Independent Auditor's Report

To the Plan Administrator, Trustees and Participants
Udell Jewelers, Inc. d/b/a London Jewelers & Affiliates 401(k) Plan
Glen Cove, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Udell Jewelers, Inc. d/b/a London Jewelers & Affiliates 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor ("DOL")'s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor’s Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan’s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Form 5500, Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

UDELL JEWELERS, INC. D/B/A LONDON JEWELERS & AFFILIATES 401(k) PLAN

Notes to Financial Statements

As of December 31, 2023 and 2022 and for the Year Ended December 31, 2023

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the Udell Jewelers, Inc. d/b/a London Jewelers & Affiliates 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan, established on January 1, 1996, is a participant-directed defined contribution plan covering all employees of Udell Jewelers, Inc. d/b/a London Jewelers & Affiliates (the “Company,” “Employer” or “Plan Sponsor”) who have completed at least three consecutive months of service and have reached 21 years of age, except for members of a collective bargaining unit and non-resident aliens. Assets of the Plan are held by a trust established under the Plan with Capital Bank and Trust Company (the “Trustee”) and managed by American Funds, an affiliate of the Trustee. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Plan Administration

The Company is the administrator of the Plan and, as such, carries out the duties imposed by ERISA. The Company has appointed the Administrative Committee to oversee the operation and administration of the Plan. Capital Bank and Trust Company serves as the Plan’s directed trustee and asset custodian. Capital Bank and Trust Company provides record-keeping services and manages participant accounts and participant-related transactions.

Contributions

Each year, participants may contribute to the Plan, on a pre-tax basis up to 100% of compensation, with dollar limits established by the Internal Revenue Code (“IRC”). Such contributions are excluded from the participant’s Federal taxable income until received as a withdrawal or distribution from the Plan. Participants may also elect to contribute to the “after tax” Roth 401(k) Deferral Contribution. Except, with respect to the application of income taxes to Roth Deferral Contributions, Roth Deferral Contributions are subject to the same rules applicable to “pre-tax” deferral contributions, as described above. Participants may also contribute amounts representing distributions from other qualified plans (rollovers). During 2023, the maximum annual 401(k) pre-tax contribution limit was \$22,500, and the maximum annual catch-up contribution for participants aged 50 and older was \$7,500. For 2023, discretionary employer matching contributions totaled \$250,857. In addition, the Company may make safe harbor contributions to the Plan called Qualified Non-Elective Employer Contributions (“QNECs”) to ensure compliance with ERISA requirements. There were no such contributions made for 2023.

Participant Accounts

Each participant’s account is credited or charged with the participant’s contribution and allocations of (i) employer’s 401(k) matching contributions and (ii) the participant’s share of earnings or losses on contributions and administrative expenses. Each participant directs all amounts credited into their account into one or more of the investment options available under the Plan. Accordingly, as a participant-directed plan, each participant’s investments determine their share of earnings or losses. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting

Participants are immediately vested in their contributions and rollovers plus actual earnings thereon. Vesting in employer’s matching and profit sharing contributions plus actual earnings thereon is based on years of continuous service. A participant is 100% vested in employer matching and profit sharing contributions and earnings thereon after four years of credited service.

As of December 31, 2023 and 2022 and for the Year Ended December 31, 2023

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Vesting (Continued)

<u>Years of Service</u>	<u>Vesting %</u>
Less than 2	0.00
2	33.33
3	66.67
4 or more	100.00

Investment Options

Participants direct the investment of their contributions in 1% increments, into various investment options offered by the Plan. Participants may change their contribution investment options daily and may transfer part or all of past investments to other investment options daily. Participants may also elect to change their percentage daily.

Notes Receivable from Participants

Participants may borrow from their vested fund account balance a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the vested interest of the participant in the Plan. A participant may have no more than one loan outstanding at any time. All loans are required to be repaid within five (5) years from the date of the loan or up to thirty (30) years for the purchase of a principal residence. The loans are secured by the balance in the participant's account and, unless otherwise determined by the Plan Administrator, bear interest at a fixed rate using the prevailing prime rate (8.50% and 7.50% at December 31, 2023 and 2022, respectively) at the time the loan is issued plus 1%. Principal and interest are paid ratably through bi-weekly payroll deductions. Interest rates range from 4.25% to 9.50% and mature at various dates through April 2027.

Hardship and In-Service Withdrawals

The Plan Administrator may authorize a lump-sum distribution of up to 100% of the participant's vested interest (excluding any investment earnings) but not to exceed the amount necessary to meet the financial need created by the hardship provided the participant submits positive evidence of an immediate and heavy financial need as defined in the Plan. In-service distributions of the participant's vested interest are available for any reason upon attaining age 59½.

Deemed Distributions

When a participant fails to make loan repayments under the terms of the loan agreement, the loan is considered to be in default. Deemed distributions on defaulted loans are recorded in the calendar quarter following the calendar quarter during which the loan was defaulted. There were deemed distributions of \$2,545 included in benefits paid to participants for the year ended December 31, 2023

Benefit Payments

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to his or her account balance, or annual installments. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. As of December 31, 2023 and 2022, all employees who elected to withdraw from the Plan had been paid.

Notes to Financial Statements (Continued)

As of December 31, 2023 and 2022 and for the Year Ended December 31, 2023

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Forfeited Accounts

When certain terminations of participation in the Plan occur, the nonvested portion of the participant's account, as defined by the Plan, represents a forfeiture. However, if the participant is re-employed and fulfills certain requirements as defined by the Plan, the participant's account will be reinstated. Unused forfeitures may be used to reduce administrative costs of the Plan. Any remaining amounts may then be used to reduce future employer matching contributions. During the year ended December 31, 2023, there were no forfeitures used to reduce administrative costs.

Expenses of the Plan

Certain administrative functions are performed by officers or employees of the Plan Sponsor. No such officer or employee receives compensation from the Plan. Substantially all administrative expenses are paid by the Plan Sponsor. The Plan Sponsor is under no obligation to pay such expenses.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 or 2022, as the notes are collateralized by the participant's account balance.

Payment of Benefits

Benefits are recorded when paid.

Investment Valuation and Income Recognition

All Plan investments are held by the Trustee. The Plan's investments are stated at fair value. Shares of mutual funds are valued at quoted market prices, which represent the net asset value ("NAV") of shares held by the Plan at year end.

The common collective trusts ("CCT") funds are comprised of units that are not publicly traded. The underlying assets in these funds are valued where applicable on exchanges and price quotes for the assets held by the funds when readily available. When current market prices or quotations are not available, valuations are determined using valuation models adopted by the Trustee or other inputs principally from or corroborated by observable market data. The CCT funds are valued at their NAV on the last day of the calendar year of the period; as a result, these investments are not classified within the fair value hierarchy.

Notes to Financial Statements (Continued)

As of December 31, 2023 and 2022 and for the Year Ended December 31, 2023

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition (Continued)

As of December 31, 2023 and 2022, the Plan had investments in the Reliance Trust Stable Value Fund (Reliance MetLife Series 25053, C1 and Reliance MetLife Series 25157, Class 68, respectively). The fair value of these CCTs is based on NAV, as reported by the manager of the collective trust funds, Reliance Trust Company, and as supported by the unit prices of actual purchase and sale transactions occurring as of or close to the financial statement date. At December 31, 2023 and 2022, the CCTs invest entirely in the MetLife Group Annuity Contract 25053 and 25157, respectively, which consist of separately managed investment portfolios in fixed income securities, and also enters into wrapper contracts, which are issued by third parties and are designed to allow the Fund to maintain a constant NAV. The CCTs provide for daily redemptions by the Plan at reported NAV, with no advance notice requirements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. The Plan presents, in the statement of changes in net assets available for benefits, the net appreciation or decline in the fair value of its investments, which consists of the realized gains or losses and the unrealized appreciation or decline on those investments. Management fees and operating expenses charged to the Plan for investments in the mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as components of net appreciation or decline in fair market value of investments for such investments.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Subsequent Events

The Plan has evaluated subsequent events for recognition or disclosure through the date these financial statements were available for issuance, October 10, 2024.

NOTE 3 – INFORMATION CERTIFIED BY THE TRUSTEE

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor ("DOL")'s Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Capital Bank and Trust Company, the Trustee of the Plan, has certified to the completeness and accuracy of:

- Investments and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2023 and 2022;
- Net appreciation in the fair value of the investments, interest and dividends and interest income on notes receivable from participants reflected on the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2023;
- Investments reflected on the schedule of assets (held at end of year) as of December 31, 2023.

As of December 31, 2023 and 2022 and for the Year Ended December 31, 2023

NOTE 4 – FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board (“FASB”) established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Investments that use the practical expedient are not classified within the fair value hierarchy.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022:

Mutual funds: Valued at the quoted market prices of shares held by the Plan at year-end.

Common collective trust: Valued at the NAV of the underlying assets owned by the fund, minus its liabilities and then divided by the number of units outstanding. The NAV is provided by the fund administrators and is used as a practical expedient to estimating fair value and therefore collective trust funds are not assigned to a level in the fair value hierarchy table. The collective trust funds provide for daily redemptions by the Plan at the reported net asset values per share, with no advance notice requirement.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Notes to Financial Statements (Continued)

As of December 31, 2023 and 2022 and for the Year Ended December 31, 2023

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan’s investments at fair value on a recurring basis:

As of December 31, 2023:	<u>Level 1</u>	<u>Total</u>
Mutual funds	\$ 13,547,453	\$ 13,547,453
Investments measured at NAV practical expedient (1)		551,965
Investments at fair value		<u>\$ 14,099,418</u>
As of December 31, 2022:	<u>Level 1</u>	<u>Total</u>
Mutual funds	\$ 11,508,638	\$ 11,508,638
Investments measured at NAV practical expedient (1)		546,264
Investments at fair value		<u>\$ 12,054,902</u>

(1) In accordance with FASB Accounting Standards Codification (“ASC”) Subtopic 820-10 “Fair Value Measurements,” certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented on the statements of net assets available for benefits. The Plan had no financial assets that were measured at fair value on a nonrecurring basis at December 31, 2023 and 2022.

The following table sets forth additional disclosures for the fair value measurements of investments in certain entities that calculate NAV per share (or is equivalent):

NOTE 5 – EXEMPT PARTY-IN-INTEREST

At December 31, 2023, certain Plan investments were managed by American Funds, affiliate of Capital Bank & Trust Company and therefore, these transactions qualify as party-in-interest transactions. There were \$13,570 of administrative fees paid by the Plan to the Trustee for the year ended December 31, 2023. Notes receivable from participants also qualify as party-in-interest transactions.

NOTE 6 – PLAN TERMINATION

Although it has not expressed any intention to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA.

Notes to Financial Statements (Continued)

As of December 31, 2023 and 2022 and for the Year Ended December 31, 2023

NOTE 7 – TAX STATUS

The Company adopted a Non-Standardized Pre-Approved Profit-Sharing Plan with Cash or Deferred Arrangement (“CODA”) Plan sponsored by United Benefit Pensions Inc. which received an opinion letter from the Internal Revenue Service, dated June 30, 2020, as to the Plan’s qualified status. The Plan Administrator believes that the Plan is designed and is being operated in compliance with the applicable provisions of the IRC, and accordingly no provision for income taxes has been included in the Plan’s financial statements.

U.S. GAAP requires plan management to evaluate tax positions by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the DOL. The Plan’s management does not believe that there are uncertain tax positions.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2020.
