INDEPENDENT AUDITORS' REPORT

To the Plan Administrator, Participants and Beneficiaries
of the Proskauer Rose LLP Savings Plan for Staff and Partners

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Proskauer Rose LLP Savings Plan for Staff and Partners (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PROSKAUER ROSE LLP SAVINGS PLAN FOR STAFF AND PARTNERS

Notes to Financial Statements December 31, 2023 and 2022

NOTE A - DESCRIPTION OF THE PLAN

The Proskauer Rose LLP Savings Plan for Staff and Partners (the "Plan") is a defined contribution plan with a tax-deferred savings feature covering substantially all employees and equity partners (as defined) of Proskauer Rose LLP (the "Partnership") except associates, income partners and senior counsel. The Plan was amended and restated effective January 1, 2014, to include all amendments made since its last restatement, as well as to comply with the relevant provisions of the Pension Protection Act of 2006, and other applicable legislation. Information about the Plan, including the vesting and benefit provisions, is contained in the Plan document. Copies of the Plan document are available from the Plan's benefits administrator.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The Plan is administered by the Partnership's Retirement Plan Committee as designated by the Partnership's Executive Committee.

Certain significant provisions of the Plan follow:

[1] Contributions, participation, and vesting:

Employees and equity partners are eligible to participate in the Plan on the first day of the calendar month following the date of hire or admission to the Partnership, respectively, and may contribute (subject to the limitations of the Internal Revenue Code (the "Code")) up to 50% of compensation, as defined. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Plan accepts Roth elective deferrals and rollover contributions, as defined in the Plan, and will maintain a record of the amounts in each participant's account. The Partnership will not make any contributions.

Separate accounts are maintained for each participant. Plan participants are always fully vested in their accounts. Each participant's account is credited with the participants' contributions and allocations of Plan earnings/(losses) and may be charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

[2] Termination of the Plan:

Although it has not expressed any intent to do so, the Partnership may terminate the Plan for any reason at any time. Upon termination of the Plan, the rights of members to the benefits accrued under the Plan to the date of termination, to the extent then funded, as defined in the Plan, shall be non-forfeitable.

[3] Notes receivable from participants:

Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. A participant may borrow an amount from his or her accounts, subject to a minimum of \$1,000, but not to exceed the lesser of 50% of the total value of the participant's vested account balance in the Plan, or \$50,000 less the excess of the highest amount of loans outstanding within the past twelve months over the outstanding balance of loans outstanding on the date the loan is made. Loan terms are five years; however, terms may exceed five years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan administrator. Interest rates on outstanding loan balances range from 5.25% to 10.5% at December 31, 2023 and 5.25% to 9% at December 31, 2022. Principal and interest are paid ratably through payroll deductions or another approved manner. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document.

NOTE A - DESCRIPTION OF PLAN (CONTINUED)

[4] Payment of benefits:

Participants of the Plan may receive a full distribution of their benefits upon retirement, in the event of death or disability, upon termination of employment or upon attaining the age of 59½. Benefit payments may be lump sum or installments, as defined in the Plan.

Participants may receive a full distribution of their Pre-tax 401(k) Contributions or Roth Contributions (excluding earnings) on account of "Hardships" subject to the Plan's provisions.

[5] Administration:

Except for trustee, investment advisor and record-keeper fees relating to the administration of personal choice retirement self-directed brokerage accounts ("PCRA"), as well as Plan investment management fees, Plan expenses are paid by the Partnership and are excluded from the financial statements. Certain Plan expenses are paid through revenue -sharing agreement with the investment funds (Note I).

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

[1] Basis of accounting:

The financial statements are prepared on the accrual method of accounting.

[2] Use of estimates:

The preparation of the Plan's financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's administrator to make estimates and assumptions that affect the reported net assets available for benefits at the date of the financial statements and the changes in net assets available for benefits during the reporting period and, when applicable, disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

[3] Investment valuation and income recognition:

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The following is a description of the valuation methodologies used for the investment assets measured at fair value:

All mutual funds and the money market fund are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. The money market fund is invested in liquid, near-term instruments and is registered with the Securities and Exchange Commission. The mutual funds and money market fund are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds and the money market fund held by the Plan are deemed to be actively traded.

PCRA accounts, self-directed brokerage accounts, are invested in various investments including mutual funds and interest bearing cash that are valued on the basis of readily determinable market prices.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

[3] Investment valuation and income recognition: (continued)

The Plan invested in the Pioneer Large Cap Growth Portfolio ("Pioneer") a common/collective trust fund. The collective trust fund is valued at the NAV of the fund. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the Plan will sell the investment for an amount different than the reported NAV. Pioneer seeks long-term growth of capital through investment principally in publicly-traded equity securities. Participant transactions (purchases and sales) may occur daily. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment in the collective trust funds and will be honored when received. The collective investment trust is redeemable upon written notification. Withdrawals in excess of \$1 million require five days written notice. Plan sponsor-directed withdrawals may be limited and prioritized if total withdrawals are in excess of available liquid funds. As of December 31, 2023, there were no unfunded commitments; the redemption frequency for participant transactions in the collective fund is daily upon receipt of an authorized request on or prior to the valuation date.

Net appreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

[4] Payment of benefits:

Benefits are recorded when paid.

NOTE C - INVESTMENT OPTIONS

Plan participants have the option of investing from a choice of various investment options which include a common collective trust as well as a money market fund and mutual funds offered by registered investment companies. In addition, participants have the option to invest in a PCRA. Funds invested in this account are limited in accordance with the Plan.

NOTE D - INVESTMENT CERTIFICATION

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the U.S. Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, Charles Schwab Trust Bank (the "Trustee"), the trustee of the Plan, has certified to the completeness and accuracy of all investments and related investment activity and notes receivable from participants and related activity in the accompanying statements of net assets available for plan benefits as of December 31, 2023 and 2022, the accompanying statement of changes in net assets available for plan benefits for the year ended December 31, 2023 and the accompanying supplemental schedule of assets (held at end of year) as of December 31, 2023.

NOTE E - FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board's Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements), and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include: (1) quoted prices for similar assets or liabilities in active markets; (2) quoted prices for identical or similar assets or liabilities in inactive markets; (3) inputs other than quoted prices that are observable for the asset or liability; or (4) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The valuation techniques used to measure fair value of the investments are included in Note B[3]. There have been no changes in the methodologies used at December 31, 2023 and 2022.

The methods described in Note B[3] may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE E - FAIR VALUE MEASUREMENTS (CONTINUED)

The following tables set forth, by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2023 and 2022:

	December 31, 2023			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 262,615,184			\$ 262,615,184
Money market fund	24,146,430			24,146,430
PCRA - self-directed brokerage accounts	<u>57,954,255</u>			<u>57,954,255</u>
Total investment assets in the fair value hierarchy	<u>\$ 344,715,869</u>			344,715,869
Investments measured at NAV (A): Common/collective trust - Growth portfolio				<u>10,381,211</u>
Investments at fair value				\$ 355,097,080

	December 31, 2022			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 219,282,875			\$ 219,282,875
Money market fund	22,376,024			22,376,024
PCRA - self-directed brokerage accounts	<u>53,778,872</u>			<u>53,778,872</u>
Total investment assets in the fair value hierarchy	<u>\$ 295,437,771</u>			295,437,771
Investments measured at NAV (A): Common/collective trust - Growth portfolio				<u>8,196,718</u>
Investments at fair value				\$ 303,634,489

- (A) Certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of net assets available for benefits.

Notes to Financial Statements December 31, 2023 and 2022

NOTE E - FAIR VALUE MEASUREMENTS (CONTINUED)

Changes in Fair Value Levels

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another.

NOTE F - TAX STATUS

The Internal Revenue Service has determined and informed the Partnership by a letter dated May 21, 2015, stating that the Plan is qualified under the Code and therefore the related trust is exempt from taxation. The Plan has been amended since receiving the tax determination letter. However, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code and therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by a government authority. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine examinations by taxing jurisdictions; however, there are currently no examinations for any tax periods in progress.

NOTE G - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

Volatility in the financial markets may significantly impact the subsequent valuation of the Plan's investments. Accordingly, the valuation of investments at December 31, 2023 may not necessarily be indicative of amounts that could be realized in a current market exchange.

NOTE H - PLAN-TO-PLAN TRANSFERS

During 2023, participant account balances, based on changes in participant's eligibility to participate in the Plan, were transferred from other Partnership plans as follows:

Transfer from Proskauer Rose LLP Savings Plan for Associates: \$ 4,122,695

PROSKAUER ROSE LLP SAVINGS PLAN FOR STAFF AND PARTNERS

Notes to Financial Statements December 31, 2023 and 2022

NOTE I - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain investments are shares of mutual funds managed by the Trustee and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan, inclusive of PCRA investment advisory fees, were \$88,623 for the year ended December 31, 2023. The Plan also pays investment advisory fees. As a service provider to the Plan, these transactions qualify as party-in-interest transactions. Fees paid by the Plan to this investment consultant was \$27,248 for the year ended December 31, 2023.

The Trustee receives revenue from mutual fund providers for services that the Trustee provides to the funds. This revenue is used to offset certain amounts owed to the Trustee for their administrative services to the Plan. If the revenue received by the Trustee from such mutual fund service providers exceeds the amounts owed, the Trustee remits the excess to the Plan pursuant to the service agreement. During the year ended December 31, 2023, \$53,562 was received from the Trustee and is reflected in net realized/unrealized appreciation in the statement of changes in net assets available for benefits. Such amounts may be applied to pay Plan expenses. During the year ended December 31, 2023, \$27,917 was used to pay Plan expenses. The account balance as of December 31, 2023 and 2022 was \$72,521 and \$46,876, respectively.

NOTE J - MUTUAL FUND FEES

Certain investments in mutual funds are subject to sales charges in the form of front-end loads, back-end loads or 12b-1 fees. 12b-1 fees are ongoing fees allowable under Section 12b-1 of the Investment Company Act of 1940. These annual fees are used to pay for marketing and distribution costs of the funds. These fees are deducted prior to the allocation of the Plan's investment earnings activity, and thus not separately identifiable as an expense.

NOTE K - SUBSEQUENT EVENTS

The Plan's management evaluated subsequent events through October 9, 2024, the date on which the financial statements were available to be issued and no additional disclosures were required.
