## **Independent Auditors' Report**

To the Retirement Committee  
Dismas Charities, Inc. Retirement Plan  
Louisville, Kentucky

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of Dismas Charities, Inc. Retirement Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Dismas Charities, Inc. Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Dismas Charities, Inc. Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Dismas Charities, Inc. Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Dismas Charities, Inc. Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Dismas Charities, Inc. Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedule Required by ERISA**

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **DISMAS CHARITIES, INC. RETIREMENT PLAN**

### **NOTES TO FINANCIAL STATEMENTS**

#### **Note 1. Description of Plan**

The following description of the Dismas Charities, Inc. Retirement Plan provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

##### **General:**

The Plan is a defined contribution profit sharing plan sponsored by Dismas Charities, Inc. (Employer) covering substantially all employees of Dismas Charities, Inc. who are age twenty-one or older and have completed one year of employment consisting of at least 1,000 hours in that one year period. Employees may join the plan on the first day of the first or seventh month of the plan year coinciding with or next following the date an employee satisfies the eligibility requirements.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Directors is responsible for the oversight of the Plan. The Retirement Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Board of Directors.

##### **Contributions:**

The Plan is funded by discretionary employer contributions determined annually by action of the Board of Directors of Dismas Charities, Inc. Participants are not eligible to make deferral contributions to the Plan. However, participants may make rollover contributions from an eligible retirement plan. Participants direct the investment of the employer contributions into various investment options offered by the Plan. Contributions are subject to certain IRS limitations.

##### **Participant accounts:**

Employer contributions are credited to the participant's account based on a two-tiered integrated allocation formula as described in the plan agreement. The participant's account equals the current value of (a) the Employer's contributions, (b) plan earnings, and (c) forfeitures of terminated participants' non-vested accounts. In addition, each participant's account is charged with an allocation of administrative expenses. Expense allocations are based on participant account balances, as defined in the plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

## NOTES TO FINANCIAL STATEMENTS

### **Vesting:**

Vesting in the employer discretionary contributions and earnings on those contributions is based on the years of service as outlined in the following table:

| <u>Years of Service</u> | <u>Percent of Non-Forfeitable Interest</u> |
|-------------------------|--------------------------------------------|
| Less than 2             | 0%                                         |
| 2                       | 20%                                        |
| 3                       | 40%                                        |
| 4                       | 60%                                        |
| 5                       | 80%                                        |
| 6                       | 100%                                       |

Participants will also become fully vested if employed on or after the normal retirement age, becoming disabled, or upon death.

### **Forfeited accounts:**

Forfeitures may be used to pay plan expenses or allocated as an additional discretionary nonelective contribution. In 2023 and 2022, forfeitures of \$246,838 and \$362,084 were allocated to eligible participants. At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$251,903 and \$286,087, respectively, and are available for future expense payment or contribution allocation.

### **Payment of benefits:**

On termination of service, a participant with a vested balance that exceeds \$5,000 may elect to receive either a lump-sum amount equal to the accrued value of his or her account to date, or the participant may elect to receive substantially equal installment payments. A participant whose vested account does not exceed \$5,000 will be paid a lump sum.

The Plan permits hardship withdrawals from the participant's vested account balance and actual earnings thereon for purposes as defined in the plan agreement. Participants who are at least 59 ½ may also withdraw from their vested account balance.

### **Note 2. Summary of Significant Accounting Policies**

This summary of significant accounting policies of the Plan is presented to assist in understanding the Plan's financial statements. The financial statements and notes are representations of the Plan's management who is responsible for the integrity and objectivity of the financial statements. These accounting policies conform to accounting principles generally accepted in the United States of America and have been consistently applied in the preparation of the financial statements.

## **NOTES TO FINANCIAL STATEMENTS**

### **Basis of accounting:**

The financial statements of the Plan are prepared on the accrual basis of accounting.

### **Use of estimates:**

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

### **Investment valuation and income recognition:**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Retirement Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

### **Payment of benefits:**

Benefits are recorded when paid.

### **Expenses:**

Certain administrative expenses of maintaining the Plan are paid directly by the Employer and are excluded from these financial statements. Fees related to the administration of distributions and investments are charged directly to the participant's account and are included in administrative expenses.

### **Contributions:**

Contributions from the Employer are recorded in the year in which the participant compensation is earned.

### **Subsequent events:**

The Plan has evaluated subsequent events through October 11, 2024, the date the financial statements were available to be issued.

## NOTES TO FINANCIAL STATEMENTS

### **Note 3. Certified Investments**

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2023 and 2022, net appreciation (depreciation) in fair value of investments and interest and dividends for the years ended December 31, 2023 and 2022, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Empower Trust Company, LLC, the trustee of the Plan as of December 31, 2023 and 2022.

### **Note 4. Fair Value Measurements**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described as follows:

- Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 – Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active or inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Assets have been valued using a market approach. Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual funds – valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The funds held by the Plan are deemed to be actively traded.

## NOTES TO FINANCIAL STATEMENTS

Common/collective trust fund - valued at the net asset value (NAV) of units held. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the contract value of the underlying investments held by the fund less its liabilities. The underlying investments of the trust are mostly synthetic guaranteed investment contracts or insurance separate account contracts that typically include portfolios of fixed income securities or units in other fixed income collective trusts. The incremental value of the contract itself is based on issuer ratings as determined by credit ratings, which are published by the rating agencies and the present value of the change in each contract's replacement cost.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023 and 2022:

|                              | 2023                |                     |

| Total assets at fair value   |                     | <u>\$37,465,388</u> |

### **Investments Measured Using Net Asset Value per Share Practical Expedient:**

The common/collective trust fund has no unfunded commitments and can be redeemed daily, with a 90 day redemption notice period, without specific terms or conditions at the underlying investments' net asset value. The NAV is updated daily.

## NOTES TO FINANCIAL STATEMENTS

### **Note 5. Related Party Transactions and Party in Interest Transactions**

Certain plan investments are shares of mutual funds and units of a common/collective trust managed by Empower Advisory Group, LLC, investment manager. Empower Annuity Insurance Company of America is the record keeper, Fifth Third Bank is the investment advisor, and Empower Trust Company, LLC is the trustee of the Plan. Transactions with these entities qualify as party-in-interest transactions. Administrative fees paid by the Plan to the investment manager, record keeper and investment advisor, for administration of distributions, other plan operations, and investment management were \$255,880 and \$246,113 for the years ended December 31, 2023 and 2022, respectively. The Employer pays directly any other fees related to the Plan's operations.

The Plan may receive revenue from mutual fund service providers for services the Plan provides to the funds. This revenue is used to offset certain administrative expenses. No revenue was included in other income during the year ended December 31, 2023. Revenue of \$5,877 was included in other income during the year ended December 31, 2022.

Certain administrative functions are performed by officers or employees of the Employer. No officer or employee receives compensation from the Plan.

### **Note 6. Plan Termination**

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, the participants would become 100% vested in their employer contributions.

### **Note 7. Income Tax Status**

The Plan is a prototype plan offered by Empower Retirement LLC. The volume submitter prototype plan obtained its latest opinion letter on November 14, 2022, in which the Internal Revenue Service stated that the volume submitter plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan's previous opinion letter was dated March 31, 2014. No provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Employer has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Management has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the accompanying financial statements.

The Plan is subject to routine audits by taxing jurisdictions. The IRS is examining the Plan for the year ended December 31, 2020.

## NOTES TO FINANCIAL STATEMENTS

### **Note 8. Risks and Uncertainties**

The Plan invests in various securities held by Empower Advisory Group, LLC. Investment securities are exposed to various risks, such as interest rate, market and credit risks.
