(1) Name: **ANDERS MINKLER HUBER HELM LLP**

(2) EIN: **43-0831507**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) ☐ This form is filed for a CCT, PSA, DCG or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		☒	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		☒	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		☒	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		☒	
e Was this plan covered by a fidelity bond?	☒		20000000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		☒	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	☒		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)	☒		
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?		☒	
l Has the plan failed to provide any benefit when due under the plan?		☒	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)		☒	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.		☒	

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☐ Yes ☒ No
If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.

Independent Auditors' Report

Board of Trustees

Local 257, International Brotherhood of Electrical Workers Pension Benefit Trust Fund

St. Louis, Missouri

Opinion

We have audited the accompanying financial statements of Local 257, International Brotherhood of Electrical Workers Pension Benefit Trust Fund (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2023 and 2022, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule of Assets (Held at End of Year) and Schedule of Reportable Transactions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Additional Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The additional Schedules of Administrative Expenses are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. In our opinion, the additional information is fairly stated in all material respects in relation to the financial statements as a whole.

1. Plan Description

The following description of Local 257, International Brotherhood of Electrical Workers ("IBEW") Pension Benefit Trust Fund (the "Plan") provides only general information. Participants of the Plan should refer to the plan document and summary plan description for a more complete description of the Plan's provisions.

General

The Plan is a multiemployer defined contribution profit sharing plan. The Plan was established March 1, 1980, pursuant to a collective bargaining agreement ("CBA") between IBEW Local No. 257 or 350 (the "Unions") and the Central Missouri Division of the St. Louis Chapter, National Electrical Contractors Association, Inc. ("NECA"), which represents the participating employers (the "Employers") to provide pension, death and disability benefits to eligible participants and beneficiaries. The Plan is subject to the provisions of the Employer Retirement Security Act of 1974 ("ERISA"), as amended.

Administration of the Plan is the responsibility of the Board of Trustees ("Trustees") and is governed by a joint board consisting of equal representation from the Employers and the Unions.

Effective April 1, 2022, Empower Annuity Insurance Company of America ("EAICA"), formerly known as Great-West Life & Annuity Insurance Company, the parent company of Empower Retirement, LLC acquired the full-service retirement business of Prudential Financial, Inc.. In connection with the transaction, EAICA acquired all shares of the following entities, which are no longer affiliated with Prudential Financial, Inc.: Prudential Retirement Insurance and Annuity Company; Prudential Bank & Trust, FSB; Global Portfolio Strategies, Inc.; TBG Insurance Services Corporation; MC Insurance Agency Services, LLC; and Mullin TBG Insurance Agency Services, LLC. On October 3, 2022, Prudential Retirement Insurance and Annuity Company was renamed Empower Annuity Insurance Company, and is now considered the recordkeeper of the Plan.

Eligibility

An employee becomes a participant in the Plan by working under a CBA or other written Employer agreement requiring Employer contributions to the Plan for hours worked.

**Local 257, International Brotherhood of Electrical
Workers Pension Benefit Trust Fund
Notes to Financial Statements
December 31, 2023 and 2022**

Employers' Contributions

Contributions to the Plan are made in accordance with the CBAs with Employers. Contributions are based on various hourly contribution rates for each participant's hours of service. For work performed in Local No. 257, the contribution rate ranged between \$4.76 and \$5.00 per hour worked for the year ended December 31, 2023 and \$4.50 and \$4.76 per hour worked for the year ended December 31, 2022. For work performed in Local No. 350, the Employers contribute to the IBEW 257 - NECA Receiving Trust an amount equal to 25% of gross wages for commercial work and 10% of gross wages for residential work with \$2 per clock hour for commercial work and \$1 per clock hour for residential work transferred to the IBEW 257-NECA Income Security Fund (the "Income Security Fund") and the remaining portion transferred to the Plan. Participants are not allowed to contribute to the Plan.

Employer Contributions Through Receiving Trust

The CBA provides that when a participant in the Income Security Fund accumulates 6,000 credits, future Employer contributions to that fund are to cease until such time as the participant has less than 6,000 credits. Instead, the stated contribution is to be made to this Plan by the Employer. The stated Employer contribution is transmitted to the IBEW-257 NECA Income Security Fund Receiving Trust (the "Receiving Trust"). IBEW-NECA Service Center (the "Service Center"), as agent for the Employers, directs such Employer contribution either to the Income Security Fund or to this Plan, in keeping with that provision in the CBA.

Participant Accounts

Each participant's account is credited with Employer contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings or account balances, as defined in the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. The administrative expenses are applied separately to participant accounts on a monthly basis.

Vesting and Forfeitures

Each participant is 100% vested in the full amount of their individual account, subject to the periodic adjustment based on income, expenses and the fair market value of assets. Amounts may be forfeited if certain criteria are met, as described in the summary plan description. Forfeited amounts may be used to reduce Plan expenses. At December 31, 2023, forfeited accounts totaled \$125,053.

**Local 257, International Brotherhood of Electrical
Workers Pension Benefit Trust Fund
Notes to Financial Statements
December 31, 2023 and 2022**

Pension Benefits

Under the Plan, participants who attain the age of 62 and are no longer working under the terms of the CBA, are entitled to the pension benefit accumulated in their accounts. Participants may elect to receive their individual account balance as a lump sum, monthly installments, annuity or permissive withdrawals. Participants, who have attained the age of 59 ½ and are no longer working under the terms of the CBA, are entitled to a monthly retirement benefit of up to 1% of the pension benefit accumulated in their accounts until attaining the age of 62.

Death and Disability Benefit

If a participant dies before their pension starting date, the benefit will be paid to their beneficiary based on the balance of the participant's account less any benefit due to a surviving spouse if the participant is married. Active participants are entitled to payment of a permanent disability benefit upon finding of permanent and total disability which the Trustees find is sufficient evidence of such condition. The benefit, based upon the participant's individual account balance, will be paid in the same forms under the same procedures applicable to normal retirement benefits, as described above.

Participant-Directed Program

The Plan offers a participant-directed investment program ("Choice Program"). Participants may elect to change their investment mix in the Choice Program daily, both for existing and for future contributions.

Automatic Payout

If a participant's account remains inactive for a period of six months and has a balance at the end of that period less than the amount determined by the Internal Revenue Code ("IRC"), the Trustees may close the account without prior consent from the participant. Participants with such accounts are notified of the inactive status and the intent to close the accounts one month prior to the closing of the accounts and distribution of the money. When the account is closed, the participant receives their accumulated pension benefit in a lump sum amount.

Plan Withdrawal

If a participant has ceased to work in the electrical industry within the geographic jurisdiction of the Unions for a period of two consecutive years, such participant may be eligible for a distribution of their account balance upon approval of the Trustees.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan have been prepared in accordance with the provisions of the Financial Accounting Standards Board ("FASB"), Accounting Standards Codification (the "FASB ASC"), which is the source of authoritative, non-governmental accounting principles generally accepted in the United States of America ("GAAP"). All references to authoritative accounting guidance contained in our disclosures are based on the general accounting topics within the FASB ASC.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan invests in the Empower Guaranteed Income Fund ("GIF") investment contract provided through a group annuity contract issued by Empower. The GIF is a stable value investment with a guaranteed rate of return and a guarantee of principle that is backed by the Empower general investment account. Withdrawals and/or transfer transactions are made at contract value for plan benefit events and investment transfers initiated by participants. Thus, this contract is considered benefit responsive and is reported in the financial statements at contract value, because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan.

Investments, other than the GIF, are reported at fair value. Fair value is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Fair Value Measurements

The Plan follows guidance issued by the FASB on fair value measurements, which establishes a framework for measuring fair value, clarifies the definition of fair value within that framework, and expands disclosures about the use of fair value measurements. This guidance applies whenever fair value is the applicable measurement. The three general valuation techniques used to measure fair value are the market approach, cost approach, and income approach.

**Local 257, International Brotherhood of Electrical
Workers Pension Benefit Trust Fund
Notes to Financial Statements
December 31, 2023 and 2022**

Employer Contributions Receivable

Employer contributions receivables represent Employer contributions due to the Plan for hours worked prior to the end of the Plan year, but not yet received by year-end. Employer contributions receivables are carried at reported amounts, net of an estimate made for credit losses. Management estimates the allowance for credit losses by regularly evaluating individual Employer receivables and considers an Employer's financial condition, payment history, and current economic conditions. Employer contributions receivables are written off when deemed uncollectible. Management is of the opinion that no allowance is necessary as of December 31, 2023 or 2022.

Employer contributions are due by the 15th of the month following the month hours are worked. Contributions not received by the 15th of the month are considered past due.

Payments of Benefits

Benefit payments to participants or their beneficiaries are recorded when paid.

Administrative Expenses

The Plan permits the payment of Plan expenses from Plan assets. Expenses incurred in connection with the general administration of the Plan are recorded as deductions in the accompanying statements of changes in net assets available for benefits. The Plan shares certain administrative expenses with other related plans. In computing these allocated costs, various factors are considered, including the time spent, space used, costs incurred, and volume of transactions relating to the Plan in relation to the other plans. Participants pay a monthly service charge to the Plan for administrative expenses. The service charge is allocated to the participants account based on the balances of the investments held.

Reclassifications

Certain amounts in the 2022 financial statements have been reclassified to conform to the current year presentation.

Subsequent Events

The Plan has evaluated subsequent events through October 8, 2024, the date the financial statements were available to be issued.

**Local 257, International Brotherhood of Electrical
Workers Pension Benefit Trust Fund
Notes to Financial Statements
December 31, 2023 and 2022**

3. Change in Accounting Principal

Effective January 1, 2023, the Plan adopted ASU 2016-13, *Financial Instruments - Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments*, as amended. FASB ASC 326 replaces the incurred loss methodology with an expected loss methodology that is referred to as the current expected credit loss ("CECL") methodology. CECL requires an estimate of future credit losses for the remaining estimated lives of financial assets based on relevant information about historical experience, current conditions, and reasonable and supportable financial forecasts that affect the collectibility of the reported amounts. The measurement of expected credit losses under CECL is applicable to financial assets measured at amortized cost. Such assets are presented at the net amount expected to be collected over their remaining contractual lives using an allowance for credit losses. The adoption of FASB ASC 326 resulted in no change in the allowance from credit losses.

4. Investment Contract

The Plan has entered into a fully benefit-responsive investment contract with Empower (the "issuer"). Empower maintains the contributions in its general account. The account is credited with contributions and interest and is charged for participant withdrawals and fees. The issuer of the contract is contractually obligated to repay the principal and specified rate of return that is guaranteed to the Plan.

As described in Note 2, because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value, as reported to the Plan by Empower, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. However, transfers to competing fixed income investments are not allowed.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include but may not be limited to the following: (1) the complete or partial termination of the Plan; or (2) the establishment or activation of, or material change in, any Plan investment fund, or an amendment to the Plan or a change in the administration or operation of the Plan, including the removal of a group of employees from Plan coverage as a result of the sale or liquidation of a subsidiary or division or as a result of group layoffs or early retirement programs. Management believes that no events are probable of occurring that might limit the Plan's ability to transact at contract value with the contract issuer, or that also would limit the ability of the Plan to transact at contract value with the participants.

**Local 257, International Brotherhood of Electrical
Workers Pension Benefit Trust Fund
Notes to Financial Statements
December 31, 2023 and 2022**

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such employer-initiated events include (1) layoffs; (2) a sale of a business unit; (3) a company merger; and (4) a change in the stable value option offered under the Plan. These are considered market value events and are subject to the issuer's liquidity provisions outlined in the contract.

The Plan does not own the underlying assets of a traditional investment contract. With traditional investment contracts, the Plan owns only the contract itself. Traditional investment contracts are designed to accrue interest based on crediting rates established by the contract issuers.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The balance of this investment at December 31, 2023 and 2022 was \$10,620,567 and \$8,302,617, respectively. Under the contract, interest is credited on a daily basis based on the daily equivalent of the annual effective crediting rate ("daily factor"), which is applicable on such balances. Empower assumes market, credit, and interest rate risks for the assets supporting the GIF.

5. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy which prioritizes the inputs to valuation techniques used to measure fair value into Levels 1, 2, and 3. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

- | | |
|---------|---|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical instruments in active markets. |
| Level 2 | Inputs to the valuation method to include quoted prices for similar instruments in active markets, quoted prices for identical or similar instruments in inactive markets, inputs other than quoted prices that are observable for the instrument, or inputs that are derived principally from or corroborated by observable market data by correlation or other means. |
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement. |

The instruments' fair value measurement levels within the fair value hierarchy are based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used should maximize the use of observable inputs and minimize the use of unobservable inputs.

**Local 257, International Brotherhood of Electrical
Workers Pension Benefit Trust Fund
Notes to Financial Statements
December 31, 2023 and 2022**

Following is a description of the valuation methodologies used for instruments measured at fair value.

Level 1 investments consist of registered investment companies (mutual funds). Mutual funds are recorded at the daily closing price recorded by the fund at year end. These are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Investments also include common collective trust funds and pooled separate accounts. The common collective trusts are valued at the NAV of shares of the bank collective trusts held by the Plan at year-end. The NAV is based on the fair value of the underlying investments held by the trusts. The pooled separate accounts are directly invested in mutual funds, equity securities, or fixed maturity securities. These securities are valued at the NAV based on the observable underlying investments. The NAVs are used as the practical expedient to estimate fair value.

The fair value of investments are measured as of December 31, as follows:

2023				
	Total	Fair Value Measurements Level 1	Level 2	Level 3
Registered investment companies	\$ 100,906,256	\$ 100,906,256	\$ -	\$ -
Total assets in fair value hierarchy	100,906,256	\$ 100,906,256	\$ -	\$ -
Investments measured at NAV	<u>79,036,233</u>			
	<u>\$ 179,942,489</u>			
2022				
	Total	Fair Value Measurements Level 1	Level 2	Level 3
Registered investment companies	\$ 88,293,479	\$ 88,293,479	\$ -	\$ -
Total assets in fair value hierarchy	88,293,479	\$ 88,293,479	\$ -	\$ -
Investments measured at NAV	<u>64,198,405</u>			
	<u>\$ 152,491,884</u>			

In accordance with Subtopic 820-10, certain investments that were measured at NAV per share have not been classified in the fair value hierarchy. The fair value amounts presented in the tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Investments measured at fair value based on NAV per share as a practical expedient as of December 31, are as follows:

6. Related Party and Transactions

The Service Center, a related party, was established to administer benefit funds professionally for the benefit of IBEW members. Fees paid during the year for administrative services rendered by the Service Center represent the Plan's portion of expenses allocated to all funds serviced by the Service Center.

Total expenses allocated to the Plan and paid to the Service Center amounted to \$120,926 and \$107,319 for the years ended December 31, 2023 and 2022, respectively.

As of December 31, 2022, \$12,132 was due from the Service Center for reallocation of shared expenses.

December 31, 2023 and 2022**

As of December 31, 2023, \$194,340 was due from Electricians' Salary Deferral Plan of Local No. 1 International Brotherhood of Electrical Workers for reimbursements of transfers made.

The Plan paid certain expenses related to Plan operations and investment activity to various service providers. These transactions are party in interest transactions under ERISA.

7. Related Party Transactions - IBEW 257-NECA Income Security Fund Receiving Trust

Employer contributions are deposited into the Receiving Trust as they are received. At month-end close, contributions and interest earned, net of any service charges on the Receiving Trust bank account, are transferred to the Plan for all participants who have reached the 6,000 credit maximum. For those participants who have not reached the maximum, contributions are transferred to the Income Security Fund.

Contributions received on behalf of participants of the Income Security Fund amounted to \$3,361,504 and \$3,097,020 during 2023 and 2022, respectively. Amounts to be received for primarily December contributions which are included in Employer contributions receivable at December 31, 2023 and 2022, amounted to \$283,600 and \$248,472, respectively.

8. Plan Amendments

In April 2022, the Trustees approved an amendment to the Trust Agreement to change the starting date of required minimum distributions as required by the SECURE Act.

In April 2022, the Trustees approved an amendment to the Trust Agreement to clarify how the Plan handles payments to multiple second beneficiaries.

9. Plan Termination

Although they have not expressed any intent to do so, the Trustees have the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event the Plan terminates, the net assets of the Plan will be distributed to the participants based upon their respective account balances. Participant accounts would be proportionately adjusted for any gains and losses and final expenses before distribution. Plan benefits are not insured by the Pension Benefit Guaranty Corporation.

10. Tax Status of Plan

The Internal Revenue Service has determined and informed management by a letter dated March 6, 2015, that the Plan and related trust are designed in accordance with the applicable sections of the IRC. The Plan has been amended since receiving the determination letter. The Trustees believe that the Plan is currently designed, and is being operated in compliance with the applicable requirements of the IRC and, therefore believe that the Plan is qualified and the related trust is tax-exempt.

In accordance with GAAP, management is required to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authorities. Management has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements. Management believes the Plan is no longer subject to income tax examinations for years prior to 2020. The Plan is also subject to routine audits by the DOL, generally for six years after the statutory due date of the annual information return. There are currently no audits in progress for any tax periods.

11. Net Assets - USERRA Reserve

The Plan provides for a reserve to comply with the requirements of the Uniformed Services Employment and Reemployment Rights Act ("USERRA"). The USERRA Reserve is to be used to credit contributions to participants' accounts for employees returning from military service. To the extent that the reserve is not needed for such purposes, it may be applied to pay for administrative services or other obligations of the Plan as determined by the Trustees. The USERRA Reserve is funded from \$0.01 of each hourly contribution made to the Plan.

The balance in the USERRA Reserve account as of December 31, is as follows:

	<u>2023</u>	<u>2022</u>
Beginning Balance	\$ 138,451	\$ 149,302
Earnings	<u>22,792</u>	<u>(10,851)</u>
Ending Balance	<u>\$ 161,243</u>	<u>\$ 138,451</u>

**Local 257, International Brotherhood of Electrical
Workers Pension Benefit Trust Fund
Notes to Financial Statements
December 31, 2023 and 2022**

The balance and the annual activity in this USERRA Reserve are accounted for separately by the Service Center. However, the above balance is included in the overall net assets available for benefits as presented in the Plan's financial statements.

The components of net assets available for benefits consist of:

	<u>2023</u>	<u>2022</u>
Net Assets - Unallocated	\$ 191,814,326	\$ 161,351,851
Net Assets - USERRA Reserve	<u>161,243</u>	<u>138,451</u>
Total Net Assets	<u>\$ 191,975,569</u>	<u>\$ 161,490,302</u>

12. Risks and Uncertainties

Concentrations of Credit Risk

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect the amounts reported in the statements of net assets available for benefits.

Contributions

The majority of receivables are from electrical contractors primarily located in or working in central Missouri. The Plan generally does not require collateral, but in some cases can require a performance bond.
