Opinion

We have audited the accompanying financial statements of Cement Masons Southern California Individual Retirement Account Defined Contribution Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2023 and 2022, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 1 - DESCRIPTION OF THE PLAN

The Cement Masons Southern California Individual Retirement Account Defined Contribution Trust (the "Plan") is a defined contribution multiemployer pension plan. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan provides retirement benefits to its participants and is available to all union members employed in the jurisdiction of the participating local unions.

THE PLAN DOCUMENT INCLUDES DETAILED RULES FOR EACH SITUATION. PARTICIPANTS SHOULD REFER TO THE PLAN AGREEMENT AND ANY AMENDMENTS REGARDING SPECIFIC PROVISIONS OF THE PLAN.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

B. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results may differ from those estimates.

C. Employer Contributions

Employer contributions as reported are contributions made by employers on behalf of employees for hours worked during the year. Employer contributions receivable is estimated based on contributions received subsequent to the end of the year. No allowance is provided for uncollectible accounts.

D. Employer Payroll Compliance Program

Remittance reports were accepted as submitted, without examination or verification of employers' payroll records. The system of internal control provides for examination of employers' records under a separate payroll compliance program.

E. Investment Valuation and Income Recognition

Accounting standards establish a fair value hierarchy that prioritizes valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market.

Level 1 – Inputs are quoted prices in an active market.

Level 2 – Inputs are based on quoted prices for similar instruments and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

E. Investment Valuation and Income Recognition (Continued)

Level 3 – Inputs are generally unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability.

The following tables represent the Plan's fair value hierarchy for its financial assets measured at fair value on a recurring basis as of December 31:

	2023			
	Level 1	Level 2	Level 3	Total
Money Market Fund	\$ -	\$ 11,311,074	\$ -	\$ 11,311,074
Mutual Funds	148,419,838	-	-	148,419,838
Total Assets in the Fair Value Hierarchy	<u>\$ 148,419,838</u>	<u>\$ 11,311,074</u>	<u>\$ -</u>	159,730,912
Investments measured at Net Asset Value ^A				38,643,837
				<u>\$ 198,374,749</u>

	2022			
	Level 1	Level 2	Level 3	Total
Money Market Fund	\$ -	\$ 10,797,336	\$ -	\$ 10,797,336
Mutual Funds	125,348,864	-	-	125,348,864
Total Assets in the Fair Value Hierarchy	<u>\$ 125,348,864</u>	<u>\$ 10,797,336</u>	<u>\$ -</u>	136,146,200
Investments measured at Net Asset Value ^A				32,410,600
				<u>\$ 168,556,800</u>

^A In accordance with ASC 820, investments measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Level 1 investments include mutual funds valued based on quoted prices in an active market.

Level 2 investments consist of a money market fund valued at amortized cost which approximates fair value.

Some Plan investments are reported at net asset value; the investment strategy, unfunded commitments and significant terms of redemption for these investments are as follows:

	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
BNY Mellon AFL-CIO Stock Index Fund ¹	\$ 32,907,139	None	Daily	None
Ullico J for Jobs ²	5,736,698	None	None	None

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

E. Investment Valuation and Income Recognition (Continued)

- 1 The investment strategy is to replicate the performance of the S&P 500 Index.
- 2 The investment strategy is to outperform the Barclays Capital Aggregate Index net of fees over a full market cycle.

Purchases and sales of securities are recorded on the trade date basis. Dividends are recorded on the ex-dividend date and interest income is recorded on the accrual basis. Net appreciation (depreciation) of investments includes gains and losses on investments bought and sold as well as held during the year.

F. Tax-Exempt Status

No provision for federal or state income tax is made. The Plan administrator and the Plan's legal counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

G. Notes Receivable from Participants

The Plan allows participants to borrow not less than \$1,000 up to the lesser of \$10,000 or 50% of their vested account balance. A participant may only have one outstanding loan at any time. The term of repayment may not be greater than five years. A loan is secured by a participant's vested account balance and bears interest at the prime rate plus 1%. The Plan administrator established the specific terms and conditions of loans to participants. Notes receivable from participants at December 31, 2023 carry interest rates of 4.25% to 9.50%.

H. Vesting

A participant becomes 100% vested in the employer contributions paid on his/her behalf after completing 300 hours of service in a twelve-month period. There were no forfeitures reverted to the Plan in 2023 or 2022 for employees who did not meet Plan eligibility requirements. The forfeiture balance was \$246,107 and \$234,449 at December 31, 2023 and 2022, respectively.

NOTE 3 - RELATED PARTY TRANSACTIONS

The Plan shares common expenses with four related trust funds (Cement Masons Southern California Health and Welfare Fund, Cement Masons Joint Apprenticeship Trust, Eleven Counties Cement Masons Vacation Savings Plan and Cement Masons Southern California Pension Trust) (collectively the "Trust Funds") and other related organizations based on allocation percentages periodically approved by the Board of Trustees.

Employer compliance audits and collection services are performed by Zenith American Solutions. The Plan is charged its allocable share of the \$60,445 per month. The allocation percentages are periodically approved by the Board of Trustees.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 4 - PLAN TERMINATION

Upon the termination of the Plan, per the Agreement and Declaration of the Trust, any and all monies remaining in the Plan after payment of all expenses and obligations of the Plan shall be either expended and used for the continuance of purposes of the Plan, until such monies have been exhausted, or transferred to another trust or trusts providing similar benefits.

NOTE 5 - RISKS AND UNCERTAINTIES

Plan investments are exposed to various risks such as interest rate, market fluctuations and credit risk. Some estimated values may differ from values that would have been used had a ready market existed for the investment. Due to the level of risk associated with investments and the level of uncertainty with respect to the changes in the value of investments, it is reasonably possible that changes in risk in the near term would materially affect the amounts reported in the financial statements.

NOTE 6 - FUNDING POLICY

The Board of Trustees has established a funding policy and method in order to promote the purpose of the Plan and to ensure compliance with ERISA. Each employer contributes to the Plan such amounts and at such times as are required by the applicable provisions of the collective bargaining agreement or such other agreements as are approved by the Board of Trustees. Employer contributions are based on hourly contribution rates and are made on a monthly basis. The annual contributions for the year satisfied the minimum funding requirements of ERISA.

NOTE 7 - SUBSEQUENT EVENTS

Management has evaluated subsequent events through September 23, 2024, the date on which the financial statements were available to be issued. There were no material subsequent events that required recognition or additional disclosures in these financial statements.
