Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the Financial Statements

We have performed an audit of the financial statements of Beacon Light Behavioral Health Systems Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements (Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section the information accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

The supplemental schedules of Attachment to Form 5500, Schedule H, Line 4i – Schedule of Assets (Held at End of Year), December 31, 2023, and Schedule H, Line 4a – Schedule of Delinquent Participant Contributions, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BEACON LIGHT BEHAVIORAL HEALTH SYSTEMS RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
DECEMBER 31, 2023 AND 2022

NOTE 1: DESCRIPTION OF PLAN

The following description of the Beacon Light Behavioral Health Systems Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan Document of Summary Plan Description for a more complete description of the Plan's provisions.

A. General

The Plan is a 403(b) tax-sheltered annuity retirement plan covering substantially all employees of Beacon Light Behavioral Health Systems (the Agency) which consists of Children's Home of Bradford PA (the Home), Children's Center for Treatment and Education (CCTE), and Ramsbottom Center, Inc. (Ramsbottom). These nonprofit corporations have been established under the Laws of Commonwealth of Pennsylvania and are organized and operated exclusively for charitable, educational, and/or scientific purposes. The Home functions as the Plan Sponsor, a supporting corporation of CCTE and Ramsbottom under IRC 509a with management responsibility over CCTE and Ramsbottom.

Employees of the Agency are eligible to participate in elective salary reduction deferral (employee) contributions immediately upon hire by the Agency and were eligible to receive matching (employer) contributions when they have attained age 21 and completed one year of service. Effective July 1, 2023, the Plan was amended to allow employees of the Agency to receive matching contributions when they have attained age 18 and completed six months of service.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Effective December 23, 2015, the Plan was amended and restated to comply with final regulations under section 403(b) of the Internal Revenue Code of 1986, as amended, and to make certain other changes. The amendments did not have a significant effect on benefits or net assets.

B. Contributions

The Agency made a discretionary employer match governed by Agency policy and approved annually. For eligible employees the matching contribution was the lesser of 3% of eligible income or 50% of elected deferrals. For employees over the age of 50 with 15 years of employment, the matching contribution was the lesser of 6% of eligible income or 100% of elected deferrals. Effective July 1, 2023, the Plan was amended to remove the discretionary employer match and provide for a fixed employer matching contribution equal to 50% of elective deferrals. Deferrals into the plan over 6% will not be matched.

Employee contributions are elected as a deferral of eligible compensation. A participant's includible compensation means any salary, wages or other remuneration that is includible in his gross income for federal tax purposes less any bonuses received, plus any salary reduction contributions that are not includible in his federal gross income, including salary reduction contributions to the Plan.

Participants direct the investment of contributions into various investment options offered by the Plan. The Plan currently offers various mutual fund options for participants. Annual contributions are subject to certain limitations under the Internal Revenue Code.

NOTE 1: DESCRIPTION OF PLAN (CONTINUED)

C. Participant Accounts

Each participant's account is credited with their allocations of the employee's and the Agency's contribution and Plan earnings and charged with an allocation of investment and administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

D. Vesting

Participants are vested immediately in all employee contributions plus actual earnings thereon. Participants were vested in Employer contributions after three years of credited service. Effective July 1, 2023 the Plan was amended to allow for Employer contributions to vest after two years of credited service.

E. Notes Receivable from Participants

Participants may borrow from their accounts up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest rates that are commensurate with rates charged by other lenders on similar loans. Current interest rates are 8.5%. Loan repayments are made ratably through payroll deductions over a period not to exceed 5 years, unless the loans were used to purchase a primary residence, in which case the loan terms may exceed 5 years.

F. Payment of Benefits

Plan benefits begin at the normal retirement age of 65, however, in service distributions can commence upon age 59 ½. Participants who have attained their retirement age shall have a 100% non-forfeitable right in the value of their account. Upon termination of employment due to death, disability, retirement, or other separation participants or their beneficiary may elect to receive an amount equal to the value of the participant's vested interest in his or her account in a lump sum payment or in annual installments over a period of not more than the participants assumed life expectancy. Additionally, under certain circumstances of financial hardship, the participant is allowed to withdraw funds from the Plan.

G. Plan Termination

Although it has not expressed any intent to do so, the Agency has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

H. Related Party Transactions

Plan investments consist of shares of mutual funds and annuities managed by Mutual of America. Mutual of America is the trustee of the Plan and, therefore, all transactions qualify as party-in-interest transactions exempt from prohibited transaction rules.

BEACON LIGHT BEHAVIORAL HEALTH SYSTEMS RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
DECEMBER 31, 2023 AND 2022

NOTE 1: DESCRIPTION OF PLAN (CONTINUED)

I. Forfeitures

At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$13,222 and \$0 respectively. Also, in 2023 and 2022, administrative expenses of \$0 and \$5,306, respectively, were paid from forfeited non-vested accounts. Additionally in 2023 and 2022, no employer contributions were paid from forfeited non-vested accounts.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting and in conformity with generally accepted accounting principles.

B. Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts and disclosures. Actual results could differ from those estimates.

C. Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/(depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

D. Notes Receivable from Participants

Notes receivable from participants are measured at the unpaid principal balance plus any accrued interest. Interest income is recorded on an accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2023 and 2022, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the loan to be in default, the loan balance is reduced, and the delinquent participant loan receivable is recorded as a benefit payment based on the terms of the Plan Document.

E. Payment of Benefits

Benefits are recorded when paid.

BEACON LIGHT BEHAVIORAL HEALTH SYSTEMS RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
DECEMBER 31, 2023 AND 2022

NOTE 3: PLAN ADMINISTRATION

The Plan is administered by the Agency. The Plan is responsible for payment of all administrative expenses. For the years ended December 31, 2023 and 2022, such expenses totaled \$71,566 and \$10,595, respectively. All other administrative costs (i.e. payroll costs related to administration of the Plan) are paid by the Agency and not a deduction from Plan net assets.

NOTE 4: TAX STATUS

The Internal Revenue Service does not currently have a process for this type of plan to be submitted for a determination letter. However, the Plan's tax counsel believes that the Plan is designed, and the Plan administrator believes that the Plan is currently operating, in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained up examination by the Internal Revenue Service. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2020.

NOTE 5: INVESTMENTS AND FAIR VALUE MEASUREMENTS

During 2023 and 2022, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated/(depreciated) in value by \$1,258,653 and \$(3,015,342), respectively. Interest income and dividends were \$705,472 and \$106,247 during 2023 and 2022, respectively.

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

BEACON LIGHT BEHAVIORAL HEALTH SYSTEMS RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
DECEMBER 31, 2023 AND 2022

NOTE 5: FAIR VALUE MEASUREMENTS (CONTINUED)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 or 2022.

Registered Investment Companies: Mutual funds with Mutual of America are valued at the net asset value (NAV) of shares held by the plan at year end, which approximates fair value.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

Assets at Fair Value as of December 31, 2023			
	<u>Level 1</u>	<u>Level 2</u>	<u>Total</u>

NOTE 6: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the Statement of Net Assets Available for Benefits.

NOTE 7: CERTIFIED FINANCIAL INFORMATION

Certified information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including the investments at December 31, 2023 and 2022, and net appreciation in fair value of investments and interest and dividends for the years ended December 31, 2023 and 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by American Trust Company, Mutual of America and One America (the trustees/custodians) of the Plan.

The following information certified by American Trust Company and Mutual of America was relied upon in the preparation of the 2023 financial statements and supplemental schedule:

- Investment amounts included in the Statement of Net Assets Available for Benefits at December 31, 2023.
- Interest and dividend income and net appreciation/(depreciation) in fair value of investments included in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2023.

The following information certified by American Trust Company, Mutual of America and One America was relied upon in the preparation of the 2022 financial statements and supplemental schedule:

- Investment amounts included in the Statement of Net Assets Available for Benefits at December 31, 2022.
- Interest and dividend income and net appreciation/(depreciation) in fair value of investments included in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2022.

NOTE 8: SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 14, 2024, the financial statement issuance date.
