Independent Auditor's Report

Board of Directors
The Richland Hospital, Inc. Money Purchase Plan
Richland Center, WI

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of The Richland Hospital, Inc. Money Purchase Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 (in liquidation) and December 31, 2022 (ongoing), and the related statement of changes in net assets available for benefits for the year ended December 31, 2023 (in liquidation) and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of The Richland Hospital, Inc. Money Purchase Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Richland Hospital, Inc. Money Purchase Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter

As described in Note 1 to the financial statements, on August 28, 2023, the Plan was formally amended to terminate the Plan effective August 30, 2023. In accordance with GAAP, the Plan changed its basis of accounting from the going concern basis used in presenting the statement of net assets available for benefits as of December 31, 2022, to the liquidation basis used in presenting the financial statements as of and for the year ended December 31, 2023. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Richland Hospital, Inc. Money Purchase Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

The Richland Hospital, Inc. Money Purchase Plan

Notes to Financial Statements

Note 1: Description of Plan

The following description of The Richland Hospital, Inc. Money Purchase Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

On August 28, 2023, the Plan was formally amended to terminate the Plan effective August 30, 2023.

General

The Plan is a defined contribution plan covering all employees of The Richland Hospital, Inc. (the "Hospital") who have completed one year of service and have attained age 21. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Effective January 1, 2023, the Plan was frozen such that no new participants could enter the Plan and no further employer or rollover contributions were permitted. Participant service continued to be counted for vesting purposes.

Contributions

Prior to January 1, 2023, The Hospital contributed 4% of the participant's eligible compensation. Participants could contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers) only. Participants directed the investment of their contributions into various investment options offered by the Plan. Contributions are subject to certain Internal Revenue Service ("IRS") limitations.

Participant Accounts

Each participant's account is credited with any rollover contributions, the Hospital's contribution, and allocations of Plan earnings (losses). Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Due to the Plan termination, all participants in the Plan as of August 30, 2023, are 100% vested in their account balances.

Payment of Benefits

A participant may elect to receive an amount equal to the value of the participant's vested interest in their account in either a lump sum amount, annual installments, or an annuity if their account balance is greater than \$5,000. If the participant's vested account balance does not exceed \$1,000, it will be distributed in a single lump sum payment. If a participant's vested account balance is between \$1,000 and \$5,000 and a participant does not elect a distribution method, the account will be rolled over to an Individual Retirement Account with Principal Life Insurance Company.

Note 1: Description of Plan (Continued)

Forfeitures

At December 31, 2023 and 2022, there were no forfeited nonvested accounts, and there were no allocations of forfeited nonvested accounts allocated to Plan participants or expenses paid from forfeited nonvested accounts during 2023.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

As discussed in Note 1, the Plan was terminated in 2023. In accordance with GAAP, the accompanying 2023 financial statements of the Plan are recorded on the liquidation basis. The accompanying 2022 financial statements are recorded as if the Plan was on-going.

Use of Estimates

The preparation of the accompanying financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from these estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value except for the fully benefit-responsive investment contract ("FBRIC"). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The FBRIC is reported at contract value, which is the amount participants would normally receive if they were to initiate permitted transactions under the terms of the Plan.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Hospital. Expenses that are paid by the Hospital are excluded from these financial statements. Fees related to the administration of the Plan are allocated proportionately to the participant's account and are included in administrative expenses. Investment-related expenses are allocated proportionately to Plan participants based on their respective account balances and are included in net investment income.

Note 2: Summary of Significant Accounting Policies (Continued)

Subsequent Events

The Plan has evaluated subsequent events through October 14, 2024, which is the date the financial statements were available to be issued.

Note 3: Fair Value Measurements

GAAP establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority level. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no Plan assets requiring the use of Level 3 inputs for the periods presented.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2023 and 2022.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money market funds: Valued using \$1 as the NAV.

The following tables set forth by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement:

2023 (liquidation basis)	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 4,491,042	\$ -	\$ -	\$ 4,491,042
Money market funds	-	502,369	-	502,369
Total investment assets at fair value	\$ 4,491,042	\$ 502,369	\$ -	\$ 4,993,411

2022 (on-going basis)	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 13,088,231	\$ -	\$ -	\$ 13,088,231

Notes to Financial Statements

Note 4: Fully Benefit-Responsive Investment Contract

The Plan invested in a FBRIC with Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company ("Principal") in the form of a guaranteed investment contract ("GIC") with a fixed rate of interest. Principal maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Principal is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The GIC is carried at contract value. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer, but may not be less than 0%. Such interest rates are reviewed periodically for resetting.

Certain events limit the Plan's ability to transact at contract value with Principal including Plan termination and other events as specified in the GIC. The Plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants or the issuer are probable of occurring. The GIC does not permit Principal to terminate the agreement prior to the scheduled maturity date.

Note 5: Information Prepared and Certified by the Trustee

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Certain information disclosed in the accompanying financial statements and supplemental schedule, including investments and the FBRIC held at December 31, 2023 and 2022, and net appreciation in fair value of investments, interest, and dividends for the year ended December 31, 2023, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Principal (the trustee of the Plan).

Note 6: Plan Termination

On August 28, 2023, the Board of Directors amended the Plan document to terminate the Plan effective August 30, 2023. The amendment calls for all Plan assets to be distributed by August 30, 2024.

Note 7: Tax Status

The Hospital adopted a nonstandard prototype plan document with an IRS opinion letter, which states the prototype plan document is in compliance with the applicable sections of the Internal Revenue Code ("IRC"). The Plan has been amended since the date of the opinion letter; however, the Plan administrator believes the Plan is designed and being operated in compliance with the applicable requirements of the IRC and has no income subject to unrelated business income tax. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Notes to Financial Statements

Note 8: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 9: Related-Party Transactions and Party-in-Interest Transactions

Certain Plan investments are managed by Principal. Principal is the trustee and recordkeeper, as defined by the Plan, and therefore these transactions qualify as party-in-interest transactions. Fees incurred and paid directly by the Plan for the recordkeeping services were \$65,833 for the year ended December 31, 2023. Fees for the investment management services during the Plan year ended December 31, 2023 were offset against earnings. Specific detail for management fees is not available from the Trustee.
