Independent Auditors' Report

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Safe-Harbor 401(k) Profit-Sharing Plan For Employees of Extrudex Aluminum, Inc., an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in NOTE D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section—

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of Safe-Harbor 401(k) Profit-Sharing Plan For Employees of Extrudex Aluminum, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Safe-Harbor 401(k) Profit-Sharing Plan For Employees of Extrudex Aluminum, Inc.'s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements, as a whole, are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditors' Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Safe-Harbor 401(k) Profit-Sharing Plan For Employees of Extrudex Aluminum, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Safe-Harbor 401(k) Profit-Sharing Plan For Employees of Extrudex Aluminum, Inc.'s ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements, as a whole, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Supplemental Schedule Required by ERISA (Continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

SAFE-HARBOR 401(k) PROFIT-SHARING PLAN FOR EMPLOYEES OF EXTRUDEX ALUMINUM, INC.

December 31, 2023 and 2022

NOTE A - DESCRIPTION OF PLAN

The following description of Safe-Harbor 401(k) Profit-Sharing Plan For Employees of Extrudex Aluminum, Inc., provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General - The Plan is a defined-contribution plan covering all employees of Extrudex Aluminum, Inc. (the Company), who are 19 years of age or older and have completed six months of service for eligibility purposes. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions - Under the Plan's provisions, each participant may contribute an amount up to the elective deferral dollar limit and the Section 415 limitation of the Internal Revenue Code, as defined in the Plan. Participants may also roll over amounts representing distributions from other qualified defined-benefit or contribution plans. The Company makes a safe harbor matching contribution to the Plan which equals 100% that does not exceed 4% of the participant's compensation contributed to the Plan. The Company may elect to make an additional matching contribution or a discretionary employer contribution. No such contributions were made for the years ended December 31, 2023 and 2022. Upon enrollment in the Plan, a participant may direct employee contributions and Company contributions to any of the available investment options. Participants may change their investment options at their discretion. All of the balances of the Plan represent participant-directed investments.

Participant accounts - Each participant's account is credited with the participant's contribution and allocations of (a) the appropriate matching contribution and (b) Plan earnings (losses), as defined. The benefit to which a participant is entitled is the benefit which can be provided from the participant's vested account.

Vesting - Vesting in participants' accounts relating to the Company discretionary contribution is based on years of continuous service. A participant is 100% vested after six years of credited service. Participants are immediately vested in their deferrals and contributions rolled over from other qualified defined-benefit or contribution plans, the Company safe harbor contribution, plus actual earnings thereon.

Notes receivable from participants - Participants may borrow from their account balances a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their account balance, whichever is less. The loans are collateralized by the balance in the participant's account and bear interest at a market rate of interest. The participant may be required to repay principal and interest ratably through payroll deductions based on payroll frequency or quarterly payments.

Payment of benefits - On termination of service, a participant will be entitled to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account, or periodic payments. Benefits are recorded when paid.

Forfeited accounts - For the years ended December 31, 2023 and 2022, forfeited accounts totaled \$101 and \$3,730, respectively. Forfeitures may be used to pay plan expenses or to reduce future Company contributions. During the years ended December 31, 2023 and 2022, Company contributions were reduced by \$101 and \$4,526, respectively. In addition, during each of the years ended December 31, 2023 and 2022, Plan expenses of \$0 were paid from the forfeiture account.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting - The financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Estimates and subsequent events - The preparation of financial statements in conformity with account principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates. In preparing the financial statements, including estimates and disclosures, management has considered the effects of subsequent events through October 11, 2024—the date the financial statements were available to be issued.

Investment valuation and income recognition - The Plan's investments are stated at fair value as of December 31, 2023 and 2022. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See NOTE C for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold and unrealized gains and losses on investments held during the year.

Assets of the Plan are held in separate accounts administered by Mutual of America as of December 31, 2023 and 2022, representing investments in pooled separate accounts.

Notes receivable from participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid, interest. Delinquent participant loans are reclassified as distributions based upon the terms set forth in the Plan document.

NOTE C - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

- Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority.
- Level 2 inputs consist of significant observable inputs other than quoted prices for identical assets.
- Level 3 inputs consist of significant unobservable inputs that are not corroborated by market data and have the lowest priority.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. No Level 2 or Level 3 inputs were used or available to the Plan.

December 31, 2023 and 2022

NOTE C - FAIR VALUE MEASUREMENTS (CONTINUED)

Level 1 Fair Value Measurements

Pooled separate accounts: Investments in the pooled separate accounts consist solely of investments in mutual funds registered with the Securities and Exchange Commission. The investments are valued at the net asset value (NAV) at which the mutual funds are actively traded. The funds must publish their daily net asset values and transact at that price.

The following schedules present the Plan's investments that are reported at fair value on the accompanying statements of net assets available for benefits as of December 31, 2023 and 2022:

<u>FAIR VALUE MEASUREMENTS USING:</u>				
DECEMBER 31, 2023				
<u>FAIR VALUE</u>	<u>LEVEL 1</u>	<u>LEVEL 2</u>	<u>LEVEL 3</u>

<u>FAIR VALUE MEASUREMENTS USING:</u>

<u>FAIR VALUE</u>	<u>LEVEL 1</u>	<u>LEVEL 2</u>	<u>LEVEL 3</u>

NOTE D - INVESTMENTS

Unaudited information certified by the Plan trustee - The December 31, 2023 and 2022, statements of net assets available for benefits, the investment activities included on the statements of changes in net assets available for benefits for the years ended December 31, 2023 and 2022, and the accompanying notes to the financial statements were prepared in part or entirely from information certified by Mutual of America Life Insurance Company in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The information certified includes assets of \$4,213,764 and \$3,252,902 at December 31, 2023 and 2022, respectively, and related investment income (loss) of \$566,095 and \$(573,305) for the years ended December 31, 2023 and 2022, respectively.

NOTES TO FINANCIAL STATEMENTS

SAFE-HARBOR 401(k) PROFIT-SHARING PLAN FOR EMPLOYEES OF EXTRUDEX ALUMINUM, INC.

December 31, 2023 and 2022

NOTE E - ADMINISTRATION OF PLAN ASSETS, EXPENSES AND RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Company provides to the Plan certain accounting and administrative services for which no fees are charged. Other administrative expenses are paid directly by Extrudex Aluminum, Inc. or are paid directly from Plan assets. Investment-related expenses are included in net appreciation (depreciation) in fair value of investments on the accompanying statements of changes in net assets available for benefits. Participants' loan fees and distribution fees are paid by the respective participant.

NOTE F - TAX STATUS

Effective January 1, 2022, the Plan was amended and restated. The Company has not received a determination letter for the amended and restated plan. The Company believes that the Plan currently is designed and being operated in compliance with the applicable requirements of the IRC and, therefore, the Plan continues to qualify under IRC Section 401(a), and the related Trust continues to be tax exempt as of December 31, 2023. Therefore, no provision for income taxes is included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (asset) if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2023 and 2022, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability (asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE G - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE H - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported on the statements of net assets available for benefits.

December 31, 2023 and 2022

NOTE I - PROHIBITED TRANSACTIONS

During 2022, the Company erroneously failed to remit to the Plan certain employer contributions within the period prescribed by the Department of Labor's regulations. The delay in remitting contributions is considered a prohibited transaction.

The Company made a corrective lost earnings payment of \$163 to the Plan in 2023.

Independent Auditors' Report

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Safe-Harbor 401(k) Profit-Sharing Plan For Employees of Extrudex Aluminum, Inc., an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in NOTE D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section—

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of Safe-Harbor 401(k) Profit-Sharing Plan For Employees of Extrudex Aluminum, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Safe-Harbor 401(k) Profit-Sharing Plan For Employees of Extrudex Aluminum, Inc.'s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements, as a whole, are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditors' Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Safe-Harbor 401(k) Profit-Sharing Plan For Employees of Extrudex Aluminum, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements, as a whole, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

NOTES TO FINANCIAL STATEMENTS

SAFE-HARBOR 401(k) PROFIT-SHARING PLAN FOR EMPLOYEES OF EXTRUDEX ALUMINUM, INC.

December 31, 2023 and 2022

NOTE A - DESCRIPTION OF PLAN

The following description of Safe-Harbor 401(k) Profit-Sharing Plan For Employees of Extrudex Aluminum, Inc., provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General - The Plan is a defined-contribution plan covering all employees of Extrudex Aluminum, Inc. (the Company), who are 19 years of age or older and have completed six months of service for eligibility purposes. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions - Under the Plan's provisions, each participant may contribute an amount up to the elective deferral dollar limit and the Section 415 limitation of the Internal Revenue Code, as defined in the Plan. Participants may also roll over amounts representing distributions from other qualified defined-benefit or contribution plans. The Company makes a safe harbor matching contribution to the Plan which equals 100% that does not exceed 4% of the participant's compensation contributed to the Plan. The Company may elect to make an additional matching contribution or a discretionary employer contribution. No such contributions were made for the years ended December 31, 2023 and 2022. Upon enrollment in the Plan, a participant may direct employee contributions and Company contributions to any of the available investment options. Participants may change their investment options at their discretion. All of the balances of the Plan represent participant-directed investments.

Participant accounts - Each participant's account is credited with the participant's contribution and allocations of (a) the appropriate matching contribution and (b) Plan earnings (losses), as defined. The benefit to which a participant is entitled is the benefit which can be provided from the participant's vested account.

Vesting - Vesting in participants' accounts relating to the Company discretionary contribution is based on years of continuous service. A participant is 100% vested after six years of credited service. Participants are immediately vested in their deferrals and contributions rolled over from other qualified defined-benefit or contribution plans, the Company safe harbor contribution, plus actual earnings thereon.

Notes receivable from participants - Participants may borrow from their account balances a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their account balance, whichever is less. The loans are collateralized by the balance in the participant's account and bear interest at a market rate of interest. The participant may be required to repay principal and interest ratably through payroll deductions based on payroll frequency or quarterly payments.

Payment of benefits - On termination of service, a participant will be entitled to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account, or periodic payments. Benefits are recorded when paid.

Forfeited accounts - For the years ended December 31, 2023 and 2022, forfeited accounts totaled \$101 and \$3,730, respectively. Forfeitures may be used to pay plan expenses or to reduce future Company contributions. During the years ended December 31, 2023 and 2022, Company contributions were reduced by \$101 and \$4,526, respectively. In addition, during each of the years ended December 31, 2023 and 2022, Plan expenses of \$0 were paid from the forfeiture account.

December 31, 2023 and 2022

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting - The financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Estimates and subsequent events - The preparation of financial statements in conformity with account principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates. In preparing the financial statements, including estimates and disclosures, management has considered the effects of subsequent events through October 11, 2024—the date the financial statements were available to be issued.

Investment valuation and income recognition - The Plan's investments are stated at fair value as of December 31, 2023 and 2022. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See NOTE C for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold and unrealized gains and losses on investments held during the year.

Assets of the Plan are held in separate accounts administered by Mutual of America as of December 31, 2023 and 2022, representing investments in pooled separate accounts.

Notes receivable from participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid, interest. Delinquent participant loans are reclassified as distributions based upon the terms set forth in the Plan document.

NOTE C - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

- Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority.
- Level 2 inputs consist of significant observable inputs other than quoted prices for identical assets.
- Level 3 inputs consist of significant unobservable inputs that are not corroborated by market data and have the lowest priority.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. No Level 2 or Level 3 inputs were used or available to the Plan.

December 31, 2023 and 2022

NOTE C - FAIR VALUE MEASUREMENTS (CONTINUED)

Level 1 Fair Value Measurements

Pooled separate accounts: Investments in the pooled separate accounts consist solely of investments in mutual funds registered with the Securities and Exchange Commission. The investments are valued at the net asset value (NAV) at which the mutual funds are actively traded. The funds must publish their daily net asset values and transact at that price.

The following schedules present the Plan's investments that are reported at fair value on the accompanying statements of net assets available for benefits as of December 31, 2023 and 2022:

<u>FAIR VALUE MEASUREMENTS USING:</u>				
DECEMBER 31, 2023				
<u>FAIR VALUE</u>	<u>LEVEL 1</u>	<u>LEVEL 2</u>	<u>LEVEL 3</u>	
Pooled separate accounts	<u>\$ 4,104,742</u>	<u>\$ 4,104,742</u>	<u>\$ 0</u>	<u>\$ 0</u>

<u>FAIR VALUE MEASUREMENTS USING:</u>

<u>FAIR VALUE</u>	<u>LEVEL 1</u>	<u>LEVEL 2</u>	<u>LEVEL 3</u>

NOTE D - INVESTMENTS

Unaudited information certified by the Plan trustee - The December 31, 2023 and 2022, statements of net assets available for benefits, the investment activities included on the statements of changes in net assets available for benefits for the years ended December 31, 2023 and 2022, and the accompanying notes to the financial statements were prepared in part or entirely from information certified by Mutual of America Life Insurance Company in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The information certified includes assets of \$4,213,764 and \$3,252,902 at December 31, 2023 and 2022, respectively, and related investment income (loss) of \$566,095 and \$(573,305) for the years ended December 31, 2023 and 2022, respectively.

NOTES TO FINANCIAL STATEMENTS

SAFE-HARBOR 401(k) PROFIT-SHARING PLAN FOR EMPLOYEES OF EXTRUDEX ALUMINUM, INC.

December 31, 2023 and 2022

NOTE E - ADMINISTRATION OF PLAN ASSETS, EXPENSES AND RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Company provides to the Plan certain accounting and administrative services for which no fees are charged. Other administrative expenses are paid directly by Extrudex Aluminum, Inc. or are paid directly from Plan assets. Investment-related expenses are included in net appreciation (depreciation) in fair value of investments on the accompanying statements of changes in net assets available for benefits. Participants' loan fees and distribution fees are paid by the respective participant.

NOTE F - TAX STATUS

Effective January 1, 2022, the Plan was amended and restated. The Company has not received a determination letter for the amended and restated plan. The Company believes that the Plan currently is designed and being operated in compliance with the applicable requirements of the IRC and, therefore, the Plan continues to qualify under IRC Section 401(a), and the related Trust continues to be tax exempt as of December 31, 2023. Therefore, no provision for income taxes is included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (asset) if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2023 and 2022, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability (asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE G - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE H - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported on the statements of net assets available for benefits.

December 31, 2023 and 2022

NOTE I - PROHIBITED TRANSACTIONS

During 2022, the Company erroneously failed to remit to the Plan certain employer contributions within the period prescribed by the Department of Labor's regulations. The delay in remitting contributions is considered a prohibited transaction.

The Company made a corrective lost earnings payment of \$163 to the Plan in 2023.
