## INDEPENDENT AUDITORS' REPORT

### Report on the Audit of the Financial Statements

#### ***Opinion***

We have audited the accompanying financial statements of Cedar Health Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of benefit obligations and net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in benefit obligations and net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the benefit obligations and net assets available for benefits of Cedar Health Trust as of December 31, 2023 and 2022, and the changes in its benefit obligations and net assets available for benefits for the year ended December 31, 2023, in accordance with accounting principles generally accepted in the United States of America.

#### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Cedar Health Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Cedar Health Trust's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

***Auditors' Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Cedar Health Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Cedar Health Trust's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

***Supplementary Information***

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The schedule of administrative expenses for the year ended December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

**CEDAR HEALTH TRUST  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2023 AND 2022**

**NOTE 1 DESCRIPTION OF PLAN**

**Nature of Operations**

The following description of Cedar Health Trust (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

**General**

The Plan and trust became effective January 1, 2019, as a result of an agreement between the MultiCare Connected Care LLC (Plan Sponsor), and its employer members for the benefit of the members' employees. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

**Benefits**

The Plan provides medical, dental, and prescription drug benefits through group insurance policies for eligible members as specified in the Plan. Each participating employer elects the eligibility provisions for their employees from pre-defined options at annual contract renewal.

**Contributions**

Participating employers make monthly contributions to the Plan to provide benefits for employees based on specified rates. The provision of benefits that are funded from contributions by the employee, other than for separated participants, is not readily available information supplied to the third-party administrator and, therefore, such employee contributions are included in Employer Contributions in the statements of changes in net assets available for benefits. Accounting principles generally accepted in the United States of America require separate disclosure of employer and employee contributions. Terminated participants may contribute to the Plan under the provisions of COBRA to maintain coverage.

**NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting**

The financial statements of the Plan are prepared on the accrual basis of accounting.

**Change in Accounting Policy**

The Plan has adopted FASB ASU 2016-13, Financial Instruments - Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments, effective January 1, 2023, utilizing the modified retrospective transition method. The accounting standard modifies the method for estimating credit losses on financial assets from probable or incurred credit losses to lifetime expected future credit losses (CECL). No cumulative effect adjustment to net assets available for benefits as of January 1, 2023, was necessary upon adoption.

**CEDAR HEALTH TRUST**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2023 AND 2022**

**NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Contribution Revenue**

Contribution revenue is recognized as the Plan becomes obligated for the payment of benefits. Therefore, contributions received after December 31 for benefits provided before the beginning of the subsequent year are recognized as contributions receivable. Delinquent contributions are individually analyzed for collectability. The estimate for expected credit losses considers historical loss experience, current economic conditions, and forward-looking information, including factors such as payment history, employer financial condition, and labor trends. As of December 31, 2023, the allowance for credit losses was insignificant. On the other hand, contributions received before December 31 for benefits provided in the subsequent year are recognized as unearned.

**Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations, and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

**Benefit Obligations**

Premiums payable is based on actual payments to insurance carriers subsequent to year-end for coverage prior to the years ended December 31, 2023 and 2022.

**Premiums**

Premiums are recorded when paid.

**Administrative Expenses**

All expenses of maintaining the Plan are paid by the Plan.

**Concentration of Credit Risk**

The Plan's cash balances are held at one financial institution. Accounts at this institution are insured by a government agency up to \$250,000. At times, the balances in the account may exceed the insured limit.

**Subsequent Events**

Due to their carrier dropping a key product from the Plan, there have been no offerings in 2024. Consequently, there have been no contributions, premium expenses, or commissions. The Trustees are now looking into future options.

In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through September 19, 2024, the date the financial statements were available to be issued.

**CEDAR HEALTH TRUST  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2023 AND 2022**

**NOTE 3 PLAN TERMINATION**

Although it has not expressed any intention to do so, the Plan Sponsor has the right under the Plan to modify the benefits provided to, and contributions required of participants, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits or for on account of the participants. No assets of the Plan may revert to the Plan Sponsor or be used for purposes other than for the exclusive benefit of the Plan's participants.

**NOTE 4 TAX STATUS**

The trust established under the Plan to hold the Plan's assets is intended to qualify pursuant to Section 501(c)(9) of the Internal Revenue Code (IRC). The trust has obtained a favorable tax exemption letter in which the IRS stated that the trust, as then designed, was in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**NOTE 5 RISKS AND UNCERTAINTIES**

The liability for premiums payable at December 31, 2023 and 2022, was estimated using actual payments to the insurance carrier subsequent to year-end. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near-term would-be material to the financial statements.

**NOTE 6 RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500**

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 at December 31:
