INDEPENDENT AUDITORS' REPORT

Plan Administrator
UBG 401(k) – Midway Co-op
Osborne, Kansas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of UBG 401(k) – Midway Co-op, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of UBG 401(k) – Midway Co-op's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to Section 29 CFR 2520.103-8 of the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with Section 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4—Summary of Information Certified by the Trustee of the Plan to the financial statements is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of UBG 401(k) – Midway Co-op and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about UBG 401(k) – Midway Co-op's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance, and therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of UBG 401(k) – Midway Co-op's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about UBG 401(k) – Midway Co-op's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA). Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO THE FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 1—DESCRIPTION OF PLAN

The following description of the UBG 401(k) – Midway Co-op (the Plan), provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all nonunion employees of Midway Co-op Association, Inc. (the Company). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Employee Contributions

Participants may contribute up to the maximum limits established in the Internal Revenue Code. Participants who are age 50 or older before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans or certain IRA's.

Company Contributions

The Company matches 100% participant contributions up to 4% of the participant's elective deferrals each pay period.

The Company may make a discretionary nonelective contribution to the Plan, allocated based on the percentage of each participant's compensation to the total compensation of all participants eligible to participate in the contribution. In order to share in the nonelective contribution, participants must be employed on the last day of the Plan year and must have completed 1,000 hours of service during the Plan year.

Investment Options

Participants direct the investment of their contributions as well as the Company's contributions into various investment options offered by the Plan. The Plan currently offers mutual funds, fixed annuities, and common collective trust funds as investment options for participants.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Company's contributions and Plan earnings, and is charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately 100% vested in their elective deferrals, rollover contributions, and Company contributions plus actual earnings thereon.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. All loans must be repaid within five years, except for loans used to acquire any dwelling to be used as the participant's principal residence. The notes are secured by the balance in the participant's account and bear interest at the rate equal to Wall Street Journal prime plus 1%. Principal and interest is paid through payroll deductions.

Payment of Benefits

Benefits to be paid under the Plan shall begin on a participant's termination of employment or death. Participants whose vested account balances exceed \$5,000 may elect to have their retirement benefits paid out in a lump sum or in installments. For participants whose vested account balances do not exceed \$5,000, benefits are paid in a lump sum as soon as administratively practicable, following their separation from service.

NOTE 2—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accounting records of the Plan are kept on the accrual basis.

Valuation of Investments and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3—Investments and Fair Value Measurements for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

The Plan follows the provisions of topic 962 of the Financial Accounting Standards Board Accounting Standards Codification, which requires participant loans to be classified as notes receivable from participants and measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the cash basis, which approximates accrual basis. As of December 31, 2023 and 2022, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance may be reduced and a benefit payment recorded based on the terms of the Plan document.

Payments of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless paid directly by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment-related expenses are included in net appreciation in fair value of investments.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Subsequent Events

Management has evaluated subsequent events through October 10, 2024, the date which the financial statements were available for issue.

NOTE 3—INVESTMENTS AND FAIR VALUE MEASUREMENTS

The Plan's investments at December 31, 2023 and 2022, are held by the Plan's trustee, Empower Trust Company, LLC, and are reported at fair value in the accompanying statements of net assets available for benefits.

The Plan has determined the fair value of certain assets and liabilities through application of Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820-10. FASB ASC 820-10 defines fair value as the price that would be received for an asset or paid to transfer a liability (an exit price) in the Plan's principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. The standard establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurement). The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described below:

- Level 1 inputs - are quoted prices (unadjusted) in active markets for identical assets or liabilities that the reporting entity has the ability to access at the measurement date.
- Level 2 inputs - are inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.
- Level 3 inputs - are unobservable inputs for assets or liabilities.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022:

- 1) **Mutual Funds:** These funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
- 2) **Fixed Annuities:** This is an EI Fixed Account that is backed by the general account assets of Empower Annuity Insurance Company of America. The reported values are reported daily as calculated by the annuity provider.
- 3) **Common Collective Trust Funds:** These funds are valued at fair value based on the net asset value of units of the collective trusts. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily.

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023:

	Total Fair Value	Fair Value Measurements Using		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Investments in the fair value hierarchy				
Mutual Funds	\$ 85,227	\$ 85,227	\$ -	\$ -

Common Collective Trust Funds	12,144,700	-	-	-
Investments at fair value	<u>\$ 12,350,953</u>	<u>\$ 85,227</u>	<u>\$ 121,026</u>	<u>\$ -</u>

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022:

	Total Fair Value	Fair Value Measurements Using		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Investments in the fair value hierarchy

Investments at fair value	<u>\$ 12,274,522</u>	<u>\$ 2,186,627</u>	<u>\$ 73,060</u>	<u>\$ -</u>

(a) In accordance with subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan. The following tables summarize investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2023 and 2022:

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the year ended December 31, 2023, are reported in net appreciation in fair value of investments. During 2023, the Plan's investments (including gains or losses in investments bought and sold, as well as held during the year) appreciated in value by \$1,550,919.

NOTE 4—SUMMARY OF INFORMATION CERTIFIED BY THE TRUSTEE OF THE PLAN

The trustee of the Plan held all of the Plan's investment assets and executed transactions therein. Financial information relating to those assets is included in the accompanying financial statements based on information provided by the trustee. The Plan administrator has obtained certification from the trustee, as of December 31, 2023 and 2022, and for the year ended December 31, 2023, that such information is complete and accurate. That information, which has not been audited by independent accountants, is summarized as follows:

- a. Investment balances and transactions
- b. Participant loan balances and transactions
- c. Investment income and accrued income
- d. Realized and unrealized appreciation in fair value of investments

NOTE 5—TERMINATION OF THE PLAN

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in the Employee Retirement Income Security Act of 1974.

NOTE 6—INCOME TAX STATUS

The Plan has adopted a nonstandardized pre-approved plan. The Internal Revenue Service has determined by letter dated November 14, 2022, that the nonstandardized pre-approved plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has not been amended since receiving this letter.

NOTE 7—RELATED PARTY TRANSACTIONS

The Company absorbs significant expenses of administering the Plan, including general administration and recordkeeping costs.

NOTE 8—RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
