INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
KOOTASCA Community Action, Inc. 401(K) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of KOOTASCA Community Action, Inc. 401(K) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits (modified cash basis) for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of KOOTASCA Community Action, Inc. 401(K) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in Note B.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information

prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of KOOTASCA Community Action, Inc. 401(K) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Basis of Accounting

We draw attention to Note B of the financial statements, which describes the basis of accounting. The financial statements and supplemental schedules are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note B; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about KOOTASCA Community Action, Inc. 401(K) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of KOOTASCA Community Action, Inc. 401(K) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about KOOTASCA Community Action, Inc. 401(K) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules (modified cash basis) of assets held at end of year and of delinquent participant contributions as of December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules (modified cash basis), we evaluated whether the supplemental schedules (modified cash basis), other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules (modified cash basis), other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022**

NOTE A - DESCRIPTION OF PLAN

The following description of the KOOTASCA Community Action, Inc. ("Company") 401(K) Profit Sharing Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. *General.* The Plan is a defined contribution plan covering all employees of the Company who have attained the age of 18. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).
2. *Participant Contributions.* Participants may elect to contribute a salary deferral to the Plan through a pre-tax 401(k) and/or post-tax (Roth) payroll deduction up to the maximum amount allowed by law of the participant's eligible compensation, as defined by the Plan document. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants may elect to direct investment options or utilize the Mutual of America Retirement Index Funds offered by the Plan which invests contributions and participant account balances based on a Target Date asset allocation option. Effective January 1, 2018, if eligible employees do not elect to waive their rights to defer a portion of their compensation by the time they become eligible, the Company will automatically withhold 3% of their compensation and contribute that amount to the Plan as a salary deferral.
3. *Employer Contributions.* The Company contributes a Matching Contribution and a Nonelective Profit Sharing Contribution. A participant must complete one year of service to be eligible for employer contributions. Once meeting the initial eligibility requirement, there are no continuing hours or service requirements.
 - a. *Matching Contributions.* The Company will contribute a Matching Contribution on behalf of each eligible participant for the Plan year. If the participant contributes a salary deferral to the Plan, they will be eligible to receive a Matching Contribution equal to 100% of the participant salary deferrals up to 3% of the eligible Plan compensation.
 - b. *Nonelective Profit Sharing Contributions.* The Company will contribute a nonelective profit sharing contribution on behalf of each eligible participant for the Plan year. Employees hired prior to January 1, 2019; the Company contributes 5% of each participant's eligible wages to the Plan. Employees hired on or after January 1, 2019, the Company contributes 2% of each participant's eligible wages to the Plan.
4. *Participant Accounts.* Each participant's account is credited with the participant's contribution, the Company's contributions, plan earnings (losses), and charged with an allocation of any administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE A - DESCRIPTION OF PLAN (CONTINUED)

5. *Vesting.* Participants are immediately vested in their salary deferrals contributions, rollover contributions, employer matching contributions, employer nonelective profit sharing contributions plus actual earnings thereon.
6. *Payment of Benefits.* Benefits are paid to the participant or beneficiary upon death, normal retirement age (age 65) or termination of employment reasons other than death, disability, or retirement. If the vested account balance exceeds \$5,000, the participant can elect to receive a lump sum payment, partial withdrawal if permitted, installments or annuities if eligible. If the vested account balance is \$1,000 or less, involuntary cash outs are automatically distributed in a lump sum distribution without Participant's consent. If the vested account balance exceeds \$1,000, no distribution of vested benefit will be made from the Plan without consent. In addition, in service distributions are permitted if participant attains the age 59 ½ at the time of distribution, incurred a hardship, rollover contributions, or became disabled.

NOTE B - SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the modified cash basis of accounting. That basis differs from generally accepted accounting principles primarily because the contributions are recorded when received rather than when earned.

Investment Valuation and Income Recognition

Investments are held in a group annuity contract and are stated at fair value, except for fully benefit-responsive contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The net appreciation (depreciation) in the fair value of investments includes realized and unrealized gains and losses on the fair value of investments held by the Plan. See notes D and E for discussions of fair value measurements.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of distributions are charged directly to the participant's account and are included in the net appreciation (depreciation) of fair value of investments.

Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

NOTE D - INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Company entered a traditional participating defined contribution group annuity contract with Mutual of America Life Insurance Company ("Mutual of America"). Mutual of America maintains the contributions and earnings in a General and Separate Account. The accounts are credited with earnings on the underlying investments and charge for participant withdrawals and administrative expenses.

1. *General Account.* The Company selected Mutual of America's Interest Accumulation Account as an investment option holding the assets in the Company's General Account. Selecting that as an option, all contributions allocated to the Interest Accumulation Account shall be credited with interest at the current rate of interest.

The Interest Accumulation Account is fully benefit responsive, so it meets the criteria to be comparable to a cash equivalent and therefore exempt from classification as a Level 1, 2, or 3 assets under ASU 820-10. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value within reasonable timeframes. Contract value represents contributions made under the contract, plus earnings at current rate of interest, less participant withdrawals, and administrative expenses. Contract value is also often referred to as book value. The contract is affected directly between the plan sponsor and Mutual of America Life. The repayment of principal and interest credited to participants is a financial obligation of Mutual of America.

2. *Separate Account.* The Company selected that all contributions held apart from the General Account are allocated to any of the Investment Funds that shall become part of the Separate Account. The Separate Account consists of Investment Funds that own shares of the corresponding funds or portfolios of the Underlying Investment Companies.

The value of the assets in any Investment Fund shall increase or decrease based upon the investment results of the Investment Fund during each Valuation Period. The value of any Investment Fund attributable to a participant on a Valuation Day is equal to the number of accumulation units credited to the Investment Fund on such day multiplied by the accumulation unit value for the Investment fund for the Valuation Period which includes such day.

Income, gains, or losses realized or unrealized are credited or charged to this account without regard to other income, gains, or losses of the Company. The Separate Account is not guaranteed, and assets therein are held at market value.

NOTE E - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.
Level 2	Inputs to the valuation methodology include ▪ quoted prices for similar assets or liabilities in active markets; ▪ quoted prices for identical or similar assets or liabilities in inactive markets; ▪ inputs other than quoted prices that are observable for the asset or liability; ▪ inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

See Note D for a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

NOTE E - FAIR VALUE MEASUREMENTS (CONTINUED)

NOTE F - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all amounts credited to the participant's account shall become 100% vested, regardless of the Plan's current vesting schedule. The participant is entitled to a distribution of their entire vested benefit.

NOTE G - TAX STATUS

In 2022, the Plan had a restatement of the non-standard pre-approved profit sharing/money purchase/coda prototype plan with Mutual of America. The Internal Revenue Service (IRS) has determined and informed the Company by a letter dated November 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles require the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS or Department of Labor. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022**

NOTE H - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE I - RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

Current Plan investments are shares of mutual funds managed by Mutual of America Life Insurance Company, the insurance company of the plan, and therefore, these transactions qualify as party in interest transactions. Certain fees incurred by the Plan for the investment management services are included in the net appreciation (depreciation) in the fair value of the investment, as they are paid through revenue sharing rather than direct payment. The Plan paid fees, which are not covered by revenue sharing, for the years ended December 31, 2022 and 2023 amounted to \$1,164 and \$1,318, respectively. The Company pays directly any other fees related to the Plan's operations.

NOTE J - SUBSEQUENT EVENTS

Subsequent events were evaluated through October 11, 2024, which is the date the financial statements were available to be issued.
