Independent Auditor's Report

To the Plan Administrator
Ocean Associates, Inc. 401(k) Plan
Arlington, Virginia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Ocean Associates, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Ocean Associates, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Ocean Associates, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Ocean Associates, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about Ocean Associates, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplementary Schedule Required by ERISA

The supplementary Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplementary schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary schedule, we evaluated whether the supplementary schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

To the Plan Administrator
Ocean Associates, Inc. 401(k) Plan

Other Matter - Supplementary Schedule Required by ERISA (Continued)

In our opinion,

- the form and content of the supplementary schedule, other than the information in the supplementary schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplementary schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

OCEAN ASSOCIATES, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

1. DESCRIPTION OF PLAN

The following description of Ocean Associates, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan pursuant to the provisions of Section 401(k) of the Internal Revenue Code (the Code) established for the benefit of all employees (participants) who have completed three months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions - Each year, participants may contribute the maximum allowed by law of their pretax compensation. Participants who have attained the age of 50 before the end of the plan year are eligible to make additional catch-up contributions. Ocean Associates, Inc. (the Corporation) may decide to make a matching contribution to the Plan, although the Corporation is not required to make this contribution. Participants must make elective deferrals to the Plan to receive this matching contribution. The percentage of elective deferrals to be matched will be determined by the Corporation and allocated to participants at the end of the plan year. The Corporation may also decide to make a non-elective contribution to the Plan which will be allocated to all employees eligible to participate in the Plan. Participants may roll over contributions from other plans.

Participant Accounts - Each participant's account is credited with participant's contributions, Corporation's contributions and allocations of Plan earnings (losses) and charged with an allocation of administrative expenses. Plan earnings (losses) are allocated based on the participant's share of each investment. Participants direct the investment of their contributions into various investment options offered by the Plan. The investment options available to participants include registered investment companies (mutual funds) and common/collective trusts.

Vesting - Participants are immediately 100% vested in their contributions plus actual earnings thereon. Vesting in the Corporation's contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after four years of credited service.

Payment of Benefits - On termination of service due to death or disability, all distributions from the Plan will be made in one lump-sum payment. For termination of service due to other reasons, a participant may receive the value of their vested interest in the account as a lump-sum distribution, a direct rollover or receive installments.

Notes Receivable from Participants - Participants may borrow from their accounts a minimum of \$500 up to a maximum of 50% of the participant's vested interest in the Plan or \$50,000, whichever is less. Participants may only have one loan outstanding. Loans must be fully repaid through payroll deductions within 5 years unless the loan is used for the purchase of a primary residence. The interest rate for a loan will be the rate in the month the loan is effective. The interest rate is the prime rate as published in the *Wall Street Journal* on the 14th of each month, plus two percentage points.

Withdrawals - A participant experiencing serious financial hardship may, with sufficient evidence, withdraw a portion of their account attributable to the compensation deferral. The amount of the withdrawal may not be greater than the immediate financial need.

Forfeited Accounts - As of December 31, 2023 and 2022, forfeited non-vested accounts totaled \$14,777 and \$11,211, respectively. During the years ended 2023 and 2022, forfeited accounts were used to reduce the employer contributions of \$5,837 and \$6,760, respectively.

OCEAN ASSOCIATES, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Related fees are charged directly to the borrowing account and are included in administrative expenses when incurred. Delinquent participant loans are reclassified as distributions based on the terms of the plan document.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Shares of registered investment companies (mutual funds) are valued at quoted market prices which represent the net asset values of shares held by the Plan at year end. Units of the common/collective trusts investments are valued based on net asset value per share provided by the manager of the fund.

Purchases and sales of securities are recorded on a trade-date basis. Purchases and sales are recorded on the ex-dividend date. Interest is accrued when earned.

Administrative Expenses

Certain administrative expenses are paid by the Plan and are allocated proportionately to participant account balances. The Corporation absorbs other costs related to managing the Plan.

Excess Contributions Payable

Amounts payable to participants as of December 31, 2022, totaled approximately \$10,000, for contributions in excess of amounts allowed by the Plan to satisfy the nondiscrimination provisions of the Plan.

Payment of Benefits

Benefits are recorded when paid.

3. RELATED PARTY TRANSACTIONS

Certain plan investments were managed by affiliates of Reliance Trust Company. Reliance Trust Company was the trustee as defined by the Plan. These transactions qualify as party-in-interest transactions. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

OCEAN ASSOCIATES, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

4. PLAN TERMINATION

While the Corporation has not expressed any intent to do so, the Corporation has the right under the Plan to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants are 100% vested in their accounts. Also, upon such termination, the commitment of the Corporation to make contributions shall terminate.

5. TAX STATUS

The Plan was adopted under a prototype plan. By letter dated October 6, 2020, the Internal Revenue Service has determined that the prototype plan and related trust are designed in accordance with applicable sections of the Code. The Plan's Form 5500, *Annual Return/Report of Employee Benefit Plan*, is open for inspection by the taxing authorities, generally for three years after filing.

6. CERTIFIED INFORMATION

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Reliance Trust Company, the trustee of the Plan, has certified that the following information related to investments included in the accompanying financial statements and supplementary schedule of assets is complete and accurate.

7. INVESTMENTS

Investments representing 15% or more of the Plan's net assets as of December 31 are as follows:

	2023	2022
T. Rowe Price Retire 2050 - R	\$ 1,018,595	*

* Did not represent 15% of total assets for the year.

8. FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value.

OCEAN ASSOCIATES, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

8. FAIR VALUE MEASUREMENTS (CONTINUED)

This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs to the valuation methodology are unadjusted quoted prices for similar assets in active or inactive markets and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs were used only when Level 1 or Level 2 inputs were not available.

The following tables set forth, by level within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

<u>December 31, 2023</u>	<u>Fair Value</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Mutual Funds	\$ 5,707,429	\$ 5,707,429	\$ -	\$ -
	5,707,429	\$ 5,707,429	\$ -	\$ -
Investments Measured at Net Asset Value *	1,047,127			
Total	<u>\$ 6,754,556</u>			
 <u>December 31, 2022</u>	 <u>Fair Value</u>	 <u>Level 1</u>	 <u>Level 2</u>	 <u>Level 3</u>
Mutual Funds	\$ 4,416,863	\$ 4,416,863	\$ -	\$ -
	4,416,863	\$ 4,416,863	\$ -	\$ -
Investments Measured at Net Asset Value *	848,687			
Total	<u>\$ 5,265,550</u>			

The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Mutual Funds: The fair value of the shares of mutual funds owned by the Plan is based on quoted market price values on the last business day of the plan year.

* *Common Collective Trusts:* The fair value of common collective trust funds is based on the net asset value (NAV) on the last business day of the plan year provided by the entity holding the trust funds. The NAV of the common collective trusts is used as a practical expedient to estimate fair value and is determined by the trustee based on the fair value of underlying assets in the trusts, less the liabilities. Investments in all common collective trust funds can be redeemed immediately at the current net asset value. There are no withdrawal limits, redemption frequency limits or redemption notice periods. There were no unfunded commitments for these investments as of December 31, 2023.

10. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

11. SUBSEQUENT EVENTS

The Plan's management has evaluated subsequent events through October 8, 2024, the date on which the financial statements were available to be issued.
