Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☒ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☒ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: **BDO USA, P.C.**

(2) EIN: **13-5381590**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) ☐ This form is filed for a CCT, PSA, DCG or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		☒	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		☒	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		☒	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		☒	
e Was this plan covered by a fidelity bond?	☒		5000000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		☒	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	☒		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)		☒	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?		☒	
l Has the plan failed to provide any benefit when due under the plan?	☒		802
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)		☒	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.		☒	

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☐ Yes ☒ No
If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.

5b If, during this plan year, any assets or liabilities were transferred from this plan to another plan(s), identify the plan(s) to which assets or liabilities were transferred. (See instructions.)

5b(1) Name of plan(s)	5b(2) EIN(s)	5b(3) PN(s)

Independent Auditor's Report

The Plan Administrator and Benefits Committee
Air Methods Corporation 401(k) Plan
Greenwood Village, Colorado

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Air Methods Corporation 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental Schedule H (Form 5500), Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For

information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Air Methods Corporation 401(k) Plan

Notes to Financial Statements

1. Plan Description

The following description of the Air Methods Corporation 401(k) Plan (the Plan), as amended, provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General

The Plan was established by Air Methods Corporation, and related employers who have adopted the Plan (the Company) effective January 1, 1989 and was most recently restated November 15, 2021. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Trustee and Administration of the Plan

The Benefit Committee of Air Methods Corporation administers the Plan. Fidelity Management Trust Company (Fidelity) serves as trustee, manages Plan assets, and maintains the Plan's records. The Plan offers Plan participants a variety of investment options through various mutual funds, a money market fund, a collective investment trust, and a self-directed brokerage account. Individual accounts are invested in the various investment options at the direction of the participants.

Eligibility

The Plan is available to employees age 18 years or older who have completed 30 days of service. Per diem, temporary employees and interns are eligible at age 21 and after working 1,000 hours, as defined. The entry date for eligible participants is the first day of the month after meeting eligibility requirements. Leased employees are not eligible to participate in the Plan.

Contributions

Participants may make pre-tax or after-tax Roth contributions up to 60% of their annual eligible compensation, as limited by the Internal Revenue Code (IRC). This maximum percentage may be reduced by the plan administrator in certain circumstances. Eligible employees who have reached age 50 during the Plan year may elect to make catch-up contributions, as limited by the IRC. Employee contributions to the Plan are made through regular payroll deductions. Participants can elect to discontinue or change contributions as allowed by the Plan.

The Plan allows for discretionary matching contributions and discretionary employer non-elective contributions. The discretionary matching contribution for the year ended December 31, 2023 was 70% of the first 8% of compensation deferred by the participant. For 2023, the Company did not make a discretionary employer non-elective contribution.

The Plan also permits rollover contributions from other qualified retirement plans, as defined in the Plan Document.

Participants' Accounts

Each participant's account is credited or debited with the participant's contributions, Company's discretionary contributions, withdrawals, an allocation of Plan earnings or losses, forfeitures, and Plan expenses. Plan earnings or losses are allocated to each participant's account in the proportion

Air Methods Corporation 401(k) Plan

Notes to Financial Statements

that the balance of each participant's account bears to the total balance of all participants in each investment option selected. The benefit to which a participant is entitled is the vested portion of the participant's account.

Notes Receivable from Participants

Participants may borrow a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The note is secured by the participant's account and bears an interest rate based on the rates available for similar loans from commercial lending institutions and is fixed for the term of the note. The note may be for a term of up to five years, or up to ten years if the note is for the purchase of a principal residence, and is subject to certain other restrictions, as defined by the Plan Document, and applicable restrictions under the IRC. Principal and interest are paid ratably through payroll deductions. Interest rates for notes outstanding as of December 31, 2023 ranged from 5.25% to 10.50%.

Payment of Benefits

A participant's entire interest in the Plan is payable upon death, attainment of normal retirement age, becoming disabled, as defined, or termination of service. A participant may elect to receive a lump-sum amount, leave the account in the Plan, or rollover the vested balance to another qualified retirement plan or Individual Retirement Account (IRA). Effective February 6, 2023, the Plan added installment and partial withdrawals as eligible forms of payment.

The Plan allows in-service distributions to participants age 59½ or older who have not terminated employment with the Plan sponsor. The Plan also provides for hardship withdrawals for defined hardship events. For terminated participants with vested balances greater than \$1,000, but less than \$5,000, if an election to distribute benefits is not made within 60 days following their termination date, their vested balance will be rolled into an IRA for the benefit of the participant. Furthermore, the Plan allows for terminated participant vested account balances less than \$1,000 to be automatically distributed. The Internal Revenue Service (IRS) has required minimum distributions once a participant reaches the requirement minimum age during the previous Plan year and is no longer employed by the Company.

Vesting and Forfeitures

Participants are 100% vested in their voluntary contributions, discretionary employer non-elective contributions, plus allocated earnings or losses thereon. A participant's vested interest in the discretionary matching contributions is based upon a participant's years of service, as defined, and will vest as follows:

Years of Service	Vested Interest (%)
Less than 0	-
1	33
2	66
3	100

Air Methods Corporation 401(k) Plan

Notes to Financial Statements

Matching contributions from certain previous employers are subject to historical vesting schedules and certain prior service credit may apply. A participant's account becomes 100% vested upon death, attaining normal retirement age (the age of 59½) while an employee, retirement due to disability, or termination of the Plan.

At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$707,311 and \$1,133,556, respectively. Forfeited amounts may be used to pay administrative expenses or to reduce the employer contributions. During the year ended December 31, 2023, \$1,460,912 of forfeitures were utilized to fund employer contributions and \$3,906 were used to pay administrative expenses.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan, subject to the provisions of ERISA. In the event of plan termination, participants' accounts will become fully vested and non-forfeitable, to the extent not already vested.

2. Summary of Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires the Plan's management to use estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements. The Investment Committee determines the Plan's valuation policies utilizing information provided by the Benefit Committee and Fidelity.

Net appreciation or depreciation represents the difference between the aggregate fair value of investments at year-end and the values at the beginning of the year (or date purchased during the year) and includes any realized gains and losses in shares that were bought and sold during the year and reinvested capital gain distributions on those investments. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Management fees and operating expenses (in the form of an expense ratio) charged to the Plan for investments in the mutual funds and collective investment trusts are deducted from income earned on a daily basis and reflected as a reduction of investment return for such investments.

Air Methods Corporation 401(k) Plan

Notes to Financial Statements

Contributions

Participant deferral contributions and related discretionary matching contributions are recognized in the period during which the Company makes the respective payroll deduction from the participant's compensation. Discretionary employer non-elective contributions, if any, are recognized in the period to which the participant's compensation relates.

Notes Receivable from Participants

Participant notes receivable are measured at their unpaid principal balance. Any accrued interest is de minimis. Related fees are recorded as administrative expenses and are expensed as incurred. If a participant ceases to make loan repayments and the plan administrator deems the participant loan balance to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Expenses of the Plan

Certain expenses of the Plan are paid directly by the Company and are excluded from these financial statements. The plan participants pay loan origination, loan maintenance, distribution, and investment advisor fees which are charged directly to the participant's account. Under the service provider agreement with Fidelity, revenue sharing rebates of \$135,000 was received from mutual funds held by the Plan which reduce recordkeeping fees and are shown in the accompanying financial statements as other income. Certain investment expenses may be netted with earnings of the mutual funds and are based on agreed upon expense ratios of each fund.

3. Fair Value Measurements and Disclosures

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels. Level 1 inputs are the highest priority and consist of unadjusted quoted prices in active markets for identical assets and liabilities. Level 2 inputs are inputs for quoted prices for similar assets or liabilities in active markets; inputs for quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; or inputs that are derived principally from or corroborated by observable market data by correlation or other means. Level 3 inputs are the lowest priority and are unobservable and significant to the fair value measurement of an asset or liability.

Air Methods Corporation 401(k) Plan

Notes to Financial Statements

The assets fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022:

Mutual Funds - These assets are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Investment Trust - The Morley Stable Value Fund is a collective investment trust that is composed primarily of fully benefit-responsive investment contracts that are valued at the net asset value of units of collective trust. The NAV is used as a practical expedient to estimate fair value of the trusts. This practical expedient would not be used if it is determined to be probable that the investment will sell the investment for an amount different from the reported NAV. This investment is a direct filing entity.

Commingled Fund - The Fidelity Contrafund Pooled Fund is a commingled fund that is primarily invested in the Fidelity Contrafund mutual fund. The NAV is used as a practical expedient to estimate fair value of the trusts. This practical expedient would not be used if it is determined to be probable that the investment will sell the investment for an amount different from the reported NAV. This investment is a direct filing entity.

Self-Directed Brokerage Account - The self-directed brokerage account primarily consists of common stock, mutual funds, exchange traded funds and other investment vehicles that are registered with the Securities and Exchange Commission and traded daily on an active exchange. These investments are valued daily based upon their last reported sales prices.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments measured on a recurring basis:

December 31, 2023

^(a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) as a practical expedient, have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Investments Measured Using the Net Asset Value per Share Practical Expedient

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2023 and 2022. There are no participant redemption restrictions for this investment; the redemption notice period is applicable only to the Plan:

December 31,

Investment Type	Fair Value		Unfunded Commitments	Redemption Frequency	Redemption Notice Period
	2023	2022			
Collective investment trust - Stable Value Fund	\$ 17,045,854	\$ 16,965,754	None	Daily	12 months for full liquidation
Commingled Fund - Fidelity Contrafund Pooled Fund	\$ 68,804,989	\$ 37,187,172	None	Daily	None

4. Certified Investment Information

The plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C), pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulation for Reporting and Disclosure under ERISA. Accordingly, Fidelity Management Trust Company, a qualified institution, has certified the following information included in the accompanying financial statements and supplemental schedule of assets (held at end of year) as complete and accurate:

- Investments and notes receivable from participants as shown in the accompanying statements of net assets available for benefits as of December 31, 2023 and 2022.
- Net appreciation in fair value of investments, interest and dividend income, and interest earned on notes receivable from participants as shown in the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2023.

Air Methods Corporation 401(k) Plan

Notes to Financial Statements

- Investment information as reported in the supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2023.
- Investment amounts reported in the notes to financial statements.

At the request of the plan administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing the certified investment information with the related information presented and disclosed in the financial statements and supplemental schedule, reading the disclosures relating to the investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP and whether the supplemental schedule is in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

5. Income Taxes

The Plan adopted a prototype plan document, which has received an opinion letter from the IRS, dated June 30, 2020, stating that the form of the Plan is qualified under Section 401 of the IRC and is, therefore, exempt from federal income taxes under provisions of applicable sections of the IRC. The Plan has since been amended; however, the plan administrator believes that the Plan continues to be operated and administered in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. Related Party and Party-in-Interest Transactions

The Plan invests in various mutual funds and a commingled fund that are held and managed by Fidelity, the trustee and recordkeeper of the Plan. Fees of \$477,748 were paid to Fidelity, or affiliates of Fidelity, from the Plan and through revenue sharing during 2023. Fidelity may also receive certain indirect fees from the various mutual funds. Certain management fees (in the form of an expense ratio charged to each investment option) are deducted from earnings or losses on investments. In addition, the Plan also issues loans to participants which are secured by the vested balance of the participants' accounts. The above transactions qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules.

7. Concentrations, Risks, and Uncertainties

The Plan invests in various investment securities. Investments, in general, are exposed to various risks such as interest rate, credit and overall market volatility risk. Additionally, the value, liquidity and related income of the investment securities are sensitive to changes in economic conditions in interest rates. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Air Methods Corporation 401(k) Plan

Notes to Financial Statements

Two and one investments held as of December 31, 2023 and 2022, respectively, accounted for more than 10% of investments held. See supplemental Schedule of Assets (Held at End of Year) for a complete listing of investments held at December 31, 2023.

8. Subsequent Events

The Company has evaluated subsequent events through October 10, 2024, which is the date the financial statements were available to be issued. There were no events or transactions discovered during this evaluation that require recognition or disclosure in the financial statements.
