To the Plan Administrator and Management
SA Support Services, Inc. 401(k) Profit Sharing Plan and Trust
Minneapolis, Minnesota

We have audited the financial statements of the SA Support Services, Inc. 401(k) Profit Sharing Plan and Trust (the Plan), as permitted by ERISA Section 103(a)(3)(C) for the year ended December 31, 2023, and have issued our report thereon dated October 11, 2024. Professional standards require that we communicate to you certain matters related to our audit. The appendixes to this letter cover these topics as follows:

Appendix I – Communications relating to internal control.

Appendix II – Communication of significant audit findings.

Appendix III – Additional comments and suggestions. We have already discussed these comments and suggestions with various Plan personnel, and we will be pleased to discuss them in further detail at your convenience.

This information is intended solely for the information and use of the Plan Administrator and management of the Plan and is not intended to be and should not be used by anyone other than these specified parties.

We thank management and staff for the courtesies extended to us during the course of our work. If there are any questions regarding our audit or this letter, we would be happy to discuss them with you.

*Mahoney Ulbrich
Christiansen & Russ, PA*

Appendix I – Communications Relating to Internal Control

Page 2.

Except as discussed in the following paragraph, in planning and performing our audit of the financial statements of the SA Support Services, Inc. 401(k) Profit Sharing Plan and Trust as of and for the year ended December 31, 2023, in accordance with auditing standards generally accepted in the United States of America, we considered the SA Support Services, Inc. 401(k) Profit Sharing Plan and Trust's system of internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of issuing our report on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

We were engaged to perform an ERISA Section 103(a)(3)(C) audit of those financial statements as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Principal Trust Company that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit also did not include a consideration of internal control relating to the investment information.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the Plan's financial statements will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control was for the limited purpose described in the preceding paragraphs and was not designed to identify all deficiencies in internal control that might be material weaknesses. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Appendix II – Communication of Significant Audit Findings

Page 3.

As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Principal Trust Company, the trustee, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and supplementary schedules, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our engagement letter to you dated May 16, 2024. Professional standards also require that we communicate to you the following information related to our audit.

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note 2 of the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2023. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

The financial statement disclosures are neutral, consistent, and clear.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. No such misstatements were detected as a result of our audit procedures. There were uncorrected misstatements of the financial statements which are summarized on the attached schedule. Management has determined that the effects of the uncorrected misstatements are immaterial, both individually and in the aggregate, to the financial statements taken as a whole. The uncorrected misstatements or the matters underlying them could potentially cause future period financial statements to be materially misstated, even though, in our judgement, such uncorrected misstatements are immaterial to the financial statements under audit.

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated October 11, 2024.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

With respect to the supplementary information accompanying the financial statements, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

Timeliness of Participant Contributions

The Department of Labor (DOL) requires that participant contributions be remitted to the Plan on the earliest date on which they can be reasonably segregated from the Plan Sponsor's general assets, but in no event later than the 15th business day following the end of the month in which amounts are contributed by employees or withheld from their wages. We noted one instance out of 33 during 2023 where participant contributions were not remitted to the Plan in a manner consistent with the time the other contributions were remitted during the year. Failing to remit participant contributions in a timely manner can result in penalties for the Plan Sponsor as well as repayment of lost earnings for participants. We recommend implementing a process to ensure participant contributions are remitted to the Plan as soon as they are segregated from the Plan Sponsor's general assets.

Instructions: This form may be used to accumulate audit differences (AD) greater than the amount considered trivial (documented at **Step 5** of EBP-CX-2). This form should not include normal closing entries. At the end of the audit, evaluate all uncorrected audit differences, individually and in the aggregate, in relation to individual amounts, subtotals, or totals in the financial statements and conclude whether they materially misstate the financial statements taken as a whole. Before evaluating the effect of uncorrected misstatements, reassess whether materiality is still appropriate based on the plan's actual financial results. Following the table is a listing of qualitative considerations in evaluating materiality. The form allows for quantifying the effect of misstatements using both the rollover and incur certain methods, as appropriate. You need to be familiar with the guidance at section 609 before completing this form.
