CHEMICAL WEED CONTROL, INC. 401(K) PLAN

Report to the Plan Administrator

December 31, 2023

October 11, 2024

**Plan Administrator
Chemical Weed Control, Inc. 401(k) Plan
Brownwood, Texas**

This letter is to inform the Plan Administrator of Chemical Weed Control, Inc. 401(k) Plan (the "Plan") about significant matters related to the conduct of our audit as of and for the year ended December 31, 2023, so that it can appropriately discharge its oversight responsibility and we comply with our professional responsibilities.

Generally accepted auditing standards (AU-C 260, *The Auditor's Communication With Those Charged With Governance*) require the auditor to promote effective two-way communication between the auditor and those charged with governance. Consistent with this requirement, the following summarizes our responsibilities regarding the financial statement audit as well as observations arising from our audit that are significant and relevant to your responsibility to oversee the financial reporting process.

Our Responsibilities With Regard to the Financial Statement Audit

Our responsibility under auditing standards generally accepted in the United States of America has been described to you in our arrangement letter dated January 30, 2024. The audit of the financial statements does not relieve management or those charged with governance of their responsibilities, which are also described in that letter.

As management determined it was permissible in the circumstances and elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C), the audit did not extend to any certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the applicable financial reporting framework.

Overview of the Planned Scope and Timing of the Financial Statement Audit

We have issued a separate communication dated January 30, 2024 regarding the planned scope and timing of our audit and identified significant risks.

Significant Accounting Practices, Including Policies, Estimates and Disclosures

In our meeting with you, we will discuss our views about the qualitative aspects of the Plan's significant accounting practices, including significant accounting policies, significant unusual transactions, accounting estimates, and financial statement disclosures. The following is a list of the matters that will be discussed, including the significant estimates which you may wish to monitor for your oversight responsibilities of the financial reporting process:

- The Plan did not adopt any significant new accounting policies during the current audit period.
- Significant accounting estimates during the current audit period included the following:

No significant accounting estimates were noted that give rise to a risk of material misstatement.

- There were no unusual transactions or alternative treatments of accounting policies and practices related to material items during the current audit period.

Other Information in Documents Containing Audited Financial Statements

Our responsibility for other information in documents containing the Plan's audited financial statements is to read the information and consider whether its content or presentation is materially inconsistent with the financial information covered by our auditor's report or whether it contains a material misstatement of fact. We read the Plan's Form 5500 filing for consistency with information in the financial statements. We have provided our comments to management. We are not aware of other documents that contain the audited financial statements.

Audit Adjustments and Uncorrected Misstatements

No audit adjustments were made to the original trial balance presented to us to begin our audit.

We are not aware of any uncorrected misstatements other than misstatements that are clearly trivial.

We identified the following misstatements (i.e., omitted, incomplete, and (or) inaccurate disclosures) that management has concluded are immaterial to the financial statements taken as a whole:

- None were noted during the current audit period.

Form 5500 Filing

GAAS requires that we obtain and read a draft of the Plan's Form 5500 that is substantially complete prior to the dating of our auditor's report in order to identify material inconsistencies, if any, with the Plan's audited financial statements. We read the Plan's draft Form 5500 filing for consistency with information in the financial statements. We did not identify material inconsistencies with the audited financial statements.

ERISA-Required Supplemental Schedule

We subjected the information included in the ERISA-required supplemental schedule, other than that agreed to or derived from the certified investment information, to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or the financial statements themselves, and other additional procedures in accordance with GAAS. The objective of these audit procedures was to determine whether the ERISA-required supplemental schedule, other than the certified investment information, is fairly stated in all material respects in relation to the financial statements as a whole and whether the form and content of the ERISA-required supplemental schedule are presented in conformity with the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure Under ERISA, and whether the certified investment information in the supplemental schedule agrees to, or is derived from, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). We will include an other-matter paragraph in our auditor's report for the ERISA-required supplemental schedule. We did not identify inconsistencies with the audited financial statements or certified investment information.

Disagreements With Management

We encountered no disagreements with management over the application of significant accounting principles, the basis for management's judgments or any significant matters, the scope of the audit, or significant disclosures to be included in the financial statements.

Consultation With Other Accountants

We are not aware of any consultations management had with other accountants about accounting or auditing matters.

Significant Issues Discussed With Management

No significant issues arising from the audit were discussed or were the subject of correspondence with management. Other issues that we did discuss included:

- Business conditions affecting the entity and business plans and strategies may affect material misstatement risk.
- Discussions or correspondence in connection with the recurring engagement of the auditor, including, among other matters, any discussions or correspondence regarding accounting practices or the application of auditing standards.

Significant Difficulties Encountered in Performing the Audit

We did not encounter any difficulties in dealing with management during the audit.

Management Representations

See the **Management Representation Letter Exhibit** for a copy of the management representation letter.

Closing

We will be pleased to respond to any questions you have about the foregoing. We appreciate the opportunity to be of service to Chemical Weed Control, Inc. 401(k) Plan.

This report is intended solely for the information and use of the Plan Administrator and management and is not intended to be, and should not be, used by anyone other than these specified parties.

EXHIBIT – Management Representation Letter
December 31, 2023

October 11, 2024

Condley and Company, L.L.P.
P.O. Box 2993
Abilene TX 79604

This representation letter is provided in connection with your audit of the financial statements of Chemical Weed Control, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022; the related statement of changes in net assets available for benefits for the year ended December 31, 2023; and the related notes to the financial statements.

We elected to have the audit of the plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. We acknowledge that the audit did not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier, that is regulated, supervised and subject to periodic examination by a state or federal agency, a qualified institution, that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. We have determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. We have also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5 and that the certified information is appropriately measured, presented and disclosed in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with U.S. GAAP and that the assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the certified investment information.

We confirm, to the best of our knowledge and belief, having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves, that as of October 11, 2024:

Financial Statements

1. We have fulfilled our responsibilities, as set out in the terms of the audit arrangement letter dated January 30, 2024, for the preparation and fair presentation of the financial statements referred to above in accordance with U.S. GAAP.
2. We acknowledge our responsibility for administering the Plan and determining the Plan's transactions that are presented and disclosed in the ERISA Plan financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.
3. We acknowledge our responsibility for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

4. We acknowledge our responsibility for the design, implementation and maintenance of internal control to prevent and detect fraud.
5. Significant assumptions used by us in making accounting estimates, including those measured at fair value, are reasonable and reflect our judgment based on our knowledge and experience about past and current events, and our assumptions about conditions we expect to exist and courses of action we expect to take.
6. We are responsible for the estimation methods and assumptions used in measuring assets and liabilities reported or disclosed at fair value, including information obtained from brokers, pricing services or other third parties. Our valuation methodologies have been consistently applied from period to period. The fair value measurements reported or disclosed represented our best estimate of fair value as of the measurement date in accordance with the requirements of Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurement*. In addition, our disclosures related to fair value measurements are consistent with the objectives outlines in FASB ASC 820. The methods and significant assumptions used to determine fair values of the financial instruments are as follows:

Mutual funds: Valued at the net asset value ("NAV") of shares held by the Plan at the closing price reported on an active market.

Interest-bearing cash: Valued at the net asset value ("NAV") of shares held by the Plan at the closing price. Cost approximates fair value.

Our valuation methodologies have been consistently applied from period to period. The methods and assumptions used result in a measure of fair value appropriate for financial statement measurement and disclosure purposes

7. Related-party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of U.S. GAAP.
8. Transactions with parties-in-interest, as defined in Section 3(14) of ERISA and regulations thereunder, including sales, purchases, loans, transfers, leasing arrangements and guarantees, and amounts receivable from or payable to related parties have been appropriately accounted for and disclosed.
9. All events subsequent to the date of the financial statements, and for which U.S. GAAP requires adjustment or disclosure, have been adjusted or disclosed.
10. The effects of all known actual or possible litigation and claims have been accounted for and disclosed in accordance with U.S. GAAP.
11. We have no intention to terminate the Plan.
12. We have properly reported and disclosed amendments to the Plan instrument, if any.
13. We have no knowledge of any uncorrected misstatements in the financial statements.

Supplementary Information

14. We acknowledge our responsibility for the presentation of the ERISA-required supplemental schedule in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. In this regard:
- a. We believe such schedule, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
 - b. The methods of measurement or presentation have not changed from those used in the prior period.
 - c. There are no underlying significant assumptions or interpretations regarding the measurement or presentation of such information.
 - d. We will only present the ERISA-required supplemental schedule together with the audited financial statements and auditor's report thereon and will not separate the ERISA-required supplemental schedule from the audited financial statements and auditor's report thereon in any document that contains such information.

Information Provided

15. We have provided you with:
- a. Access to all information of which we are aware that is relevant to the preparation and fair presentation of the financial statements such as records, documentation and other matters;
 - b. Additional information that you have requested from us for the purpose of the audit;
 - c. Unrestricted access to persons within the Plan from whom you determined it necessary to obtain audit evidence;
 - d. The currently effective version of the Plan document, including the prototype plan document and adoption agreement, the trust agreement or insurance contracts, and all related amendments. The Plan was most recently amended on August 11, 2021;
 - e. A draft of the Form 5500 that is substantially complete;
 - f. All correspondence, filings, reports and determinations with the Internal Revenue Service (IRS) and the DOL relating to the Plan's compliance with ERISA and the maintenance of its tax-exempt status;
 - g. All Plan financial records and related data. In that regard, the payroll information we provided you covered all employees that were eligible to participate in the Plan; and
 - h. All minutes of the meetings of the Plan or summaries of actions of recent meetings for which minutes have not yet been prepared.
16. All transactions have been recorded in the accounting records and are reflected in the financial statements.
17. We have disclosed to you the results of our assessment of risk that the financial statements may be materially misstated as a result of fraud.

18. We have no knowledge of any allegations of fraud or suspected fraud affecting the Plan involving:
 - a. Management.
 - b. Employees who have significant roles in internal control.
 - c. Others where the fraud could have a material effect on the financial statements.
19. We have no knowledge of any allegations of fraud or suspected fraud affecting the Plan received in communications from employees, former employees, participants, regulators, beneficiaries, service providers, third-party administrators or others.
20. We are not aware of any pending or threatened litigation and claims whose effects should be considered when preparing the financial statements, and neither we nor the Plan Sponsor, or others acting on behalf of the Plan, have consulted a lawyer concerning litigation and claims or other matters affecting the Plan.
21. We have provided to you all documentation, including correspondence, with lawyers utilized by us for any Plan matters. There are no matters that our lawyer has advised us should be considered when preparing the financial statements.
22. We have disclosed to you the identity of all of the Plan's related parties and parties in interest and all the related-party and party-in-interest relationships and transactions of which we are aware.
23. We are aware of no significant deficiencies, including material weaknesses, in the design or operation of internal controls that could adversely affect the Plan's ability to record, process, summarize and report financial data.
24. We have no plans or intentions that may materially affect the carrying value or classification of assets or liabilities.
25. The Plan or trust has satisfactory title to all owned assets that are recorded at fair value, and all liens, encumbrances or security interests have been properly disclosed.
26. Financial instruments with off-balance-sheet risk have been properly disclosed.
27. Concentrations of credit risk have been properly disclosed.
28. We have answered your questions about the Plan's tax compliance to the best of our knowledge and belief.
29. There have been no communications, whether written or oral, from regulatory agencies concerning noncompliance with, or deficiencies in the operation of the Plan.
30. We have complied with (a) all aspects of debt and other contractual agreements, including provisions of the Plan, that would have a material effect on the financial statements in the event of noncompliance, (b) the fidelity bonding requirements of ERISA, (c) all participant eligibility and coverage requirements of the Plan, ERISA and the Internal Revenue Code (IRC), and (d) the filing requirements of appropriate agencies.

31. We have complied with the DOL's regulations concerning the timely remittance of participants' contributions to trusts containing assets for the Plan.
32. We have disclosed to you all known instances of noncompliance or suspected noncompliance with laws and regulations.
33. The Plan has adopted a volume submitter plan sponsored by American Funds. The volume submitter plan provider has received an advisory letter from the IRS as to the volume submitter plan's qualified status. The volume submitter plan advisory letter has been relied upon by the Plan. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the IRC.
34. We have reviewed the complementary user entity control considerations of the Service Organization Controls (SOC 1) Report for Empower Institutional dated December 13, 2023 for the period ended September 30, 2023, and we believe all applicable controls are properly designed and implemented and operating effectively.
35. We have reviewed the complementary user entity control considerations of the Service Organization Controls (SOC 1) Report for Capital Bank and Trust Company dated August 18, 2023 for the period ended June 30, 2023, and we believe all applicable controls are properly designed and implemented and operating effectively.
36. We have reviewed the complementary user entity control considerations of the Service Organization Controls (SOC 1) Report for Capital Group Companies, Inc. dated February 6, 2024 for the period ended December 31, 2023, and we believe all applicable controls are properly designed and implemented and operating effectively.
37. There are no:
 - a. Non-exempt (prohibited) party-in-interest transactions that were not disclosed in the financial statements or supplemental schedule.
 - b. Notes receivable from participants or other receivables or investments in default or considered to be uncollectible that were not disclosed in the financial statements or supplemental schedules.
 - c. Reportable transactions that were not disclosed in the supplemental schedule.
 - d. Guarantees, whether written or oral, under which the plan is contingently liable to a bank or another lending institution.
38. During the course of your audit, you may have accumulated records containing data that should be reflected in our books and records. All such data have been so reflected. Accordingly, copies of such records in your possession are no longer needed by us.
39. With respect to non-attest services performed in the course of the audit:
 - a. We have made all management decisions and performed all management functions;
 - b. We assigned an appropriate individual to oversee the services;

- c. We evaluated the adequacy and results of the services performed, and made an informed judgment on the results of the services performed;
 - d. We have accepted responsibility for the results of the services; and
 - e. We have accepted responsibility for all significant judgments and decisions that were made.
40. We have evaluated the Plan's ability to continue as a going concern and prepared the financial statements under the going concern basis.

Independent Auditor's Report

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Chemical Weed Control, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed following ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in **NOTE 3** to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audits and the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events considered in the aggregate that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - *Supplemental Schedule Required by ERISA*

The supplemental schedule of Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that is agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion,

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that is agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by or certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CHEMICAL WEED CONTROL, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 1: PLAN DESCRIPTION

The following description of the Chemical Weed Control, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan was established January 1, 2010, under the provisions of the Internal Revenue Service Code Section 401(a) for the benefit of employees of Chemical Weed Control, Inc. (the "Company"). The Plan provides eligible employees an opportunity to accumulate funds for retirement, death and disability benefits subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Plan Amendments

The Plan was restated effective August 11, 2021, as required by the IRS Cycle 3 Mandate. The restatement did not have a significant impact on the Plan's operations.

Plan Administration

The Plan is administered by the Plan Administrator who is appointed by the Board of Directors of Chemical Weed Control, Inc. The Plan's trustee as of December 31, 2023, Capital Bank and Trust Company (the "Trustee"), is responsible for the custody of the Plan's assets.

Eligibility to Participate

Employees become eligible to participate in wage deferrals upon attainment of age eighteen (18) and performing a minimum of one (1) year of service. Employees may enter the Plan at the beginning of the next semi-annual period after the eligibility requirements are met.

Employee Contributions

Participants in the Plan may elect to have compensation deferred through payroll deductions. The maximum contribution amount for 2023 is \$22,500. An added contribution of up to \$7,500 in salary deferral catch-up is allowed for those 50 or older, for a total possible contribution of \$30,000.

Participants may roll over amounts representing distributions from other qualified defined contribution plans.

Employer Contributions

The employer may make matching contributions equal to a discretionary percentage, determined by the employer, of the participant's elective deferrals. If the employer elects to make a matching contribution, it must be contributed to the Plan by the last day of the immediately following the Plan year quarter.

The employer shall have the right to make an additional discretionary contribution, which shall be allocated to each eligible participant in proportion to his or her compensation as a percentage of the compensation of all eligible participants. The discretionary contribution and the allocation thereof shall be unrelated to any employee contributions made hereunder. Forfeitures may be used to pay administrative expenses of the Plan or to reduce any employer contributions.

The Plan, as required by the Internal Revenue Code, includes special rules in years that the Plan is determined to be a "Top Heavy Plan". The Plan becomes a "Top Heavy Plan" when it allocates more than sixty percent (60%) of the contributions or benefits to "Key Employees". "Key Employees" are generally owners, officers, shareholders, or highly compensated individuals. If the Plan becomes

CHEMICAL WEED CONTROL, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

top heavy in any year, the Company is required to allocate three percent (3%) of applicable compensation for each employee to his or her participant account.

Participant Investment Options

Participants may direct their salary deferral contributions to selected investments as made available and determined by the Plan Administrator or if they choose, they can direct their salary deferral contributions to any investments traded by the Trustee. Participants may change their investment options at any time throughout the year via direct phone access, fax, or internet.

Participant Accounts

Individual accounts are maintained for each of the Plan's participants to reflect the participant's contributions and the Company's discretionary contribution, as well as the participant's share of the Plan's income and any related administrative expense. Allocations of income and expenses are based upon the proportion that each participant's account balance bears to the total of all participant account balances. The benefit to which each participant is entitled is the benefit that can be provided from the participant's vested account.

Forfeiture Accounts

At December 31, 2023, and 2022, forfeited non-vested accounts totaled \$19,499 and \$5,630, respectively. These accounts will be used to reduce future employer contributions or to pay Plan expenses. In 2023, employer contributions were not reduced by forfeited non-vested accounts and \$14,033 was allocated to Plan participants' accounts. In addition, the Plan used \$7,238 in forfeited non-vested accounts to pay Plan expenses.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of the greater of one-half (1/2) of their vested balance or \$50,000. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 or 2022. If a participant ceases to make loan repayments and the Plan Administrator deems the participant's loan to be in default, the participant's loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

On termination of service due to death, disability, or retirement, or for any other reason a participant may request a distribution and will receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. Participants must begin receiving required minimum distributions upon the later of attaining age 73 or the year of retirement. Withdrawals prior to termination are allowed from a portion of a participant's account after the attainment of the age 59 ½, or in the event of financial hardship, subject to certain limitations as defined by the Plan.

CHEMICAL WEED CONTROL, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

Vesting

Employee elective deferrals are always one hundred percent (100%) vested. The vesting schedule for the discretionary contributions made by the employer is as follows:

1 year	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years	100%

Plan Termination

Although it has not expressed intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to fully terminate the Plan subject to the provisions of ERISA. In the event of full Plan termination, participants will become one hundred percent (100%) vested in their accounts.

Subsequent Events

The Plan Administrator has evaluated subsequent events through October 11, 2024, the date the financial statements are issued or available to be issued.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein, as well as the disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Registered investment companies (mutual funds) are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan determines valuation policies utilizing information provided by the investment advisor and custodian. See **NOTE 4** for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on an accrual basis. Dividends are accrued on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold and held during the year.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

CHEMICAL WEED CONTROL, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent loans are treated as distributions based on the terms of the Plan document.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Administrative functions are performed by officers or employees of the Company but receive no compensation from the Plan. Investment-related expenses are included in the net appreciation of the fair value of investments.

Recent Accounting Pronouncements

The Plan has adopted all recent accounting pronouncements issued by the FASB (including its Emerging Issues Task Force) and the American Institute of Certified Public Accountants that are believed by management to have a material impact on the Plan's present or future financial statements.

NOTE 3: INFORMATION CERTIFIED BY CAPITAL BANK AND TRUST COMPANY, UNAUDITED

Certain information related to investments and notes receivable from participants is disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation in fair value of investments, dividends, other income, and interest income on notes receivable from participants for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Capital Bank and Trust Company, the Trustee of the Plan. The Plan's independent auditors did not perform any auditing procedures with respect to this information except for comparing such information with the related information included in the financial statements and supplemental schedule.

NOTE 4: FAIR VALUE MEASUREMENTS

ASC 820, *Fair Value Measurements*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include:
 - Quoted prices for similar assets or liabilities in active markets
 - Quoted prices for identical or similar assets or liabilities in inactive markets
 - Inputs other than quoted prices that are observable for the asset or liability
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means

CHEMICAL WEED CONTROL, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of valuation methodologies used for assets at fair value. There have been no changes in the methodologies used at December 31, 2023, from those used at December 31, 2022.

Mutual funds: Valued at the net asset value ("NAV") of shares held by the Plan at the closing price reported on an active market.

Interest-bearing cash: Valued at the net asset value ("NAV") of shares held by the Plan at the closing price. Cost approximates fair value.

The methods above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with market participants, the use of different methodologies or assumptions to determine the fair value could result in a different fair value measurement at the reporting date.

The following tables sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022.

Assets at Fair Value as of December 31, 2023				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 8,730,738	\$ -	\$ -	\$ 8,730,738
Interest-bearing cash	2,394,403	-	-	2,394,403
Total assets at fair value	\$ 11,125,141	\$ -	\$ -	\$ 11,125,141

Assets at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 6,926,825	\$ -	\$ -	\$ 6,926,825
Interest-bearing cash	2,334,321	-	-	2,334,321
Total assets at fair value	\$ 9,261,146	\$ -	\$ -	\$ 9,261,146

There were no transfers into and out of Level 3 of the fair value hierarchy during the years ended December 31, 2023 and 2022.

NOTE 5: PARTIES-IN-INTEREST

Certain Plan investments are shares of mutual funds managed by Capital Bank and Trust Company. Capital Bank and Trust Company is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services amounted to \$3,788 for the year ended December 31, 2023. Additional investment fees paid to parties-in-interest are netted against investment returns.

CHEMICAL WEED CONTROL, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

The Plan may receive revenue-sharing compensation from certain Plan investment options. This revenue, if any, is used to offset certain recordkeeping and administration services to the Plan and/or allocated to participant accounts as additional earnings.

Condley and Company, L.L.P., the auditor of the Plan, charges fees for the audit and attest services it provides, which are paid by the Plan. These transactions qualify as exempt party-in-interest transactions.

NOTE 6: INCOME TAX MATTERS

Effective August 11, 2021, the Plan adopted a non-standardized form of a prototype plan sponsored by Capital Group Retirement Plan Services. The prototype plan has received an opinion letter from the Internal Revenue Service (the "IRS") as to the prototype plan's qualified status. The prototype plan opinion letter has been relied upon by this Plan. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a liability if the Plan has taken an uncertain position that would more likely than not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rates, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 8: RECONCILIATION OF FINANCIAL STATEMENTS TO THE FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 as of December 31,:
