INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
the Renaissance Lakewood, LLC. 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Renaissance Lakewood, LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Renaissance Lakewood, LLC 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Renaissance Lakewood, LLC 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Renaissance Lakewood, LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Renaissance Lakewood, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Renaissance Lakewood, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedules of assets held at year end are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

RENAISSANCE LAKEWOOD, LLC. 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Renaissance Lakewood, LLC. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions. The initial effective date of the plan adoption was January 1, 2016, with an elective deferral to start effective June 15, 2016. The Plan is a spin-off from the Renaissance 401(k) Plan and DPT Laboratories, Ltd. 401(k) Plan which was originally effective July 1, 2012. The plan was amended on April 26, 2017. The effective date of this amendment is April 1, 2017. Any participants laid-off between February 2, 2017 and March 10, 2017 have become 100% vested. In addition, vesting percentages were selected (see Note 1 *Vesting*).

General

The Plan is a defined contribution plan that covers substantially all employees of Renaissance Lakewood, LLC. who have completed one month of service and are age 18 or older. Certain employees of the company are members of a union that provides retirement benefits. Those employees are not eligible to participate in the Plan. Newly eligible participants and existing participants who are not contributing to the plan and have not made an election are to be automatically enrolled in the Plan once they have completed one month of service and are age 18 or older. The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974*, as amended (ERISA).

Contributions

The Company may, at its discretion, make a primary matching contribution of the participant's contribution, equal to a discretionary percentage, to be determined by the Company, of the participant's annual compensation, as defined by the plan. For 2023 the Company matched the participant's contribution to the lesser of 50% of deferrals or 5% of the participant's eligible compensation. Participants eligible to receive matching contributions are those that have completed 1,000 hours of service during the plan year, are age 18 or older, and are employed on December 31 for the plan year ended. Secondary profit-sharing amounts may be contributed at the option of the Company's management. No secondary profit-sharing amounts were made for 2023. The Company's contributions are subject to certain limitations.

Participants may elect to contribute up to the annual maximum amount allowed by the Internal Revenue Code (IRC). The Plan contains an automatic deferral feature in which the participant will be automatically entered into the Plan, once eligible, at a contribution rate of 6% of compensation, as defined by the Plan. If participants do not choose a different percentage, the percentage will be automatically increased each July 1 by 1% up to a maximum of 10%. Participants can make an election not to participate, or to choose a different percentage deferral. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified retirement plans.

Participant Accounts

Participants may direct the investment of their contributions into various fund options offered by the Plan. Participants may change their investment options in accordance with Participant Direction Procedures as established by the Plan administrator. If a participant is automatically enrolled, the Plan includes a qualified default investment alternative. Company contributions are allocated to the participant's investment options in the same manner as that of the participant's elective contributions.

Each participant's account is credited with the participant's contribution(s) and allocation of the Company's contribution(s), Plan earnings and administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions and actual earnings thereon. Vesting in the Company's contribution portion of their accounts are vested immediately as of January 1, 2023.

RENAISSANCE LAKEWOOD, LLC. 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS

Participant Loans Receivable

Participants may borrow from their fund accounts. The Plan administrator shall be authorized to establish a participant loan program to provide for loans under the plan. The loan program shall be established in accordance with Department of Labor Regulation section 2550.408(b)-1(d)(2) providing for loans by the Plan to parties-in-interest under said Plan, such as participants or beneficiaries. The loans are secured by the balance in the participant's account and bear interest, as determined by the Plan administrator. Principal and interest are paid via payroll deductions.

Loans receivable from participants are measured at their unpaid principal balance plus accrued unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed as incurred. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit distribution payment is recorded.

Excess Contribution Payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service are recorded as a liability with a corresponding reduction to contributions. The Plan had no excess contributions payable at December 31, 2023.

Payment of Benefits

Upon termination of service, a participant may elect to receive a lump-sum distribution equal to the value of the participant's interest in their account, substantially equal installments, or partial withdrawals as determined by the plan. Any balance under \$5,000 is automatically paid out as is practical. In-service and hardship withdrawals are available in certain circumstances as defined by the Plan.

Forfeitures

Participant forfeitures of non-vested balances will be used to reduce any future employer contributions and pay the expenses of the Plan. During 2023 there were \$0 unallocated forfeitures applied. In the event there are no employer contributions or Plan expenses for which the forfeitures can be used, the forfeitures are allocated to the participants per the Plan agreement.

Administrative Expenses

Administrative expenses may be paid out of the Plan assets unless they are paid by the Plan sponsor. Loan administration fees are to be paid by the loan participant.

Termination of Plan

The employer shall have the right at any time to terminate the Plan by delivering to the trustee and plan administrator written notice of such termination. Upon any full or partial termination or upon the discontinuance of the employer's contributions to the Plan, all amounts credited to the affected Participant's combined accounts shall become 100% vested and shall not be subject to forfeiture.

NOTE 2 - Summary of Significant Accounting Policies

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results may differ from those estimates.

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

RENAISSANCE LAKEWOOD, LLC. 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be recognized to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Payments of Benefits

Benefits are recorded when paid.

NOTE 3 - Information Certified and Provided by Principal Life Insurance Company

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-5(c) of the United States Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Principal Life Insurance Company ("Principal"), the custodian, has certified the following information included in the accompanying financial statements and supplemental schedule:

- Investments and loans receivable from participants, as shown in the statement of net assets available for benefits and related disclosures as of December 31, 2023
- Investment income and interest income on loans receivable from participants, as shown in the statement of changes in net assets available for benefits for the years ended December 31, 2023
- Investment information included in the accompanying schedule of assets (held at end of year) as of December 31, 2023

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

NOTE 4 - Fair Value Measurements

The Financial Accounting Standards Board (FASB)'s Accounting Standards Codification (ASC), ASC 820 *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB's ASC 820, *Fair Value Measurements and Disclosures*, are as follows:

- **Level 1:** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

RENAISSANCE LAKEWOOD, LLC. 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS

- **Level 2:** Inputs to the valuation methodology include:
 - o Quoted prices for similar assets or liabilities in active markets
 - o Quoted prices for identical or similar assets or liabilities in inactive markets
 - o Inputs other than quoted prices for the asset or liability that are observable
 - o Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means
 - o If the asset or liability has a specified term, Level 2 inputs must be observable for substantially the full term of the asset or liability
- **Level 3:** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques that are used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value: Pooled separate accounts are primarily valued at NAV per share based on quoted market prices of underlying investments.

The valuation methodology used for the assets measured at fair value is pooled separate accounts – primarily valued at NAV per share based on quoted market prices of the underlying investments.

The method above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments may result in a different fair value measurement at the reporting date.

The following sets forth additional disclosures of the Plan's investments whose fair value is estimated using NAV per share (or its equivalent) as of December 31, 2023:

	<u>Fair Value</u>	<u>Unfunded Commitment</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Common Trusts & Registered Investment Companies	\$44,461,769	\$-0-	Immediate	None

RENAISSANCE LAKEWOOD, LLC. 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS

NOTE 5 - Party-In-Interest Transactions

Certain Plan investments are managed by Principal. Principal is the custodian, as defined by the Plan and; therefore, these investments qualify as party-in-interest transactions. The Plan sponsor paid certain administrative expenses related to the Plan for the year ended December 31, 2023.

NOTE 6 - Tax Status

Accounting principles generally accepted in the United States of America require Plan management to evaluate certain tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no tax examinations for any tax period in progress.

The Plan was restated for the 2021 plan year. While the restated Plan document does not have a determination letter from the IRS, the Plan management believes that the Plan is currently designed and operated in compliance with the applicable requirements of the IRC, and the Plan continues to be tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTE 7 - Risks and Uncertainties

The Plan invests in various types of investments. Investments are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 8 - Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 at the year ended December 31, 2023:

Net assets available for benefits per the financial statements	<u>\$44,461,769</u>
Net assets available for benefits per Form 5500	<u>\$44,461,769</u>

The following is a reconciliation of the net increase in net assets available for benefits per the financial statements to Form 5500 for the year ended December 31, 2023:

Net (decrease) net assets available for benefits per the financial statements	<u>\$7,797,503</u>
Net Income (Loss) per Form 5500	<u>\$7,797,503</u>
