INDEPENDENT AUDITOR'S REPORT

To the Trustee
Tanner Services, L.L.C.
401(k) Profit Sharing Plan
Eunice, Louisiana

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Tanner Services, L.L.C. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Tanner Services, L.L.C. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT (continued)

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Tanner Services, L.L.C. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Tanner Services, L.L.C. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITOR'S REPORT (continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Tanner Services, L.L.C. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Tanner Services, L.L.C. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

INDEPENDENT AUDITOR'S REPORT (continued)

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, Line 4a of Form 5500 – Schedule of Delinquent Participant Contributions and Schedule H, Line 4i of Form 5500 – Schedule of Assets (Held at End of Year), are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1: DESCRIPTION OF PLAN *(continued)*

f) *Payment of Benefits*

Upon termination of services, a participant may elect to receive a lump-sum distribution of an amount equal to the value of his or her vested account balance as soon as administratively feasible after the plan quarter in which termination occurs.

g) *Forfeited Accounts*

At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$11,675 and \$9,157, respectively. These amounts will be used to offset future employer contributions and pay administrative expenses. No forfeitures were used during 2023.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual method of accounting in accordance with generally accepted accounting principles in the United States of America.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses incurred maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Investment-related expenses are included in net appreciation (depreciation) of fair value of investments.

Excess Contributions Refundable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service are recorded as a liability with a corresponding reduction to contributions. The Plan distributes the excess contributions to the applicable participants before March 15th, annually.

401(k) PROFIT SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(continued)*

Investment Valuation and Income Recognition

Investments are reported at fair value except for fully benefit-responsive contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. The Plan's investment committee determines the Plan's valuation policies utilizing information provided by the investment advisors, custodians, and insurance company. See Note 10 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Reclassification

Certain amounts in the prior year financial statements have been reclassified to conform with the current year presentation. Such reclassifications had no effect on assets available for benefits.

Subsequent Events

Subsequent events have been evaluated through October 4, 2024, which is the date the financial statements were available to be issued.

NOTE 3: TRANSACTIONS WITH PARTIES-IN-INTEREST

The Plan invests in mutual funds and an investment contract sponsored by Nationwide Financial Services, Inc. and Nationwide Life Insurance Company, and therefore, these transactions qualify as party-in-interest transactions. Administrative fees related to Nationwide Financial Services, Inc. and Nationwide Life Insurance Company's administration of the Plan are paid by the Plan. Other administrative fees are paid by the Plan sponsor on behalf of the Plan.

NOTE 4: PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 5: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 6: INFORMATION PREPARED AND CERTIFIED BY NATIONWIDE FINANCIAL SERVICES, INC. AND NATIONWIDE LIFE INSURANCE COMPANY (UNAUDITED)

The following information included in the accompanying financial statements and supplementary schedules was obtained from data that has been prepared and certified to as complete and accurate by Nationwide Financial Services, Inc. and Nationwide Life Insurance Company.

	<u>2023</u>	<u>2022</u>

NOTE 7: RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500 *(continued)*

The following is a reconciliation of the changes in net assets available for benefits per the financial statements for the year ended December 31, 2023, to Schedule H of Form 5500:

Change in net assets available for benefits per the financial statements	\$890,401
Current year excess contributions refundable	42,344
Prior year excess contributions refundable	<u>(82,722)</u>
Change in net assets available for benefits per Schedule H of Form 5500	<u><u>\$850,023</u></u>

NOTE 8: TAX STATUS

The prototype non-standardized profit-sharing plan document used by the third-party administrator obtained its latest determination letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9: PROHIBITED TRANSACTIONS

During 2023 and 2022, the Company failed to remit to the plan's custodian certain employee contributions totaling approximately \$200 and \$100, respectively, within the period prescribed by Department of Labor regulations. Delays in remitting contributions were due to administrative errors. The Company has since made contributions to the affected participants' accounts to compensate those participants an aggregate of approximately \$1 for both 2023 and 2022, for potential lost income due to delays.

401(k) PROFIT SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 10: FAIR VALUE MEASUREMENTS (UNAUDITED)

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of fair value hierarchy under Topic 820 are described as follows:

Level 1: Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2: Inputs other than quoted prices included in Level 1 that are observable for the asset or liability either directly or indirectly, such as:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs that are unobservable for the asset or liability.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual funds. Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset values and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money market funds. The fair value of money market funds is based on maintaining a net asset value of \$1 plus any interest earned.

Self-directed brokerage accounts. Accounts primarily consist of common stocks and insured deposit accounts that are valued on the basis of readily determinable market prices.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 10: FAIR VALUE MEASUREMENTS (UNAUDITED) (continued)

The following table sets forth by level, within the hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

Assets at Fair Value as of December 31, 2023				
	<i>Level 1</i>	<i>Level 2</i>	<i>Level 3</i>	<i>Total</i>
Mutual funds	\$6,620,920	\$ -	\$ -	\$6,620,920
Money market funds	11,459	-	-	11,459
Self-directed brokerage accounts	39,859	-	-	39,859
Total assets at fair value	\$6,672,238	\$ -	\$ -	\$6,672,238

Assets at Fair Value as of December 31, 2022				
	<i>Level 1</i>	<i>Level 2</i>	<i>Level 3</i>	<i>Total</i>
Mutual funds	\$5,934,882	\$ -	\$ -	\$5,934,882
Money market funds	9,157	-	-	9,157
Self-directed brokerage accounts	30,149	-	-	30,149
Total assets at fair value	\$5,974,188	\$ -	\$ -	\$5,974,188

NOTE 11: FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan holds a traditional investment contract. This contract meets the fully benefit-responsive criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses.

The value of the traditional investment contract at December 31, 2023 and 2022 is \$1,067,877 and \$918,017, respectively.

The traditional investment contract held by the Plan is a guaranteed investment contract. The contract issuer is contractually obligated to repay the principal and interest at a specified rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but was not less than 1.75% and 1.31% during 2023 and 2022, respectively. The crediting rate is reviewed on a quarterly basis for resetting. The contract cannot be terminated before the scheduled maturity date.

TANNER SERVICES, L.L.C.

401(k) PROFIT SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 11: FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT *(continued)*

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract. The partial plan termination that occurred in 2015, 2016, and 2020 has not limited the ability of the Plan to transact at contract value with the contract issuers and has not limited the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples include (a) an uncured violation of the Plan's investment guidelines, (b) a breach of material obligation under the contract, (c) a material misrepresentation, or (d) a material amendment to the agreements without the consent of the issuer.

NOTE 12: PLAN AMENDMENTS

During 2022, the SECURE 2.0 Act was passed, which expanded on provisions passed in the SECURE Act of 2019 and included new provisions that made improvements to retirement savings options. During 2023, the Plan implemented the required provisions of the SECURE 2.0 Act, which includes reducing required minimum distribution penalties and increasing the age for required minimum distributions to age 73, as well as the optional provision for hardship self-certification. Formal amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable laws and IRS guidance.
