We have performed audits of the accompanying financial statements of the Safe-Harbor 401(k) Profit Sharing Plan for Employees of Hillside, Inc., an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Safe-Harbor 401(k) Profit Sharing Plan for Employees of Hillside, Inc.'s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Safe-Harbor 401(k) Profit Sharing Plan for Employees of Hillside, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Safe-Harbor 401(k) Profit Sharing Plan for Employees of Hillside, Inc.'s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Safe-Harbor 401(k) Profit Sharing Plan for Employees of Hillside, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Safe-Harbor 401(k) Profit Sharing Plan for Employees of Hillside, Inc.'s ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Assets Held at End of Year as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

Note A

Description of Plan

The following description of the Safe-Harbor 401(k) Profit Sharing Plan for Employees of Hillside, Inc. (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution plan of Hillside, Inc. (the "Organization") and is offered to all employees, except certain employees defined in the Plan document. Employees are eligible to contribute on the first day of the month immediately following the date eligibility requirements have been met. The Plan is subject to requirements of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions:

Eligible participants are permitted to elect to have a percentage, limited by Plan provisions, of their compensation contributed as pre-tax 401(k) or after-tax Roth contributions to the Plan, subject to the maximum amount allowed by the Internal Revenue Code. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contribution. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover contributions). Participants direct the investment of their contributions into various investment options offered by the Plan.

Effective January 1, 2017, all eligible employees who have not elected a deferral percentage or opted out of the Plan, will automatically have compensation deferred at a rate of 1%.

Participating employees are eligible to receive employer matching contributions after obtaining the age 21 and completing one year of service with 1,000 hours. Effective January 1, 2021, each participant will receive safe harbor matching contributions equal to 100% of participant contributions up to 6% of compensation.

Participant Accounts:

Each participant's account is credited with the participant's contribution and allocations of the Company's contribution and Plan earnings (losses), and charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting:

Participants are immediately and fully vested in their contributions and safe harbor matching contributions plus actual earnings thereon. Vesting in the Organization's discretionary contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after five years of credited service.

Description of Plan (Continued)

Forfeited Accounts:

Forfeited accounts are first made available to reinstate previously forfeited account balances of former participants, provided that the former participant is re-employed within five years from the date of termination of employment. Forfeited accounts are used to reduce Organization contributions. At December 31, 2023 and 2022, there were forfeited nonvested accounts of \$- and \$-, respectively. During 2023, forfeitures of \$14,013 were used to reduce the Organization's contributions.

Notes Receivable from Participants:

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of the balance of the participant's account. No more than two notes may be outstanding at any time. The note is secured by the balance in the participant's account and bear interest at rates commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest are paid ratably through payroll deductions. The term of the loan may not be for more than five years, except for the purchase of a participant's primary residence.

Payment of Benefits:

Participants may elect to receive either a lump-sum amount equal to the value of their vested interest or annual installments as defined in the Plan document upon retirement, termination of service, death or disability. The designated beneficiary is entitled to a death benefit distribution equal to the participant's vested account balance.

In addition, hardship withdrawals are permitted if certain criteria are met. Participants may be distributed up to 100% of their account balance in the event of immediate and heavy financial need. In order to receive a hardship distribution, certain requirements and conditions must be satisfied. Participants may receive in-service distributions if they attain age 59½, subject to Plan provisions.

Note B

Significant Accounting Policies

Basis of Accounting:

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition:

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note I for discussion of fair value measurements.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

Note B

Significant Accounting Policies (Continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Operating Expenses:

Certain expenses of maintaining the Plan are paid directly by the Organization and are excluded from these financial statements. Investment related expenses are included in net appreciation (depreciation) of fair value investments.

Notes Receivable from Participants:

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and the note receivable from participant is recorded as a benefit payment based on the terms of the Plan document.

Contributions:

Participant contributions and the related Company safe harbor matching contributions are recognized in the period the participant contribution is withheld from compensation.

Payment of Benefits:

Benefit distributions, determined in accordance with provisions of the Plan, are recorded when paid.

Use of Estimates:

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Subsequent Events:

The Plan sponsor has evaluated subsequent events through October 9, 2024, the date the financial statements were available to be issued.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

Note C

Related Party Activity

The Plan investments are managed by Mutual of America Life Insurance Company. Mutual of America Life Insurance Company is the trustee and, therefore, the investment transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation (depreciation) of the investments, as they are paid through revenue sharing, rather than a direct payment.

Note D

Information Prepared and Certified by the Trustee

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Mutual of America Life Insurance Company (the trustee of the Plan).

Note E

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

Note F

Plan Termination

Although it has not expressed any intent to do so, the Organization has the right to discontinue its contributions at any time and to terminate the Plan, subject to Plan provisions. Upon such termination, participants will become fully vested in their accounts, which will be distributed as prescribed by the Plan terms.

SAFE-HARBOR 401(k) PROFIT SHARING PLAN FOR EMPLOYEES OF HILLSIDE, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

Note G

Income Tax Status

The Plan, as restated, effective January 1, 2021, is an individually designed plan. Each year, the IRS publishes a Required Amendments List for individually designed plans which specifies changes in qualification requirements. The list requires plans to be amended for each change, as applicable, in order to retain its tax exempt status. While the restated Plan document does not have a determination letter from the IRS, Plan management believes that the Plan is currently designed, has been amended, and is being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan and related trust continue to be tax-exempt. As such, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires plan management to evaluate tax positions taken by the plan and recognizes a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax years in progress.

Note H

Investment Contract with Insurance Company

The Plan has an investment contract with Mutual of America Insurance Company ("MOA"). MOA maintains the contributions in a General Account, the Interest Accumulation Account. The interest rate credited to investments in the General Account is a current rate, and is not dependent upon the length of time the assets are invested with MOA. There are no front-end or back-end charges, so investments in the General Account are completely liquid. The General Account Investments are carried at fair value. The General Account investments are also used to collateralize notes receivable made from MOA to participants.

Requests for withdrawal can be made at any time and are processed on the day that they are received. They are not dependent on MOA having to liquidate securities in order to generate a payment. There are no deferred sales charges, load assessments or interest rate adjustments that would affect the value as a result of a withdrawal request.

The concept of benefit-responsive does not apply to MOA's General Account. Since the Plan is a defined contribution plan, the funds in the General Account are allocated to the individual participants and the funds are always available to pay benefits, depending on the vesting schedule applicable to the Plan. As such, the Sponsor does not control these assets and the need for the assets to be benefit responsive is not relevant.

Note I

Fair Value Measurements

The Plan's investments are valued at fair value based on a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three Levels of the fair value hierarchy are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has ability to access.
- Level 2 Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Cash equivalents: The Mutual of America Interest Accumulation Account is considered to be comparable to a cash equivalent, as there are no front-end or back-end charges (so investments in the account are completely liquid), the interest rate credited is the current rate and is not dependent upon the length of time the assets are invested with Mutual of America, requests for withdrawal can be made at any time and are processed on the day that they are received, they are not dependent on the Organization having to liquidate securities in order to generate a payment, and the value shown is the redeemable value of the fund with no deferred sales charges, load assessments or interest rate adjustments that would affect the value as a result of a withdrawal request.

Pooled separate accounts: Valued at net asset value (NAV) of units held. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liability. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

Note I

Fair Value Measurements (Continued)

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023 and 2022:

<u>Description</u>	<u>December 31, 2023</u>			<u>Total</u>
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	
Pooled separate accounts, measured at NAV (a)	\$ -	\$ -	\$ -	\$ 10,433,107
Cash equivalents	<u>626,766</u>	<u>-</u>	<u>-</u>	<u>626,766</u>
Total	<u>\$ 626,766</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 11,059,873</u>

<u>Description</u>	<u>December 31, 2022</u>			<u>Total</u>
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	
Pooled separate accounts measured at NAV (a)	\$ -	\$ -	\$ -	\$ 8,979,049

Total	<u>\$ 638,906</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 9,617,955</u>

- (a) The pooled separate accounts are measured using net asset value (NAV) as a practical expedient. In accordance with guidance in ASU 2015-07, which has been adopted by the Plan, these investments have not been classified in the fair value hierarchy table. The fair value of the amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the statements of net assets available for benefits.

Employer contributions receivable	<u>13,821</u>	
Net increase in net assets available for benefits as presented on Form 5500	\$ <u>1,420,978</u>	

Classification:

The attached financial statements report notes receivables from participants as a receivable to the Plan, while Form 5500 reports these balances as a general investment on Schedule H.

Reporting of Investments:

The Plan has several investment options including pooled separate accounts (PSAs) which are reported differently on the IRS Form 5500 than in these financial statements. These investments do not report directly to the Security and Exchange Commission as a direct filing entity (DFE) and, therefore, are required to be reported at the details of the underlying investments on the Form 5500. However, these investments are reported in the statements of net assets available for benefits as PSAs in total, as provided by the trustee. This represents a classification difference, however, the reported amounts per financial statements and Form 5500 agree as of December 31, 2023 and 2022.
