Independent Auditors' Report

Plan Management
Threshold Residential Services, Inc. 403(b) Pension Plan
East Palestine, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Threshold Residential Services, Inc. 403(b) Pension Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Threshold Residential Services, Inc. 403(b) Pension Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (Lincoln National Life Insurance Company).

Management has obtained a certification from a qualified institution (Lincoln National Life Insurance Company) as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Threshold Residential Services, Inc. 403(b) Pension Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Threshold Residential Services, Inc. 403(b) Pension Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Threshold Residential Services, Inc. 403(b) Pension Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Threshold Residential Services, Inc. 403(b) Pension Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Threshold Residential Services, Inc. 403(b) Pension Plan

Notes to Financial Statements
For the Years Ended December 31, 2023 and 2022

Note A - Description of Plan

The following description of Threshold Residential Services, Inc. 403(b) Pension Plan ("the Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a 403(b) Pension Plan originally adopted April 1, 2003. The plan has since been amended with the latest restatement effective September 1, 2020 to comply with current law. The Plan covers essentially all employees of Threshold Residential Services, Inc. (The "Plan Sponsor") who are not non-resident aliens and who work more than 20 hours a week. An employee is eligible to make elective deferrals into the Plan on the first day of the month following meeting eligibility requirements. For all other contributions, the employee must be at least 18 years of age and have completed 1,000 hours of service during the 12-month period immediately following their date of hire. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Under the Plan's provisions, each participant may contribute a percent of his or her base pay not to exceed the maximum dollar limit in effect for such calendar year in accordance with Section 401(a) (30) of the Internal Revenue Code. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). The employer will make matching contributions for the employees who make contributions to the Plan out of their wages. For the years ended December 31, 2023 and 2022, matching contributions are 100% of the first 2% of employees' voluntary contributions. Effective October 1, 2024, plan management approved matching contributions which are 100% of the first 6% of employees' voluntary contributions. Upon enrollment in the Plan, a participant may direct employee contributions and company-matching contributions in any of the available investment options. Participants may change their investment options at their discretion. All of the balances in the Plan represent participant-directed investments. Contributions are subject to certain IRS limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions and Plan Sponsor matching contributions, as well as allocations and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined by the Plan Agreement. The benefit to which a participant is entitled is the benefit which can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their deferrals and contributions rolled over from other qualified defined-benefit or contribution plans, plus actual earnings thereon. Vesting in the Employer's contribution portion of their account is based on years of service. A participant is 100% vested in the Plan Sponsor's contributions after six years of credited service.

Notes Receivables from Participants

Participants may borrow from their account balance a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their account balance, whichever is less. The \$50,000 maximum amount will be reduced by the participant's highest outstanding loan balance in the previous 12 months, regardless if amounts have been repaid. The loans are collateralized by the balance in the participant's account and bear interest at an annual rate of 7%. The participant is required to repay principal and interest ratably through payroll deductions based on payroll frequency. A participant may only have a maximum of one loan outstanding at any one time.

Notes to Financial Statements
For the Years Ended December 31, 2023 and 2022

Note A - Description of Plan (continued)

Payment of Benefits

On termination of services due to death, disability, retirement or upon attainment of age 59 ½, a participant will become fully vested in their account and may elect to receive a lump-sum distribution or installment payments equal to the value of the account. For termination of service due to other reasons, a participant may receive a lump-sum distribution or installment payments equal to the value of the vested interest in his or her account. Accounts with a vested balance of less than \$5,000 may only receive a lump sum distribution or choose to have their vested balance directly rolled over.

Forfeited Accounts

As of December 31, 2023 and 2022, forfeited non-vested accounts totaled \$820 and \$1,476, respectively. These accounts may be used to pay administrative expenses and/or reduce future employer contributions. In 2023 and 2022, forfeited non-vested accounts were used to reduce employer contributions by \$750 and \$0, respectively.

Note B - Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Participant Contributions Receivable

Participant contributions receivable represent participant deferrals withheld prior to December 31, 2023 and 2022. The balance is based on actual collections subsequent to year end. As of December 31, 2023 and 2022, participant contributions receivable totaled \$3,020 and \$2,867, respectively.

Employer Contributions Receivable

Employer contributions receivable represent employer matching contributions related to participant deferrals withheld prior to December 31, 2023 and 2022. The balance is based on actual collections subsequent to year end. As of December 31, 2023 and 2022, employer contributions receivable totaled \$1,600 and \$1,501, respectively.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value as of December 31, 2023 and 2022, except as disclosed in Note D. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investment committee determines the Plan's valuation policies utilizing information provided by the investment advisers and custodians. See note E for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Threshold Residential Services, Inc. 403(b) Pension Plan

Notes to Financial Statements
For the Years Ended December 31, 2023 and 2022

Note B - Summary of Significant Accounting Policies (continued)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed to participant accounts when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. Participant loans are considered to be delinquent if a payment is not made by the end of the calendar quarter following the calendar quarter in which the missed payment was due. Delinquent participant loans are reclassified as distributions based on the terms of the Plan Document.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expense of maintaining the Plan are paid by the Plan, unless otherwise paid by the Plan Sponsor. Expenses that are paid by the Plan Sponsor are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account. Investment related expense are included in net appreciation of fair value of investments.

Note C - Certified Investments

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2023 and 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Lincoln National Life Insurance Company (the custodian of the Plan).

Note D - Investments in Insurance Contracts

In 2003, the Plan entered into a benefit-responsive guaranteed investment contract with Lincoln Financial Group. Lincoln maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract is fully benefit responsive, contract value is the relevant measurement for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Lincoln uses the Net Asset Value (NAV) of the contract to calculate contract value. The guaranteed investment contract is presented on the face of the statement of net assets available for benefits at NAV which is a practical expedient to estimate fair value. Therefore, there is no adjustment needed in arriving at net assets available for benefits.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The fair value of the investment contract was \$782,891 and \$931,026 as of December 31, 2023 and 2022, respectively. The crediting interest rate is based on a formula agreed upon with the issuer but may not be less than 1.5%. Such interest rates are reviewed on a quarterly basis for resetting.

Threshold Residential Services, Inc. 403(b) Pension Plan

Notes to Financial Statements
For the Years Ended December 31, 2023 and 2022

Note D - Investments in Insurance Contracts (continued)

Certain events limit the Plan's ability to transact at contract value with Lincoln. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures, or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under the Employee Retirement Income Security Act of 1974.

The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants are probable of occurring.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the schedule's maturity date.

Average Yields:	2023	2022
Based on actual earnings	3.3%	2.9%
Interest rate credited to participants	3.3%	2.9%

Note E - Fair Value Measurements

FASB ASC Topic 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of value hierarchy under FASB ASC Topic 820 are described as follows:

Level 1 Fair Value Measurements

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Fair Value Measurements

Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are delivered principally from or corroborated by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Threshold Residential Services, Inc. 403(b) Pension Plan

Notes to Financial Statements
For the Years Ended December 31, 2023 and 2022

Note E - Fair Value Measurements (continued)

Level 3 Fair Value Measurements

Inputs to the valuation methodology are unobservable and significant to the fair value measurements.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used to maximize the use of observable inputs and minimize the use of unobservable measurements.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual Funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded and therefore reported at level 1.

The preceding method described may produce fair value calculations that may not be indicative of net realizable value or reflective of future values. Furthermore, although the plan believes its valuation is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value could result in a different fair value measurement at the reporting date.

Fair Value Measurements as of December 31, 2023

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual Funds	\$ <u>467,996</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>467,996</u>

Fair Value Measurements as of December 31, 2022

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual Funds	\$ <u>273,757</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>273,757</u>

Note F - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note G - Income Tax Status

The IRS has determined and informed the Company by a letter dated March 31, 2017 that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan Administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC.

Threshold Residential Services, Inc. 403(b) Pension Plan

Notes to Financial Statements
For the Years Ended December 31, 2023 and 2022

Note H - Risks and Uncertainties

Investments

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

Note I - Related Party and Party-In Interest Transactions

Parties-in-interest are defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering services to the Plan, the employer, and certain others.

The Fixed Account fund that is offered to Plan participants is held in Lincoln Financial Groups General Fund and Lincoln Financial Group is the Service Provider as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions and are exempt from the prohibited transactions rules of ERISA.

At December 31, 2023 and 2022, fees paid by the Plan for investment management services were \$3,630 and \$3,789, respectively.

On December 31, 2023 and 2022, fees paid by the Plan for commissions were \$6,164 and \$5,269, respectively.

Note J - Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2023 and 2022, to Form 5500:

	2023	2022
Net assets available for benefits per financial statements	\$ 1,267,883	\$ 1,264,201
Less: contributions receivable at year end	(4,620)	(4,368)
Net assets available for benefits per Form 5500	<u>\$ 1,263,263</u>	<u>\$ 1,259,833</u>

The following is a reconciliation of total contributions per the financial statements for the year ended December 31, 2023:

	2023	2022
Total contributions per financial statements	\$ 149,112	\$ 132,929
Less: contributions receivable at year end	(4,620)	(4,368)
Add: prior year contributions receivable	4,368	4,549
Total contributions per Form 5500	<u>\$ 148,860</u>	<u>\$ 133,110</u>

Note K - Subsequent Events

Subsequent events have been evaluated through October 04, 2024, the date the financial statements are available to be issued.
