Independent Auditor's Report

The Plan Administrator
Road Runner Sports 401(k) Plan
San Diego, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements

We have performed an audit of the financial statements of Road Runner Sports 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2023 Road Runner Sports 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certification from a qualified institution as of and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section:

- the amounts and disclosures in the accompanying 2023 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2023 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2023 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Road Runner Sports 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Road Runner Sports 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2023 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Road Runner Sports 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Road Runner Sports 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2022 Financial Statements

Predecessor auditors performed an audit of the 2022 financial statements of Road Runner Sports 401(k) Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated October 2, 2023, indicated that (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2022 supplemental schedule, other than the information in the 2022 supplemental schedule that agreed to or is derived from the certified investment information, was presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2022 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

Road Runner Sports 401(k) Plan

Notes to Financial Statements

Note 1 - Description of plan

The following description of the Road Runner Sports 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions. Effective January 1, 2023, the Plan adopted the Automatic Data Processing ("ADP") Non-Standardized Defined Contribution Pre-Approved plan document in connection with a change in trustee from Capital Bank and Trust ("CB&T") to Reliance Trust Company and change in recordkeeper from Empower Retirement Services to ADP Retirement Services.

General

The Plan is a 401(k) salary deferral plan covering substantially all employees of Road Runner Sports, Inc. (the "Company") and is subject to provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Cash

Cash represents plan assets transferred that resulted from a change in trustees. On December 30, 2022, the Plan liquidated all investments held by CB&T and the funds were transferred to Reliance Trust Company, the new trustee of the Plan, effective January 1, 2023.

Eligibility

Employees of the Company are eligible to participate in the Plan upon reaching age 21 and after completing one month of service. A participant's entry date is the first day of the month coinciding with or next following the date that the employee satisfies the eligibility requirements.

Contributions

Each year, participants may contribute between 1–50% of pre-tax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions.

The Company may elect to make a discretionary matching contribution. For the year ended December 31, 2023, the Company elected to make \$242,101 of discretionary matching contributions to the Plan.

Rollover contributions

The Plan provides for rollover contributions, which represent contributions by employees from other tax-qualified retirement plans. The maximum amount of a rollover contribution is not affected by the limits otherwise applicable to participant deferral contributions.

Participant accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and (b) Plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The allocation of the participant's account balance to various investments offered by the Plan is entirely participant directed. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their elective contributions and rollover contributions plus actual earnings thereon. Vesting in the employer matching contribution portion of their account plus actual earnings thereon is based on years of service. A participant is vested 20% a year beginning in year two and 100% vested after six years of credited service.

Road Runner Sports 401(k) Plan

Notes to Financial Statements

Note 1 - Description of plan (continued)

Notes receivable from participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. A participant may only have one loan outstanding from the Plan at any time. The loans are issued by the Plan and secured by the balance in the participant's account. All loans must be repaid within a period of five years, unless the loan is used to purchase a principal residence, in which case, the loan must be repaid within a reasonable period of time not to exceed thirty years. Loans bear a reasonable rate of interest determined by the plan administrator. Principal and interest are paid ratably through monthly payroll deductions.

Payment of benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or systematic installments. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. For terminated participants' account balances between \$1,000 and \$5,000, the plan administrator may automatically rollover the balance into an individual retirement account if they do not receive distribution instructions from the participant. For terminated participants' account balances that are less than \$1,000, the plan administrator may distribute the entire amount in a lump sum without the participant's consent.

Hardship withdrawals

Participants may withdraw all contribution types in the event of hardship as defined in the Plan agreement.

Forfeitures

Forfeitures are the non-vested portion of a participant's account that is lost upon termination of employment. Forfeitures are retained in the Plan and will be used to pay plan administrative expenses, with any remaining amount used to reduce future Company contributions. As of December 31, 2023 and 2022, forfeited non-vested accounts totaled approximately \$54,000 and \$18,000, respectively. Forfeitures used to reduce employer matching contributions for 2023 were \$47,836.

Note 2 - Summary of significant accounting policies

Basis of accounting

The financial statements of the Plan are prepared under the accrual method of accounting which is in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year as well as unrealized appreciation and depreciation of investments held at year end.

Road Runner Sports 401(k) Plan

Notes to Financial Statements

Note 2 - Summary of significant accounting policies (continued)

Notes receivable from participants

Notes receivable from participants are measured at cost, which represents their unpaid principal balances plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the plan document. Plan management has evaluated the collectability of notes receivable from participants and, because they are secured by the participants' accounts, an allowance has not been recorded.

Excess participant contributions payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions.

Payment of benefits

Benefits are recorded when paid.

Administrative expenses

General plan administrative expenses may be paid out of the forfeiture account or paid by the Company. Distribution and loan transaction fees are paid by the Plan's participants.

Subsequent events

Management evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of events that affect the financial statements. The Plan has no subsequent events that required recognition or disclosure in the financial statements for the year ended December 31, 2023. Subsequent events were evaluated through October 3, 2024, which is the date the financial statements were available to be issued.

Note 3 - Information prepared and certified by trustees

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the trustees, Reliance Trust Company for the year ended December 31, 2023 and CB&T for year ended December 31, 2022, have certified to the completeness and accuracy of:

- Investments and notes receivable from participants reflected on the accompanying statement of net assets available for benefits as of December 31, 2023.
- Notes receivable from participants reflected on the accompanying statement of net assets available for benefits as of December 31, 2022.
- Net appreciation in fair value of investments, dividends, and interest income from notes receivable from participants reflected on the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2023.
- Investments reflected on the schedule of assets held at December 31, 2023.

Note 4 - Fair value measurements

The fair value measurements standard establishes a framework for measuring fair value. That framework provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under the standard are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Road Runner Sports 401(k) Plan

Notes to Financial Statements

Note 4 - Fair value measurements (continued)

Level 2 – Inputs to the valuation methodology include:

- Quoted market prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Money market fund: Valued at the quoted net asset value (NAV) of shares held by the Plan at year end.

Mutual funds: Valued at the daily closing price, as reported by the fund. Funds held by the Plan are open-end funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The funds held by the Plan are deemed to be actively traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth, by level within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023:

	2023			
	Level 1	Level 2	Level 3	Total
Money market fund	\$ 62,181	\$ -	\$ -	\$ 62,181
Mutual funds	10,210,750	-	-	10,210,750
Total investments, fair value	<u>\$ 10,272,931</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 10,272,931</u>

Note 5 - Tax status

The Plan Document is a prototype non-standardized defined contribution plan that received a favorable opinion letter from the Internal Revenue Service on June 30, 2020, which stated that the Plan, as then designed, was in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the opinion letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Road Runner Sports 401(k) Plan

Notes to Financial Statements

Note 5 - Tax status (continued)

In accordance with guidance on accounting for uncertainty in income taxes, the plan administrator has evaluated the Plan's tax positions and does not believe the Plan has any uncertain tax positions that require disclosure or adjustment to the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 6 - Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balance and the amounts reported in the statement of net assets available for benefits.

Note 7 - Related Party and party-in-interest transactions

Certain plan investments were managed by ADP Retirement Services. ADP Retirement Services is the recordkeeper as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the recordkeeping for the year ended December 31, 2023 were \$21,099.

Note 8 - Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate or amend the Plan subject to the provisions of ERISA. In the event of Plan termination, participant's account will become fully vested.

Note 9 - Reconciliation of financial statements to Schedule H of Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500 as of December 31:

	2023	2022
Net assets available for benefits per the financial statements	\$ 10,323,138	\$ 9,862,167
Add: excess contributions payable	60,175	41,975
Less: amounts accrued for participant receivables	-	(33,482)
Less: amounts accrued for employer receivables	(26,560)	(217,759)
Less: deemed distributions on the Form 5500	(8,506)	-
Net assets per the Form 5500	<u>\$ 10,348,247</u>	<u>\$ 9,652,901</u>

The following is a reconciliation of the change in net assets available for benefits reported in the financial statements and the net income reported on Schedule H of Form 5500 for the year ended December 31, 2023:

Change in net assets available for benefits	
per the financial statements	\$ 460,971
Change in excess contributions payable	18,200
Add: prior year employer receivable	217,759
Add: prior year participant receivable	33,482
Less: current year employer receivable	(26,560)
Less: deemed distributions on the Form 5500	(8,506)
Net income per the Form 5500	<u>\$ 695,346</u>

The Form 5500 has certain items that differ from amounts shown on the accompanying financial statements. These differences relate to classification only and have no effect upon net assets available for benefits for either period.
