INDEPENDENT AUDITORS' REPORT

To the Trustees of
the Invisors, LLC 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Invisors, LLC 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note I to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets Held for Investment as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements, but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**INVISORS, LLC 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS**

A. DESCRIPTION OF PLAN

The following description of the Invisors, LLC 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan sponsor is Invisors, LLC (the "Employer"). The Plan is a defined contribution plan covering substantially all employees of the Employer who have completed three consecutive months of service and are age twenty one or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Trustees is responsible for oversight of the Plan. The Board of Trustees determines the appropriateness of the Plan's investment offerings, and monitor investment performance.

Contributions

For 2023, participants elected to contribute as little as 0% or as much as 100% of pretax annual compensation up to the annual IRS maximum 401(k) deferral limit of \$22,500 in 2023. Participants ages 50 or over were permitted an additional \$7,500 pretax contribution as "Employee Catch-up Contributions". The Plan allows for contributions to be made as Roth contributions. These contributions are made in the same manner as the pretax contributions except that Roth contributions are made to the Plan on an after-tax basis. Participants may also contribute amounts representing distributions from other qualified benefit or contribution plans (rollover).

The Employer elected to adopt safe harbor provisions for the Plan wherein the Employer matches participant contributions at a rate of 100% of the first 3% of the participant's salary contributed to the Plan and 50% of the next 2% of the participant's salary contributed to the Plan. Participants direct the investment of their contributions into various investment options offered by the Plan. These safe harbor contributions are 100% vested. During the year ended December 31, 2023, the Employer made safe harbor matching contributions totaling \$1,149,177. The Employer may also make profit sharing contributions for participants who have completed at least 1,000 hours of service during the plan year and are employed by the Employer on the last day of the plan year. During the year ended December 31, 2023, no such profit sharing contributions were made to the Plan.

Participants may direct the investments of their contributions in one percentage point increments into the various investment options offered by the Plan. Participants can change investment options daily.

A. DESCRIPTION OF PLAN (CONTINUED)

Vesting

Participants are vested immediately in their elective deferral account, rollover contribution account, qualified non-elective contribution accounts, safe harbor matching contribution account and profit sharing contribution account.

Participant's Accounts

Each participant's account is credited with the participant's contribution, rollover contributions, the allocation of the Employer's contribution, the allocation of the profit sharing contribution, Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant's earnings or accounts balance, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

Participants may borrow the lesser of 50% of their vested account balance or \$50,000, (reduced by the highest outstanding loan balance, if any, during the one-year period ending on the day before the new loan is made). The minimum loan amount is \$1,000. Notes are secured by the balance in the participant's account and bear interest at an agreed-upon percentage based on prevailing market rates. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over the life of the participant or designated beneficiary. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum or have them directly rolled over into another qualified plan or an Individual Retirement Account.

Hardship Withdrawals

The Plan allows for withdrawals due to financial hardship. A hardship distribution may only be made for payment of the following:

- expenses for medical care (described in Section 213(d) of the Internal Revenue Code) previously incurred by the participant or his/her spouse, dependents or beneficiaries to obtain medical care.
- costs directly related to the purchase of the participant's principal residence (excluding mortgage payments).
- tuition, related educational fees, and room and board expenses for the next twelve (12) months of post-secondary education for the participant or his/her spouse, dependents or beneficiaries.
- amounts necessary to prevent eviction from the participant's principal residence or foreclosure on the mortgage of the participant's principal residence.
- payments for burial or funeral expenses for the participant's deceased parent, spouse, children, other dependents or beneficiaries.
- expenses for the repair of damage to the participant's principal residence that would qualify for the casualty deduction under the Internal Revenue Code.

A. DESCRIPTION OF PLAN (CONTINUED)

Rollovers

Rollovers represent transfer of eligible cash distribution from any other qualified plan through a direct transfer from such plan.

Administration of Plan Assets

The Employer and participants' contributions are managed and held by the recordkeeper, John Hancock Life Insurance Company ("John Hancock"), who invests the contributions and actual earnings as directed by the participant. John Hancock also administers the payment of interest and principal on loans granted to a participant. The participant makes loan repayments to the Employer, which then forwards them to John Hancock.

Certain administrative and Trustee functions are performed by officers or employees of Invisors, LLC who received no compensation from the Plan. Administrative expenses for record keeping and other fees can be paid directly by the Employer or the Plan. During the year ended December 31, 2023, the Employer paid \$89,443 in administrative expenses on behalf of the Plan.

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following is a summary of significant accounting policies followed by the Plan.

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Plan Year

The effective date of the Plan was January 1, 2018 and the Plan reports on a calendar year basis. The Board of Directors of the Employer established the Plan.

Investment Valuation and Income Recognition

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Dividends and investment income from the underlying funds (i.e., mutual funds, collective investment trust, or exchange-traded fund) are reinvested by the John Hancock subaccount investments. The reinvestment of such distributions results in the subaccounts holding more shares, at a lower per-share price, but the total dollar amount invested does not change. As a result, such transactions are not relevant for the unit holders of John Hancock subaccounts and are not recorded at the participant level. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Notes Receivable from Participants

Notes receivable from participants are measures at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and expensed when they are incurred. There were no delinquent notes receivable that needed to be reclassified during 2023.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Accounting Pronouncements

In June 2016, the Financial Accounting Standards Board ("FASB") issued FASB Accounting Standards Codification (FASB ASC) 326, *Financial Instruments-Credit Losses*, which significantly changed how entities will measure credit losses for most financial assets and certain other instruments that are not measures at fair value through net income. The most significant change is this standard is a shift from the incurred loss model to the expected loss model. Under the standard, disclosures are required to provide users of the financial statements with useful information in analyzing an entity's exposure to credit risk and the measurement of credit losses. The Plan's notes receivable from participants are not subject to the guidance in FASB ASC 326. The Plan adopted FASB ASC 326 as of January 1, 2023. The impact of the adoption was not considered material to the financial statements and primarily resulted in new/enhanced disclosures only.

Date of Management Review

The Plan has evaluated subsequent events through September 27, 2024, which is the date that the financial statements were available to be issued.

C. FAIR VALUE MEASUREMENTS

Accounting Standard Codification (ASC) 820, *Fair Value Measurement*, defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Topic 820 also specifies a fair value hierarchy which requires a Plan to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value.

C. FAIR VALUE MEASUREMENTS (continued)

The standard describes three levels of inputs that may be used to measure fair value.

Level 1 - *Unadjusted* quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;

Level 2 - Quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means;

Level 3 - Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

The asset's and liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Following is the description of the valuation methodologies and inputs used for assets and liabilities measured at fair value on a recurring basis and recognized in the accompanying statements of net assets available for benefits, as well as the general classification of such assets and liabilities pursuant to the valuation hierarchy.

Investments in John Hancock ("JH") subaccounts are investment options offered through John Hancock, in which the subaccounts invest in the underlying investment (i.e., mutual funds, collective investment trust, or exchange-traded fund) on behalf of the participants. The valuation technique used to measure fair value is by a "unit value," whose value is the result of the market value of the underlying investment. The Plan's investments are valued at Level 2 because the quoted market prices at per unit value are not available. The value of these investments is calculated daily by the fund administrator. Its value is determined by taking the market value of the total underlying investments in the subaccount and dividing it by the number of units held in the subaccount.

The fair value of assets measured on a recurring basis at December 31, 2023 and 2022 are as follows:

<u>Assets at Fair Value as of December 31, 2023</u>				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
JH Subaccounts	\$ -	\$ 14,904,136	\$ -	\$ 14,904,136
	<u>\$ -</u>	<u>\$ 14,904,136</u>	<u>\$ -</u>	<u>\$ 14,904,136</u>

<u>Assets at Fair Value as of December 31, 2022</u>				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
JH Subaccounts	\$ -	\$ 10,022,856	\$ -	\$ 10,022,856
	<u>\$ -</u>	<u>\$ 10,022,856</u>	<u>\$ -</u>	<u>\$ 10,022,856</u>

D. RISK AND UNCERTAINTIES

The Plan invests in various investment securities, primarily mutual funds. Investment securities are exposed to various risks, such as interest rates, market and credit risk. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in risks, it is reasonably possible that in the near term these uncertainties would materially affect balances and the amounts reported in the statements of plan net assets available for benefits and the statement of changes in net assets available for benefits.

E. PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

F. TAX STATUS

The underlying volume submitter plan has received an opinion letter from the IRS dated March 31, 2014 stating that the form of the Plan is qualified under Section 401(a) of the Internal Revenue Code (IRC), and therefore, the related trust is tax-exempt. The Plan Administrator has determined that it is eligible to and has chosen to rely on the current IRS volume submitter plan opinion letter. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan Administrator believes the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan evaluates all significant tax positions as required by generally accepted accounting principles in the United States. As of December 31, 2023, the Plan does not believe that it has taken any tax position that would require the recording of any additional tax liability nor does it believe that there are any unrealized tax benefits that would increase or decrease within the next twelve months. The Plan's federal tax returns are currently open for examination by the Internal Revenue Service and applicable state authorities. Statutes of limitation generally range from three to five years.

G. RELATED PARTY TRANSACTIONS

Certain Plan investments are shares of mutual funds or units of pooled separate accounts managed by John Hancock. John Hancock is the recordkeeper as defined by the Plan and, therefore, these transactions qualify as party-in-interest. During the year ended December 31, 2023, fees paid by the Plan for record keeping services amounted to approximately \$42,113.

During the fiscal year ended December 31, 2023, the Plan received a contribution of \$9,500 from the Employer for audit fees.
