INDEPENDENT AUDITORS' REPORT

Plan Administrator
Corus International, Inc. 403(b) Plan
Washington, D.C.

Report on the Audit of the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We were engaged to perform audits of the accompanying financial statements of Corus International, Inc. 403(b) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023 stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Disclaimer of Opinion

We do not express an opinion on the financial statements referred to above of the Plan. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion

The Plan has not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the financial statements referred to above may have been affected by these conditions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our responsibility is to conduct an audit of the Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditors' report. However, because of the matters described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits.

Other Matter

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4a – Schedule of Delinquent Participant Contributions as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matters described in the Basis for Disclaimer of Opinion section of our report, it is inappropriate to and we do not express an opinion on the supplemental schedule.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

NOTE 1 DESCRIPTION OF PLAN

The following description of the Corus International, Inc. 403(b) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Corus International, Inc. (Corus or the Organization or Employer) established the Plan to provide employees with a systematic means of saving and investing for the future. All eligible employees of the Organization, as defined in accordance with the universal availability standards, are eligible to enroll. The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and operates under Section 403(b) of the Internal Revenue Code (the IRC).

Eligibility

All employees of the Organization, excluding ELCA ordained ministers enrolled in the ELCA Retirement Plan, are eligible to participate in the Plan for pre-tax, Roth, and employer contributions upon the attainment of age 21. Participants can enter the Plan as soon as administratively feasible on or after the employee's first day of employment.

Contributions

Eligible participants may make pre-tax and Roth contributions up to the maximum allowed by the IRC. In addition, the Plan allows for catch up contributions by employees aged 50 years and older before the end of the Plan year. Participants may also contribute amounts representing distributions from other qualified plans, as defined in the Plan's provisions (rollover contributions).

The employer also makes a discretionary contribution to the Plan as determined by the Board of Directors. The Plan made a discretionary employer contribution of 9% of eligible compensation during the plan year ended December 31, 2023.

Participants direct the investment of their contributions and employer contributions into various investment options offered by the Plan. The Plan currently offers various pooled separate accounts and a fixed annuity contract as investment options for participants. Contributions are subject to Internal Revenue Service (IRS) limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions, allocation of the Organization's contributions, amounts rolled over from other qualified plans, and Plan earnings and losses, less any charges, if applicable. Allocations are based on participant earnings, account balances, or specific requested transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

CORUS INTERNATIONAL, INC. 403(B) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Vesting

Participants are immediately vested in their voluntary contributions, and rollover contributions, plus actual earnings, and losses thereon. Employees hired on or before March 31, 2020, are automatically 100% vested in accounts attributable to employer contributions and nonelective contributions. Employees hired after March 31, 2020, vest in the employer discretionary contributions in accordance with the following schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than one Year	0%
1	25%
2	50%
3	100%

Forfeitures

Forfeitures occur when an employee ends participation in the Plan prior to becoming fully vested in the employer portion of their account. These forfeited nonvested balances are used to reduce future employer contributions. Forfeitures of \$182,816 were used to reduce employer contributions and \$16,576 were used to reduce plan expenses during the year ended December 31, 2023. As of December 31, 2023 and 2022, the Plan had fully utilized all forfeited nonvested accounts to reduce its employer contributions.

Payment of Benefits

Upon termination of service or upon death, disability, or retirement, a participant or beneficiary receives the entire amount credited to the participant's account in either a lump sum or, at the participant's election, in monthly, quarterly, or annual installments. The Plan allows for in-service payment of benefits from all vested sources when a participant reaches age 59½. Participants may elect to withdraw from their elective deferrals in the event of a proven financial hardship. If a participant terminates employment and the participant's account balance exceeds \$5,000, the funds remain in the participant's account. If the participant's account balance exceeds \$1,000 but is less than \$5,000, the fund will be transferred to an IRA account if the terminated employee does not take any actions. Accounts that are below \$1,000 are distributed to the participant if there is no action taken by the terminated employee.

Notes Receivable from Participants

Participants are allowed to have outstanding, a maximum of one loan from their participant account balance. Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to (i) the lesser of 50% of their vested account balance or (ii) \$50,000 of their vested account balance. Repayment must be made within five years or up to thirty years if the loan is used to purchase a primary residence. Notes receivable from participants incur interest rates at a reasonable rate, 4.25% for 2023, or at local prevailing rates as determined by the Plan administrator. Principal and interest are paid semi-monthly by the participant to the Plan Sponsor who remits the principal and interest to AUL via certified funds.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Annual Reporting Requirements and Accounting Records

In November 2007, the DOL issued amended regulations eliminating an exemption granted to 403(b) plans from the annual Form 5500 reporting, disclosure, and audit requirements under ERISA effective for plan years beginning on or after January 1, 2009. Prior to January 1, 2009, AUL maintained records at a contract, not Plan, level. Neither the Plan Sponsor nor AUL have been able to produce sufficient accounting records and supporting documents relating to certain annuity and custodial accounts issued to current and former employees prior to January 1, 2009. As a result, the completeness and the accuracy of the annuity and custodial accounts, related investment income and distributions related to these accounts, if any, could not be determined.

Basis of Accounting

The Plan's financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements in accordance with GAAP requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from estimated amounts.

Investment Valuation and Income Recognition

Investments held by the Plan are reported at fair value, except for the Plan's direct investment in the fully benefit-responsive investment contract which is reported at contract value.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians, and insurance. See Note 4 for additional information related to fair value measurements.

Units held in the fully benefit-responsive investment contract are reported at contract value. Contract value represents accumulated contributions and interest, less withdrawals credited to the Plan's contracts. See Note 5 for additional information related to the investment contract.

Purchases and sales of securities are recorded principally on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

CORUS INTERNATIONAL, INC. 403(B) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Administrative Expenses

Administrative expenses are paid directly by the Organization, or by the Plan and/or Plan participants, as defined in the Plan. Expenses paid by the Organization are excluded from these financial statements. Administrative expenses are recorded net of revenue sharing amounts received.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2023 excess contributions to the applicable participants prior to March 15, 2024.

Subsequent Events

The Plan administrator has evaluated subsequent events through October 2, 2024, the date the financial statements were available to be issued.

NOTE 3 INFORMATION CERTIFIED BY THE PLAN TRUSTEE

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation in fair value of investments, and interest income on notes receivable from participants for the year ended December 31, 2023, was obtained by management and agreed to, or derived from, information certified as complete and accurate by American United Life Insurance Company, the trustee of the Plan.

NOTE 4 FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

CORUS INTERNATIONAL, INC. 403(B) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 4 FAIR VALUE MEASUREMENTS (CONTINUED)

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair market value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the valuation methodologies used at December 31, 2023 and 2022.

Pooled Separate Accounts – Valued at NAV of the shares of the underlying investment, which is invested exclusively in shares of a specific mutual fund or other investment entities. NAV is a readily determinable fair value and is the basis for current transactions. (Level 1 inputs)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

		2023

CORUS INTERNATIONAL, INC. 403(B) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 5 FIXED ANNUITY CONTRACT WITH AUL STABLE VALUE ACCOUNT

The Plan had entered into a fully benefit-responsive investment contract with AUL for the fixed income investment option. Effective September 2022, this investment option has been retired. In lieu of the fixed income investment option, the Plan offers an alternative investment option, stable value investment option. The AUL fixed interest account was liquidated and transferred to the AUL stable value account. All subsequent contributions and investment transfers to the fixed investment option are redirected to the stable value investment option.

The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The fixed income and stable value investment option issuer is obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

The interest crediting rate for the AUL fixed income account is determined, in part, by the net investment earnings rate of the AUL assets, minus a charge for administrative expenses and an amount set aside for contingency reserves. Crediting rates are also determined by the performance of investments contained in AUP SVA's general account.

The credit interest rate for the AUL stable value account is based on a formula agreed upon by the issuer but may not be less than 1.50% and 1.75% in 2022 and 2023, respectively. Such interest rates were reviewed on an annual basis for resetting by AUL. The investment contracts do not permit the insurance company to terminate the agreement prior to the scheduled maturity dates.

The contracts meet the fully benefit-responsive investment criteria and, therefore, is reported at contract value. Contract value is the relevant measure for fully-benefit responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by AUL, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity was provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, and (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

CORUS INTERNATIONAL, INC. 403(B) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 5 FIXED ANNUITY CONTRACT WITH AUL STABLE VALUE ACCOUNT (CONTINUED)

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an incurred violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material representation, and (4) a material amendment to the agreement without the consent of the issuer.

The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with plan participants are probable of occurring.

NOTE 6 RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by AUL. AUL is the issuer of certain investments and recordkeeper for the Plan and, therefore, these transactions qualify as exempt party-in-interest transactions. Fees paid by the Plan for investment management services are included in net appreciation in fair value of investments. The Plan Sponsor pays any other fees related to the Plan's operations. Loans to participants are also considered exempt related party and party-in-interest transactions.

NOTE 7 INCOME TAX STATUS

The Plan uses a volume submitter plan from AUL, which received a determination letter from the IRS on November 22, 2017, which states that the volume submitter plan, as then designed, satisfies the applicable provisions under Section 403(b) of the IRC. Although the Plan has been amended since the date of the opinion letter, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 RISKS AND UNCERTAINTIES

The Plan investments consist primarily of the Company's common stock, which is exposed to various risks such as interest rate, market, and credit risks, as well as valuation assumptions based on earnings, cash flows and/or other such techniques. Due to the level of risk associated with the investment in the common stock and to uncertainties inherent in the estimations and assumption process, it is at least reasonably possible that changes in the value of common stock will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

NOTE 10 DELINQUENT PARTICIPANT CONTRIBUTIONS

During 2022 and 2021, participant contributions totaling \$56,107 and \$120,694, respectively, were not remitted to the Plan within the period prescribed by DOL regulations. These transactions constitute prohibited transactions as defined by ERISA. As of December 31, 2023, these delinquent contributions have been fully corrected. The related lost earnings for these late remittances were corrected in March 2023.
