The 401K Plan Committee of
The Wittern Group
8040 University Blvd.
Clive, IA 50325

Dear Members of the 401K Plan Committee:

We have performed an ERISA Section 103(a)(3)(C) audit (previously known as limited-scope audit) of the financial statements of The Wittern Group Non-Bargaining 401(k) Plan (the "Plan") as of and for the year ended December 31, 2023, in accordance with auditing standards generally accepted in the United States of America ("generally accepted auditing standards") and the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, as amended (ERISA), ("ERISA Section 103(a)(3)(C) Election"). We have issued our report thereon dated October 11, 2024.

We have prepared the following comments to assist you in fulfilling your obligation to oversee the financial reporting and disclosure process for which management of the Plan is responsible.

This report is intended solely for the information and use of Plan's management, the 401K Plan Committee, and others within the organization and is not intended to be and should not be used by anyone other than these specified parties.

Yours truly,

Deloitte & Touche LLP 

cc: The Management of The Wittern Group Non-Bargaining 401(k) Plan

Our Responsibility under Generally Accepted Auditing Standards

Our responsibility under generally accepted auditing standards has been described in our engagement letter dated July 16, 2024. As described in that letter, our responsibilities under generally accepted auditing standards and the ERISA Section 103(a)(3)(C) Election include forming and expressing an opinion on whether the form and content of the information included in the Plan's financial statements and supplemental schedules, other than that derived from the information certified by the asset custodians, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. We considered internal control relevant to the Plan's preparation of the financial statements in order to design audit procedures that were appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal controls.

Significant Accounting Policies

The Plan's significant accounting policies are set forth in Note 2 to the Plan's 2023 financial statements. We are not aware of any significant changes in previously adopted accounting policies or their application during the year ended December 31, 2023.

We have evaluated the significant qualitative aspects of the Plan's accounting practices, including accounting policies, accounting estimates, and financial statement disclosures and concluded that the policies are appropriate, adequately disclosed, and consistently applied by management.

Accounting Estimates

Accounting estimates are an integral part of the financial statements prepared by the Plan's management and are based on management's current judgments. Those judgments are ordinarily based on knowledge and experience about past and current events and on assumptions about future events. Significant accounting estimates reflected in the Plan's 2023 financial statements include the fair value of investments, as prescribed by the asset custodians. During the year ended December 31, 2023, there were no significant changes in accounting estimates or in the Plan's management's judgments relating to such estimates.

Uncorrected Misstatements

Except with respect to the investment information certified by the asset custodians, our ERISA Section 103(a)(3)(C) audit of the financial statements was designed to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement, whether caused by error or fraud. There were no uncorrected misstatements or disclosure items passed identified during our ERISA Section 103(a)(3)(C) audit.

Material Corrected Misstatements

There were no material misstatements that were brought to the attention of the Plan's management as a result of our ERISA Section 103(a)(3)(C) audit procedures.

Form 5500

In accordance with generally accepted auditing standards, we obtained and read a draft of the Plan's Form 5500 that was substantially complete (the "draft Form 5500") prior to the dating of our auditor's report. We read the Plan's draft Form 5500 to identify material inconsistencies, if any, with the audited financial statements. We did not note any material inconsistencies or obtain knowledge of a material misstatement of fact in the other information.

Disagreements with the Plan's Management

We have not had any disagreements with the Plan's management related to matters that are material to the Plan's 2023 financial statements.

Our Views about Significant Matters That Were the Subject of Consultation with Other Accountants

We are not aware of any consultations that the Plan's management may have had with other accountants about auditing and accounting matters during 2023.

Significant Findings or Issues Arising from the Audit Discussed, or Subject of Correspondence, with the Plan's Management

Throughout the year, routine discussions were held, or were the subject of correspondence, with the Plan's management. In our judgment, such discussions or correspondence did not involve significant findings or issues requiring communication to the 401K Plan Committee.

Significant Difficulties Encountered in Performing the ERISA Section 103(a)(3)(C) Audit

In our judgment, we received the full cooperation of the Plan's management and staff and had unrestricted access to the Plan's senior management in the performance of our ERISA Section 103(a)(3)(C) audit.

Management's Representations

We have made specific inquiries of the Plan's management about the representations embodied in the financial statements. In addition, we have requested that the Plan's management provide to us the written representations the Plan is required to provide to its independent auditors under generally accepted auditing standards. We have attached to this letter, as Appendix A, a copy of the representation letter we obtained from the Plan's management.

Form and Content of the Auditor's Report

We were engaged to report on the supplemental schedules required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and, as such, have included the appropriate other matter paragraph in our audit report, which is consistent with that of the prior year.

Reportable Findings

We have identified, and included in Appendix B, certain matters involving reportable findings under generally accepted auditing standards.

The definition of a reportable finding is also set forth in Appendix B.

We are providing this letter in connection with your audits of the statements of net assets available for benefits of The Wittern Group Non-Bargaining 401(k) Plan (the "Plan"), the employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended and the related notes (collectively referred to as the "financial statements").

We elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor (DOL)'s Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). We acknowledge that the audits did not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance company, that is regulated, supervised and subject to periodic examination by a state or federal agency, a qualified institution, that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. We have determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. We have also determined that the investment information is prepared and certified by qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5, and that the certified investment information is appropriately measured, presented, and disclosed in accordance with accounting principles generally accepted in the United States of America (GAAP).

The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion as to whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America and that the assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the certified investment information.

We confirm that we are responsible for the following:

- a. The preparation and fair presentation in the Plan's financial statements of net assets and changes in net assets in conformity with GAAP.

 - c. Administering the Plan and determining that the Plan's transactions that are presented and disclosed in the ERISA Plan's financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.
 - d. The design, implementation, and maintenance of internal control:
 - Relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.
 - To prevent and detect fraud.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement.

We confirm, to the best of our knowledge and belief, the following representations made to you during your ERISA Section 103(a)(3)(C) audits.

1. The financial statements referred to above are fairly presented in conformity with GAAP and the notes include all disclosures required by laws and regulations to which the Plan is subject. 13. There are no matters (e.g., breach of fiduciary responsibilities, nonexempt party-in-interest transactions, loans or leases in default, events that may jeopardize the Plan's tax qualification status) that legal counsel has advised us that must be disclosed in accordance with the DOL's Rules and Regulations for Reporting and Disclosure, Internal Revenue Code, or ERISA.

23. Except where otherwise stated below, immaterial matters less than \$100,000 are not considered to be exceptions that require disclosure for the purpose of the following representations. This amount is not necessarily indicative of amounts that would require adjustment to, or disclosure in, the financial statements.
24. There are no transactions that have not been properly recorded and reflected in the Plan's financial statements.
25. The Plan has no plans or intentions that may affect the carrying value or classification of the Plan's assets and liabilities, nor are we aware of any such plans or intentions on the part of the Plan's Sponsor.
26. The following, to the extent applicable, have been appropriately identified, properly accounted for, and disclosed in the financial statements or supplemental schedules:
- a. Transactions with parties-in-interest, as defined in ERISA Section 3(14) and regulations thereunder, including those transactions set forth in Sections 406 and 407(a) of ERISA and Section 4975(c) of the Internal Revenue Code.
 - b. Other related parties and all the related-party relationships and transactions of which the Plan's management is aware, including sales, purchases, loans, transfers, leasing arrangements, and guarantees (written or oral).

 - f. Securities lending, including securities on loan, collateral held under securities lending agreements, and the liability to return collateral held under securities lending agreements.
27. In preparing the financial statements in conformity with GAAP, the Plan's management uses estimates. All estimates have been disclosed in the financial statements for which known information available prior to the issuance of the financial statements indicates that both of the following criteria are met:
- 

THE WITTERN GROUP

1-800-247-1787

www.wittern.com

8040 University Blvd. Clive, Iowa 50325

-
- a. It is reasonably possible that the estimate of the effect on the financial statements of a condition, situation, or set of circumstances that existed at the date of the financial statements will change in the near term due to one or more future confirming events.
 - b. The effect of the change would be material to the financial statements.
28. There are no:
- a. Instances of identified or suspected noncompliance with laws and regulations whose effects should be considered when preparing the financial statements.
 - b. Known actual or possible litigation and claims whose effects should be considered when preparing the financial statements that have not been disclosed to you and accounted for and disclosed in accordance with GAAP.
29. The Plan has satisfactory title to all owned assets, and there are no liens or encumbrances on such assets, nor has any asset been pledged as collateral.
30. The Plan has complied with all aspects of contractual agreements that may affect the financial statements.
31. Regarding supplemental information:
- a. We are responsible for the preparation and fair presentation of the supplemental information in conformity with DOL Rules and Regulations for Reporting and Disclosure under ERISA.
 - b. We believe the supplemental information, including its form and content, is fairly stated in all material respects.
 - c. The method of measurement and presentation of the supplemental information has not changed from those used in the prior period.
 - d. The supplemental information complies, in all material respects, with regulatory requirements or other applicable criteria, and DOL Rules and Regulations for Reporting and Disclosure under ERISA.
32. No events have occurred after December 31, 2023, but before the date of this letter, the date the financial statements were available to be issued, that require consideration as adjustments to, or disclosures in, the Plan's financial statements.
33. The Plan Administrator has analyzed the tax positions taken by the Plan and concluded that as of December 31, 2023, there are no uncertain tax positions taken or expected to be taken that would

require recognition as a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes the Plan are no longer subject to income tax examinations for years prior to 2020.

34. With regard to the fair value measurements and disclosures of certain assets and liabilities:
- The measurement methods, including the related assumptions, used in determining fair value were appropriate, consistent with market participant assumptions where available without undue cost and effort, and were consistently applied in accordance with GAAP.
 - The completeness and adequacy of the disclosures related to fair values are in accordance with GAAP.
 - No events have occurred after December 31, 2023, but before the date of this letter, the date the financial statements were available to be issued, that require adjustment to the fair value measurements and disclosures included in the financial statements.
35. Financial instruments with significant individual or group concentration of credit risk have been appropriately identified, properly recorded, and disclosed in the financial statements or supplemental schedules.
36. Receivables recorded in the financial statements represent valid claims or other charges arising on or before the date of the statements of net assets available for benefits and have been appropriately reduced to their estimated net realizable value.
37. We are aware of failure to comply with the DOL's regulations concerning the Plan's timely remittance of participant contributions for the year ended December 31, 2022, to a trust containing assets for the Plan. If not corrected, the tax qualified status of the Plan and its related trust could be affected. This failure constitutes a prohibited transaction under Section 4975 of the Internal Revenue Code. The Plan Sponsor filed the Form 5330 directly with the Internal Revenue Service and paid lost earnings and applicable excise taxes during the year ended December 31, 2023. Accordingly, we believe that the Plan has retained its tax qualification status and no tax liability has been accrued.
38. We are aware of certain operational and administrative issues that, if not corrected, could affect the tax qualified status of the Plan and its related trust. We plan to correct these issues. Accordingly, we believe that the Plan will retain its tax qualification status and, accordingly, no tax liability has been accrued.

Matters Related to Reportable Findings

The definition of a reportable finding is as follows:

A reportable finding is a matter that is one or more of the following: (a) an identified instance of noncompliance or suspected noncompliance with laws or regulations in accordance with AICPA AU-C section 250, *Consideration of Laws and Regulations in an Audit of Financial Statements*; (b) a finding arising from the audit that is, in the auditor's professional judgment, significant and relevant to those charged with governance regarding their responsibility to oversee the financial reporting process in accordance with AU-C section 260, *The Auditor's Communication With Those Charged With Governance*; (c) an indication of deficiencies in internal control identified during the audit that have not been communicated to management by other parties and that, in the auditor's professional judgment, are of sufficient importance to merit management's attention in accordance with AICPA AU-C section 265, *Communicating Internal Control Related Matters Identified in an Audit*.

We consider the following item found during the audit to be a reportable finding, including other deficiencies or matters related to operations, compliance with laws and regulations, or the Plan's internal control over financial reporting during the year ended December 31, 2023:

We identified three individuals who were not enrolled timely into the Plan during the 2023 Plan year. We determined the Plan's enrollment control was not designed effectively as it failed to include an evaluation of the completeness of the monthly eligible participant enrollment listing received from Principal, Plan Asset Custodian and Recordkeeper. We concluded the issue represented a deficiency in internal control over financial reporting due to the cause and frequency of occurrence and severity of the issue. Accordingly, we also concluded that this matter is a reportable finding. Management consulted their ERISA counsel to discuss the missed contributions and determined such were untimely and therefore were corrected in 2024 upon identification.
