as held, during the year.

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the accompanying financial statements.

Payments of Benefits

Benefit payments are recorded when paid.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts in the financial statements, supplemental schedule and accompanying notes. The most significant estimates within the Plan's financial statements are the investment values and the resulting net assets available for benefits. Actual results could differ from those estimates.

Income Taxes

The Plan sponsor determines whether a tax position of the Plan is more likely than not to be sustained upon examination by the applicable taxing authority, based on the technical merits of the position. As of December 31, 2023, the Plan has not recorded any provisions for accrued interest and penalties related to uncertain tax positions. By statute, tax years 2020 through 2023 remain open to examination by the taxing jurisdictions to which the Plan is subject.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fair Value of Financial Instruments

Generally accepted accounting principles provide a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

- Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

The Plan's mutual funds are valued utilizing level 1 inputs.

- Level 2 – Inputs to the valuation methodology include:
 - Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified term, the Level 2 input must be observable for substantially the full term of the asset or liability.

The Plan did not have any financial assets or liabilities measured at fair value utilizing Level 2 inputs.

- Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The Plan did not have any financial assets or liabilities measured at fair value utilizing Level 3 inputs.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Events Occurring After Reporting Date

The Plan has evaluated events and transactions that occurred between December 31, 2023 and October 2, 2024, which is the date the financial statements were available to be issued, for possible disclosure and recognition in the financial statements.

3. FAIR VALUE MEASUREMENTS

The following table sets forth, by level, the Plan's assets at fair value as of December 31, 2023:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$ 6,203,021</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 6,203,021</u>

The following table sets forth, by level, the Plan's assets at fair value as of December 31, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$ 5,658,466</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 5,658,466</u>

4. SUMMARY OF INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN

The Plan administrator has elected the method of annual reporting permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Empower Trust Company, LLC has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments, as shown in the statements of net assets available for benefits as of December 31, 2023 and 2022.
- Net appreciation (depreciation) in fair value of investments and interest and dividends, as shown in the statements of changes in net assets available for benefits for the years ended December 31, 2023 and 2022.
- The schedule of assets held for investment purposes, excluding notes receivable from participants, as of December 31, 2023 as shown on Schedule I.

5. TAX STATUS

The Plan has obtained an opinion letter for the prototype of the Plan, dated May 1, 2016, in which the Internal Revenue Service stated that the form of the Plan was in compliance with the applicable provisions of the Internal Revenue Code (IRC). The Plan has been amended since receiving that determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

6. EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Administrative fees paid by the Plan to the custodian and third-party administrator amounted to \$42,358 and \$22,509 for the years ended December 31, 2023 and 2022, respectively.

Empower Trust Company, LLC was the custodian of the Plan's assets during 2023 and 2022. As such, transactions between Empower Trust Company, LLC and the Plan qualify as party-in-interest transactions. Additionally, transactions involving notes receivables from participants qualify as party-in-interest transactions.

7. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The classification of change in net assets available for benefits for the year ended December 31, 2023 and 2022 differs between the financial statements and Form 5500. The total change in net assets available for benefits for the years then ended also differs between the financial statements and Form 5500.

The following is a reconciliation of the change in net assets available for benefits per the financial statements to the change in net assets available for benefits per Form 5500 for the year ended December 31:

	<u>2023</u>	<u>2022</u>
Change in net assets available for benefits per the financial statements	\$ 1,661,125	\$ (1,948,170)
Employee contributions receivable – end of year (2022)	77,350	(77,350)
Employer contributions receivable – end of year (2022)	<u>14,082</u>	<u>(14,082)</u>
Change in net assets available for benefits per Form 5500	<u>\$ 1,752,557</u>	<u>\$ (2,039,602)</u>

The following is a reconciliation of net assets available for benefits per the financial statements to net assets available for benefits per Form 5500 at December 31, 2022:

Net assets available for benefits per the financial statements	\$ 10,082,030
Employee contributions receivable – end of year	(77,350)
Employer contributions receivable – end of year	<u>(14,082)</u>
Net assets available for benefits per Form 5500	<u>\$ 9,990,598</u>

There was no difference in net assets available for benefits between the financial statements and Form 5500 for the year ended December 31, 2023.

8. GUARANTEED PORTFOLIO CONTRACT

The Plan entered into an investment contract with Empower Trust Company. Empower Trust Company maintains contributions in a general account. The account is credited with earnings on the underlying investments and charged for Plan withdrawals and administrative expenses. The contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses.

The guaranteed portfolio contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is reviewed and reset on a quarterly basis. The average yield earned by the Plan was 1.34% and 0.93% for the years ending December 31, 2023 and 2022. The Plan can request a lump sum distribution with a market value adjustment, or an installment payout, at book value, over a period of years. The contract does not have a defined maturity date and continues until all assets have been distributed.

The Plan's ability to receive amounts due in accordance with fully-benefit responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

8. GUARANTEED PORTFOLIO CONTRACT (Continued)

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. These events may be different under each contract. Examples of such events include the following:

1. The Plan's failure to qualify under Section 401(a) of the Internal Revenue Code or the failure of the trust to be tax-exempt under Section 501(a) of the Internal Revenue Code 66,
2. Premature termination of the contract,
3. Plan termination or merger,
4. Changes to the Plan's prohibition on competing investment options, or
5. Bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spinoffs of a subsidiary) that significantly affect the Plan's normal operations.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include the following:

1. An uncured violation of the Plan's investment guidelines,
2. A breach of material obligation under the contract,
3. A material misrepresentation, or
4. A material amendment to the agreements without the consent of the issuer.
