INDEPENDENT AUDITOR'S REPORT

Board of Trustees
Westerra Credit Union Capital Accumulation Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Westerra Credit Union Capital Accumulation Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for plan benefits as of December 31, 2023 and 2022, the related statement of changes in net assets available for plan benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

WESTERRA CREDIT UNION CAPITAL ACCUMULATION PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the Westerra Credit Union Capital Accumulation Plan (the “Plan”), formerly known as the DPS Credit Union Capital Accumulation Plan, provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined-contribution plan established by Westerra Credit Union (the “Credit Union” or “Employer”) to provide benefits to eligible employees, as defined in the Plan document. The Plan is currently designed to be qualified under the applicable requirements of the Internal Revenue Code (IRC) and the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Administration

The Board of Trustees is responsible for the oversight of the Plan. The Board of Trustees also determines the appropriateness of the Plan’s investment offerings and monitors investment performance. The Credit Union has appointed a Plan Administrator to manage the operation and administration of the Plan. The Credit Union has contracted with TruStage - CMFG Life Insurance Company to act as the third-party administrator affiliated with the Plan to process and maintain the records of participant data. On behalf of TruStage - CMFG Life Insurance Company, Matrix Trust Company provides custodial services.

Eligibility

Employees are eligible to participate in the Plan upon hire if they are at least 18 years of age; there is no service requirement. To receive Employer profit sharing contributions, an employee must be 18 years of age and complete six months of service.

Participant Accounts

Individual accounts are maintained for each of the Plan’s participants to reflect the participant’s contributions, rollovers from qualified plans of the participant’s previous employers, and allocations of the Plan’s earnings and administrative expenses. Each participant’s account is also credited with the employer’s contributions. Plan earnings are allocated based on participant account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Participant Contributions

Each year, participants may contribute up to the maximum percentage allowed by law of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Plan also allows for Roth 401(k) deferrals. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover).

Participants who have the Credit Union contribute a portion of their compensation to the Plan agree to accept an equivalent reduction in taxable compensation.

WESTERRA CREDIT UNION CAPITAL ACCUMULATION PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Employer Contributions

For the period January 1, 2022 through March 31, 2023, the Credit Union contributed 100% of the first 3% and 50% of the next 2% of base compensation that a participant contributed to the Plan. Effective April 1, 2023, the Plan was amended to change the Credit Union's matching contribution to 100% of the first 6% of base compensation that a participant contributes to the Plan. The Credit Union may also make discretionary profit-sharing contributions. No profit-sharing contributions were made for the year ended December 31, 2023. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Investment Options

Participants must direct their salary deferral contributions to selected investments, as made available and determined by the Board of Trustees. Employer contributions are invested in the same manner as participant contributions. Participants may change their investment options at any time throughout the year via the Benefits For You internet website.

Vesting

Participants are vested immediately in their contributions and the Credit Union's matching contribution plus actual earnings thereon. Vesting in the Credit Union's additional profit-sharing contribution plus actual earnings thereon is based on years of continuous service.

A participant is fully vested after five years of credited service as detailed below. Participants are also fully vested in all Credit Union contributions plus actual earnings thereon if they are an employee upon their normal retirement age, they die while an employee or they terminate employment with the Credit Union due to a total and permanent disability as defined in the Plan.

Profit sharing contributions vest as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
0 – 1	0%
2	25%
3	50%
4	75%
5	100%

NOTES TO FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The maximum loan term is five years unless the loan is used for the purpose of acquiring a principal residence. The loans are secured by the balance in the participant's account. Rates are based on a formula of the U.S. prime rate plus 1% and are reset upon changes to the U.S. prime rate. Principal and interest are paid ratably through bi-weekly payroll deductions. At termination of employment, any outstanding balance is due. At December 31, 2023, outstanding loans bore interest ranging from 4.25% to 9.50% and mature through 2051. At December 31, 2022, outstanding loans bore interest ranging from 4.25% to 7.25%.

Forfeited Accounts

At December 31, 2023 and 2022, there was no balance in the forfeited non-vested accounts. Any balance in the forfeiture account at December 31st is carried over to the next year. Any forfeitures are used to reduce future Employer contributions. During the year ended December 31, 2023, \$190,842 of forfeitures were utilized to reduce Employer contributions.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or various annuity options. For termination of service for other reasons, a participant may receive the value of the vested interest in the account as a lump-sum distribution or in an annuity. Generally, participants may not make withdrawals from their accounts prior to retirement, except in the event of disability, death, termination of employment, or notice of hardship, without being subject to certain restrictions and penalties. The Plan allows for an automatic distribution of participants' balances that do not exceed \$5,000.

Financial Hardship Distributions

The Plan allows hardship withdrawals in accordance with IRS regulations. Among other things, the withdrawal must be necessary in light of immediate and heavy financial needs of the participant and is limited to certain purposes.

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

WESTERRA CREDIT UNION CAPITAL ACCUMULATION PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition

The Plan investments are reported at fair value except for fully benefit-responsive investment contracts which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Investments in the stable value fund are stated at contract value. See Note 4 for discussion of fair value measurements and Note 5 for more information on the fully benefit-responsive investment contract.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investment bought and sold, as well as held during the year.

Management fees charged to the Plan for investments are based on assets invested and are deducted on a daily basis. Management fees are reflected as a reduction of investment return for such investments.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits payments to participants are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are directly paid by the Plan, unless otherwise paid by the Credit Union. Expenses that are paid by the Credit Union are excluded from these financial statements. Fees related to the administration of notes receivable from participants and trustee fees are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are netted against net appreciation of fair value of investments.

Uncertain Tax Positions

U.S. GAAP requires the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that, more likely than not, would not be sustained upon examination by the IRS or the DOL. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2023 and 2022, there are no uncertain tax positions taken, or expected to be taken, that would require recognition of a liability or asset, or disclosure, in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

WESTERRA CREDIT UNION CAPITAL ACCUMULATION PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES (Continued)

Subsequent Events

The Plan has evaluated subsequent events through October 1, 2024, the date the financial statements were available to be issued.

NOTE 3 – CERTIFIED INFORMATION

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Matrix Trust Company (the custodian of the Plan).

NOTE 4 – FAIR VALUE MEASUREMENT

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy under the standard are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

WESTERRA CREDIT UNION CAPITAL ACCUMULATION PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 4 – FAIR VALUE MEASUREMENT (Continued)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

There have been no changes in the methodologies used at December 31, 2023 and 2022. Following is a description of the valuation methodologies used for assets measured at fair value.

Registered Investment Companies (Mutual Funds)

Valued at the daily closing price, as reported by the fund. Registered investment companies held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV), and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Investment Trusts

Units held in common collective trusts ("CCT") are valued using the net asset value practical expedient (NAV practical expedient) of the CCT as reported by the CCT managers. The NAV practical expedient is based on the fair value of the underlying investments held by the CCT, minus its liabilities, and then divided by the number of units outstanding. The NAV of a CCT have daily redemption frequency, no redemption period or restrictions and has no unfunded commitments.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

NOTE 5 – STABLE VALUE FUND

The Plan has entered into a fully benefit-responsive deposit annuity contract with TruStage - CMFG Life Insurance Company. TruStage - CMFG Life Insurance Company maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. TruStage - CMFG Life Insurance Company is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than the contract's minimum guaranteed interest rate. Such interest rates are reviewed on a quarterly basis for resetting. The interest rates at December 31, 2023 and 2022 were 2.05% and 1.90%, respectively.

This contract meets the fully benefit-responsive contract criteria and therefore is reported at contract value. Contract value is the permitted measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Matrix Trust Company, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

WESTERRA CREDIT UNION CAPITAL ACCUMULATION PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 5 – STABLE VALUE FUND (Continued)

Certain events limit the ability of the Plan to transact at contract value with TruStage - CMFG Life Insurance Company. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA (5) premature termination of the contract.

No events are probable of occurring that might limit the Plan's ability to transact at contract value with the contract issuer and that would also limit the ability of the Plan to transact at contract value with the participants.

The deposit annuity contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

The contract is supported by the assets in the general account of TruStage - CMFG Life Insurance Company. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

NOTE 6 – RELATED PARTY TRANSACTIONS

Certain Plan investments are shares of collective investment trusts managed by Matrix Trust Company, stable value funds of TruStage - CMFG Life Insurance Company, or notes receivable from participants. Matrix Trust Company is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. TruStage - CMFG Life Insurance Company is the third-party administrator as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. These party-in-interest transactions are permitted by the United States Department of Labor's Rules and Regulations. The Credit Union is also a party-in-interest with respect to the Plan.

NOTE 8 – PLAN TERMINATION OR MODIFICATION

The Credit Union intends to continue the Plan indefinitely for the benefit of its participants; however, it reserves the right to terminate or modify the Plan at any time, by resolution of its board of directors, and is subject to the provisions of ERISA. Upon termination of the Plan, further contributions to the Plan shall cease, and all participants who are affected by such termination shall become 100% vested. Net assets available for benefits would be distributed to the participants based on each participant's interest in the Plan.

NOTE 9 – TAX STATUS

The Plan has adopted a non-standardized form of a volume submitter plan, sponsored by TruStage - CMFG Life Insurance Company. The volume submitter plan has received an opinion letter from the IRS as to the volume submitter plan's qualified status. The volume submitter plan opinion letter has been relied upon by this Plan. The Plan has been amended since the volume submitter plan received the opinion letter. The Plan administrator believes the Plan is designed, and is being operated, in compliance with the applicable provisions of the IRC.

WESTERRA CREDIT UNION CAPITAL ACCUMULATION PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 10 – RISKS AND UNCERTAINTIES

The Plan provides for various investment options in any combination of investment securities offered by the Plan. Investments are exposed to various risks, such as interest rate, market, and credit risks. Due to the risk associated with certain investments securities, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits, and the statement of changes in net assets available for plan benefits.
