Independent Auditor's Report

The Administrative Committee
HPC Savings and Profit Sharing Plan
Kalamazoo, Michigan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of HPC Savings and Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023, and 2022, and the related statements of changes in net assets available for benefits for the years then ended and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2023, and 2022, and for the years then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the

supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

HPC Savings and Profit Sharing Plan

Notes to Financial Statements

1. Description of the Plan

The following brief description of the HPC Savings and Profit Sharing Plan (the Plan) is provided for general information only. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

Humphrey Products Company, Inc. (the Company) established the Plan on January 1, 1985, as a defined contribution plan. The Plan covers substantially all employees of the Company. The Company is the Plan Administrator. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Eligibility

All eligible employees may participate in the Plan immediately upon hire. To become eligible for discretionary matching and non-elective contributions, a participant must complete three months of service by the end of the Plan year. For the non-elective contributions, a participant must be employed on the last day of the Plan year.

Contributions

Participants may contribute up to the lesser of 100% of their pre-tax annual compensation, as defined by the Plan, or the maximum allowed by Internal Revenue Service (IRS) regulations. These contributions can be made on a pre-tax basis or on an after-tax basis to a Roth account. Participants may also contribute amounts representing rollovers from other qualified plans. The Plan provides an auto-enrollment feature whereby 5% of compensation is automatically withheld upon meeting eligibility requirements, unless a participant elects otherwise.

The Company may elect to make a discretionary matching contribution to the Plan based on the participant's elective deferrals in a percentage set by the Company prior to the end of each Plan year. During the year ended December 31, 2023 and 2022, the Company approved a matching contribution of 100% of the first 3% of compensation and 50% of the next 4% of compensation. The 2023 second quarter matching contribution was remitted to the Plan in 2024 and, therefore, has been recorded as contribution receivable in the Statement of Net Assets Available for Benefits. The 2023 third and fourth quarter matching contributions will be recorded when remitted to the Plan. The Company may also contribute an additional discretionary non-elective contribution allocated in proportion to each participant's compensation. The Company did not make additional discretionary contributions for the years ended December 31, 2023 and 2022.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Company's contributions, and an allocation of Plan earnings or losses. Participants direct the investments of their contributions into various investment options offered by the Plan. The Plan offers a money market fund, mutual funds, a common collective trust, and self-directed brokerage accounts as investment options for participants. Allocations are based on account balances or compensation, as defined by the Plan Agreement. The benefit to which a participant is entitled is the participant's vested account balance.

HPC Savings and Profit Sharing Plan

Notes to Financial Statements

Vesting

Participants are immediately vested in their contributions and actual earnings and losses thereon. Vesting in the Company's contributions is based on years of continuous service, as defined in the Plan Agreement. Company contributions and earnings thereon vest according to a three-year cliff vesting schedule. Participant accounts are fully vested in the event of death or permanent physical or mental disability while employed by the Company.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant or participant's beneficiary in the event of death, receives a lump-sum amount equal to the value of the participant's vested account. In-service withdrawals are allowed upon the attainment of age 59½. Withdrawals of participant deferrals from the Plan may also be made upon circumstances of financial hardship, in accordance with provisions specified in the Plan.

Notes Receivable from Participants

Participants may borrow up to the lesser of \$50,000 or 50% of their vested account balance. The minimum note amount is \$1,000. The notes are secured by the balance in the participant's account, and interest rates are based on prevailing interest rates charged by individuals in the business of lending money for notes that would be made under similar circumstances. The interest rate is established at the date the note is made and remains fixed throughout the term of the note. Interest rates on outstanding notes receivable ranged from 4.25% to 9.50% at December 31, 2023. The notes are repaid ratably through payroll deductions over a period of five years or less, unless used to purchase a principal residence, which may be repaid over a maximum of ten years.

Forfeitures

Forfeitures of non-vested Company matching, and non-elective contributions not used to pay the Plan's administrative expenses or reduce employer contributions may be reallocated to remaining participants as of the last day of the Plan year in which the forfeiture occurred. No forfeitures were used to reduce employer contributions during the years ended December 31, 2023 and 2022. There were approximately \$60,000 and \$48,000 in the forfeitures account available to be used at December 31, 2023 and 2022, respectively.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

HPC Savings and Profit Sharing Plan

Notes to Financial Statements

Risks and Uncertainties

The Plan utilizes various investment instruments that are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in their values could occur in the near term and such changes could materially affect participants' account balances and the amounts reported in the financial statements.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset (an exit price) in the principal or most advantageous market for the asset in an orderly transaction between market participants on the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year. Interest income is recorded on the accrual basis; dividends are recorded on the ex-dividend date.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced, and a deemed distribution is recorded.

Contribution Receivable

Participant contributions are recognized in the period during which the Company makes the respective payroll deduction from the participant's compensation.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to notes receivable from participants and payment of benefits are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation (depreciation) in fair value of investments.

Subsequent Events

The financial statements and related disclosures include evaluations of events up through and including October 10, 2024, the date the financial statements were available to be issued.

HPC Savings and Profit Sharing Plan

Notes to Financial Statements

3. Investments

Inputs to valuation techniques refer to the assumptions that market participants would use in pricing the asset. The Plan utilizes a fair value hierarchy for valuation inputs that gives the highest priority to quoted prices in active markets for identical assets (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets in active markets.

Level 2 - Inputs to the valuation methodology include quoted prices for similar assets in active markets, quoted prices for identical or similar assets in inactive markets, and other inputs that are observable or can be corroborated by observable market data.

Level 3 - Inputs to the valuation methodology are both significant to the fair value measurement and unobservable.

The following valuation methodologies were used to measure the fair value of the Plan's investments. There have been no changes in methodologies as of December 31, 2023 and 2022.

Money Market Fund - This fund is valued at the daily closing price, as reported by the fund. The money market fund seeks to maintain a \$1.00 net asset value (NAV).

Mutual Funds and Exchange Traded Funds (ETFs) - Mutual funds and ETFs are valued at the daily closing price, as reported by the fund. Mutual funds and ETFs held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds and ETFs held by the Plan are deemed to be actively traded.

Self-Directed Brokerage Accounts - Self-directed brokerage accounts comprise a money market fund, mutual funds, and common stock that are valued at quoted market prices in an exchange and active market.

Common Collective Trust (CCT) - The Fidelity Advisor Stable Value Fund is a CCT composed primarily of fixed-income securities or bonds. The CCT is valued at the NAV, which is based on the fair value of the underlying investments less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions may occur daily. Were the Plan to initiate a full redemption of the CCT, the investment adviser reserves the right to temporarily delay withdrawal in order to ensure that securities liquidations will be carried out in an orderly business manner. There are no unfunded commitments related to the CCT. This investment is a direct filing entity.

The Plan's valuation methods may result in a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Although the Plan's management believes that the valuation methods are appropriate and consistent with the market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

HPC Savings and Profit Sharing Plan

4. Information Certified by the Trustee

Certain information disclosed in the accompanying financial statements and ERISA-required supplemental schedule, related to investments and notes receivable from participants held as of December 31, 2023 and 2022, and net appreciation (depreciation) in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the years then ended, was obtained by management, and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company (Fidelity), a qualified institution.

5. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants' accounts will become fully vested and nonforfeitable.

HPC Savings and Profit Sharing Plan

Notes to Financial Statements

6. Tax Status

The Plan adopted a pre-approved plan document sponsored by Fidelity. Fidelity has received an opinion letter from the IRS dated June 30, 2020, which states that the pre-approved plan document, as then-designed, satisfies the applicable provisions of the Internal Revenue Code (IRC). Although the Plan has been amended since the date of the opinion letter, the Plan Administrator believes that the Plan is currently designed and is being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require the Plan's management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. Related Party and Party-in-Interest Transactions

Certain Plan investments are shares of mutual funds; money market funds, including a money market fund within the self-directed brokerage accounts; and units of a CCT managed by Fidelity. Fidelity is the current trustee of the Plan and, therefore, these transactions qualify as party-in-interest transactions. The Plan paid administrative fees of approximately \$2,500 and \$2,700 for the years ended December 31, 2023 and 2022, respectively. Notes receivable from participants also qualify as party-in-interest transactions.
