INDEPENDENT AUDITORS' REPORT

Board of Trustees
Community Specialists, Inc. 401(K) & Profit Sharing Plan
Chicago, Illinois

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Community Specialist, Inc. 401(K) & Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) audit pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C) audit, our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in the notes to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C) audit.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion-

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C) audit.

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

DESCRIPTION OF PLAN

The following description of the Community Specialists, Inc. 401(K) & Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan, established in 1995, is a defined contribution plan covering all employees of Community Specialists, Inc. (the "Company"). The Plan was most recently amended and restated as of January 1, 2022. Employees, excluding union members, and non-resident aliens, must be 21 years of age or older and are eligible to participate upon completion of one month of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions: The Plan provides for the following contributions, which are to be maintained in separate accounts for each participant:

- (a) Salary Deferral Contributions – The plan has an automatic contribution feature. The automatic contribution feature is at 3%. A participant has the ability to change the deferral percentage on the first day of any calendar month. A participant may elect, on a pretax basis, a ROTH after-tax basis, or a combination of the two, to contribute to the Plan each year amounts not to exceed the lesser of 100 percent of compensation, as defined, or the statutory limits.
- (b) Employer Matching Contributions – to be made at the discretion of the Company to contribute a percentage of the participant's deferrals, computed as 50% of the first 2% of the participant's elective deferral and 25% of the next 4% of the participant's deferrals. Eligibility for employer matching contributions is after completing one year of service.
- (c) Profit Sharing Contributions – to be made at the discretion of the Company as a percentage of compensation or a dollar amount per participant. There was no profit sharing contributions for the year ended December 31, 2023.
- (d) Rollover and Transfer Contributions – to be made by the employee from amounts distributed or transferred from other qualified plans.

Investment Options: Participants direct the investment of their contributions into various investment options offered by the Plan. Participants may change their investment options daily.

Participant Accounts: Each participant's account is credited with (a) the participant's elective contribution, (b) the matching or other contributions, and (c) an allocation of the Plan's investment earnings and appreciation in the value of its investments. Account balances are decreased for (a) distributions or withdrawals, (b) an allocation of the Plan's investment losses and value depreciation, and (c) plan administrative fees and expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participant Loans: Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of the lesser of \$50,000 or 50% of the participant's vested interest in the Plan as of the date of the loan application, subject to reduction due to previous 12-month highest loan balance. The loans are secured by the balance in the participant's account and bear interest at a rate of 1% over the prime rate. An individual may have no more than two loans outstanding at any one time. Principal and interest are paid ratably through payroll deductions.

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

DESCRIPTION OF PLAN (CONTINUED)

Payment of Benefits: Payments of benefits are made to participants or their beneficiaries upon death, retirement, disability, or at the option of the employee, termination of employment. Benefits are payable in a lump sum or by other methods as described in the Plan agreement. The Plan also permits hardship withdrawals from a participant's deferral contribution account.

Vesting: Participants are immediately vested in their Salary Deferral Contributions, Rollover, and Transfer Contributions accounts plus actual earnings thereon. Vesting of Employer Matching Contributions and Employer Profit Sharing Contributions accounts for each participant is based on years of service, beginning at 20% after one year of service, increasing 20% per year until fully vested after five or more years of service.

Forfeited Accounts: Forfeitures of the non-vested portion of participants' accounts resulting from termination of employment before full vesting, may be used to offset plan expenses, or used to reduce any matching company contributions. Forfeitures used to reduce matching company contributions was \$0 for the year ended December 31, 2023. At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$540 and \$0, respectively.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The accompanying financial statements are prepared under the accrual method of accounting.

Use of Estimates: The preparation of financial statements in conformity with generally accepted accounting principles, requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and custodians. See Fair Value Measurements footnote for discussion of fair value measurement.

Purchases and sales of investments are recorded on the trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.

Payment of Benefits: Benefits are recorded when paid.

Expenses: Plan-related expenses or fees that are not paid by the Company are paid by the Plan. All other administrative expenses or fees that are not paid by the Company are allocated among the Plan's participants.

Subsequent Events: The Plan has evaluated subsequent events through October 1, 2024, the date the financial statements were available to be issued.

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair market value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Money Market Funds: is interest bearing cash accounts. The account earns interest at a specified interest rate.

Shares of Registered Investment Companies: Valued at the daily closing price as reported by the fund. Shares of registered investment companies are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIAN OF THE PLAN

All investments and investment income information included in the accompanying financial statements and supplemental information was obtained from data that has been prepared and certified as being complete and accurate by Capital Bank and Trust Company, Inc., the custodian.

PARTY-IN-INTEREST TRANSACTIONS

The Plan holds shares of mutual funds managed by American Funds Service Company ("American Funds"). Capital Bank and Trust Company is the custodian. American Funds and Capital are affiliated entities. These transactions qualify as exempt party-in-interest transactions. Certain administrative expenses incurred by the Plan are paid by the Company. Additionally, certain employees of the Company provide various services to the Plan. These employees are not compensated for these services from the Plan.

TAX STATUS

The Company adopted a prototype plan from Pension Performance, Inc. The prototype plan has received an opinion letter dated June 30, 2020, from the Internal Revenue Service as to the prototype plan's qualified status. Although the Plan has been amended since receiving the opinion letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants become 100% vested in their accounts.
