Report on the Audit of the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of The Salary Thrift Savings Plan for Employees of Lapham-Hickey Steel Corp. (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of The Salary Thrift Savings Plan for Employees of Lapham-Hickey Steel Corp.'s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Plan Oversight Committee
The Salary Thrift Savings Plan for Employees
of Lapham-Hickey Steel Corp.

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Salary Thrift Savings Plan for Employees of Lapham-Hickey Steel Corp. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Salary Thrift Savings Plan for Employees of Lapham-Hickey Steel Corp.'s ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Plan Oversight Committee
The Salary Thrift Savings Plan for Employees
of Lapham-Hickey Steel Corp.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Salary Thrift Savings Plan for Employees of Lapham-Hickey Steel Corp.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Salary Thrift Savings Plan for Employees of Lapham-Hickey Steel Corp.'s ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**THE SALARY THRIFT SAVINGS PLAN FOR EMPLOYEES
OF LAPHAM-HICKEY STEEL CORP.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

NOTE 1 DESCRIPTION OF PLAN

The following description of The Salary Thrift Savings Plan for Employees of Lapham-Hickey Steel Corp. (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan, originally effective July 1, 1984, established to provide deferred compensation benefits to eligible employees of Lapham-Hickey Steel Corp. (the Employer). The Plan has been amended throughout the years to comply with tax legislation and most recently amended effective July 1, 2023. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

Employees who have reached age 18 are eligible to participate in employee deferrals and Employer matching contributions on the first day of the month following the completion of three months of service. Employees covered by a collective bargaining agreement that have not bargained for retirement benefits and leased employees, as well as individuals employed pursuant to a work and study release program maintained by a state, are not eligible to participate.

During the year ended December 31, 2022, the Employer acquired Dadson's Machining, Inc. and SMC Metal Fabricators, Inc. The Plan was amended to credit prior service with Dadson's Machining, Inc. and SMC Metal Fabricators, Inc. for purposes of determining eligibility and vesting for those employees who have commenced employment with the Employer as of July 15, 2022 and September 30, 2022, respectively.

During the year ended December 31, 2023, the Employer acquired Arrowhead Steel Company. The Plan was amended to credit prior service with Arrowhead Steel Company for purposes of determining eligibility and vesting for those employees who have commenced employment with the Employer as of April 26, 2023.

Contributions

Participants may make pre-tax and/or after-tax voluntary contributions up to 75% of his/her compensation, subject to limitations imposed by the Internal Revenue Code (IRC). Effective January 1, 2023, the Plan was amended to no longer allow participants to make after-tax voluntary contributions. Eligible participants may elect to have a percentage of their compensation contributed as Roth contributions to the Plan and also contribute amounts representing distributions from other qualified retirement plans (rollover). Participants direct the investment of contributions into various options offered by the Plan. Participants that attain age 50 before the end of the Plan year are eligible to make catch-up contributions. For the year-ended December 31, 2023, the Company matching contribution was 100% of the first 4% of eligible compensation deferred that a participant contributes to the Plan. Employee catch-up contributions are not eligible for the Employer match.

OF LAPHAM-HICKEY STEEL CORP.

DECEMBER 31, 2023 AND 2022**

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Participant Accounts

Each participant's account is credited or charged with the participant's contributions, the Employer's contributions, and investment earnings (losses), and charged with an allocation of administrative expenses. Allocations are based on participant compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in his/her voluntary contributions plus actual earnings thereon. Vesting in the Employer's matching contributions and earnings thereon is based on years of continuous service. A participant becomes fully vested after three years of service, with no vesting prior to three years of service. The nonvested balance is forfeited upon termination of service. Notwithstanding the above, a participant is fully vested upon reaching normal retirement age, death, or permanent disability.

Benefit Payments

Upon termination of service due to death, disability, retirement on or after the normal retirement age, or termination of service due to other reasons, a participant may receive the value of the vested interest in his/her account as a lump-sum distribution. The Plan's provisions also provide for in-service withdrawals if a participant reaches age 59½ and withdrawals in the event of financial hardship, as defined by the Plan. Terminated participants with an account balance of less than \$5,000 are subject to involuntary cash-outs.

Forfeited Accounts

Forfeited nonvested accounts are used to reduce Employer contributions. Forfeited nonvested accounts totaled \$54,300 and \$21,004 as of December 31, 2023 and 2022, respectively. Forfeitures in the amount of \$93,007 were used to reduce Employer contributions for the year ended December 31, 2023.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**THE SALARY THRIFT SAVINGS PLAN FOR EMPLOYEES
OF LAPHAM-HICKEY STEEL CORP.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Administrative expenses are paid by the participants out of the assets of the Plan and by the Employer. Although the Employer has elected to pay some administrative costs, it is not obligated to do so. If the Employer ceases to pay all or part of these costs in the future, they will be paid out of the assets of the Plan. Expenses paid directly by the Company are excluded from these financial statements.

Subsequent Events

The Plan has evaluated subsequent events through September 27, 2024, the date the financial statements were available to be issued.

NOTE 3 FAIR VALUE OF INVESTMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**THE SALARY THRIFT SAVINGS PLAN FOR EMPLOYEES
OF LAPHAM-HICKEY STEEL CORP.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

NOTE 3 FAIR VALUE OF INVESTMENTS (CONTINUED)

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair market value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the valuation methodologies used at December 31, 2023 and 2022.

Collective Trust Fund – Valued at the net asset value (NAV) of units of the trust company collective trust. NAV is a readily determinable fair value and is the basis for current transactions. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

Mutual Funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Pooled Separate Accounts: Valued at the net asset value (NAV) of units, as determined by the insurance company. NAV is a readily determinable fair value and is the basis for current transactions.

NOTE 3 FAIR VALUE OF INVESTMENTS (CONTINUED)

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31:

2023				
	Level 1	Level 2	Level 3	Total
Collective Trust Fund	\$ -	\$ 7,487,659	\$ -	\$ 7,487,659

Total Investments at Fair Value	<u>\$ -</u>	<u>\$ 43,386,905</u>	<u>\$ -</u>	<u>\$ 43,386,905</u>

NOTE 4 CERTIFICATION OF INVESTMENT INFORMATION

Empower Trust Company, LLC (formerly Great-West Trust Company, LLC) and Empower Annuity Insurance Company of America (formerly Great-West Life & Annuity Insurance Company), (collectively referred to as Empower), the qualified institutions of the Plan, have supplied the Plan administrator with a certification as to the completeness and accuracy of all investment information presented on the accompanying statements of net assets available for benefits as of December 31, 2023 and 2022, the statement of changes in net assets available for benefits for the year ended December 31, 2023, and the supplemental schedule of assets (held at end of year) as of December 31, 2023.

NOTE 5 PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer reserves the right to alter, amend, or terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in his/her accounts. Any unallocated assets of the Plan would be allocated to participant accounts and distributed in such a manner as the Employer may determine.

NOTE 6 PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds and a collective trust fund managed by Empower Trust Company, the insurance company as defined by the Plan and, therefore, the investment transactions qualify as party-in-interest transactions. Fees paid to the insurance company, as reflected in the statements of changes in net assets available for benefits, are also party-in-interest transactions. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

**THE SALARY THRIFT SAVINGS PLAN FOR EMPLOYEES
OF LAPHAM-HICKEY STEEL CORP.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

NOTE 7 PLAN TAX STATUS

The Plan is placing reliance on an opinion letter dated November 14, 2022, received from the Internal Revenue Service (IRS) indicating that the Plan is qualified under Section 401 of the IRC and is therefore not subject to tax under current income tax law. The Plan has been amended since receiving the opinion letter. However, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

NOTE 9 RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The Separate Account is a pooled separate account, as classified in the financial statements included herein. The pooled separate account did not file Form 5500 for the direct filing entity for the year ended December 31, 2022; therefore, the underlying assets have been reported on the Form 5500, Schedule H for the year ended December 31, 2022.
