Results of the 2023 Financial Statement Audit, Including Required Communications

December 31, 2023

Required Communications Regarding Our Audit Strategy & Approach (AU-C 260)

Overview & Responsibilities

Matter	Discussion
Section 103(a)(3)(C) – 29 CFR 2520.103-8	Management has elected to have the audit of the Plan's financial statements performed in accordance with the <i>Employee Retirement Income Security Act of 1974</i> (ERISA) Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. An audit performed in accordance with ERISA Section 103(a)(3)(C) does not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier, that is regulated, supervised, and subject to periodic examination by a state or federal agency, a qualified institution, that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the DOL Rules and Regulations for Reporting and Disclosure under ERISA. Management has determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. Management has also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5, and that the certified investment information is appropriately measured, presented, and disclosed in accordance with accounting principles generally accepted in the United States of America (GAAP).
Purpose	The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with GAAP and that the assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the certified investment information.
Scope of Our Audit	This report covers audit results related to your financial statements: • As of and for the year ended December 31, 2023. • Conducted in accordance with our contract dated May 1, 2024.

Matter	Discussion
Our Responsibilities	Forvis Mazars is responsible for forming and expressing an opinion about whether the financial statements that have been prepared by management, with the oversight of those charged with governance, are prepared in accordance with GAAP.
Audit Scope & Inherent Limitations to Reasonable Assurance	An audit performed in accordance with auditing standards generally accepted in the United States of America (GAAS) is designed to obtain reasonable, rather than absolute, assurance about the financial statements. The scope of our audit tests was established in relation to the financial statements taken as a whole and did not include a detailed audit of all transactions.
Extent of Our Communication	In addition to areas of interest and noting prior communications made during other phases of the engagement, this report includes communications required in accordance with GAAS that are relevant to the responsibilities of those charged with governance in overseeing the financial reporting process, including audit approach, results, and internal control. The standards do not require the auditor to design procedures for the purpose of identifying other matters to be communicated with those charged with governance.
Independence	The engagement team, others in our firm, as appropriate, and our firm, have complied with all relevant ethical requirements regarding independence.
Your Responsibilities	Our audit does not relieve management or those charged with governance of your responsibilities. Your responsibilities and ours are further referenced in our contract.
Distribution Restriction	This communication is intended solely for the information and use of the following and is not intended to be, and should not be, used by anyone other than these specified parties: Plan Administrator and Retirement Plan Committee

Other Documents Containing Audited Financial Statements

The Plan's audited financial statements are included in the Form 5500, *Annual Return/Report of Employee Benefit Plan*, filed with the Department of Labor Employee Benefits Security Administration. As part of our procedures, we read the draft Form 5500 that is substantially complete to determine if financial information discussed in sections outside the financial statements materially contradicts the audited financial statements. If we identify any such matters, we bring them to management's attention and review subsequent revisions.

Our responsibility also includes communicating to you any information we believe is a material misstatement of fact. Nothing came to our attention that caused us to believe that such information, or its manner of presentation, is materially inconsistent with the information, or manner of its presentation, appearing in the financial statements.

Qualitative Aspects of Significant Accounting Policies & Practices

Significant Accounting Policies

Significant accounting policies are described in Note 2 of the audited financial statements.

With respect to new accounting standards adopted during the year, we call to your attention the following topics detailed in the following pages:

- No matters are reportable

Unusual Policies or Methods

With respect to significant unusual accounting policies or accounting methods used for significant unusual transactions (significant transactions outside the normal course of business or that otherwise appear to be unusual due to their timing, size, or nature), we noted the following:

- No matters are reportable

Alternative Accounting Treatments

We had discussions with management regarding alternative accounting treatments within GAAP for policies and practices for material items, including recognition, measurement, and disclosure considerations related to the accounting for specific transactions as well as general accounting policies, as follows:

- No matters are reportable

Management Judgments & Accounting Estimates

Accounting estimates are an integral part of financial statement preparation by management, based on its judgments. Significant areas of such estimates for which we are prepared to discuss management's estimation process include:

- Fair value of investments

Financial Statement Disclosures

The following areas involve particularly sensitive financial statement disclosures for which we are prepared to discuss the issues involved and related judgments made in formulating those disclosures:

- No matters are reportable

Our Judgment About the Quality of the Plan's Accounting Principles

During the course of the audit, we made the following observations regarding the Plan's application of accounting principles:

- No matters are reportable

Adjustments Identified by Audit

During the course of any audit, an auditor may propose adjustments to financial statement amounts. Management evaluates our proposals and records those adjustments that, in its judgment, are required to prevent the financial statements from being materially misstated.

A misstatement is a difference between the amount, classification, presentation, or disclosure of a reported financial statement item and that which is required for the item to be presented fairly in accordance with the applicable financial reporting framework.

Proposed & Recorded Adjustments

Auditor-proposed and management-recorded entries include the following:

- Adjustment to record excess contributions payable of approximately \$210,000.

Uncorrected Misstatements

- No uncorrected misstatements

Required Communications Regarding Internal Control (AU-C 265)

Consideration of Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements of Andy Mohr Automotive 401(k) Plan as of and for the year ended December 31, 2023, in accordance with auditing standards generally accepted in the United States of America (GAAS), we considered the Plan's internal control over financial reporting (internal control).

This consideration served as a basis for designing audit procedures that are appropriate in the circumstance for the purpose of expressing our opinion on the financial statements.

However, this consideration was **not** for the purpose of expressing an opinion on the effectiveness of the Plan's internal control.

Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraphs and was not designed to identify all deficiencies in internal control that might be material weaknesses and, therefore, material weaknesses may exist that were not identified.

This communication is intended solely for the information and use of the following and is not intended to be, and should not be, used by anyone other than these specified parties:

- Plan Administrator and Retirement Plan Committee

Categorizing Deficiencies by Severity

Deficiency

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis.

Significant Deficiency

A significant deficiency is a deficiency, or combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Material Weakness

A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that material misstatements of the Plan's financial statements will not be prevented or detected and corrected on a timely basis.

Identified Deficiencies

We identified a deficiency in internal control that we consider to be a deficiency.

Deficiencies

- During the audit, we noted multiple instances where Andy Mohr Automotive did not remit employee contributions to the Plan in a timely manner. This is considered a nonexempt transaction and corrections of missed earnings on these contributions are required to be made by Andy Mohr Automotive.

Provided to:

Forvis Mazars, LLP

Certified Public Accountants

The undersigned ("We") are providing this letter in connection with Forvis Mazars' audits of the financial statements of Andy Mohr Automotive 401(k) Plan (the Plan) as of December 31, 2023 and 2022, the year ended December 31, 2023, and supplemental schedules as of and for the year ended December 31, 2023.

Our representations are current and effective as of the date of Forvis Mazars' report: October 11, 2024.

Our engagement with Forvis Mazars is based on our contract for services dated: May 1, 2024.

Our Responsibility & Consideration of Material Matters

We confirm that we are responsible for the fair presentation of the financial statements subject to Forvis Mazars' report in conformity with accounting principles generally accepted in the United States of America and for the fair presentation of the accompanying supplemental schedules in conformity with the Department of Labor's (DOL) Rules and Regulations under the *Employee Retirement Income Security Act of 1974* (ERISA).

We are also responsible for adopting sound accounting policies; establishing and maintaining effective internal control over financial reporting, operations, and compliance; and preventing and detecting fraud.

We elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. We acknowledge that the audits did not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier, that is regulated, supervised and subject to periodic examination by a state or federal agency, a qualified institution, that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the DOL Rules and Regulations for Reporting and Disclosure under ERISA. We have determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. We have also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5 and, that the certified investment information is appropriately measured, presented, and disclosed in accordance with accounting principles generally accepted in the United States of America (GAAP).

The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with GAAP and that the assets held by and certified to by a qualified institution agree to, are derived from, in all material respects, the certified investment information.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered

material as a result of qualitative factors.

Confirmation of Matters Specific to the Subject Matter of Forvis Mazars' Report

We confirm, to the best of our knowledge and belief, the following:

Broad Matters

1. We have fulfilled our responsibilities, as set out in the terms of our contract, for the preparation and fair presentation of the financial statements and note disclosures in accordance with GAAP.
2. We acknowledge our responsibility for the design, implementation, and maintenance of:
 - a. Internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.
 - b. Internal control to prevent and detect fraud.
3. We have provided you with:
 - a. Access to all information of which we are aware that is relevant to the preparation and fair presentation of the financial statements, such as financial records and related data, documentation, and other matters.
 - b. The most current Plan instrument for the audit period, including all Plan amendments.
 - c. A draft of the Form 5500 that is substantially complete.
 - d. Additional information that you have requested from us for the purpose of the audits.
 - e. Unrestricted access to persons within the Plan from whom you determined it necessary to obtain audit evidence.
 - f. All significant contracts.
4. We acknowledge the Plan does not meet the definition of a "public entity" under GAAP.
5. We have responded fully and truthfully to all your inquiries.

Plan Design & Operations

6. We acknowledge our responsibility for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the ERISA plan financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.
7. The Plan and the trust established under the plan are qualified under the appropriate section of the Internal Revenue Code, and we intend to continue them as a qualified Plan and trust. We do not have any intention at present to terminate the Plan. Required nondiscrimination testing under the appropriate Code Sections has been completed for the Plan, and any excess contributions have been disposed of in accordance with regulations.
8. The Plan instrument has not been amended during the year.
9. The Plan operates under a non-standardized adoption agreement in connection with a prototype retirement plan and trust/custodial document sponsored by Qualified Retirement Plan Services, Inc. This prototype plan document has been filed with the appropriate agency. The Plan has not

obtained or requested a determination letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and that the Plan was qualified and the related trust was tax exempt as of the financial statement date.

10. The Plan has complied with the fidelity bonding requirements of ERISA.
11. The Plan has made no investments during the year that violate the terms of the Plan or Trust Agreement.
12. We have reviewed the reports of all transactions processed by third-party services, and, based on our review, we believe the transactions shown in the reports are valid and in accordance with our instructions to the third-party processor. We also have had no communications from any of the Plan's service organizations regarding any fraud, noncompliance with laws and regulations, or uncorrected misstatements.
13. Except as disclosed in the financial statements, we have complied with the DOL's regulations concerning the timely remittance of participant contributions and loan repayments.
14. As applicable, we have complied with the DOL's regulations concerning the services provider fee disclosures in accordance with Section 408(b)(2).
15. We understand the values of the assets and liabilities recorded in the financial statements could change rapidly, resulting in material future adjustments to investment values that could negatively impact the Plan. We acknowledge that you have no responsibility for future changes caused by the current economic environment and the resulting impact on the Plan's financial statements. Further, the Plan Sponsor is solely responsible for all aspects of managing the Plan, including questioning the quality and valuation of investments.
16. We have evaluated whether there are conditions or events known or reasonably knowable, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year of the date of this letter without consideration of potential mitigating effects of management's plans not yet fully implemented and concluded substantial doubt does not exist.

Misappropriation, Misstatements, & Fraud

17. We have informed you of all current risks of a material amount that are not adequately prevented or detected by our procedures with respect to:
 - a. Misappropriation of assets.
 - b. Misrepresented or misstated assets or liabilities.
18. We have no knowledge of fraud or suspected fraud affecting the Plan involving:
 - a. Management or employees who have significant roles in internal control over financial reporting, or
 - b. Others when the fraud could have a material effect on the financial statements.
19. We have no knowledge of any allegations of fraud or suspected fraud affecting the Plan received in communications from participants, former participants, regulators, third-party servicers or others.
20. We have assessed the risk that the financial statements may be materially misstated as a result

of fraud and disclosed to you any such risk identified.

Related Parties & Parties-in-Interest

21. We have disclosed to you the identity of all of the Plan's related parties and parties-in-interest and all the related-party and party-in-interest relationships of which we are aware.

In addition, we have disclosed to you all related-party transactions and amounts receivable from or payable to related parties of which we are aware, including any modifications during the year that were made to related-party transaction agreements which existed prior to the beginning of the year under audit, as well as new related-party transaction agreements that were executed during the year under audit.

Related-party relationships and transactions have been appropriately accounted for and disclosed in accordance with GAAP.

22. We understand that the term related-party refers to:

- Affiliates
- Entities for which investments are accounted for by the equity method
- Trusts for the benefits of employees, such as pension and profit-sharing trusts that are managed by or under the trusteeship of management
- Principal owners and members of their immediate families
- Management and members of their immediate families
- Any other party with which the entity may deal if one party can significantly influence the management or operating policies of the other to an extent that one of the transacting parties might be prevented from fully pursuing its own separate interests.

Another party is also a related party if it can significantly influence the management or operating policies of the transacting parties or if it has an ownership interest in one of the transacting parties and can significantly influence the other to an extent that one or more of the transacting parties might be prevented from fully pursuing its own separate interests.

The term affiliate refers to a party that directly or indirectly controls, or is controlled by, or is under common control with, the entity.

Litigation, Laws, Rulings & Regulations

23. Neither the Plan nor the Plan Sponsor are aware of any pending or threatened litigation or claims whose effects should be considered when preparing the financial statements. Neither the Plan nor the Plan Sponsor have sought or received attorney's services related to pending or threatened litigation or claims during or subsequent to the audit period. Also, we are not aware of any litigation or claims, pending or threatened, for which legal counsel should be sought.
24. We have no knowledge of communications, other than those specifically disclosed, from regulatory agencies, governmental representatives, employees, or others concerning investigations or allegations of noncompliance with laws and regulations, deficiencies in financial reporting practices, or other matters that could have a material adverse effect on the financial statements.
25. We have disclosed to you all known instances of violations or noncompliance or possible violations or suspected noncompliance with laws and regulations whose effects should be

considered when preparing financial statements or as a basis for recording a loss contingency.

Nonattest Services

26. You have provided nonattest services, including the following, during the period of this engagement:

- Preparing a draft of the financial statements and related notes and supplementary information
- Preparing entries to convert cash basis accounting records to accrual basis accounting records and certain reconciliations

27. With respect to these services:

- a. We have designated a qualified management-level individual to be responsible and accountable for overseeing the nonattest services.
- b. We have established and monitored the performance of the nonattest services to ensure they meet our objectives.
- c. We have made any and all decisions involving management functions with respect to the nonattest services and accept full responsibility for such decisions.
- d. We have evaluated the adequacy of the services performed and any findings that resulted.
- e. Established and maintained internal controls, including monitoring ongoing activities.
- f. When we receive final deliverables from you we will store those deliverables in information systems controlled by us. We have taken responsibility for maintaining internal control over these deliverables.

Financial Statements & Reports

28. We have reviewed and approved a draft of the financial statements and related notes referred to above, which you prepared in connection with your audit of our financial statements. We acknowledge that we are responsible for the fair presentation of the financial statements and related notes.

29. With regard to supplementary information:

- a. We acknowledge our responsibility for the fair presentation of the supplementary information, including its form and content in conformity with relevant regulatory requirements or other applicable criteria.
- b. The methods of measurement and presentation of the supplementary information are unchanged from those used in the prior period, and we have disclosed to you any significant assumptions or interpretations underlying the measurement and presentation of the supplementary information.
- c. We believe the significant assumptions or interpretations underlying the measurement and/or presentation of the supplementary information are reasonable and appropriate.
- d. The supplemental information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Transactions, Records, & Adjustments

- 30. All transactions have been recorded in the accounting records and are reflected in the financial statements.
- 31. We have everything we need to keep our books and records.
- 32. We are in agreement with the adjusting journal entries you have proposed, and they have been posted to the entity's accounts.
- 33. There are no uncorrected misstatements or omitted disclosures.

Accounting & Disclosure

- 34. We are not aware of any side agreements or other arrangements (either written or oral) that are in place.
- 35. Except as reflected in the financial statements, there are no:
 - a. Plans or intentions that may materially affect carrying values of assets and liabilities.
 - b. Material transactions omitted or improperly recorded in the financial records.
 - c. Material unasserted claims or assessments that are probable of assertion or other gain/loss contingencies requiring accrual or disclosure in accordance with Accounting Standards Codification (ASC) Topic 450, *Contingencies*, including those arising from environmental remediation obligations.
 - d. Events occurring subsequent to the date of the statement of net assets available for benefits through the date of this letter, which is the date the financial statements were available to be issued, requiring adjustment or disclosure in the financial statements.
 - e. Reportable transactions as defined in Section 103(b)(3)(H) of ERISA.
- 36. Except as disclosed in the financial statements, the Plan has:
 - a. Satisfactory title to all recorded assets, and those assets are not subject to any liens, pledges, or other encumbrances.
 - b. Complied with all aspects of contractual agreements, for which noncompliance would materially affect the financial statements.

Estimates

- 37. We have identified all accounting estimates that could be material to the financial statements, and we confirm the appropriateness of the methods and the consistency in their application, the accuracy and completeness of data, and the reasonableness of significant assumptions used by the Plan in making the accounting estimates, including those measured at fair value reported in the financial statements.
- 38. Significant estimates that may be subject to a material change in the near term have been properly disclosed in the financial statements. We understand that "near term" means the period within one year of the date of the financial statements. In addition, we have no knowledge of concentrations, which refer to volumes of loans, investments, or deposits, existing at the date of the financial statements that would make the Plan vulnerable to the risk of severe impact in the near term that have not been properly disclosed in the financial statements.

Fair Value

39. With respect to the fair value measurements of financial assets and liabilities, recognized in the financial statements or disclosed in the notes thereto:
- a. The underlying assumptions are reasonable and they appropriately reflect management's intent and ability to carry out its stated course of action.
 - b. The measurement methods and significant assumptions used in determining fair value are appropriate in the circumstances for financial statement measurement and disclosure purposes and have been consistently applied.
 - c. The significant assumptions appropriately reflect market participant assumptions.
 - d. The disclosures related to fair values are complete, adequate, and in conformity with accounting principles generally accepted in the United States of America.
 - e. There are no subsequent events that require adjustments to the fair value measurements and disclosures included in the financial statements.

Investments

40. Investments are properly measured at fair value, except for fully benefit responsive investment contracts which are reported at contract value. Investments measured at fair value include:
- a. Investments with a readily determinable fair value that are reported at net asset value (NAV) per share/unit.
 - b. Investment values determined using NAV as a practical expedient.

Independent Auditor's Report

Plan Administrator
Andy Mohr Automotive 401(k) Plan
Indianapolis, Indiana

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Andy Mohr Automotive 401(k) Plan (the "Plan"), an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023, and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedules listed in the table of contents are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Note 1. Description of Plan

The following description of the Andy Mohr Automotive 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the plan document for a more complete description of the Plan’s provisions.

Participating Companies

The following companies, which are related parties, are participating employers in the Plan:

- Andy Mohr Buick Pontiac GMC, Inc.
- Andy Mohr Nissan, Inc.
- Andy Mohr Chevrolet, Inc.
- Andy Mohr West, Inc. dba Andy Mohr Toyota
- Andy Mohr Speedway Chevrolet
- Andy Mohr Ford, Inc.
- Andy Mohr Avon, Inc. dba Andy Mohr Volkswagen
- Andy Mohr Avon Nissan, Inc.
- Andy Mohr Motors, Inc. dba Andy Mohr Kia
- Andy Mohr Bloomington, Inc. dba Andy Mohr Honda
- Andy Mohr Liberty Drive, Inc. dba Andy Mohr Hyundai

General

The Plan is a defined contribution plan sponsored by Andy Mohr Automotive Group, Inc. for the benefit of employees of the participating companies described above (collectively, the “Company”) who are age 18 or older. Management of the Company controls and manages the operation and administration of the Plan. Voya Retirement Insurance and Annuity Company (“Voya”) serves as the custodian of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Contributions

Each year, participants may contribute a portion of their compensation, as defined in the plan document, subject to certain Internal Revenue Code (“IRC”) limitations. Participant contributions consist of traditional pre-tax elective deferrals and nondeductible Roth employee contributions. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans and certain individual retirement accounts. Employer contributions include discretionary contributions and discretionary matching contributions. For the year ended December 31, 2023, the Company matched 30% of the first 6% of compensation contributed by each employee. Contributions are subject to certain limitations.

Investment Options

Participants direct the investment of their accounts into various investment options offered by the Plan. The Plan offers mutual funds and a fully benefit-responsive investment contract account as investment options for participants.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Company's contributions, and plan earnings (losses), and charged with benefit payments, transaction fees related to distributions, and allocations of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts plus actual earnings thereon is based on years of service. A participant is 100% vested after six years of credited service.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum amount or various partial payments as provided by the Plan. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

In certain hardship situations, as described in the Plan Agreement, participants may withdraw part of their account balances while actively employed, but such withdrawals are limited to the amount dictated by the hardship. Participants' withdrawals are limited to pre-tax elective deferrals and may not include any earnings thereon. Participants can elect to withdraw nondeductible employee contributions at any time.

Forfeitures

At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$116,773 and \$0, respectively. Forfeitures are used to reduce employer contributions or pay administrative expenses. In 2023, \$12,838 of forfeited nonvested accounts were used to pay administrative expenses.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("GAAP").

Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect certain reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates and assumptions.

Investment Valuation and Income Recognition

Investments are reported at fair value except for fully-benefit responsive investment contracts, which are discussed below. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the custodian. See Note 3 for discussion of fair value measurements.

Andy Mohr Automotive 401(k) Plan
Notes to Financial Statements
December 31, 2023 and 2022

Investments in fully benefit-responsive investment contracts are reported at contract value. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Purchase and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service are recorded as a liability with a corresponding reduction to contributions. Excess contributions are distributed in accordance with Internal Revenue Code sections 401(m) and 401(k).

Payment of Benefits

Benefits are recorded upon distribution.

Administrative Expenses

The Plan's administrative expenses are paid by either the Plan or the Company, as provided by the plan document. Certain administrative functions are performed by employees of the Company. No such employee receives compensation from the Plan. Expenses relating to specific participant transactions are charged directly to the participant's account.

Subsequent Events

The Plan has evaluated subsequent events through October 11, 2024, the date the financial statements were available to be issued.

Note 3. Fair Value Measurements

Fair value as defined under GAAP is an exit price, representing the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. GAAP establishes a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value. These tiers include:

- Level 1** Observable inputs such as quoted prices in active markets.
- Level 2** Inputs other than quoted prices in active markets that are either directly or indirectly observable.
- Level 3** Unobservable inputs about which little or no market data exists, therefore requiring an entity to develop its own assumptions.

Assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. The Plan's assessment of the significance of a particular input to the fair value measurement requires judgment and may affect the valuation of fair value assets and liabilities and their placement within the fair value hierarchy levels.

Notes to Financial Statements
December 31, 2023 and 2022

There have been no changes in the methodologies used at December 31, 2023 and 2022. The following is a description of the valuation methodologies used for assets measured at fair value:

Mutual Funds

Mutual funds are publicly traded investments and are valued daily at the closing price reported on the active market on which the funds are traded.

Pooled Separate Accounts

The Plan invests in pooled separate accounts for which quoted prices are not available in active markets for identical instruments. The Plan utilizes the NAV of units, as determined by Voya, as the estimated fair value. Because quoted prices in active markets for identical assets are not available, these prices are determined using observable market information such as quotes from less active markets and/or quoted prices of securities with similar characteristics.

The following table sets forth by level within the fair value hierarchy, the Plan's assets accounted for at fair value on a recurring basis as of December 31, 2023 and 2022.

December 31, 2023				
Fair Value Measurements Using				
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
	Fair Value			
Mutual funds	\$ 29,690,213	\$ 29,690,213	\$ -	\$ -
Investment measured at NAV ^(A) ^(B)	-			
Investments at fair value	\$ 29,690,213			
December 31, 2022				
Fair Value Measurements Using				
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
	Fair Value			
Mutual funds	\$ 43,725	\$ 43,725	\$ -	\$ -
Investment measured at NAV ^(A) ^(B)	22,609,438			
Investments at fair value	\$ 22,653,163			

(A) In accordance with GAAP, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

(B) Represents investment in a contract of a pooled separate account consisting of a combination of underlying funds, mainly various mutual funds. The investment strategy of the underlying funds is to provide a favorable long-term rate of return. Specific investment strategies vary by the individual funds. Transfers and reallocations are permitted subject to any restrictions, policies, and procedures that the issuer may establish. The issuer may restrict or terminate allocation or transfer provision if it is determined that there is a pattern of transfers that is disadvantageous or potentially harmful to other group variable funding agreement owners. The contract does not allow for transfers between

Andy Mohr Automotive 401(k) Plan
Notes to Financial Statements

competing funds. If such a transfer is made, no subsequent transfers will be allowed for a period of 90 days. The contract holder may discontinue the agreement at any time. If discontinuance is requested, account values will be paid after all administrative procedures are followed. There are no unfunded commitments.

For investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2022, there are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

The Plan recognizes transfers between the levels as of the beginning of the reporting period. There were no gross transfers between the levels for the years ended December 31, 2023 and 2022.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 4. Fully Benefit-Responsive Investment Contract

The Plan has a fully benefit-responsive investment contract with Voya with a contract value of \$1,249,961 and \$1,314,812 as of December 31, 2023 and 2022, respectively. Voya maintains the contributions in a general account. This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The fixed income investment contract held by the Plan is a guaranteed investment contract. The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than three percent. Such interest rates are reviewed on a quarterly basis for resetting. The crediting rate of the contract will track current market yields on a trailing basis.

The Plan's ability to receive amounts due in accordance with the contract is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the plan document (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) premature termination of the contracts, (4) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (5) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with participants, is probable.

In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Examples of such events include the following: (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material representation or (4) a material amendment to the agreements without the consent of the issuer.

Note 5. Certification of Plan Custodian

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Voya, a qualified institution, has certified the following investment information included in the accompanying financial statements and ERISA-required supplemental schedules is complete and accurate:

- Investments as shown in the statements of net assets available for benefits as of December 31, 2023 and 2022
- Investment income as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2023
- Investment information included in the accompanying schedule of assets (held at end of year) as of December 31, 2023

The Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedules.

Note 6. Exempt Party-In-Interest Transactions

Certain Plan investments are managed by Voya. Voya is the custodian as defined by the Plan and, therefore, these transactions qualify as exempt party-in-interest transactions. Fees paid by the Plan for investment management services were included as a reduction of the return earned on each fund. Fees paid to the custodian by the Plan for administrative services were \$34,111 for the year ended December 31, 2023.

Note 7. Nonexempt Transactions

Defined contribution plans are required to remit employee contributions to the Plan as soon as they can be reasonably segregated from the employer's general assets, but no later than the 15th business day of the month following the month in which the participant contributions are withheld by the employer. While the Company remitted all employee contributions to the Plan, contributions of \$16,367 were not remitted within the required time period for the year ended December 31, 2023.

Note 8. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their accounts.

Note 9. Tax Status

The Plan operates under a nonstandardized adoption agreement in connection with a prototype retirement plan and trust/custodial document sponsored by Retirement Plan Concepts & Services, Inc. This prototype plan document has been filed with the appropriate agency. The Plan has not obtained or requested a determination letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and that the Plan was qualified and the related trust was tax exempt as of the financial statement date.

Andy Mohr Automotive 401(k) Plan
Notes to Financial Statements
December 31, 2023 and 2022

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 10. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 11. Form 5500 Reconciliation

The following is a reconciliation of net assets available for benefits per the accompanying 2023 and 2022 financial statements to Schedule H of Form 5500 as of December 31:
