### **Independent Auditors' Report**

#### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed the audits of the financial statements of Johnson-Barrow, Inc. 401(k) Profit Sharing Plan and Trust ("the plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022 and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

#### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter - Supplemental Schedules Required by ERISA**

The supplemental schedules of Schedule H, Line 4(a) - Schedule of delinquent participant contributions and Schedule H, Line 4(i) - Schedule of assets (Held at End of Year) as of and for the year ended December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Note 1 - DESCRIPTION OF PLAN**

The following description of the Johnson-Barrow, Inc. 401(k) Profit Sharing Plan and Trust ("the plan") provides only general information. Participants should refer to the plan document or Summary Plan Description for a more complete description of the plan's provisions, which are available from the plan administrator.

### **GENERAL**

The plan is a defined contribution 401(k) plan covering all full-time employees of Johnson-Barrow, Inc., JB Oregon, Inc., and JB Inland Northwest, Inc. (collectively the "company"). To be eligible, employees must be age twenty-one or older. Union employees and non-resident aliens are not eligible to participate in the plan. The plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

### **CONTRIBUTIONS**

Each year, participants may contribute a percentage of eligible annual compensation as pre-tax or Roth contributions, following their first 30 days of employment, as defined in the plan agreement. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Additionally, participants age 50 or older, who are making contributions to the plan, are allowed to make catch-up contributions. Participants direct the investment of all contributions into various investment options offered by the plan.

The company may make safe harbor matching contributions equal to 100% of the participants contributions up to 3% of the participant's eligible compensation, plus 50% of the participant's contributions between 3% and 5% of the participant's eligible compensation as defined in the plan agreement. The company made safe harbor matching contributions of \$761,820 and \$623,789 for the years ended December 31, 2023 and 2022, respectively. The company may also make a discretionary profit sharing contribution to the plan. There was no profit sharing contributions for the years ended December 31, 2023 and 2022.

Contributions are subject to certain Internal Revenue Code ("IRC") limitations.

The plan was amended during 2022 to include an auto-enrollment feature. All employees will be automatically enrolled in the plan on the first day of the month coinciding with or following the date eligibility requirements are satisfied at a contribution rate of 5%.

### **PARTICIPANT INVESTMENT ACCOUNT OPTIONS**

The plan currently offers various mutual funds and a stable value common collective trust as investment options for participants. Each investment option has its own investment strategy, which can be obtained through the prospectus of the respective fund. Participants may change their investment options daily. There are no nonparticipant directed investments.

Contributions may be temporarily held as cash balances prior to the execution of the investment according to the participant's direction.

#### **PARTICIPANT ACCOUNTS**

Each participant's account is credited with the participant's contribution and allocations of (a) the company's matching contributions, as well as profit sharing contributions and (b) plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### **VESTING**

Participants are immediately vested in their contributions, safe harbor contributions, and rollover contributions plus actual earnings thereon. A participant becomes 20% vested in employer matching and profit sharing contributions after two years of service and vests ratably thereafter until 100% vested after 6 years of credited service.

#### **NOTES RECEIVABLE FROM PARTICIPANTS**

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at rates which are commensurate with local prevailing rates as determined by the plan administrator. Principal and interest are paid ratably through payroll deductions.

#### **PAYMENT OF BENEFITS**

On termination of service due to death, disability or retirement, a participant or the designated beneficiary will receive a lump sum amount equal to the value of the participant's vested interest in his or her account. For termination of service due to other than death, disability or retirement, a participant will receive an automatic benefit payment for the value of the vested interest in his or her account as a cash lump sum for vested benefits less than \$1,000.

#### **HARDSHIP AND IN-SERVICE WITHDRAWALS**

Participants are permitted to withdraw, in a single sum, the vested portion of their account balance under certain conditions. These conditions include unreimbursed medical expenses, the purchase of the participant's principal residence, the payment of post-secondary education tuition, the payment of funeral expenses or casualty losses or to prevent eviction or foreclosure from the participant's principal residence.

Participants that have reached age 59 ½ may elect to withdraw all or a portion of their entire vested account balance while they are still employed by the company.

#### **FORFEITED ACCOUNTS**

Forfeitures of nonvested company contributions are used to pay any plan administrative expenses or reduce employer matching contributions. Forfeitures of \$0 were available at December 31, 2023 and 2022. Forfeitures of \$46,445 and \$1,181 were used during the years ended December 31, 2023 and 2022, respectively.

## **Note 2 - SUMMARY OF ACCOUNTING POLICIES**

### **BASIS OF ACCOUNTING**

The financial statements of the plan are prepared using the accrual method of accounting.

### **USE OF ESTIMATES**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

### **INVESTMENT VALUATION AND INCOME RECOGNITION**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The plan's trustees determine the plan's valuation policies utilizing information provided by the investment custodian. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the plan's gains and losses on investments bought and sold, as well as held during the year.

### **CONTRIBUTIONS**

Contributions from plan participants and the matching contributions from the company are recorded in the year in which the employee contributions are withheld from compensation.

### **NOTES RECEIVABLE FROM PARTICIPANTS**

Notes receivable from participants are measured at their unpaid principal balance plus accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.

### **EXCESS CONTRIBUTIONS PAYABLE**

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Code are recorded as a liability with a corresponding increase to corrective distributions. The plan distributed the 2023 excess contributions to the applicable participants prior to March 15 of the following year.

### **PAYMENT OF BENEFITS**

Benefits are recorded when paid.

### **ADMINISTRATIVE EXPENSE**

Certain expenses of the plan are paid by the company and are not included in the statement of changes in net assets available for benefits. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

#### **SUBSEQUENT EVENTS**

The plan has evaluated subsequent events through October 8, 2024, which is the date the financial statements were available to be issued. No significant matters were identified for disclosure during this evaluation.

#### **Note 3 - INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE**

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Newport Trust Company, the trustee of the plan, has certified that the following data included in the accompanying financial statements and supplemental schedules are complete and accurate with respect to investments:

- Investments at fair value
- Notes receivable from participants
- Dividends
- Net appreciation (depreciation) in fair value of investments
- Interest income on notes receivable from participants
- Investments, as reflected in Schedule H, Line 4(i) - Schedule of assets (Held at End of Year)

The plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedules.

#### **Note 4 - FAIR VALUE MEASUREMENTS**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

**Level 1** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

**Level 2** Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in inactive markets; inputs other than quoted market prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

**Level 3** Inputs to the valuation methodology are unobservable and significant to measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily Net Asset Value ("NAV") and to transact at that price. The mutual funds held by the plan are deemed to be actively traded.

*Stable value common collective trust:* A stable value fund that is composed primarily of fully benefit-responsive investment contracts is valued at the NAV of units of the bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. Participant transactions (purchases and sales) may occur daily. If the plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following tables set forth by level, within the fair value hierarchy, the plan's investments at fair value as of December 31, 2023 and 2022:

| Investments at Fair Value as of December 31, 2023              |               |         |         |               |

(a) In accordance with Subtopic 820-10, certain investments that were measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

The following tables summarize investments for which fair value is based on NAV per share practical expedient as of December 31, 2023 and 2022, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable to the plan.

#### Note 5 - RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Plan assets are held in accounts managed by Newport Trust Company and investment advising was performed by Gallagher Fiduciary Advisors, LLC. Fees charged by these companies are included in administrative expenses in the accompany financial statements and qualify as party-in-interest transactions. The plan sponsor pays directly any other fees related to the plan's operations.

#### Note 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the company has the right under the plan to discontinue its contributions at any time and to terminate the plan subject to the provisions of ERISA. In the event of plan termination, participants would become fully vested in their employer contributions.

#### Note 7 - TAX STATUS

The Internal Revenue Service ("IRS") has determined that the prototype 401(k) profit sharing plan is designed in accordance with applicable sections of the IRC and informed the third party administrator of such in a letter dated June 30, 2020 (as restated January 1, 2022). Although the plan has been amended since receiving the opinion letter, the plan administrator believes that the plan and related trust are currently designed and being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**Note 8 - RISKS, UNCERTAINTIES AND CONCENTRATIONS**

The plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk. Market risks include global events which could impact the value of investment securities, such as pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

At December 31, 2023 and 2022, approximately 16% and 20% of the plan's investments were invested in T. Rowe Retirement 2050, respectively. At December 31, 2022 approximately 15% of the plan's investments were invested in JP Morgan Large Cap Growth.

**Note 9 - DELINQUENT PARTICIPANT CONTRIBUTIONS**

Defined contribution plans are required to remit employee contributions to the plan as soon as they can be reasonably segregated from the employer's general assets. While the company remitted all employee contributions to the plan, contributions of \$31,567 and \$161,928 were not remitted within the required time period for the years ended December 31, 2023 and 2022, respectively. The calculation of potential lost earnings on the late remittances for the year ended December 31, 2022 were corrected in 2023. The calculation of potential lost earnings on the late remittances for the year ended December 31, 2023 were pending in 2024.
