INDEPENDENT AUDITORS' REPORT

To the Trustees of the
Aakron Rule Corp. Profit Sharing Plan
Akron, New York

Opinion

We have audited the financial statements of Aakron Rule Corp. Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of Aakron Rule Corp. Profit Sharing Plan as of December 31, 2023 and 2022, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Aakron Rule Corp. Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Aakron Rule Corp. Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Aakron Rule Corp. Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Aakron Rule Corp. Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules as included in the table of contents are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules are fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

AAKRON RULE CORP. PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS FOR THE YEARS ENDED DECEMBER 31, 2023 AND 2022

1. PLAN DESCRIPTION

The following is a brief description of the Aakron Rule Corp. Profit Sharing Plan (the “Plan”) provided for general informational purposes. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General – The Plan continues to be for the exclusive benefit of the employees of the following participating companies: Aakron Rule Corp., Wagner Pencil Company, Inc. and Cato Holdings, LLC (the “Plan Sponsors” or the “Company”). The Plan is a defined contribution plan covering all full-time employees of the Plan Sponsors who have one year of service (1,000 hours), and are age twenty-one or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Contributions – Each year, the Company contributes to the Plan an amount which the Plans Sponsors’ Boards of Directors deems advisable, subject to certain limitations.

Vesting – Vesting in the Plan benefits is based on years of continuous service. A participant is 100% vested after three years of credited service or upon reaching normal retirement age. Should a participant die or become disabled while still employed by the employer, that participant’s entire Plan interest becomes 100% vested.

Forfeitures – Forfeitures are allocated to participants as additional employer contributions. There were no forfeitures allocated during the years ended December 31, 2023 and 2022.

Participant Accounts – Each participant’s account is credited with the allocation of the Company’s contribution plus the forfeitures of terminated participants’ non-vested accounts based on the participant’s proportionate share of the total compensation paid during the year to all employed participants in the Plan on the last day of the Plan year end. Plan earnings and administrative expenses are allocated based on each participant’s proportionate share of the total Plan assets as of the beginning of the Plan year.

Plan Termination – Although it has not expressed any intent to do so, the Plan Sponsors have the right to terminate the Plan subject to the provisions of ERISA. In the event of termination, participants shall become 100% vested and entitled to the amount of their account at the date of such termination.

Payment of Benefits – The Plan allows a participant on termination of service due to death, disability, or retirement to withdraw all of their account balance in a lump sum distribution. The Plan also allows a participant, after attaining the normal retirement age, to withdraw all or any part of their participant account balance. The Plan was amended and restated January 1, 2023 to allow in-service distributions upon reaching the age of 59 1/2.

Administrative Expenses – Certain expenses of maintaining the Plan are paid directly by the Plan Sponsors and are excluded from the financial statements. Investment advisory related expenses are included in administrative expenses. Investment transaction expenses are included in the net appreciation (depreciation) in fair value of investments.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The accompanying financial statements have been prepared on the accrual basis of accounting.

Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of net assets at the date of the financial statements and the reported amounts of changes in net assets during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition – The Plan determines the fair value of assets and liabilities, which are subject to be reported at fair value based on accounting principles generally accepted in the United States of America. These standards establish a hierarchy for the determination of fair value, as well as disclosure requirements relative to those assets and liabilities. The hierarchy identifies three levels of input. Level 1 inputs are generally quoted market prices for identical assets or liabilities, which are actively traded on an exchange. Level 2 inputs generally consist of market prices for identical assets which are not actively traded or market prices of similar assets or liabilities which are actively traded, on an exchange. Level 3 inputs are referred to as unobservable inputs and consist primarily of information derived by management where Level 1 and Level 2 inputs are not available. These may include such things as present value of expected future cash flows or other valuation methodologies. Under the hierarchy, Level 1 inputs are the most preferred, followed by Level 2, and Level 3 is to be used only where neither Level 1 nor Level 2 inputs are available.

An investment's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for investments measured at fair value

Money market funds: Valued at the daily closing price as reported by the funds. The money market funds are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish a daily net asset value ("NAV") and to transact at that price. The money market funds are deemed to be actively traded.

Mutual funds and exchange traded funds: Valued based on the quoted market price available on an active market, which represents the NAV of the shares held by the Plan.

Common stocks: Valued at the closing price reported on the active market on which the individual securities are traded.

Corporate bonds: Valued using pricing models maximizing the use of observable inputs for similar securities. This includes basing value on yields currently available on comparable securities of issuers with similar credit ratings.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in different fair value measurements at the reporting date.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

The Plan presents in the statements of changes in net assets available for benefits the net appreciation (depreciation) in fair value of investments, which includes unrealized and realized gains and losses on investments that were held or sold during the year.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividend income is recognized on the ex-dividend date.

Payment of Benefits – Benefit payments to participants are recorded upon distribution.

Risks and Uncertainties – The Plan’s assets include various types of investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments and the level of uncertainty related to the value of such investments, changes in the values of investments will occur and such changes could materially affect the amounts reported in the accompanying financial statements.

Subsequent Events – The Plan has evaluated the effects of all subsequent events through October 8, 2024, the date the financial statements were available to be issued, to determine if events or transactions occurring through that date require potential adjustment or disclosure in the financial statements.

3. FAIR VALUE MEASUREMENTS

The Plan uses fair value measurements to record fair value adjustments to certain assets and to determine fair value disclosures (as discussed in Note 2). The following table sets forth, by level within the fair value hierarchy, the Plan’s assets that are measured at fair value as of December 31:

	2023	2022
<i>Level 1:</i>		
Money market funds	\$ 6,117,026	\$ 330,016
Mutual funds	-	59,670
Common stocks	-	3,043,896
	<u>6,117,026</u>	<u>3,433,582</u>
<i>Level 2:</i>		
Corporate bonds	-	2,096,968
Total investments at fair value	<u>\$ 6,117,026</u>	<u>\$ 5,530,550</u>

4. PARTY-IN-INTEREST TRANSACTIONS

The Plan investments are or were managed by UBS Financial Services, Inc. and P&A Group, LLC. P&A Group, LLC is the third party administrator and UBS Financial Services, Inc is the custodian. Therefore, these transactions qualify as party-in-interest transactions.

5. INCOME TAX STATUS

The Plan was amended and restated January 1, 2023 to a Non-standardized Pre-Approved Profit Sharing/ Money Purchase/ CODA Prototype Plan (the "Prototype Plan"). The Prototype Plan received an Opinion Letter from the IRS dated June 30, 2020 stating the Plan is acceptable under Section 401(a) of the Internal Revenue Code ("IRC") for use by employers for the benefit of their employees. Accordingly, no provision has been made for federal income taxes in the accompanying financial statements.

6. SUBSEQUENT EVENTS

The Plan was amended and restated effective January 1, 2024 to include employee election deferrals and discretionary employer matching deferrals. In addition, the Plan changed custodians and recordkeepers on January 1, 2024. In contemplation of the change in custodian, all Plan investments were liquidated into money market funds as of the December 31, 2023. The assets of the Plan were then transferred to the new custodian on January 2, 2024.
