INDEPENDENT AUDITOR'S REPORT

Plan Trustee and Investment Committee
Anthros, Inc. Retirement Savings Plan
Winter Park, Florida

Opinion

We have audited the accompanying financial statements of Anthros, Inc. Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

In our opinion, the financial statements referred to in the first paragraph present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2023 and 2022, and the changes in its net assets available for benefits for the year ended December 31, 2023, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) as of December 31, 2023 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of the Plan's management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the supplemental schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 1 - DESCRIPTION OF PLAN

The following description of Anthros, Inc. Retirement Savings Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan, which was established on May 15, 2014, and subsequently amended, is classified as a multiple-employer defined-contribution plan, covering employees, except those covered by a collective bargaining agreement, of Anthros, Inc. (the “Plan Sponsor”) and other adopting employers. The Plan Sponsor is a Professional Employer Organization. The Plan provides for certain variable features to be specified by the adopting employers. The Plan Sponsor and the adopting employers are collectively referred to as “Employer.” Adopting employers and their effective dates of adoption of the Plan are as follows:

** Not an active participating employer during 2023.*

NOTE 1 - DESCRIPTION OF PLAN *(Continued)*

General *(Continued)*

Employees of the Plan Sponsor and participating employers are generally eligible to participate in the Plan after attaining the age of 18 or 21 and three months, six months, or one year of service, as defined by the respective adopting employer's adoption agreement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Investment Committee is responsible for overseeing the Plan, determining the appropriateness of the Plan's investment offerings, and monitoring investment performance.

Contributions

Each year, participants may contribute a percentage of their pre-tax or after-tax (Roth) annual compensation, as defined, up to amounts allowed under the Internal Revenue Code ("IRC"). Some of the participating employers adopted Safe Harbor provisions where the respective participating employers will make Safe Harbor matching contributions. In addition, certain participating employers may also make discretionary matching contributions, or profit-sharing contributions.

Participant Accounts

Under the Plan, a separate account is maintained for each participant. Each participant's account is credited with the participant's contribution and allocations of the participating employer's contribution, if any, and investment earnings and charged with an allocation of administrative expenses. Allocations are based upon participant earnings or account balances. The benefit to which a participant is entitled is the benefit that can be provided from the vested participant's account.

Investment Options

Upon enrollment in the Plan, participants may elect to have their employee and employer contributions, and related earnings thereon, allocated to and invested in the securities of one or more registered investment companies offered by the Plan.

Vesting

Participants are immediately vested in their voluntary contributions, plus actual earnings thereon. Vesting in the remainder of their accounts is based on the specific provisions elected by the respective adopting employer, ranging from immediate vesting to six-year gradual vesting.

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Forfeited Accounts

Forfeitures of terminated participants' non-vested accounts may be allocated to participants or used to reduce the underlying participating employer contributions otherwise payable for the Plan year in which such forfeitures arise, and for each succeeding Plan year, if necessary, until such forfeitures have been exhausted. At December 31, 2023 and 2022, the Plan had \$-0- and \$10,000 in forfeited, non-vested accounts, respectively. Approximately \$12,000 of forfeitures were used during the year ended December 31, 2023 to offset employer contributions.

Participant Notes Receivable

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000, or one-half of their vested account balance. The notes are collateralized by the balance in the participants' accounts and bear interest at a rate commensurate with local prevailing rates, as determined by the Plan administrator. Principal and interest is paid ratably through monthly payroll deductions.

Payment of Benefits

Upon the death, permanent disability, as defined in the Plan, or retirement of participants upon reaching the normal retirement age of 65, their entire account balances become fully vested. Distribution of benefits may be made in one lump-sum cash payment. Participants who terminate for reasons other than death, disability, or retirement are entitled only to their vested balances payable in a lump-sum distribution. Participants may also take in-service distributions from their accounts that are 100% vested upon reaching the age of 59½. There were no unpaid amounts allocated to participants who elected to withdraw from the Plan but had not yet been paid as of December 31, 2023 and 2022.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(Continued)*

Contributions

Contributions to the Plan are recorded in the period in which they become obligations of the underlying participating employer.

Transfers of Assets

Upon entry of adopting employers, Plan assets may be transferred from other defined-contribution plans. There were no transfers of assets into the Plan during the year ended December 31, 2023. Upon departure of adopting employers, Plan assets may be transferred to other defined-contribution plans. There were no transfers of assets out of the Plan during the year ended December 31, 2023.

Administration and Other Costs

Plan administration costs charged to the Plan for the year ended December 31, 2023 were approximately \$96,000. Certain other administration costs are paid by the participating employers. Investment fees, commissions, and related expenses are included in net appreciation (depreciation) in fair value of investments in these financial statements.

Investment Valuation and Income Recognition

The Plan's investments include registered investment companies and are stated at fair value. Investments held in registered investment companies are recorded at their reported net asset value ("NAV"), which is computed based on the estimated fair value of the funds' underlying securities, less any fund liabilities. Valuation methods used are based on quoted market prices.

Purchases and sales of marketable securities are reflected on a trade-date basis, and interest income is recorded as earned on an accrual basis. Dividends are recorded on the ex-dividend date.

The valuation methods used by the Plan may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Plan presents, in the statement of changes in net assets available for benefits, the net appreciation (depreciation) in fair value of its investments, which includes unrealized appreciation (depreciation) on those investments.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(Continued)*

Investment Risk

The Plan's investments are not insured and are subject to credit and market risks. Financial information relating to those investments is included in these financial statements based on information provided by National Financial Services, LLC, the Plan Custodian.

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities and due to related market volatility, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Participant Notes Receivable

Participant notes receivable are recorded at their unpaid principal balance, plus accrued but unpaid interest.

Payment of Benefits

Benefits are recorded when paid.

NOTE 3 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right, under the Plan, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 4 - INCOME TAX STATUS

The Plan is designed to be a qualified trust under Section 401 of the IRC and is subject to the provisions of ERISA. The Plan has adopted a volume submitter profit sharing plan prepared and maintained by Slavic Integrated Administration, Inc. d/b/a Slavic 401k.com. The adopted volume submitter plan received a favorable opinion letter, dated June 30, 2020, from the Internal Revenue Service. The Plan has been amended since receiving the opinion letter. The Plan administrator believes that the Plan, as amended, is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's accompanying financial statements.

NOTE 5 - FAIR VALUE MEASUREMENT

The fair value of financial instruments is presented based upon a hierarchy of levels that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The three levels of the fair value hierarchy, under Financial Accounting Standards Board Accounting Standards Codification 820-10, are described as follows:

- Level 1** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2** Inputs to the valuation methodology that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments recorded at fair value as of December 31, 2023:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Investments at fair value:				
Registered investment companies	<u>\$ 10,985,781</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 10,985,781</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's investments recorded at fair value as of December 31, 2022:

Investments at fair value:				
Registered investment companies	<u>\$ 8,763,411</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 8,763,411</u>

NOTE 6 - SUBSEQUENT EVENTS

In preparing these financial statements, the Plan Sponsor has evaluated events and transactions for potential recognition through August 29, 2024, the date the financial statements were available to be issued.
