Floral Benefits 401(K) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Floral Benefits 401(K) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Floral Benefits 401(K) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Floral Benefits 401(K) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Floral Benefits 401(K) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Floral Benefits 401(K) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Floral Benefits 401(K) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, Line 4(a) – Schedule of Delinquent Participant Contributions and Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

FLORAL BENEFITS 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

1 DESCRIPTION OF PLAN

The following description of the Floral Benefits 401(K) Profit Sharing Plan (“the Plan”) is provided for informational purposes only. Participants should refer to the plan document for a more complete description of the Plan’s provisions.

General

The Plan is classified as a multiple employer defined-contribution 401(k) profit sharing plan that was established effective January 1, 2000 and has since been amended. The Plan was last amended and restated effective May 1, 2023.

The Plan covers all employees who have completed at least 500 hours of service during the first six months of employment or have completed a year of service, if earlier, and have reached 21 years of age. The Plan covers all employees of Sunshine Flowers Corporation (“the Plan Sponsor”), previously Bouquet Collection, Inc., including Bouquet Collection, Inc., Bouquet Collection Services, Inc., Atlas Flowers, Inc. (dba Golden Flowers), The Queens Flowers, Inc., Flower Farm Depot, LLC, GHT Corporation and 7000 Logistics, LLC (collectively “the Employers”).

Empower Annuity Insurance Company of America and its subsidiaries (“Empower”) was the appointed custodian and recordkeeper of the Plan’s assets as of and for the year ended December 31, 2023 (“the Custodian and Recordkeeper” and “Insurance Company”).

The Plan is subject to and conforms with the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

The Plan implemented certain provisions allowed by the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act), which change the Plan to allow, among others, certain eligible individuals to receive coronavirus-related distributions of up to \$100,000, allow loan repayments be deferred up to one year and increase the maximum loan amount, suspend required minimum distributions, and delay the commencement date for required minimum distributions. These written amendments to the Plan to reflect these operational changes were completed through the Cycle 3 restatement and were effective as of January 1, 2022.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

1 DESCRIPTION OF PLAN (CONTINUED)

Contributions

Subject to certain limitations, participants could elect to contribute to the Plan up to 100% of their compensation for each payroll up to a statutory maximum of \$22,500 plus catch-up contribution for participants age 50 and above.

Participants may also make post-tax Roth deferral contributions to the Plan. The Employers may also make additional employer matching and profit-sharing contributions at the discretion of the Plan Sponsor.

During the 2023 Plan year, the Employers made matching safe harbor contributions equal to 100% of employee contributions up to 3% of eligible compensation, plus 50% of employee contributions between 3% and 5%. The Plan Sponsor authorized matching contributions to the Plan of \$608,745 for the year ended December 31, 2023. The Plan Sponsor did not authorize any profit-sharing contributions for the year ended December 31, 2023.

Participant accounts

Each participant's account is credited with the participant's contributions, the employer's contributions, and an allocation of Plan's earnings as defined and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Distribution of benefits

After age 59 ½, upon termination of service due to death, as a qualified reservist, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or installments paid over various periods, as defined in the plan document, less any applicable taxes.

Employees may request a hardship withdrawal from their accounts using only employee deferral balances for distribution. Participants with less than \$5,000 in their account are automatically distributed upon termination.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

1 DESCRIPTION OF PLAN (CONTINUED)

Forfeited accounts

Forfeitures of terminated participants' non-vested accounts may be used to reduce the employer's matching contribution for the year in which the forfeiture occurs or to pay the Plan's administrative expenses. The Plan Sponsor had a forfeiture balance of \$56,504 and \$35,775 as of December 31, 2023 and 2022, respectively. The Plan did not use forfeitures during the year ended December 31, 2023.

Vesting

Participants are immediately vested in their elective deferral, rollover contributions, after-tax voluntary contributions, and safe harbor contributions plus actual earnings thereon. Vesting in the Plan Sponsor's matching contribution portion of their accounts, plus earnings thereon, is based on years of continuous service as follows:

<u>Completed Years of Service</u>	<u>Vested Percent</u>
1	20%
2	40%
3	60%
4	80%
5	100%

Participants are credited with a year of service for years with at least 1,000 hours worked. Participants are 100% vested, regardless of years of service, if while an employee they reach normal retirement age, become disabled, attain early retirement age, or death.

Notes receivable from participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account, or other acceptable collateral, and bear interest at a rate commensurate with local prevailing rates as determined by the plan administrator. The maximum note repayment period is five years unless the note is for the purchase of a primary residence in which case the repayment schedule may be for a term in excess of five years. Principal and interest payments with respect to the notes are credited solely to the account of the borrowing participant from which the note was made.

1 DESCRIPTION OF PLAN (CONTINUED)

Notes receivable from participants (continued)

The interest rates on notes outstanding as of December 31, 2023 and 2022 ranged from 4.25% to 10.50% and 4.25% to 7.25%, respectively.

As of December 31, 2023 and 2022, there were no delinquent loans and no allowance for credit losses has been recorded.

2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The accompanying financial statements are prepared on the accrual basis of accounting for defined contribution plans in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. In the event of default, the unpaid portion of the participant's loan will be treated as a taxable distribution as of the first day of the second calendar quarter following the calendar quarter in which the participant failed to make a required installment payment.

Investment options

Upon enrollment in the Plan, a participant may direct employee contributions, as well as employer matching contributions and any related earnings to the investment options offered by the Plan. Participants may change their investment elections at any time.

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and the changes in net assets available for benefits and disclosure of contingent assets and liabilities during the reporting period. Actual results could differ from these estimates.

2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment valuation and income recognition

Net appreciation in fair value of investments includes both realized gains and losses and unrealized appreciation and depreciation in the market value of investments. Purchases and sales of investments are recorded on a trade-date basis. Interest income is recognized when earned. Dividends are recorded on the ex-dividend date. Investments measured using the net asset value ("NAV") practical expedient in Accounting Standards Codification ("ASC") 820, Fair Value Measurement, were excluded from categorization within the fair value hierarchy.

The amount of investments measured at NAV (or its equivalent) is disclosed so that total investments in the fair value hierarchy can be reconciled to total investments measured at fair value on the statements of net assets available for benefits.

Tax status

The Plan has adopted a non-standardized plan, which has obtained an Internal Revenue Service ("IRS") letter on June 30, 2020, in which the IRS stated that the form of the Plan was acceptable under section 401 of the Internal Revenue Code ("IRC"). Although the Plan has been amended from that prototype since receiving the determination letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been made.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Payment of benefits

Benefits are recorded when paid.

2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Administrative expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Plan Sponsor. Expenses that are paid by the Plan Sponsor are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Plan termination

Although the Company has not expressed any intent to do so, it has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Risks and uncertainties

The Plan provides for investment options in a variety of investment securities. Investment securities, in general, are exposed to various risks, such as interest rate, market volatility, and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amount reported in the statements of net assets available for benefits.

New accounting pronouncements

The Plan evaluates new accounting pronouncements for relevance and impact on its financial statements. Management does not expect that timely adoption of any new pronouncements will have a material impact on the Plan's financial position, results of operations, or cash flows.

Management has evaluated subsequent events through October 10, 2024, the date the financial statements were available to be issued.

3 FAIR VALUE MEASUREMENTS

The FASB has established a framework for measuring fair value in ASC 820, Fair Value Measurements. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 – Quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan has the ability to access as of the measurement date.

Level 2 – Significant other observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

Level 3 – Significant unobservable inputs that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

3 FAIR VALUE MEASUREMENTS (CONTINUED)

Pooled separate accounts: Valued at the NAV provided by the record-keeper. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying assets owned by the trust, minus its liabilities, divided by the number of units outstanding.

There were no unfunded commitments to purchase investments at December 31, 2023 and 2022. Participant-directed redemptions have no restrictions and are recorded at the end of every business day. The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy:

Fair Value Measurements at December 31, 2023:

	Level 1	Level 2	Level 3	Total
Total assets in the fair value hierarchy	\$ -	\$ -	\$ -	\$ -
Investments measured at net asset value				<u>16,390,371</u>
Investments, at fair value				<u>\$ 16,390,371</u>

Fair Value Measurements at December 31, 2022:

	Level 1	Level 2	Level 3	Total
Total assets in the fair value hierarchy	\$ -	\$ -	\$ -	\$ -
Investments measured at net asset value				<u>14,042,026</u>

4 FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan has a fully benefit-responsive investment contract with Empower. This investment contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measurement for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by the Insurance Company, represents the beginning balance plus any contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses, a measurement that approximates fair value. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at December 31, 2023 and 2022 was \$905,951 and \$1,200,656, respectively. The specified interest rate that was guaranteed to the Plan as of December 31, 2023 and 2022 was 1.45% and 1.45%.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to Plans prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other Plan sponsor events (for example, divestitures of spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that the occurrence of any such value event, which would limit the Plans ability to transact at contract value with participants, is probable.

5 ADMINISTRATIVE EXPENSES

During the year ended December 31, 2023, \$65,578 in administrative expenses paid to parties-in-interest were incurred by the Plan. Expenses that are paid by the Plan Sponsor are excluded from these financial statements.

6 ADMINISTRATION OF THE PLAN

Certain administrative functions are performed by officers or employees of the Plan Sponsor. No such officers or employees receive compensation from the Plan. Certain administrative expenses of the Plan are incurred and paid by the Plan Sponsor.

Fees related to the administration of distributions and notes receivable from participants are charged directly to the corresponding participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

7 RELATED PARTY AND PARTIES-IN-INTEREST TRANSACTIONS

Parties-in-interest transactions, as defined under Department of Labor Regulations, include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee organization, or relatives of such persons.

Loans made to participants, qualify as parties-in-interest transactions, which are exempt from the prohibited transaction rules. The Plan paid certain expenses related to plan operations and investment activity to various service providers. These transactions are party-in-interest transactions under ERISA.

The Plan Sponsor paid \$18,000 of administrative expenses on behalf of the Plan during the year ended December 31, 2023.

8 INFORMATION PREPARED AND CERTIFIED BY THE PLAN'S CUSTODIAN AND RECORDKEEPER

8 INFORMATION PREPARED AND CERTIFIED BY THE PLAN'S CUSTODIAN AND RECORDKEEPER (CONTINUED)

The Custodian and Recordkeeper has certified that the following data included in the financial statements and supplemental schedules is complete and accurate:

- Investments, at fair value, investments, at contract value, and notes receivable from participants, as shown in the statements of net assets available for benefits as of December 31, 2023 and 2022.
- Net investment income and interest income on notes receivable from participants, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2023.
- Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year), December 31, 2023.

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information certified by the Custodian and Recordkeeper to the related information included in these financial statements.

9 PROHIBITED TRANSACTIONS

U.S. Department of Labor ("DOL") regulations require that salary deferrals and loan repayments to a 401(k) plan that are withheld from employees' paychecks be deposited into the Plan as soon as they can be reasonably segregated from the employer's general assets, but in no event later than the fifteenth business day of the month following the month in which the participant contributions are withheld.

During the year ended December 31, 2023, the Plan Sponsor delayed making certain deposits of employee deferral contributions as soon as they could be reasonably segregated. Such delayed deposits totaled \$6,545 for the year ended December 31, 2023. The Plan Sponsor took corrective actions relating to the late deposits subsequent to the year ended December 31, 2023. Further, the lost earnings on said late deposits will be included in the DOL Voluntary Fiduciary Correction Program ("VFCP") filing that the plan sponsor will be completing in 2023.
