Independent Auditor's Report

Board of Directors
OrthoTennessee 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of OrthoTennessee 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the accompanying financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Board of Directors
OrthoTennessee 401(k) Plan

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an independent auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Board of Directors
OrthoTennessee 401(k) Plan

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental Schedule of Delinquent Participant Contributions for the year ended December 31, 2023 and Schedule of Assets (Held at End of Year) as of December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

Board of Directors
OrthoTennessee 401(k) Plan

Other Matter - Supplemental Schedules Required by ERISA (continued)

The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

OrthoTennessee 401(k) Plan

Notes to Financial Statements

December 31, 2023

1. Description of the Plan

The following description of OrthoTennessee 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan’s provisions. Copies of the Plan Document are available from OrthoTennessee, P.C. (the “Plan Sponsor”).

General

The Plan is a defined contribution plan and is subject to the Employee Retirement Income Security Act of 1974 (ERISA). All employees of the Plan Sponsor that are age 21 or older and have completed one year of qualifying service are eligible to participate in the Plan.

Contributions

Participants may defer 401(k) contributions up to 100% of their pre-tax or after-tax annual compensation, as defined by the Plan Document, subject to the maximum contributions permitted by the Internal Revenue Service (IRS). Participants who have attained the age of 50 before the end of the plan year are eligible to make catch-up contributions to the Plan. Participants may also contribute to the Plan amounts representing distributions from other qualified retirement plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan. Participants can change the investment options previously elected at any time.

Each payroll period, the Plan Sponsor contributes to the Plan an equal safe harbor matching contribution up to 4% of a participant’s compensation as defined in the Plan Document. The Plan Sponsor may also make a discretionary profit-sharing contribution to participants employed on the last day of the plan year. The Plan Sponsor made a discretionary profit-sharing contribution ranging from 6.5% to 9.28% of eligible compensation in 2023 and 2022.

For discretionary contributions, the Plan Sponsor may make periodic deposits to the Plan, which are maintained in certain investments, as directed by the trustees of the Plan. These discretionary contributions are then allocated to each participant account prior to April 15 of the following year, based on the eligibility of the participant at year-end, at which time the contributions and related earnings are distributed among the investment options according to the direction of the participant.

Cash contribution receivables, if any, are unsecured.

OrthoTennessee 401(k) Plan
Notes to Financial Statements (continued)

1. Description of the Plan (continued)

Investments

Empower Trust Company, LLC (Empower) is the primary custodian that holds the assets of the Plan. Various other custodians exist for participant-directed brokerage accounts. The custodians maintain the investments in various investments. Generally, the Plan's investments are collateralized by the proportionate share of the respective investment's underlying net assets. The maximum loss, if any, that would be incurred by the Plan if the counterparties to the Plan's investments failed to perform and any collateral was insufficient is the recorded amount of such investments.

Participant Accounts

Each participant's account is credited with the participant's contributions and the Plan Sponsor's contributions, investment earnings and losses that are allocated based on each participant's relative account balance within the respective fund, as defined, and an allocation of administrative expenses that are paid by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their elective salary deferral contributions, rollover contributions from other qualified plans, Plan Sponsor safe harbor contributions, and related earnings thereon. Participants become fully vested in the Plan Sponsor's discretionary profit-sharing contributions after three years of service as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 3	0%
3 or more	100%

Forfeitures

Forfeitures are created when participants terminate employment before becoming entitled to their full benefits under the Plan. Forfeitures of terminated participants' non-vested accounts may be used to reduce future Plan Sponsor contributions to the Plan or plan expenses. If a terminated participant is rehired by the Plan Sponsor, the participant may be entitled to a restoration of certain amounts forfeited, based on provisions in the Plan Agreement.

Forfeitures totaled \$42,283 and \$7,992 as of December 31, 2023 and 2022, respectively. Forfeitures used to reduce Plan Sponsor contributions totaled \$33,941 in 2023 and \$17,940 in 2022. As of December 31, 2023, forfeited non-vested accounts totaled \$45,632 and \$28,723, respectively.

OrthoTennessee 401(k) Plan
Notes to Financial Statements (continued)

1. Description of the Plan (continued)

Notes Receivable from Participants

Participants may borrow from their fund accounts. The minimum amount of the loan is \$1,000, and the maximum amount is the lesser of one-half of the participant's vested account balance or \$50,000. Two loans may be outstanding at a time per participant, and the loans generally bear a reasonable interest rate. The loans are generally repayable in level periodic payments over various terms of up to five years, except for those utilized for the acquisition of a principal residence, which may be repaid over a period of time up to 30 years. The loans are secured by the balance in the participant's account. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

Upon termination of service, death, disability, or retirement, a participant (or his or her beneficiaries) shall receive a lump sum amount equal to the vested value of his or her account. Partial withdrawals or installments are only permitted for participants who must receive required minimum distributions in accordance with the IRC.

In-service hardship withdrawals are available in certain circumstances.

Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under plan provisions to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, participants will become 100% vested in their accounts.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP), as are the annual returns filed under applicable provisions of ERISA and the Internal Revenue Code (IRC).

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts in the Plan's financial statements. Accordingly, actual results may differ from those estimates.

OrthoTennessee 401(k) Plan
Notes to Financial Statements (continued)

2. Summary of Significant Accounting Policies (continued)

Investments

Investments are reported at fair value, except the guaranteed interest account (the “GIA”) with Empower that is a fully benefit-responsive investment contract that is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Sponsor’s management determines the Plan’s valuation policies utilizing information provided by the custodians.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net realized and unrealized appreciation or depreciation in the fair value of investments includes the Plan’s gains and losses on investments bought and sold as well as those held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are recorded as administrative expenses when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022.

Upon default of notes receivable from participants, the entire outstanding principal and interest shall be immediately due and payable. If a distributable event, as defined by the IRC, has occurred, the note receivable will be foreclosed on and be offset against the participant’s account balance. If a participant’s note receivable is in default, the participant shall be treated as having a taxable deemed distribution whether or not a distribution event has occurred.

Benefit Payments

Benefits are recorded when paid.

Administrative Expenses

Certain plan administrative expenses are paid by the Plan Sponsor and are excluded from these financial statements. Fees related to administration of notes receivable from participants are charged directly to the participant’s account and are included in administrative expenses. Certain investment related expenses are included in net realized and unrealized appreciation or depreciation in the fair value of investments.

Subsequent Events

Plan management has evaluated subsequent events through October 7, 2024, the date the financial statements were available to be issued.

OrthoTennessee 401(k) Plan
Notes to Financial Statements (continued)

3. Income Tax Status

The Plan adopted a volume submitter plan sponsored by SageView Retirement Plan Consultants, Inc. that received an advisory letter from the IRS dated June 30, 2020, which states the form of the plan is acceptable for use under applicable sections of the IRC. The Plan has been amended since the latest opinion letter date; however, the Plan Administrator believes the Plan is being operated in accordance with applicable requirements of the IRC and, accordingly, remains exempt from income taxes.

4. Certified Information (Unaudited)

Empower, Cetera Advisor Networks, The Trust Company of Tennessee, and (through December 31, 2022) Morgan Stanley hold the Plan's investments assets and execute transactions therein. Financial information relating to those assets disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including cash (\$500 and \$19,060 as of December 31, 2023 and 2022, respectively), investments (\$134,210,380 and \$134,785,316 as of December 31, 2023 and 2022, respectively), and notes receivable from participants held as of December 31, 2023 and 2022, net realized and unrealized appreciation in the fair value of investments of \$14,032,190 during 2023 and net realized and unrealized depreciation of \$25,331,227 during 2022, which is net of appreciation of \$930,072 from the GIA, investment income of \$4,004,658 during 2023, including \$889,531 from the GIA, and \$2,285,095 during 2022, including \$198,126 from the GIA, and interest income on notes receivable from participants, is based upon information provided to the Plan Administrator and agreed to or derived from information certified as complete and accurate by Empower, Cetera Advisor Networks, The Trust Company of Tennessee, and (through December 31, 2022) Morgan Stanley.

5. Other Investment Information

Other investment information of the Plan not certified totaled \$5,433,597 and \$3,038,814 as of December 31, 2023 and 2022, respectively. This other investment information consisted of common stocks of \$1,049,958 as of December 31, 2023, mutual funds and exchange-traded funds of \$3,623,780 and \$3,008,493 as of December 31, 2023 and 2022, respectively, annuities of \$679,495 as of December 31, 2023, and cash totaled \$80,364 and \$30,321 as of December 31, 2023 and 2022, respectively. These investments experienced investment income of \$127,742 in 2023 and \$79,365 in 2022. Net appreciation in these investments totaled \$741,960 in 2023, and net depreciation in these investments totaled \$985,629 in 2022.

6. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

OrthoTennessee 401(k) Plan
Notes to Financial Statements (continued)

6. Fair Value Measurements (continued)

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the methodology include:
- Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The fair value measurement level of the asset or liability within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. There have been no changes in the methodologies used at December 31, 2023 and 2022.

The following table sets forth by level, within the fair value hierarchy, the fair value of the Plan's investments as of December 31, 2023:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$101,960,799	\$ —	\$ —	\$101,960,799

6. Fair Value Measurements (continued)

The following table sets forth by level, within the fair value hierarchy, the fair value of the Plan's investments as of December 31, 2022:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 88,939,677	\$ —	\$ —	\$ 88,939,677
Participant-directed brokerage accounts:		—	—	
Money market funds	44,982	—	—	44,982
Common stocks	684,998	—	—	684,998
Exchange-traded funds	838,611	—	—	838,611
Mutual funds	5,076,900	—	—	5,076,900
Annuities	—	597,589	—	597,589
Total participant-directed brokerage accounts	6,645,491	597,589	—	7,243,080
Total investments	\$ 95,585,168	\$ 597,589	\$ —	96,182,757
Common collective trust*				3,718,578
				<u>\$99,901,335</u>

* - In accordance with Subtopic 820-10, the Plan's interest in the common collective trusts are measured at fair value using the net asset value (NAV) per share (or its equivalent) practical expedient and have not been classified in the fair value hierarchy. The NAV is determined by Empower and is based on the fair value of the investments held by the fund less its liabilities. The fair value amount presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

Fair value of Investments that use NAV

The following table summarizes investments measuring at fair value based on NAV per share as of December 31:

Investment Type	2023 Fair Value	2022 Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice For Period
Common collective investment trusts	\$4,194,610	\$3,718,578	None	Daily	Daily

OrthoTennessee 401(k) Plan
Notes to Financial Statements (continued)

6. Fair Value Measurements (continued)

The following is a description of the valuation methodologies used for investments measured at fair value, which have not changed as of December 31, 2023 and 2022, except as noted below:

Mutual funds, money market funds, exchange-traded funds, and annuities: Valued at the net asset value of shares held by the Plan at year-end.

Common collective trusts: Valued at fair value using the NAV practical expedient as determined by the issuer based on the current fair values of the underlying assets of the fund (Note 2).

Common stocks: Valued at the closing price reported on the active market on which the shares are traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

7. Investment Contract with Empower

The Plan has a GIA with Empower that is a fully benefit-responsive investment contract. Empower maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The GIA issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the GIA is fully benefit-responsive, contract value is the relevant measurement attribute for the portion of the net assets available for benefits attributable to the GIA. Contract value, as reported to the Plan by Empower, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments. There are no reserves against contract value for credit risk of Empower or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are reviewed on an annual basis for resetting.

OrthoTennessee 401(k) Plan
Notes to Financial Statements (continued)

7. Investment Contract with Empower (continued)

Certain events limit the ability of the Plan to transact at contract value with Empower. Such events include amendments to the plan documents (including complete or partial plan termination or merger with another plan), changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, bankruptcy of the Plan Sponsor or other Plan Sponsor events that cause a significant withdrawal from the Plan, or the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator believes any events that would limit the Plan's ability to transact at contract value with participants are not probable of occurring.

The GIA does not permit Empower to terminate the agreement prior to the scheduled maturity.

8. Party-in-Interest Transactions

Certain plan investments are in accounts with the custodians; therefore, these transactions are considered party-in-interest transactions.

9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

10. Delinquent Participant Contributions

Defined contribution plans are required to remit participant contributions to the Plan as soon as they can be reasonably segregated from the employer's general assets. During 2022, contributions totaling \$111,014 were not remitted within the required time period. During September 2023, the Plan Sponsor corrected these 2022 delinquent participant contributions, including remitting lost earnings to the Plan.
