INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the
VBA Defined Contribution Plan for Capital Center, LLC
Richmond, Virginia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the VBA Defined Contribution Plan for Capital Center, LLC (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year then ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 9 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedules Required by ERISA

The supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

VBA DEFINED CONTRIBUTION PLAN FOR CAPITAL CENTER, LLC

Notes to Financial Statements

1. Description of Plan:

The following description of the VBA Defined Contribution Plan for Capital Center, LLC (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering all eligible employees of Capital Center, LLC, Inc. (the "Company"). Effective September 1, 2022, employees become eligible to participate after attaining age 18. Eligible employees may enter the Plan immediately upon fulfilling eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions: The Plan provides for participant contributions of pre-tax and Roth annual compensation, as defined in the Plan. Participants of qualifying age may make additional "catch-up" contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. The Company makes safe harbor contributions equal to 3% of the participant's eligible compensation for the plan year. The Plan also allows for discretionary employer contributions as elected by the Company. There were no discretionary employer contributions for 2023. Contributions are subject to certain limitations.

Participant Accounts: Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contributions and (b) Plan earnings or losses, and charged with an allocation of administrative expenses. Allocations are based on participant compensation or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options: Participants may direct the custodians as to the investment of their account balances in accordance with guidelines established by the Plan. Participants may change their investment elections at any time.

Vesting: Participants are immediately vested in their contributions and in the Company's safe harbor contributions plus actual earnings after two years of service. Participants vest after five years of continuous service for any discretionary profit-sharing contributions.

During 2022, the Company had a Plan turnover rate in excess of 20% and was deemed to have partially terminated. With this partial plan termination, Internal Revenue Service ("IRS") regulations require all affected participants to become immediately vested in the Company's discretionary contributions. All affected Plan Participants at the date of partial termination were fully vested in the Company's contributions.

1. Description of Plan, Continued:

Notes Receivable from Participants: Participants may borrow from their Plan accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Loan terms cannot exceed five years, unless the proceeds are used to acquire a principal residence. The loans are secured by the balance in the participant's account and bear interest at rates commensurate with local prevailing rates as determined by the plan administrator.

Principal and interest are paid ratably through payroll deductions. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Management has evaluated notes receivable from participants for collectability and has determined that no allowance is considered necessary. Delinquent loans, deemed to be in default by the plan administrator, are treated as distributions based upon the terms of the plan document.

Plan Administration: Overall responsibility for administering the Plan rests with the Company. Participant accounts are administered by VBA Benefits Corporation ("VBA"), the third-party administrator of the Plan. All assets of the plan are held by the trustee, VOYA Institutional Trust Company, and its affiliate, VOYA Retirement Insurance and Annuity Company, is the recordkeeper (collectively, "VOYA").

Payment of Benefits: Distribution of the vested portion of a participant's account will occur upon the participant's termination of service, retirement, death, disability, or hardship withdrawal, as defined in the Plan. In-service withdrawals of a participant's vested balance are permitted at age 59 ½. A participant is entitled to receive a lump-sum payment, partial withdrawals or installments as described by the Plan.

Forfeitures: The portion of an account balance that is not vested at the time the participant's employment is terminated for other than death, disability, or retirement is forfeited and used to offset employer contributions. Forfeiture balances available totaled \$61,085 at December 31, 2023. During 2023, forfeited unvested balances totaled \$23,789 and \$7,105 was used to reduce employer contributions during 2023. Forfeiture balances available totaled \$44,401 at December 31, 2022.

2. Summary of Significant Accounting Policies:

Basis of Accounting: The financial statements of the Plan are prepared on the accrual method of accounting.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

VBA DEFINED CONTRIBUTION PLAN FOR CAPITAL CENTER, LLC

2. Summary of Significant Accounting Policies, Continued:

Investment Valuation and Income Recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net investment income (loss) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits: Benefits are recorded when paid.

Subsequent Events: Management has evaluated subsequent events through September 29, 2024 the date the financial statements were available to be issued, and has determined there are no subsequent events to be reported in the accompanying financial statements.

3. Fair Value Measurements:

The Financial Accounting Standards Board ("FASB") has issued guidance for measurement and disclosure of fair value and established a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology are quoted prices for similar instruments in active and inactive markets; and model driven valuations with significant inputs and drivers derived from observable active markets.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Valuation techniques used should maximize the use of observable inputs and minimize the use of unobservable inputs. The following is a description of the valuation methodologies used for investments carried or disclosed at fair value:

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

VBA DEFINED CONTRIBUTION PLAN FOR CAPITAL CENTER, LLC

Notes to Financial Statements, Continued

3. Fair Value Measurements, Continued:

Common/collective trusts: A fund that is composed primarily of fully benefit-responsive investment contracts that is valued at the NAV of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the funds less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets measured at fair value as December 31:

		Assets at Fair Value as of December 31, 2023	
		Level 1	Total
Assets:			
Mutual funds		\$ 3,130,297	\$ 3,130,297

3. Fair Value Measurements, Continued:

*Certain investments that were measured at NAV have not been classified in the fair value hierarchy. The fair value amounts presented in the table above are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for period.

The following table summarized investments measured at fair value based on NAV per share as of December 31:

Wilmington Trust MFS Growth CIT - Fee Class S	\$ 460,379	N/A	Daily	Daily

As of December 31, 2022				
<u>Instrument</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Vanguard Target Retirement Trust II Series	\$ 4,036,291	N/A	Daily	None
Goldman Sachs Stable Value Collective Trust	\$ 74,778	N/A	Daily	12 months at Plan level

4. Administrative Expenses:

The Plan paid administration fees in the amount of \$55,501 during 2023 consisting of \$37,498 investment management fees paid to VOYA, and \$18,003 administrative fees paid to VBA. In the accompanying financial statements, administrative expenses are reported net of the of the costs absorbed by the Plan Sponsor totaling \$18,003 during 2023.

5. Related Party Transactions:

The Plan invests in mutual funds managed by affiliates of the custodians. These are related party transactions and are identified as parties-in-interest in the accompanying schedule of assets (held at end of year). Administration fees disclosed in Note 4 are also paid to an affiliate of the custodians.

VBA DEFINED CONTRIBUTION PLAN FOR CAPITAL CENTER, LLC

Notes to Financial Statements, Continued

6. Plan Termination:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

7. Tax Status:

The Internal Revenue Service has determined and informed the prototype plan sponsor by letter dated June 30, 2020 that the Plan and related trust are designed in accordance with the applicable sections of the Internal Revenue Code. The Plan has been amended since receiving the opinion letter; however, the plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Management has evaluated the effects of accounting guidance related to uncertain income tax positions and concluded that the Plan had no significant financial statement exposure to uncertain income tax positions at December 31, 2023 and 2022. The Plan is not currently under audit by any tax jurisdiction.

8. Risks and Uncertainties:

The Plan provides for investments in various securities. Investments are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the financial statements.

9. Financial Information Certified by the Qualified Institution:

Information regarding the following, included in the Plan's financial statements and supplemental schedules, was prepared by VOYA, who has certified that the following information regarding investments held in its custody is complete and accurate:

- Investments, at fair value
- Investment income (loss), including net appreciation in fair value of investments
- Schedule of assets (held at end of year)

10. Prohibited Transactions:

During the Plan year ended December 31, 2021, the Company failed to remit an \$168 of participant contributions timely on one occasion, as reflected in the schedule of delinquent participant contributions. The Company remitted the delinquent participant contributions and lost earnings related to this event during 2022.
