INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
Cenclear Retirement Savings Plan
Bigler, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements

We have performed audit of the accompanying financial statements of Cenclear Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2023 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2023 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the 2023 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the 2023 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2023 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section of our report. We are required to be independent of Cenclear Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Cenclear Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2023 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2023 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Plan Administrator
Cenclear Retirement Savings Plan

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Cenclear Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Cenclear Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2023 Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures

Plan Administrator
Cenclear Retirement Savings Plan

in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2022 Financial Statements

The financial statements of Cenclear Retirement Savings Plan as of December 31, 2022, were audited by predecessor auditors. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated August 23, 2023 indicated that in their opinion (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2022 supplemental schedule, other than the information in the 2022 supplemental schedule that agrees to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, and the information in the 2022 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CENCLEAR RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2023 AND 2022

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Cenclear Retirement Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

- A. General: The Plan is a defined contribution plan. It was established by Cen-Clear Child Services, Inc., (the "Organization") to provide retirement benefits and additional incentives to eligible employees and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was formed on January 1, 1992.
- B. Eligibility: Employees of the Organization are generally eligible to participate in the Plan after one year of service providing they worked at least 1,000 hours during such plan year and are age 18 or older. Participants may enroll in the Plan on the first day of the Plan year, or the first day of the seventh month of the Plan year coinciding with or next following date the participant satisfied the eligibility requirements.
- C. Employee contributions: Each year, participants may elect to contribute a specific percentage or dollar amount of their eligible compensation as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Rollovers from other qualified plans are included with employee contributions. Participants direct the investment of their salary deferral account balance into various investment options offered by the plan. Contributions are subject to certain statutory limitations.
- D. Employer contributions: The Organization shall contribute to each eligible participant's account an amount equal to 100% of the participant's elective deferrals up to a maximum of 7%. The Organization may, in its sole discretion, make a Non-Elective Contribution to the Plan. A participant will be eligible to receive an allocation of the Non-Elective Contribution if the participant has completed one year of service.
- E. Participant Accounts: Each participant's account is credited with the participant's allocation of (a) the Organization's contribution and elected deferrals, and (b) Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled, is the benefit credited to the participant's account. Allocations of administrative expenses are based on the participant's account balances or specific participant transactions.

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2023 AND 2022

NOTE 1 - DESCRIPTION OF PLAN (continued)

- F. Forfeitures: Forfeitures arising from participants with less than fully vested interests shall be applied to reduce the employer's contribution or pay Plan expenses for such plan year. The forfeitures shall be reallocated at the end of the plan year during which the former employee incurs his or her first consecutive one-year break in service. As of December 31, 2023 and 2022, unallocated forfeited non-vested accounts totaled \$26,944 and zero, respectively. During 2023 the Plan incurred \$50,423 of forfeitures, and \$19,646 was used to pay administrative expenses for the year ended December 31, 2023.
- G. Vesting: Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the remainder of their accounts is based on the following schedule:

<u>Years of Service</u>	<u>Vested Percent</u>
Less than one year	0%
One year, but less than two years	40%
Two years, but less than three years	60%
Three years, but less than four years	80%
Four or more years	100%

Participants are 100% vested in non-elective contributions and match if the Participant is employed on or after the normal retirement age, dies or becomes disabled.

- H. Notes Receivable from Participants: Notes receivable from participants are permitted under the Plan. In order to get a loan from the Plan, a participant must make an application to the Plan Administrator. The Plan Administrator shall have the sole right to approve or disapprove a participant's application provided that loans shall be made available to all participants on a reasonably equivalent basis. Loans shall not be made available to highly compensated employees in an amount greater than the amount made available to other employees. No loan shall exceed the lesser of \$50,000 or one-half of the fair market value of a participant's vested account balance.

CENCLEAR RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2023 AND 2022

NOTE 1 - DESCRIPTION OF PLAN (continued)

Loans bear interest at rates ranging from 4.50% to 7.50%. The interest will be fixed for the duration of the loan. The term of the loan shall not exceed five years except in the case of a loan for the purpose of acquiring any house, apartment, condominium, or mobile home which is used or is to be used within a reasonable time as the principal residence of the participant. The principal and interest paid by a participant on his or her loan shall be credited to the fund in the same manner as for any other Plan investment and is paid ratably through bi-weekly payroll deductions. If a participant's loan application is approved by the Plan Administrator, such participant shall be required to sign a note, loan agreement, and assignment of his or her entire interest in the fund as collateral for the loan.

- I. Payment of Benefits: On termination of services due to death, disability, retirement, or other reasons, a participant or their beneficiary, in the event of death, may request to receive an amount equal to the value of the participant's vested interest in their account as a lump sum, or installment payments. If the participant dies before distribution of their interest commences, the participant's entire interest will be distributed in a lump-sum payment or in installments payable over a period that does not exceed the life expectancy of the beneficiary.

A participant may request a withdrawal from their account based upon financial hardship or at age 59 1/2, as defined by IRC regulations.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The summary of significant accounting policies of Cen-Clear Retirement Savings Plan is presented to assist in understanding the Plan's financial statements. The financial statements and notes are representations of the Plan's management, and management is responsible for their integrity and objectivity. The Plan's accounting policies conform to generally accepted accounting principles and have been consistently applied in the preparation of the financial statements.

Basis of accounting:

The financial statements of the Plan are prepared using the accrual method of accounting.

CENCLEAR RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2023 AND 2022

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Estimates:

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment valuation and income recognition:

Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2023 and 2022, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Plan operating expenses:

The Plan permits the payment of Plan expenses to be made from the Plan's assets. If expenses are paid using the Plan's assets, then the expenses will generally be allocated among the accounts of all participants in the Plan. These expenses will be allocated either proportionately based on the value of the account balances or as an equal dollar amount based on the number of participants in the Plan. Certain expenses of the Plan are paid by the Organization and are excluded from these financial statements.

Payment of benefits:

Benefits are recorded when paid. Payment is made when the employee submits the proper documentation requesting the payment.

CENCLEAR RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2023 AND 2022

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Risks and uncertainties:

The plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

Subsequent events:

The Plan has evaluated subsequent events through October 9, 2024, the date which the financial statements were available to be issued.

NOTE 3 - INFORMATION PREPARED BY AND CERTIFIED BY TRUSTEE

The fair value measurements and investment information for 2023 and 2022 included in the accompanying financial statements and supplemental schedules were obtained from data that has been prepared and certified to as complete and accurate by the trustees, Nationwide Bank and Trust (January 1, 2022 through July 18, 2022) and American United Life Insurance Company (July 18, 2022 through December 31, 2023), which was also the investment advisor.

NOTE 4 - FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 3 inputs for the periods presented.

CENCLEAR RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2023 AND 2022

NOTE 4 - FAIR VALUE MEASUREMENTS (continued)

Following is a description of the valuation methodologies used for assets measured at fair value.

Mutual Funds – Valued at the daily closing price as reported by the fund, mutual funds held by the plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Stable Value Accounts – A fully benefit-responsive contract, is stated at contract value (Note 5). Contract value equals the accumulated cash contributions, interest credited to the account, and transfers, (if any).

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023 and 2022:

		Assets at Fair Value			
		Total	Level 1	Level 2	Level 3
December 31, 2023:					
Registered investments		<u>\$20,737,034</u>	<u>\$20,737,034</u>	<u>\$ -</u>	<u>\$ -</u>
December 31, 2022:					
Registered investments		<u>\$16,436,030</u>	<u>\$16,436,030</u>	<u>\$ -</u>	<u>\$ -</u>

NOTE 5 - GUARANTEED INVESTMENT CONTRACT WITH INSURANCE ORGANIZATION

The Plan entered into a traditional fully benefit-responsive guaranteed investment contract with American United Life Insurance Company (AUL). AUL maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

YEARS ENDED DECEMBER 31, 2023 AND 2022

NOTE 5 - GUARANTEED INVESTMENT CONTRACT WITH INSURANCE ORGANIZATION

Because the guaranteed investment contract meets the criteria to be considered fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statement of net assets available for benefits at contract value. Contract value, as reported to the Plan by AUL, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Certain events limit the Plan's ability to transact at contract value with AUL. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include (a) an uncured breach of the Plan's investment guidelines, (b) a material amendment to the contract without the issuer's consent, (c) a violation of a material obligation under the contract, or (d) a material misrepresentation. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants or the issuer are probable of occurring. The guaranteed investment contract does not permit the insurance Organization to terminate the agreement prior to the scheduled maturity date.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will receive benefits based upon participant balances accumulated to the date of termination of the Plan and will become fully vested in those accounts regardless of years of service.

CENCLEAR RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2023 AND 2022

NOTE 7 - TAX STATUS

The Organization has adopted a Volume Submitter 401(k) Profit Sharing Plan. An IRS advisory letter dated June 30, 2020 has been obtained for this Volume Submitter Plan. The current version of the Plan has been amended to conform to the most recent requirements of applicable laws. The Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

NOTE 8 - RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Nationwide Bank and Trust, One America, and American United Life Insurance Company. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of the investment and administrative services are paid through a combination of revenue sharing and direct payments. These transactions qualify as party-in-interest transactions. These transactions are not, however, considered prohibited transactions under Section 408(b) of ERISA regulations.

Cen-Clear Child Services, Inc., (Plan sponsor) provided office space and certain administrative functions to the Plan during 2023. Cen-Clear Child Services, Inc., received no compensation in returns for those services.
