INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the
Elliott Company Consolidated Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Elliott Company Consolidated Savings Plan ("Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from Fidelity Management Trust Company as of December 31, 2023 and for the period from December 30, 2023 to December 31, 2023. Management has obtained certifications from Vanguard Fiduciary Trust Company as of December 29, 2023 and for the period from January 1, 2023 to December 29, 2023 and as of and for the year ended December 31, 2022. Such certifications from these qualified institutions state that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section -

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

INDEPENDENT AUDITOR'S REPORT

(continued)

- The information in the financial statements referred to above related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("U.S. GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITOR'S REPORT

(continued)

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets held at end of year as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements.

INDEPENDENT AUDITOR'S REPORT
(continued)

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compare such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Eligibility

Covered employees are eligible upon completion of one hour of service. Participation commences on either the date the eligible employee elects, or through automatic enrollment 30 days after the completion of one hour of service, unless opted out by the employee.

The Plan prohibits participation by expatriate employees who are assigned to employment within the United States on or after January 1, 2017. Expatriate is defined as an individual who is employed at an affiliate employer which is located outside the United States and who is temporarily seconded or assigned to the Company at a location within the United States.

Employees of Ebara International Corporation and Hood-EIC, LLC are not eligible to participate in the Plan until the later of January 1, 2020 or the date the employee becomes a common law employee of the Company.

Contributions

Participants may elect to contribute from 1% to 50% of their compensation as a salary reduction contribution on a pre-tax or post-tax basis. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Contributions for any calendar year are subject to certain Internal Revenue Code (“Code”) limitations. The Plan also limits the amount certain highly compensated participants may contribute. Participants’ deferral percentages automatically increase by 1% annually, up to a maximum deferral percentage of 10%, unless opted out by the participant.

NOTE 1 - PLAN DESCRIPTION (continued)

Vesting

Participants are immediately vested in their voluntary contributions and any income or loss thereon. Company contributions vest based upon the participant's years of service with the Company in increments of 20% per year, subject to certain limitations, or 100% upon reaching normal retirement age, disability, layoff, death, and certain other circumstances, as defined in the Plan document. A participant is 100% vested after five years of service. Nonvested Company contributions are forfeited for participants whose employment is terminated for any reason other than retirement or death.

Participant accounts

Each participant's account is increased for contributions, reduced for withdrawals, and increased or decreased on a daily basis for investment income (loss) including unrealized appreciation (depreciation) in the fair value of investments.

Company and participant contributions may be invested in one or more available investment funds as designated by the participant. Participants are permitted to allocate their prior or future contributions to the various investment funds in increments of 1% on a monthly basis during the Plan year, subject to certain limitations. Contributions for which no effective investment direction is given by the participant are invested in the appropriate age-based targeted retirement fund.

Distribution of benefits

Generally, participants may receive withdrawals from their vested account balance upon reaching age 59-1/2. Participants may take distributions from their vested account balance in the event of death, retirement, permanent disability, or termination of employment with the Company. Under the age of 59-1/2, a participant may also, in the event of an immediate financial hardship, be permitted to withdraw all or a portion of deferred salary contributions and Roth contributions, in accordance with Plan provisions. The Plan does not provide any specific restriction on withdrawals of post-tax or rollover contributions. Participants may also withdraw the vested portion of their Company contributions and any earnings thereon, provided that they have at least five years of continuous service, as defined in the Plan document. Benefits may be distributed in a single lump sum, installments, or a partial lump sum. Plan provisions also allow for the automatic distribution for account balances less than \$1,000 in the event of retirement, termination, or death.

NOTE 1 - PLAN DESCRIPTION (continued)

Loans

Participants may borrow from their individual accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the participant's vested account balance under the Plan. Loan repayment periods range from six months to five years for general-purpose loans and six months to 15 years for principal residence loans. Interest is charged at a fixed percentage rate based on market rates at the inception of the loan. The interest rates in effect as of December 31, 2023 range from 4.25% to 9.50%.

Administrative expenses

The Plan's provisions provide that administrative costs may be paid out of the Plan, except to the extent that the Company has elected to pay part or all of such costs.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following is a description of the significant accounting policies used by the Plan.

Basis of presentation

The accompanying financial statements have been prepared on the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of estimates

The preparation of financial statements in conformity with GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities available for benefits at the date of the financial statements and the reported amounts of changes in assets available for benefits during the reporting period. Actual results could differ from those estimates.

Investment valuation and income recognition

Mutual fund investments are valued based upon quoted market prices. The Plan's mutual fund investments are exposed to various risks, such as interest rate, market and credit risk. The value, liquidity and related income of these securities are sensitive to changes in economic conditions, including real estate value, delinquencies or defaults, or both, and may be adversely affected by shifts in the market's perception of the issuers and changes in interest rates. Due to the level of risk associated with investments and the level of uncertainty related to changes in the value of investments, it is at least reasonably possible that significant changes in risk in the near term may materially affect the amounts reported in the accompanying financial statements.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investment valuation and income recognition (continued)

The Plan invests in investment contracts through a common collective trust. The common collective trust fund invests primarily in synthetic investment contracts backed by high-credit-quality fixed income investments and traditional investments issued by insurance companies and banks. The common collective trust fund is valued at the net asset value ("NAV") of units held by the Plan at year-end. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments comprising the trust, less its liabilities.

The statements of assets available for benefits present the fair value of the investment contracts. The statements of changes in assets available for benefits present the investment income earned on the invested principal. Fair value represents invested principal plus accrued interest thereon.

Investment transactions are accounted for on the trade date (date the order to buy or sell is executed). Interest income is accrued when earned and dividend income is recorded on the ex-dividend date. Capital gain distributions from mutual funds and income from investment contracts are included in interest and dividend income.

The interest of each participant in the various funds is represented by units allocated to the participant's account. Each fund's unit value is computed by dividing the number of units into the aggregate fair value of each individual fund.

Contributions

Participant contributions are generally recorded in the month withheld from the participant's compensation. Company match contributions are recorded in the same month. Additional Company retirement contributions are recorded quarterly.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest.

Notes receivable determined to be in default, as defined in the Plan's policies, are reported to the participant as taxable income and are subject to personal income taxes and penalties. Such notes receivable remain outstanding and continue to accrue interest. Notes receivable are charged against the participant's vested account balance once a distributable event, as defined in the Plan document, has occurred. See Note 8 for a summary of amounts included as notes receivable from participants within the financial statements, but considered a distribution for purposes of tax reporting.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Asset transfers, net

For the year ended December 31, 2022, asset transfers, net represent participant account balances transferred from/to the other defined contribution plans sponsored by the Company because of changes in work group status of the participant, as well as assets transferred as a result of the Plan's consolidation, as described in Note 1.

Payment of benefits

Benefit payments are recorded when paid.

Forfeitures

The Company's contributions, and earnings thereon, which have not become vested and have been forfeited by participant termination in accordance with the applicable provisions of the Plan, are used by the Company to reduce its future contributions to the Plan or to pay Plan administrative expenses. As of December 31, 2023 and 2022, forfeited nonvested accounts totaled \$42,465 and \$198,536, respectively. Plan administrative expenses were reduced by \$19,358 and \$14,079 from forfeited nonvested accounts during 2023 and 2022, respectively. Company contributions were reduced by \$405,496 and \$593,079 from forfeited nonvested accounts during 2023 and 2022, respectively.

Subsequent events

The Plan evaluates events and transactions occurring subsequent to the date of the financial statements for matters requiring recognition or disclosure in the financial statements. The accompanying financial statements consider events through October 14, 2024, the date on which the financial statements were available to be issued.

NOTE 3 - FAIR VALUE MEASUREMENT

Investments measured and reported at fair value, except for those measured and reported using NAV, are classified and disclosed in one of the following categories based on the extent of market price observability:

Level I – Quoted prices are available in active markets for identical investments as of the reporting date. All of the Plan's mutual fund investments are classified as Level I.

Level II – Pricing inputs are other than quoted market prices included in Level I, however, are observable either directly or indirectly for the investment. The Plan does not carry any of these investments.

ELLIOTT COMPANY
CONSOLIDATED SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS
(continued)

NOTE 3 - FAIR VALUE MEASUREMENT (continued)

Level III – Pricing inputs are unobservable for the investment and includes situations where there is little, if any, market activity for the investment. The inputs into the determination of fair value require significant management judgment or estimation. The Plan does not carry any of these investments.

The valuation of the Plan's investments by the above fair value hierarchy levels are as follows as of December 31:

2023					
	Level I	Level II	Level III	Investments measured at NAV	Total
Mutual funds	\$ 321,744,529	\$ --	\$ --	\$ --	\$ 321,744,529
Common collective trust fund	--	--	--	29,499,921	29,499,921
	<u>\$ 321,744,529</u>	<u>\$ --</u>	<u>\$ --</u>	<u>\$ 29,499,921</u>	<u>\$ 351,244,450</u>

2022

	<u>\$ 275,193,780</u>	<u>\$ --</u>	<u>\$ --</u>	<u>\$ 36,943,951</u>	<u>\$ 312,137,731</u>

The following table sets forth disclosure of the Plan's investment whose fair value is estimated at NAV per share as of December 31:

Investment	2023 fair value	2022 fair value	Unfunded commitments	Redemption frequency	Redemption notice period
Vanguard Retirement Savings Trust (a)	\$ 29,499,921	\$ 36,943,951	\$ --	Daily	n/a

- (a) The Vanguard Retirement Savings Trust ("Fund") is a collective investment fund established, operated, and maintained by Vanguard Fiduciary Trust Company under a declaration of trust. The investment objective of the Fund is to provide current and stable income. The Fund invests primarily in synthetic investment contracts. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investments at contract value.

NOTE 4 - CERTIFICATION

The information about investments and investment income contained in the financial statements and supplemental schedule of assets held at end of year is certified as complete and accurate by Fidelity Management Trust Company and Vanguard Fiduciary Trust Company, the trustees of the Plan, in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTE 5 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company reserves the right at any time to modify, suspend, amend, or terminate the Plan in whole or in part. In the event of termination of the Plan, Company contributions become fully vested.

NOTE 6 - INCOME TAX STATUS

The Internal Revenue Service has determined and informed the Plan sponsor by a letter dated July 10, 2017, that the Plan and related trust are designed in accordance with applicable sections of the Code. The most recent determination letter covered amendments through September 26, 2016. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Code and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

In accordance with GAAP, Plan management is required to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax period in progress. The Plan administrator believes it is no longer subject to income tax examination for years prior to 2020.

NOTE 7 - RELATED PARTY TRANSACTIONS

Plan investments are shares of mutual funds and units of a common collective trust fund managed by an affiliate of Vanguard Fiduciary Trust Company and, therefore, these fund transactions qualify as party-in-interest transactions. The Plan also holds participant loans which qualify as party-in-interest transactions. Fees paid by the Plan for administrative services qualify as party-in-interest transactions and amounted to \$318,362 and \$201,150 for the years ended December 31, 2023 and 2022, respectively.

The following is a reconciliation of asset transfers per the financial statements to the Form 5500 for the year ended December 31:

	<u>2023</u>	<u>2022</u>
Asset transfers per the financial statements	\$ --	\$ 81,718,781
Less: difference due to deemed loans	<u>--</u>	<u>146,828</u>
Total asset transfers per the Form 5500	<u>\$ --</u>	<u>\$ 81,571,953</u>

The financial statements present participant loans that have been deemed distributed as notes receivable from participants until a distributable event, such as employment termination, death, or disability, has occurred. However, the instructions for Schedule H of the Form 5500 state that a participant loan that has been deemed distributed during the plan year should be reported as an expense if the participant loan is treated as a directed investment solely of the participant's individual account and, if as of the end of the plan year the participant is not continuing repayment under the loan. For the year ended December 31, 2022, there were adjustments required to asset transfers related to deemed loans as part of the Plan consolidation disclosed within Note 1.
