Notes to Financial Statements

Note 1: Description of Plan

The following brief description of the Friendship Village 401(K) Plan (Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

General. The Plan is a defined contribution plan covering substantially all employees of Friends of Faith Retirement Homes, Inc. The Company operates Friendship Village, a continuing care retirement facility, Landmark Commons, L.L.C., a retirement community for adults 55 and older, Friends at Home, L.L.C., a home health care service and It Takes A Village, L.L.C, a childcare facility, in Waterloo, Iowa. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Directors oversees the governance of the plan.

Contributions. For 2023, participants may contribute up to $22,500 of pretax annual compensation, as defined in the Plan. Participants who have attained the age of 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan offers various mutual funds as investment options for participants. The Company matches 100% of the first 3% of base compensation that a participant contributes to the Plan. Additional profit sharing amounts may be contributed at the option of the Company's board of directors and are invested in a portfolio of investments as directed by the employee. Contributions are subject to certain limitations.

Participant Accounts. Each participant's account is credited with the participant's contribution allocations of (a) the Company's contribution and, (b) Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting. Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after six years of credited service or upon death or total disability.

Participant Loans. Participant loans are not permitted by the Plan.

Payment of Benefits. On termination of service due to death, disability, or retirement on or after age 65, a participant will receive a lump-sum amount equal to the full value of the participant's interest in his or her account. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution. In service distributions may be taken only after the participant has reached age 59 1/2.

Note 1: Description of Plan (continued)

Forfeited Accounts. At December 31, 2023 and 2022 forfeited nonvested accounts totaled $25,261 and $10,325, respectively. Forfeited account balances will be used to reduce future employer matching contributions and pay administration fees. In 2023 employer contributions were reduced by $25,261 and plan expenses of $0 were paid from forfeited nonvested accounts.

Plan Amendment. There were no plan amendments in 2023. In 2022, there was a plan amendment to waive eligibility requirements for three employees in accordance with the EPCRS Program for self-correction. Friendship Village is also required to establish a written procedure to avoid future errors.

Note 2: Summary of Significant Accounting Policies

Date of Management's Review

Subsequent events were evaluated through October 11, 2024, which is the date the financial statements were available to be issued.

Basis of Accounting

The financial statements of the plan are prepared on the accrual basis of accounting.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are valued at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Gains and losses are recognized based on the change in the fair market value of invested assets, not at the time realized by the sale of specific securities. Interest and dividend income is recorded on a cash basis.

Note 2: Summary of Significant Accounting Policies (continued)

Payment of Benefits

Benefit payments to participants are recorded when paid.

Administrative Expenses

Friends of Faith Retirement Homes, Inc., as the Plan sponsor, absorbs significant administrative expenses on behalf of the Plan. These expenses therefore, are not included in the Statement of Changes in Net Assets Available for Benefits. Investment expenses are included in net appreciation of fair value of investments.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of the amount allowed by the IRS have not been recorded as a liability as of the year end as they are not significant. Any amounts payable for excess contributions are distributed to the participants as soon as the amount is determined in the subsequent year.

Note 3: Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 and Level 3 inputs would only be used when Level 1 inputs are not available.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the plan are considered to be actively traded. The fair values of common stocks, corporate bonds and U.S. Government securities, if any, are based on quoted market prices.

Note 3: Fair Value Measurements (continued)

Assets at Fair Value:	Level 1	
	2023	2022
Mutual Funds:		
Target Date Lifestyle funds	$ 2,696,512	$ 2,310,041
Aggressive growth funds	587,044	391,632
Growth funds	1,176,257	1,069,879
Growth & income funds	420,170	348,180
Income funds	223,404	208,946
Conservative funds	331,142	260,542
Total Mutual Funds	$ 5,434,529	$ 4,589,220

Gains and losses included in changes in net assets available for benefits for the years ended December 31, 2023 and 2022 are reported in net appreciation (depreciation) in fair value of investments.

Note 4: Investments

During 2023, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value as follows:

	2023
Mutual Funds	$ 756,832

Note 5: Nonparticipant Directed Cash and Investments

The Plan had the following nonparticipant directed cash and investment activity:

December 31, 2022	Insurance Company General Account - Cash	$ 15,815
	Forfeitures and other account corrections	(20,730)
	Applied to employer matching contributions	25,260
	Applied to administration fees	-
December 31, 2023	Insurance Company General Account - Cash	$ 20,345

Note 6: Information Prepared and Certified by the Trustee

The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified to as complete and accurate by John Hancock Life Insurance Company (USA).

	2023	2022
Investments at Fair Value as Determined		
Registered Investment Companies (Mutual Funds)	$ 5,434,529	$ 4,589,220
Investment Income	$ 756,832	$ (981,289)

Note 7: Related Party Transactions

Certain Plan investments are shares of mutual funds managed by John Hancock Life Insurance Company (John Hancock). John Hancock is the custodian of the plan assets as defined in the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management services are paid on an indirect basis through the mutual funds to John Hancock.

These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

Note 8: Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in the employer contributions.

Note 9: Amounts Allocated to Withdrawing Participants

No amounts have been allocated for participant withdrawals but not paid as of year end for either of the years ended December 31, 2023 and 2022 respectively. No amounts were recorded on the Schedule of Net Assets Available for Benefits or Schedule H of Form 5500.

Note 10: Tax Status

The Company adopted a prototype Volume Submitter Plan Document provided by the Plan's third party administrator, Qualified Plan Consultants, LLC. The Internal Revenue Service had notified the third party administrator that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). As permitted by the IRC, the Company is relying on the opinion letter and has not requested a determination letter of its own.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain tax position that more likely or not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities, however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2021.

Note 11: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
