## **Independent Auditors' Report**

To the Trustees of the  
Krauss-Maffei Corporation 401(k) Retirement Savings Plan  
Florence, Kentucky

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of Krauss-Maffei Corporation 401(k) Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Krauss-Maffei Corporation 401(k) Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Independent Auditors' Report  
(Continued)**

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Krauss-Maffei Corporation 401(k) Retirement Savings Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Krauss-Maffei Corporation 401(k) Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material, if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

**Independent Auditors' Report  
(Continued)**

**Auditors' Responsibilities for the Audit of the Financial Statements (Continued)**

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Krauss-Maffei Corporation 401(k) Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Krauss-Maffei Corporation 401(k) Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

With Independent Auditors' Report**

## **Independent Auditors' Report**

To the Trustees of the  
Krauss-Maffei Corporation 401(k) Retirement Savings Plan  
Florence, Kentucky

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of Krauss-Maffei Corporation 401(k) Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Krauss-Maffei Corporation 401(k) Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Independent Auditors' Report  
(Continued)**

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Krauss-Maffei Corporation 401(k) Retirement Savings Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Krauss-Maffei Corporation 401(k) Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material, if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

**Independent Auditors' Report  
(Continued)**

**Auditors' Responsibilities for the Audit of the Financial Statements (Continued)**

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Krauss-Maffei Corporation 401(k) Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Krauss-Maffei Corporation 401(k) Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **KRAUSS-MAFFEI CORPORATION 401(K) RETIREMENT SAVINGS PLAN**

### **Notes to Financial Statements**

#### **NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

##### ***Basis of Presentation***

The financial statements of Krauss-Maffei Corporation 401(k) Retirement Savings Plan (the "Plan") are prepared under the accrual basis using accounting principles generally accepted in the United States of America ("GAAP").

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

##### ***Estimates***

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

##### ***Investment Valuation and Income Recognition***

Investments are reported at fair value, except for the fully benefit-responsive investment contracts. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 7 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. The cost of investments sold is computed on an average cost basis for all realized gains and losses. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, credit and overall market volatility. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect the amounts reported in the statements of net assets available for benefits.

##### ***Benefit Payments to Participants***

Benefit payments to participants are recorded when paid.

##### ***Administrative Expenses***

Certain Plan expenses are paid by Krauss-Maffei Corporation (the "Plan Sponsor" and the "Company"), and accordingly, are not reflected in the Plan's financial statements. Investment related expenses are included in net appreciation of fair value of investments.

## KRAUSS-MAFFEI CORPORATION 401(K) RETIREMENT SAVINGS PLAN

### Notes to Financial Statements (Continued)

#### NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

##### *Notes Receivable from Participants*

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable are reclassified as distributions based upon the terms of the plan document.

##### *Related Party Transactions*

Certain Plan investments are invested in accounts managed by the trustee. Voya Institutional Trust Company ("Voya") is the trustee, as defined by the Plan and therefore, these transactions qualify as party-in-interest.

Several employees of the Plan Sponsor provide administrative services to the Plan. These services include Plan oversight and day-to-day Plan administration. The Plan is not charged by the Plan Sponsor for the services of the employees to the Plan.

##### *Subsequent Event Evaluation*

The Plan Sponsor has evaluated all events subsequent to the date of the statement of net assets available for benefits through October 9, 2024, which is the date the financial statements were available to be issued.

#### NOTE 2 DESCRIPTION OF THE PLAN

The following description of the Plan is provided for general information only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

##### *General*

The Plan is a defined contribution plan covering all employees of the Plan Sponsor who have completed at least three months of continuous service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Effective January 1, 2018, the Plan was amended to exclude Canadian employees, co-operative education employees and internship employees from Plan eligibility.

Effective June 8, 2022, Netstal Machinery, Inc. adopted their own qualified plan and the employees of Netstal Machinery, Inc. are no longer eligible for participation in the Krauss-Maffei Corporation 401(k) Retirement Savings Plan.

## **KRAUSS-MAFFEI CORPORATION 401(K) RETIREMENT SAVINGS PLAN**

### **Notes to Financial Statements (Continued)**

#### **NOTE 2 DESCRIPTION OF THE PLAN (CONTINUED)**

##### ***Contributions***

Each year, participants may contribute no less than 1% and up to 100% of pre-tax or post-tax compensation, as defined in the Plan document. However, contributions may not exceed limits established under Section 402(g) of the Internal Revenue Code of 1986 as amended (\$22,500 for 2023). The Plan permits catch-up elective deferrals for participants over 50 years of age subject to Internal Revenue Code ("IRC") limitations. Participants designate the percentage of their total contributions invested in each account and may make transfers between accounts anytime during the year. The Plan Sponsor may, at its discretion, make matching contributions for its employees. During 2023, the Plan Sponsor made safe harbor employer matching contributions equal to 100% of the first 3% of eligible compensation, plus 50% of the next 2% of eligible compensation that a participant contributes to the Plan.

The Plan includes an automatic enrollment feature, whereby all employees will be automatically enrolled at a contribution rate of 5%. The Plan also has an automatic escalation feature, whereby the participant's automatic deferral amount will increase by 1% annually, up to a maximum of 10%. Effective September 15, 2021, the Plan was amended to increase the automatic escalation to increase 1% each year up to a maximum of 12%.

The Plan permits in-plan Roth conversions and transfers as well as voluntary after tax contributions.

##### ***Rollover Contributions***

Participants may roll over their taxable portion of funds previously held for their account in another employee benefit plan to the Plan on a tax-free basis.

##### ***Participant Accounts***

Each participant's account is credited with the participant's and Plan Sponsor's contributions and a pro-rata allocation of the Plan's earnings. The pro-rata allocation is based upon the proportion of individual account balances to total participants' account balances in the respective investment funds. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

##### ***Forfeitures***

Forfeitures are retained in the Plan and are invested in the fully benefit responsive investment contract and may be used to reduce future Plan Sponsor contributions. At December 31, 2023 and 2022, the balance in the forfeiture account was \$45,860 and \$33,990, respectively. There was \$-0- of forfeitures allocated to offset employer contributions in 2023.

## KRAUSS-MAFFEI CORPORATION 401(K) RETIREMENT SAVINGS PLAN

### Notes to Financial Statements (Continued)

#### NOTE 2 DESCRIPTION OF THE PLAN (CONTINUED)

##### *Payment of Benefits*

Upon a participant's retirement after age 65, death, total and permanent disability, other termination of employment with the Plan Sponsor, or termination of the Plan, the participant's account is distributed under several options. Upon termination the participant may elect to have the distribution paid directly to an eligible retirement plan or receive the distribution directly in the form of cash or annuity.

In-service distributions are permissible for participants that have attained the age of 59 1/2. Participants electing in-service distribution may elect to receive all or a portion of their vested benefit in a lump sum payment.

In conditions of "financial hardship" a participant may apply to the Plan administrator for approval to withdraw that portion of his 401(k) retirement account balance necessary to meet the financial hardship, subject to the limitations of the Plan and the IRC.

Upon termination of the Plan, the assets will be distributed to participants in accordance with the Plan's provisions and existing laws and regulations.

##### *Notes Receivable from Participants*

Notes receivable from participants are available on amounts in the participant's account. Each participant may have only one outstanding note at a time. The minimum note receivable amount is \$1,000 and the maximum is \$50,000 or 50 percent of their vested account balance. All notes shall bear a reasonable rate of interest as determined by the Plan administrator. All notes receivable must be repaid within five years except in the case of a note for the purpose of acquiring a home.

##### *Vesting*

Participants are immediately vested in their contributions, including rollovers, and the safe harbor matching contribution, plus actual earnings thereon. Vesting in the Plan Sponsor's non-safe harbor matching contributions made prior to 2018 is based on years of continuous service as noted in the following schedule:

| <u>Years of Service</u> | <u>Vested Percentage</u> |
|-------------------------|--------------------------|
| Less than 1 year        | 0%                       |
| 1                       | 20%                      |
| 2                       | 40%                      |
| 3                       | 60%                      |
| 4                       | 80%                      |
| 5                       | 100%                     |

The non-vested portion of the employer contribution account of a participant whose employment with the employer is terminated other than on account of total and permanent disability, and prior to the earlier of their death or normal retirement date, is forfeited as of the date of such termination.

## **KRAUSS-MAFFEI CORPORATION 401(K) RETIREMENT SAVINGS PLAN**

### **Notes to Financial Statements (Continued)**

#### **NOTE 3 TAX STATUS**

The Plan Sponsor has adopted a prototype plan which has received an opinion letter from the IRS dated June 30, 2020, which states that the provider's prototype, as then designed, was in compliance with the applicable requirements of the IRC. The Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC, therefore, no provision for income taxes has been included in the Plan's financial statements.

#### **NOTE 4 INFORMATION CERTIFIED BY QUALIFIED INSTITUTION**

The following information provided by Voya for the period ended December 31, 2023 and 2022 was certified by them to be accurate and complete:

- (a) The assets held by Voya at December 31, 2023 and 2022, as well as the transactions involving these assets for the year ended December 31, 2023.
- (b) The amount of investment income for the year ended December 31, 2023.
- (c) The Schedule H, Line 4i – Schedule of Assets (Held at End of Year) at December 31, 2023.

#### **NOTE 5 PLAN TERMINATION**

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer contributions.

#### **NOTE 6 FULLY BENEFIT RESPONSIVE INVESTMENT CONTRACT**

The Plan entered into a fully benefit responsive investment contract ("FBRIC") with Voya. Voya maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The FBRIC issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) transfers to the fixed account from other plan sources greater than permitted, (2) certain transfers to competing investment options or deletion of equity wash provisions, or (3) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under Employee Retirement Income Security Act of 1974. The Plan Administrator does not believe that the occurrence of any such event, which would limit the Plan's ability to transact at contract value with participants, is probable.

After completing five contract years, Voya may terminate the contract providing the contract holder a 90-day written notice to pay out the full value without fees or market value adjustments or convert the contract to another contract issued by Voya or one of its affiliates.

During 2017 the Plan added a second fixed account as part of its already existing FBRIC. The fixed account referred to as Voya Fixed Account A is a separate fund within the Plan but is an addendum to the original contract with Voya.

## KRAUSS-MAFFEI CORPORATION 401(K) RETIREMENT SAVINGS PLAN

### Notes to Financial Statements (Continued)

#### NOTE 7 FAIR VALUE MEASUREMENTS

GAAP provisions for accounting for Fair Value Measurements establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under GAAP provisions for accounting for Fair Value Measurements are described below:

*Level 1* – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

*Level 2* – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

*Level 3* – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation approaches used for assets measured at fair value.

*Pooled separate accounts:* Valued at the accumulation unit value ("AUV") of units held by the Plan at year end. The AUV is established when a new fund starts and is then determined daily based on the net asset value ("NAV") of shares of the underlying fund, the fund's dividends and the separate account charges.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different approaches or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.
