The Richland Hospital, Inc., Tax Deferred Annuity Plan

Financial Statements and Supplemental Schedules

Year Ended December 31, 2023

WIPFLI

Independent Auditor's Report

Board of Directors
The Richland Hospital, Inc. Tax Deferred Annuity Plan
Richland Center, WI

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of The Richland Hospital, Inc. Tax Deferred Annuity Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of The Richland Hospital, Inc. Tax Deferred Annuity Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institutions").

Management has obtained certifications from qualified institutions as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- the information in the financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Richland Hospital, Inc. Tax Deferred Annuity Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Richland Hospital, Inc. Tax Deferred Annuity Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Richland Hospital, Inc. Tax Deferred Annuity Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Richland Hospital, Inc. Tax Deferred Annuity Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2023, and Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

The Richland Hospital, Inc. Tax Deferred Annuity Plan

Notes to Financial Statements

Note 1: Description of Plan

The following description of The Richland Hospital, Inc. Tax Deferred Annuity Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established for a not-for-profit organization, commonly known as a Code Section 403(b) savings plan. The Richland Hospital, Inc. (the "Hospital") is the Plan sponsor and is a not-for-profit corporation as described in Section 501(c)(3) of the Internal Revenue Code ("IRC"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

The Plan is intended to satisfy the requirements under Section 404(c) of ERISA and therefore provides that participants may choose to direct their contributions and/or all or part of their account balances among the Plan's investment alternatives. All investments are participant-directed.

Contributions

Each year, eligible participants may contribute up to 100% of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). The Hospital's contribution is discretionary. Contributions are subject to certain Internal Revenue Service ("IRS") limitations.

Effective January 1, 2023, the Hospital will contribute a 100% match of participant contributions, not to exceed 4% of participant's eligible compensation.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) the Hospital's contribution and (b) Plan earnings (losses). Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions, the Hospital's contributions, and actual earnings (losses) thereon.

Notes Receivable From Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The notes are secured by the balance in the participant's account and bear interest at rates ranging from 3.25% to 8.50%, which are commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest are paid ratably through payroll deductions.

The Richland Hospital, Inc. Tax Deferred Annuity Plan

Notes to Financial Statements

Note 1: Description of Plan (Continued)

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive either an amount equal to the value of the participant's vested interest in their account in either a lump sum amount, annual installments, or an annuity if their account balance is greater than \$5,000. For termination of service due to other reasons, the participant may receive the value of the participant's vested interest in their account in a single lump sum amount. If the participant's vested account balance does not exceed \$1,000, it will be distributed in a single lump sum payment. If a participant's vested account balance is between \$1,000 and \$5,000 and a participant does not elect a distribution method, the account will be rolled over to an Individual Retirement Account with Principal Life Insurance Company. In addition, hardship distributions out of the participant's voluntary contributions account are permitted if certain criteria are met. The Plan also allows for in-service distributions upon attaining age 59 1/2.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of the accompanying financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from these estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value except for the fully benefit-responsive investment contracts ("FBRICs"). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The FBRIC is reported at contract value, which is the amount participants would normally receive if they were to initiate permitted transactions under the terms of the Plan.

The Richland Hospital, Inc. Tax Deferred Annuity Plan

Notes to Financial Statements

Note 2: Summary of Significant Accounting Policies (Continued)

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. Delinquent participant notes receivable are recorded as benefit payments according to the terms of the Plan document.

Excess Contributions Payable

At December 31, 2023, amounts payable to the Plan totaling \$281,761 for excess employer contributions are recorded as a liability with a corresponding addition to distributions.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Hospital. Expenses that are paid by the Hospital are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are allocated proportionately to Plan participants based on their respective account balances and are included in net investment income.

Subsequent Events

The Plan has evaluated subsequent events through October 14, 2024, which is the date the financial statements were available to be issued.

Note 3: Fair Value Measurements

GAAP establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority level. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no Plan assets requiring the use of Level 3 inputs for the periods presented.

The Richland Hospital, Inc. Tax Deferred Annuity Plan

Notes to Financial Statements

Note 3: Fair Value Measurements (Continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2023 and 2022.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Mutual funds held in pooled separate accounts: Fair value is estimated using the NAV per unit by the issuer of the pooled separate accounts. Fair value is based on the fair value of underlying investments held by the pooled separate accounts.

The following tables set forth by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2023 and 2022. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement:

	Assets at Fair Value as of December 31, 2023			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 28,536,115	\$ -	\$ -	\$ 28,536,115
Mutual funds held in pooled separate accounts	-	379,117	-	379,117
Total investment assets at fair value	\$ 28,536,115	\$ 379,117	\$ -	\$ 28,915,232

	Assets at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 19,764,060	\$ -	\$ -	\$ 19,764,060
Mutual funds held in pooled separate accounts	-	317,467	-	317,467
Total investment assets at fair value	\$ 19,764,060	\$ 317,467	\$ -	\$ 20,081,527

Note 4: Fully Benefit-Responsive Investment Contract

The Plan invests in "FBRICs" with Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company ("Principal") and The Lincoln National Life Insurance Company ("Lincoln") in the form of guaranteed investment contracts ("GICs") with a fixed rate of interest. Principal and Lincoln maintain the contributions in a general account. The accounts are credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Principal and Lincoln are contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The GICs are carried at contract value. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Richland Hospital, Inc. Tax Deferred Annuity Plan

Notes to Financial Statements

Note 4: Fully Benefit-Responsive Investment Contract (Continued)

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer, but may not be less than 3%. Interest rates are reviewed periodically for resetting.

Certain events limit the Plan's ability to transact at contract value with Principal and Lincoln including Plan termination and other events as specified in the GIC. The Plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants or the issuer are probable of occurring. The GIC does not permit Principal and Lincoln to terminate the agreement prior to the scheduled maturity date.

Note 5: Information Prepared and Certified by the Custodians

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Certain information disclosed in the accompanying financial statements and supplemental schedule, including investments, FBRICs, and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2023, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Principal and Lincoln, the custodians of the Plan.

Note 6: Plan Termination

Although it has not expressed any intent to do so, the Hospital has the right under the Plan to discontinue its contributions and to terminate or partially terminate the Plan subject to the provisions of ERISA.

Note 7: Tax Status

The Plan adopted the Principal Life Insurance Company prototype non-standardized 403(b) plan with an IRS notification letter dated March 31, 2017, which states prototype plan is designed in accordance with the applicable sections of the IRC. Plan management believes the Plan is currently designed and operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

Note 8: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The Richland Hospital, Inc. Tax Deferred Annuity Plan

Notes to Financial Statements

Note 9: Related-Party Transactions and Party-in-Interest Transactions

Certain Plan investments are managed by Principal and Lincoln. Principal and Lincoln are the custodians and recordkeepers, as defined by the Plan, and therefore these transactions qualify as party-in-interest transactions. Fees incurred and paid by the Plan to Principal for recordkeeping services were \$88,757 for the year ended December 31, 2023. Fees for investment management services during the Plan year ended December 31, 2023, were offset against earnings.

Notes receivable from participants also qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules of ERISA.

Note 10: Prohibited Transactions

Under DOL Reg. 2510.3-102(b), the Plan is required to remit the employee contributions to the Plan at the earliest date such amounts can be reasonably segregated from the Plan's general assets, but no later than the fifteenth business day of the month following the date that participant contributions are withheld by the Plan. As reported on Schedule H, Line 4a - Schedule of Delinquent Participant Contributions, certain contributions for payrolls during the Plan year ended December 31, 2023, totaling \$245, were remitted outside the 15-day requirement. This transaction constitutes a prohibited transaction as defined by ERISA.

Note 11: Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2023 to Form 5500:
