## INDEPENDENT AUDITOR'S REPORT

To the Trustees of  
Schnitzer Properties 401(k) Retirement Savings Plan  
1121 SW Salmon Street  
PO Box 2708  
Portland, Oregon 97208

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Schnitzer Properties 401(k) Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

### **Supplemental Schedules Required by ERISA**

The supplemental schedules titled (1) Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) and (2) Schedule H, Line 4(a) – Schedule of Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

The firm of Bjorklund & Montplaisir, which audited the financial statements of the Plan for the year ended December 31, 2022, was acquired by Platform CPAs, LLP effective November 29, 2023.

#### **1. Description of Plan**

The following description of the Schnitzer Properties 401(k) Retirement Savings Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

**General** – The Plan is a 401(k) defined contribution plan covering all eligible individuals who are employed by the participating companies, have achieved three consecutive months of service, and received an Internal Revenue Service (“IRS”) Form W-2 from the participating companies. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Schnitzer Investment Corp., the Plan sponsor, and Schnitzer Properties Management, LLC, an affiliated entity, are participating companies in the Plan. Effective January 1, 2022, the Plan sponsor entity name was changed from Harsch Investment Corp. to Schnitzer Investment Corp. and the name of the affiliated company Harsch Investment Properties Management, LLC was changed to Schnitzer Properties Management, LLC.

**Contributions** – Employees may make elective deferrals subject to the annual limits defined in the Internal Revenue Code (“IRC”). For participants who have not attained age 50, contributions are limited to \$22,500 and \$20,500 for 2023 and 2022, respectively. Participants age 50 or older may make contributions of up to \$7,500 and \$6,500 in addition to the above limits for 2023 and 2022, respectively. Contributions which exceed allowable limits are returned to the participants. Participants direct the investment of their contributions into various investment options offered by the Plan. Participants may also contribute amounts representing distributions from other qualified contribution plans. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan.

The employer makes matching contributions of 35 percent of the participant’s 401(k) contribution (subject to certain limitations) with the match being limited to 35 percent of the first 6 percent of the participant’s annual compensation. The employer may also make a discretionary profit sharing contribution to the Plan, although no such discretionary employer contributions have been made to date or are anticipated at this time to be made in the future. Such contribution may be fixed in terms of dollars, percentage of profits or a percentage of annual compensation and would be received by all eligible participants.

**Participants Accounts** – A separate account is maintained for each Plan participant. The account of each eligible participant who was employed on the last day of the Plan year is credited with employer discretionary profit sharing contributions (if any) as defined above. Contributions shall be allocated, as of the date they are received by the Plan, to the participants for whom they are made and credited to each participant’s account. Each participant’s account is credited with net earnings, gains and losses according to the terms of the underlying investments. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s account.

**Vesting** – Participants are 100 percent vested in their elective salary deferrals plus actual earnings thereon at all times.

Vesting in benefits derived from the employer matching and profit sharing contribution, plus earnings thereon, is based on years of service. A participant is 100 percent vested after three years of credited service, where each year must include a minimum of 1,000 hours of service. Employees are automatically 100 percent vested upon death or disability.

#### **1. Description of Plan (Continued)**

***Loans to Participants*** – A participant may borrow from his or her fund account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of his or her account balance. Loans must be repaid within five years, unless the loan proceeds are used to acquire the participant's principal residence, in which case longer terms may be agreed on. On March 27, 2022, the Coronavirus Aid, Relief and Economic Security Act ("CARES") was signed into law to provide relief to retirement plan investors affected by COVID-19. In addition to penalty-free distributions, the ability to repay coronavirus-related distributions over three years and the waiver of required minimum distributions during 2020, CARES also provided for increased loan limits. For 180 days after enactment of the law (through September 23, 2020), a participant affected by COVID-19 could borrow the lesser of \$100,000 or 100% of their vested account balance. Loans are secured by the balance in the participant's account and bear interest at a commercially reasonable rate, which is credited to the participant's account. Interest rates ranged from 5.25% to 7.50% at December 31, 2023 and 2022. Principal and interest is paid ratably through periodic payroll deductions.

***Payment of Benefits*** – On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or annual installments over a specific period. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution. Depending on election of the payout method, the participant may be subject to IRS withholding. At December 31, 2023, there were no net assets available for benefits that had been allocated to participants who had requested distributions, but had not yet received distributions.

***Forfeited Accounts*** – Forfeitures of non-vested employer matching and profit sharing contributions may be used to pay employer contributions and future plan administrative expenses. Forfeitures were used to pay employer contributions of \$22,263 and \$17,347 for 2023 and 2022, respectively. Forfeitures were used to pay plan administrative expenses of \$1,000 for 2022. Net assets available for benefits include approximately \$5,008 and \$5,590 in unallocated forfeitures at December 31, 2023 and 2022, respectively.

***Employer Contributions Receivable*** – Represents the amount that the employer is obligated to contribute for work that participants performed during the years ended December 31, 2023 and 2022. The Plan's management considered all employer contributions receivable to be fully collectable. Accordingly, there was no allowance for expected credit loss.

***Plan Termination*** – The Plan sponsor has the right to terminate the Plan at any time subject to the provisions of ERISA. In the event of plan termination, the accounts of all participants will be fully vested.

#### **2. Summary of Significant Accounting Policies**

***Basis of Accounting*** – The accompanying financial statements have been prepared on the accrual basis.

***Use of Estimates*** – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

## **2. Summary of Significant Accounting Policies (Continued)**

***Investment Valuation and Income Recognition*** – Investments are reported at fair value, other than the stable value fund which is reported at contract value (see Note 3). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The trustees determine the Plan’s valuation policies utilizing information provided by the investment advisors and custodians. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net investment gains from mutual funds includes the Plan’s gains and losses on investments bought and sold as well as held during the year, and reinvested dividends from mutual funds.

***Notes Receivable from Participants*** – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 or 2022. A loan is considered to be in default as of the last day of the calendar quarter following the calendar quarter in which an unpaid installment payment was due. If the missed installment payment(s) plus interest are not paid in full before the loan is declared in default, the loan shall be deemed a distribution.

***Excess Employee Elective Deferrals*** – Amounts payable to participants for deferrals in excess of amounts allowed by the IRC are recorded as a liability with a corresponding reduction in contributions. For the years ending December 31, 2023 and 2022, there were no excess employee elective deferrals.

***Administrative Expenses*** – Charges by Standard Insurance Company (“Standard”), except for certain transactional charges that are paid by the particular participant involved, are reflected as administrative expenses in the accompanying statements. Certain other costs of administering the Plan such as payroll expenses of administrative and clerical personnel are incurred by the Plan sponsor without charge to the Plan.

***Payment of Benefits*** – Benefits are recorded when paid.

## **3. Stable Value Fund**

The Standard Stable Asset A Fund (“Stable Value Fund”) meets the fully benefit-responsible investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Standard, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The contract value of the Stable Value Fund at December 31, 2023 and 2022 was \$4,700,394 and \$4,838,262, respectively. The crediting interest rate was 2.78% for 2023 and 2.23% for 2022. The crediting interest rate is set by Standard using a process similar to that used by banks or other insurance companies for similar products, but cannot be less than one percent annually. Such interest rates are reviewed on a quarterly basis for resetting.

## **Notes to Financial Statements**

### **Years ended December 31, 2023 and 2022**

#### **3. Stable Value Fund (Continued)**

The Plan's ability to receive amounts due is dependent on the Stable Value Fund's ability to meet its financial obligations. The Stable Value Fund's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events, such as the premature termination of the Stable Value Fund by the Plan or the termination of the Plan, would limit the Plan's ability to transact at contract value with the Stable Value Fund. The Plan sponsor believes the occurrence of such events, that would also limit the Plan's ability to transact at contract value with Plan participants, is not probable.

#### **4. Fair Value Measurements**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1            Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2            Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observed for substantially the full term of the asset or liability.

Level 3            Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

*Mutual funds (registered investment companies):* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that were registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

**Schnitzer Properties 401(k) Retirement Savings Plan**  
**Notes to Financial Statements**  
**Years ended December 31, 2023 and 2022**

**4. Fair Value Measurements (Continued)**

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

At December 31, 2023 and 2022, the fair value of the Plan's investments, presented by level under the fair value hierarchy, were as follows:

| December 31, 2023 |               |         |         |               |
|-------------------|---------------|---------|---------|---------------|
|                   | Level 1       | Level 2 | Level 3 | Total         |
| Mutual Funds      | \$ 35,887,643 | \$ -    | \$ -    | \$ 35,887,643 |

  

| December 31, 2022 |               |         |         |               |
|-------------------|---------------|---------|---------|---------------|
|                   | Level 1       | Level 2 | Level 3 | Total         |
| Mutual Funds      | \$ 30,165,194 | \$ -    | \$ -    | \$ 30,165,194 |

**Changes in Fair Value Levels** – The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported on the actual date of the event or change in circumstances that caused the transfer.

**5. Information Prepared and Certified by Custodian**

The December 31, 2023 and 2022 Statements of Net Assets Available for Benefits, the investment activities included in the Statements of Changes in Net Assets Available for Benefits, and the accompanying notes to the financial statements were prepared in part or entirely from information certified by Reliance Trust Company, the custodian, in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The information certified includes investments of \$40,588,037 and \$35,003,456 at December 31, 2023 and 2022, respectively, and related investment income (loss) of \$5,425,871 and \$(6,160,379) for the years ended December 31, 2023 and 2022, respectively.

**6. Party-in-Interest**

The Plan invests in Standard Stable Asset A, a stable value fund provided by Standard Insurance Company who is the Plan's record keeper.

Fees paid to Standard for recordkeeping and administrative services amounted to \$71,676 and \$72,238 for the years ended December 31, 2023 and 2022, respectively. The Plan Sponsor incurred and paid audit fees of \$9,400 and \$8,200 on behalf of the Plan during the years ended December 31, 2023 and 2022, respectively.

**7. Tax Status**

The Plan is designed to be qualified and exempt from income taxes under applicable sections of the IRC. The Plan obtained its latest determination letter dated March 31, 2014 in which the IRS stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan's management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan's management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax period in progress. The Plan administrator believes it is no longer subject to income tax examination for years prior to 2020.

**9. Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

**10. Recently Adopted Accounting Guidance**

In June 2016, the FASB issued guidance (FASB ASC 326) Allowance for Credit Losses. The Plan adopted the standard effective January 1, 2023. The impact of the adoption was not material to the financial statements.

**11. Subsequent Events**

Management of the Plan has evaluated events and transactions occurring after December 31, 2023 through October 11, 2024, the date the financial statements were available for issuance, for potential recognition or disclosure in the financial statements and concluded that no subsequent events have occurred that would require recognition in the financial statements or disclosure in the notes to the financial statements, other than discussed below.
