Independent Auditors' Report

To the Retirement Plan Committee and Participants
Crown Bakeries Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Crown Bakeries Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Crown Bakeries Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Crown Bakeries Retirement Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due, or which may become due to such participants.

Auditors' Responsibilities for the Audit

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not absolute assurance, and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Crown Bakeries Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Crown Bakeries Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) and Schedule of Delinquent Participant Contributions as of December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the

financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Crown Bakeries Retirement Plan
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE A | DESCRIPTION OF PLAN

The following description of the Crown Bakeries Retirement Plan, (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

1. General

The Plan, established February 1, 2000, is a defined contribution (salary deferral) plan covering all employees of the Crown Bakeries, LLC (the Company) and related entities who are eighteen years or older and have completed two consecutive months of service. The Plan was formally known as the Bun Company Retirement Plan and was amended effective March 1, 2021 formally changing the name of the Plan to Crown Bakeries Retirement Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). In 2022, the Plan Sponsor acquired two additional bakeries. The assets from the former Plans were merged into the Plan.

2. Contributions

Each year, participants may contribute up to the maximum dollar amount as determined by the Federal government of pre-tax or post-tax (Roth contribution) annual compensation, as defined in the Plan document. The maximum deferral in 2023 and 2022, was \$ 22,500 and \$ 20,500, respectively, with the option of an additional catch-up deferral for those 50 years of age or over of \$ 7,500 and \$ 6,500 in 2023 and 2022, respectively. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

The Company has adopted a safe harbor enhanced match contributions provision. For eligible employees, the employer contributions are equal to the first 5% of wages deferred by the eligible employee. The employer may also elect to make discretionary fixed qualified nonelective contributions and qualified matching contributions.

3. Participant Accounts

Each participant's account is credited with the participant's voluntary contributions and an allocation of the Company contribution, Plan expenses and Plan earnings. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE A | DESCRIPTION OF PLAN

4. Notes Receivable from Participants

Participants may borrow from their participant account a maximum amount equal to the lesser of 50% of the participants' vested account balances or \$ 50,000. Participants may only have one loan at a time, and participant notes made from the Plan generally have a term no longer than five years from the date of the loan. Participant notes are secured by the balance in the participants' accounts and bear interest at a rate that is commensurate with local prevailing rates as determined by the Plan administrator.

5. Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon and in the employer's safe harbor matching contribution and employers contributions and earnings thereon.

6. Investments

Upon enrollment in the Plan, a participant may direct contributions to selected investments as made available and determined by the Plan trustee. Participants may change their investment options at any time pursuant to procedures established in the Plan document.

7. Payment of Benefits

Retiring participants, participants leaving the employment of the Company due to disabling illness or injury and participants whose employment is terminated prior to retirement, or death will receive the vested balance in their individual account in a lump-sum payout, IRA rollover, or conversion to another qualified plan, or in installment distributions over a specified period not to exceed the life or life expectancy of the participant. Upon death, a participant's account is paid in a lump sum to the designated beneficiary. The Plan also allows for in-service distributions after participants have reached age 59 ½ and, under certain circumstances, participants may receive a hardship distribution.

NOTE B | SUMMARY OF ACCOUNTING POLICIES

A summary of the significant accounting policies consistently applied in the preparation of the accompanying financial statements follows:

1. Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

2. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

3. Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan committee determines the valuation policies utilizing information provided by the investment advisors, custodians and trustees. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

4. Payment of Benefits

Benefit payments are recorded when paid.

5. Notes Receivable from Participants

Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed as incurred. Delinquent participant loans are reclassified to distributions based on the terms of the Plan document.

Crown Bakeries Retirement Plan
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE B | SUMMARY OF ACCOUNTING POLICIES

6. *Expenses*

Fees incurred in administering the Plan may be paid by the Plan or the Company. Fees paid by the Plan for investment management services were included as a reduction of the return earned by each fund.

7. *Recent Accounting Pronouncements*

In June 2016, the Financial Accounting Standards Board issued Accounting Standards Update 2016-13, *Financial Instruments - Credit Losses* (Topic 326), as amended by Accounting Standards Update 2019-10, to improve financial reporting by requiring timelier recording of credit losses on receivables, trade receivables and other financial instruments by replacing the current guidance for recording credit losses. This has been applied for the year ended December 31, 2023 with no significant impact on the financial statements.

8. *Subsequent Events*

Management has evaluated subsequent events for recognition and disclosure in the financial statements through October 14, 2024, which is the date the financial statements were available to be issued. Through October 14, 2024, no subsequent events required recognition or disclosure in the financial statements.

NOTE C | FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 - Valuation is based on quoted prices for identical assets and liabilities in active markets.

NOTE C | FAIR VALUE MEASUREMENTS

Level 2 - Valuation is derived from inputs, other than quoted prices included in Level 1, which are observable for the asset or liability either directly or indirectly. Investments classified as Level 2 are generally valued by benchmarking model-derived prices to quoted market prices and trade data for identical or comparable securities. The significant inputs used in this approach include interest rates, prepayment timing, yield spreads, maturities, credit losses and credit ratings of the securities.

Level 3 - Valuation is derived from unobservable inputs that are not corroborated by market data.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Investments in mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the SEC. The funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table presents the Plan's fair value hierarchy for those assets measured at fair value on a recurring basis as of December 31:

Net appreciation (depreciation) in fair value of investments	2,093,394	(3,092,831)
Interest income notes receivable from participants	20,607	10,268

NOTE E | PLAN TERMINATION

Although the Company has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of partial or total Plan termination, participants will be entitled to the full amount in their accounts as of the date of termination.

NOTE F | TAX STATUS

The Plan is intended to be qualified under Section 401(a) and tax exempt under Section 501(a) of the Internal Revenue Code (IRC). The Plan is a non-standardized pre-approved profit sharing plan with CODA and obtained its last approval letter, dated June 30, 2020, in which the Internal Revenue Service stated that the Plan was in compliance with the applicable requirements of the IRC. Although the Plan has been amended since this date, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require the Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE G | RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan holds units of mutual funds issued by Vanguard. Vanguard is the Plan custodian, therefore, these transactions qualify as party-in-interest transactions.

NOTE H | RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE I | DELINQUENT PARTICIPANT CONTRIBUTIONS

During the year ended December 31, 2022, the Plan Sponsor had multiple instances of failure to remit employee contributions timely, totaling \$ 151,096. The late remittances were a result of the Plan Sponsor's payroll service provider remitting the contributions late. The Plan Sponsor corrected such late remittances in 2023.

NOTE J | RECLASSIFICATIONS

Certain reclassifications have been made to the 2022 information to conform with 2023 presentation.
