Independent Auditor's Report

The Retirement Plan Committee
Pezold Management Associates, Inc. 401(k) Profit Sharing Plan
Columbus, Georgia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Pezold Management Associates, Inc. 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the Statements of Net Assets Available for Benefits as of December 31, 2023 and 2022, and the related Statements of Changes in Net Assets Available for Benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule of Assets (Held at End of Year) and Schedule of Delinquent Participant Contributions as of and for the year ended December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PEZOLD MANAGEMENT ASSOCIATES, INC. 401(K) PROFIT SHARING PLAN
COLUMBUS, GEORGIA
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2023 AND 2022

NOTE 1: Description of Plan

The following brief description of the Pezold Management Associates, Inc. 401(k) Profit Sharing Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution profit sharing plan sponsored by Pezold Management Associates, Inc. (the "Plan Sponsor") and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan covers all eligible employees of the Plan Sponsor, 4JS Family Partnership, LLC, Pezold Air Charter, LLC, Valley Hospitality Services, LLC, Geo-Energy Solutions, LLC, and Denim North America, LLC. The Plan was originally adopted on June 1, 1988 and has been amended and restated from time to time with the most recent amendment effective July 1, 2022 to amend eligibility and deferral requirements and to change trustees of the Plan.

The Retirement Plan Committee (the "Committee"), appointed by the Plan Sponsor, has responsibility for the administration of the Plan. Principal Trust Company, as a qualified institution, serves as the recordkeeper and custodian of the Plan. A fee is charged for custodian and recordkeeping services rendered. John D. Pezold, David B. Lewis, Lee Loste-Brown, and Cynthia Crawford were the trustees of the Plan through June 30, 2022. Effective July 1, 2022 the Plan was amended to remove David B. Lewis and add Sheila Lovely and Tracy Sayers as trustees of the Plan. Some administrative services are performed by ERISA Services, Inc., a consultant to the Plan Sponsor, for a fee, which is included in the recordkeeper's total. The Plan's trustees have responsibility for the management of the Plan's trust fund.

Eligibility - Employees were required to be at least twenty-one years of age to become eligible following one year of service with at least 1,000 hours worked through June 30, 2022. Effective July 1, 2022, the service requirement was amended to be at least 500 hours worked in a six month period reverting to 1,000 hours worked within the plan year if 500 hours are not met in the first six consecutive months. Entry dates to the Plan are the first day of the quarter following completion of the service and age requirements.

Contributions - Participants may contribute up to 100% of annual compensation, not to exceed the maximum allowed by the Internal Revenue Code ("IRC"). The Plan Sponsor, at its discretion, may contribute to the Plan matching contributions equal to a percentage set by the Plan Sponsor prior to the end of the Plan year. The discretionary matching contribution is equal to 100% of a participant's contribution not to exceed a matching contribution of 5%. The employer matching contribution is reviewed annually and can be changed at the discretion of the Committee.

NOTE 1: Description of Plan (continued)

In addition to the employer matching contribution, the Plan Sponsor may also make a discretionary profit sharing contribution, which is allocated to each participant based on the participant's compensation to total compensation of all participants. Participants must be actively employed at year end to receive the contribution. The Plan Sponsor elected to make no discretionary profit sharing contributions for the years ended December 31, 2023 and 2022.

Participant Accounts - Each participant's account is credited with the participant's contribution and allocations of the (a) Plan Sponsor's contributions, (b) Plan earnings and (c) administrative expenses. Allocations are based on participant earnings or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the employer's matching and profit sharing contributions plus earnings is as follows:

YEARS OF SERVICE	VESTING %
Less than two years	0%
Two years	20%
Three years	40%
Four years	60%
Five years	80%
Six years or more	100%

Forfeitures - At both December 31, 2023 and 2022, forfeited, nonvested accounts totaled approximately $0. Forfeitures may be used to restore previous forfeitures of participant accounts, reduce employer contributions, or pay Plan administrative expenses. During the years ended December 31, 2023 and 2022, $0 were used to reduce employer contributions and forfeitures of approximately $5,000 and $8,000, respectively, were used to pay Plan administrative expenses.

Investment Options - A participant may direct employee and employer contributions in any of the investment options established by the Committee. Participants may change their investment options daily.

NOTE 1: Description of Plan (continued)

Payment of Benefits - Upon termination of employment due to death, disability, retirement or upon reaching the age of 59 ½, participants are entitled to receive either a lump-sum distribution in an amount equal to the value of the participant's vested interest in his or her account, rollover a portion or all of the distribution directly into an eligible retirement plan, or receive monthly, quarterly, semiannual, or annual installments over a specified period of time as defined in the Plan.

If the terminated participant does not elect otherwise, accounts that are less than or equal to $5,000 will be distributed to the participant in a lump sum distribution, and balances over $1,000 are rolled into an individual retirement account for the benefit of the participant. Hardship distributions are allowed on a participant's deferral balance based on the terms of the Plan.

Plan Termination - Although there is no present intention to terminate the Plan, the Plan Sponsor may terminate the Plan at any time subject to the provisions of ERISA. In the event of termination, the participants will become fully vested in their account balances and the trustees shall dispose of the plan assets by distribution to participants and their beneficiaries.

NOTE 2: Summary of Significant Accounting Policies

Basis of Accounting - The financial statements of the Plan are prepared using the accrual basis of accounting.

Valuation of Investments - The Plan's investments are stated at fair value, except fully benefit-responsive contracts, which are stated at contract value as described in Note 4. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Committee determines the Plan's valuation policies utilizing information provided by the custodian. See Note 3 for a description of the valuation and methodologies used to determine each investment's respective fair value.

Net appreciation or depreciation of the fair value of investments consists of the unrealized appreciation or depreciation of investments held during the year, as well as, the realized gain or loss on sale of investments, which represents the difference between net sales proceeds and cost or previous fair value of the investments sold. Purchases and sales of securities are recorded on a trade-date basis.

NOTE 2: Summary of Significant Accounting Policies (continued)

Tax Status - The Plan obtained its latest favorable determination letter on June 1, 2021, in which the Internal Revenue Service ("IRS") stated that the Plan and related trust, as then designed, were in compliance with the applicable requirements of the IRC. The Plan has been amended and restated since receiving the determination letter. However, the plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America ("GAAP") requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS or state or local taxing authorities. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions within the standard statute of limitations periods; however, there are currently no audits for any tax periods in progress.

Payment of Benefits - Benefits are recorded when paid.

Plan Expenses - Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements, including legal, administrative, and accounting fees. Custodian and recordkeeper fees are incurred and paid by the Plan. Investment related expenses are included in net appreciation of fair value of investments.

Reclassification - Certain items in the 2022 financial statements have been reclassified in order to be in conformity with the 2023 statement presentation.

Use of Estimates - The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE 3: Fair Value Measurements

GAAP establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy according to GAAP are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTE 3: Fair Value Measurements (continued)

Following is a description of the valuation methodology used for assets measured at fair value:

Mutual funds: Mutual funds are valued at net asset value of shares held by the Plan at year end.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes the valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023 and 2022:

	Investments at Fair Value December 31, 2023	
	Level 1	**Total**
Mutual funds	**$ 7,898,636**	**$ 7,898,636**
Total investments at fair value	**$ 7,898,636**	**$ 7,898,636**

	Investments at Fair Value December 31, 2022	
	Level 1	Total
Mutual funds	$ 7,314,483	$ 7,314,483
Total investments at fair value	$ 7,314,483	$ 7,314,483

NOTE 4: Fully Benefit-Responsive Investment Contracts

Guaranteed Investment Contract ("GIC") - The Plan holds an investment in the Principal Fixed Income Guaranteed Option ("Principal GIC"). The Principal GIC is a guaranteed general account provided under a group annuity contract and is deemed to be fully benefit-responsive. As such, contract value is the relevant measurement attribute for benefits attributable to the Principal GIC because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan.

NOTE 4: Fully Benefit-Responsive Investment Contracts (continued)

Contract value represents contributions made to the contract, plus earnings at guaranteed crediting rates, less participant withdrawals and administrative fees. Principal Financial Group bears the risk that the return on the underlying investments will be sufficient to support the guaranteed rate during each guarantee period.

Certain events might limit the ability of the Plan to transact at contract value with the Principal GIC. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan); (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions; (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events that cause a significant withdrawal from the Plan; (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA; or (5) premature termination of the contract.

The Plan administrator believes that any events that would limit the Plan's ability to transact at contract value with participants are not probable of occurring.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines; (2) a breach of material obligation under the contract; (3) a material misrepresentation; or (4) a material amendment to the agreement without the consent of the issuer.

NOTE 5: Information Prepared and Certified by Custodian (Unaudited)

As explained in Note 1, the Plan's funds are maintained by the Plan's custodian, Principal Trust Company. The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified to as complete and accurate by the custodian:

	2023	2022
Investments at fair value	**$ 7,898,636**	$ 7,314,483
Investments at contract value	**$ 1,599,248**	$ 2,069,942
Investment income (loss)	**$ 1,364,198**	$ (1,620,114)

NOTE 6: Party-in-Interest Transactions

Certain Plan investments are affiliated with Principal Trust Company who is the Plan custodian; therefore, these transactions qualify as party-in-interest. Certain fees incurred by the Plan for services provided are included in net appreciation in fair value of investments rather than a direct payment.

NOTE 7: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE 8: Partial Plan Termination

As a result of a reduction of the Plan Sponsor's workforce in 2022, the Plan experienced a partial plan termination as defined by ERISA during 2022. Under ERISA, a partial plan termination may occur if a significant percentage of the Plan participants are terminated because of an action taken by the Plan Sponsor. If a partial plan termination occurs, full vesting in all employer contributions is required for the affected participants, but the remaining participants' vesting continues to be determined per the plan provisions. Effective October 31, 2022, the Plan Sponsor sold several franchise restaurants, which initiated a partial plan termination. Affected participants were considered fully vested in their account balance in accordance with ERISA.

NOTE 9: Subsequent Events

Effective January 1, 2024, the Plan was merged into and renamed as a participating employer within the FinTrust 401(k) Pooled Employer Plan. The result of the merger substantially changed most of the provisions of the Plan which can be found in the new adoption agreement and plan documents. In addition to provision changes, the trustee of the Plan was changed to Newport Trust Company, LLC.
