REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

To the Plan Participants and Plan Administrator of the
City Harvest, Inc. 403(b) Plan

Scope and nature of the ERISA Section 103(a)(3)(C) audit

We were engaged to perform audits of the financial statements of City Harvest, Inc. 403(b) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Disclaimer of opinion

We do not express an opinion on the accompanying financial statements of the Plan. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for disclaimer of opinion

The Plan has not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2011. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the financial statements may have been affected by these conditions.

Responsibilities of management for the financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's responsibilities for the audit of the financial statements

Our responsibility is to conduct an audit of the Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditor's report. However, because of the matter described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits.

Other matter – supplemental schedules required by ERISA

The supplemental schedule of delinquent participant contributions for the year ended December 31, 2023 and the schedule of assets (held at end of year) as of December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section of our report, it is inappropriate to and we do not express an opinion on the supplemental schedules referred to above.

City Harvest, Inc. 403(b) Plan
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 1 - DESCRIPTION OF THE PLAN

The following brief description of the City Harvest, Inc. ("City Harvest" or the "Plan Sponsor") 403(b) Plan (the "Plan") provides only general information. Participants should refer to the Plan adoption agreement for a more complete description of the Plan's provisions, including definitions of key terms. The Plan agreement is the governing document with respect to the operation of the Plan.

General

The Plan is a qualified defined contribution plan covering all eligible employees of City Harvest and was established on January 1, 2000. The Plan is subject to the applicable provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company ("Principal Trust Company") acts as the Trustee, Custodian and Recordkeeper of the Plan and Retirement Planners & Administrators, Inc. ("RPA") is the Third-Party Administrator of the Plan. During the Plan years ended December 31, 2023 and 2022, all of the Plan's assets were maintained by the Custodian. As such, the Plan has a formal agreement with the Custodian to perform custodial and certain administrative services. The Plan administrator is responsible for overseeing and ensuring compliance with the Plan agreement.

Eligibility

City Harvest employees are eligible to begin making pre-tax contributions to the Plan beginning on their first day of employment.

Contributions

Participants may make pre-tax contributions to the Plan subject to certain Internal Revenue Service ("IRS") limitations. City Harvest may contribute matching and non-elective contributions. Upon completing one year of service, as defined in the Plan agreement, City Harvest may make a discretionary matching contribution and a discretionary non-elective contribution to eligible participants. For the years ended December 31, 2023 and 2022, the discretionary matching contribution was 0.5% for every 1% the participant contributed up to a maximum of 6% of eligible compensation. For the years ended December 31, 2023 and 2022, the discretionary non-elective contribution was 3% of eligible compensation. The Plan permits rollover contributions subject to approval by the Plan administrator.

Vesting

Employees are vested immediately in their contributions plus actual earnings thereon, and vest in matching and non-elective contributions based on their years of service with City Harvest in accordance with the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
1	0%
2	50%
3	100%

Forfeitures

Non-vested amounts forfeited by participants may be used to fund future employer contributions and pay Plan expenses. Forfeitures used was \$39,224 for the Plan year ended December 31, 2023. Forfeiture balances was \$9,581 and \$10,436 as of December 31, 2023 and 2022, respectively.

Participant Accounts

Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contribution, employer's contributions, exchanges between investment options, investment earnings and charged with investment losses and withdrawals. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participants may direct contributions to any investment options offered by the Plan and may change their investment options at any time, subject to the terms of the funding vehicle. Plan earnings are credited to a participant's account according to the type of funding vehicle in which balances are invested.

Payments of Benefits

The Plan permits participants whose employment has been terminated to remain in the Plan. These individuals do not continue to make contributions or to receive contributions from City Harvest after termination.

A participant is eligible to receive a distribution on his or her vested account balance under any of the following circumstances: (a) retirement; (b) termination of employment; (c) death; or (d) disability. Lump sum, annuity or fixed-period payouts are available on retirement or termination of service as permitted in the Plan document. In addition, participants may elect in-service withdrawals of their elective deferral account balances after reaching age 59½ or for hardship purposes, only if they are 100% vested. Minimum required distributions for participants who have reached age 73 also apply per IRS regulations. For account balances of \$5,000 or less, the Plan will make a mandatory distribution of a participant's vested account balance following severance from employment.

Notes Receivable from Participants

Notes receivable from participants as presented in the statements of net assets available for benefits was \$455,894 and \$443,469 as of December 31, 2023 and 2022, respectively. Participants may borrow from their fund accounts, a minimum of \$1,000 or up to a maximum of \$50,000 or 50% of their account balance, whichever is less, and may have two loans outstanding at any time. The loan terms can range from one to five years or up to fifteen years for the purchase of a primary residence. Notes receivable from participants are measured at unpaid principal balance plus accrued but unpaid interest. Interest rates for notes receivable outstanding at December 31, 2023 and 2022 range from 4.25% to 9.50%.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Fees related to the administration of participant's accounts and distributions are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") as applied to employee benefit plans.

City Harvest, Inc. 403(b) Plan

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2023 and 2022

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and reported amounts of changes in net assets available for benefits during the reporting period, such as those relating to the fair value of certain investments. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value except for fully benefit-responsive investment contracts, which are stated at contract value. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contract because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

See Note 3 for further discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Risks and Uncertainties

The Plan provides for investments in various investment securities that, in general, are exposed to various risks, such as interest rate, credit and overall market volatility risks. Further, due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the value of investment securities will occur in the near term and such changes could materially affect the amounts reported in the statements of net assets available for benefits.

Payment of Benefits

Benefit payments to participants and beneficiaries are recorded upon distribution.

NOTE 3 - FAIR VALUE MEASUREMENTS

The Plan follows accounting guidance issued by Financial Accounting Standards Board ("FASB") that established a single authoritative definition of fair value, set a framework for measuring fair value and required disclosures about fair value measurements.

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in the principal market for the asset or liability or, in the absence of a principal market, the most advantageous market for the asset or liability, in an orderly transaction between market participants at the measurement date. The framework also provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The fair value hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under the FASB guidance are described below:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted market prices for identical assets or liabilities in active markets that the Plan has the ability to access.

City Harvest, Inc. 403(b) Plan

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2023 and 2022

Level 2 - Inputs to the valuation methodology include the following:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. However, the determination of what constitutes observable requires judgment by the Plan's management. Plan management considers observable data to be that market data which is readily available, regularly distributed or updated, reliable and verifiable, not proprietary, and provided by multiple independent sources that are actively involved in the relevant market.

The categorization of an investment within the fair value hierarchy is based upon the pricing transparency of the investment and does not necessarily correspond to Plan management's perceived risk of that investment.

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2023 and 2022:

Mutual funds - are determined by obtaining quoted prices on nationally recognized securities exchanges (Level 1 inputs).

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. While Plan management believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 4 - FULLY BENEFIT-RESPONSIVE CONTRACT, AT CONTRACT VALUE

The Principal Life Insurance Company Fixed Income Guaranteed Option ("Principal Annuity") is considered to be a fully benefit-responsive group annuity contract issued by the Principal Life Insurance Company ("PLIC"). This type of contract does not have specific underlying assets assigned; however, this contract is backed by Principal's general account. The account is credited with earnings on the underlying investments and charged for participants' withdrawals and administrative expenses.

The accompanying statements of net assets available for benefits include the fully benefit-responsive group annuity contract recognized at contract value at \$2,398,612 and \$2,065,522 at December 31, 2023 and 2022, respectively. The contract value equals the accumulated cash contributions and interest credited to the contract, less any withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer all or a portion of their investment at contract value. A plan-level surrender or transfer of the Plan's interest in the investment contract without 12 months' advance notice will be subject to a 5% surrender charge. Under the terms of the contract, the composite crediting rate is currently reset on a semiannual basis and will never be less than the guaranteed minimum interest rate (1.55% and 1.75% for the years ended December 31, 2023 and 2022, respectively), as defined in the contract.

Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value less an administrative charge. Certain events limit the ability of the Plan to transact at contract value with PLIC. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan); (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions; (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan; or (4) the failure to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with participants, is probable.

NOTE 5 - INFORMATION CERTIFIED BY THE CUSTODIAN

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Principal Trust Company, the Custodian of the Plan's investments as of December 31, 2023 and 2022, has certified that the following data included in the accompanying financial statements and supplemental schedule are complete and accurate:

- Investments, at fair value, fully benefit-responsive contracts, at contract value, and notes receivable from participants, as shown in the statements of net assets available for benefits as of December 31, 2023 and 2022.
- Net investment income and interest income on notes receivable from participants, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2023.
- Schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2023.

NOTE 6 - ACCOUNTING AND PAYROLL RECORDS

In November 2007, the DOL issued amended regulations eliminating an exemption granted to 403(b) plans from the annual Form 5500 reporting and disclosure requirements under Part 1 of Subtitle B of Title I of ERISA. Prior to the amended regulations, the Plan (established in January 2000, amended in 2010) was not viewed as a separate reporting entity.

Historically, the Plan was viewed as a collection of individual contracts with which participants could engage in a range of actions with limited involvement, if any, by the Plan Sponsor. Accordingly, various accounting and payroll records related to the Plan's 403(b) annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2011 were not sufficiently maintained by the Plan. Consequently, the financial statements have been prepared based on available records analyzed by Plan management. As certain records were not available from the inception of the Plan, the effect, if any, on the completeness or accuracy of the Plan's financial statements cannot be determined.

NOTE 7 - RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Plan investments include investment contracts, registered investment companies, and shares of mutual funds managed by the custodian. Therefore, transactions pertaining to these investments qualify as party-in-interest transactions. Notes receivable from participants also qualify as party-in-interest transactions.

NOTE 8 - PLAN TERMINATION

City Harvest intends to continue the Plan indefinitely but reserves the right to amend or discontinue the Plan at any time subject to the provisions of ERISA. ERISA provides the manner in which the assets of a terminated plan are to be allocated.

NOTE 9 - TAX STATUS

The Plan has been designed to qualify under Section 403(b) of the IRC. The terms of the Plan have been prepared to conform to the sample language provided by the IRS in Revenue Procedure 2007-71. The Plan is required to operate in conformity with the IRC to maintain the tax-exempt status for Plan participants under Section 403(b). The Plan is using a volume submitter plan document which received an advisory

City Harvest, Inc. 403(b) Plan

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2023 and 2022

letter dated March 31, 2017 from the IRS stating the form of the plan was acceptable under Section 403(b) of the IRC. Although the Plan has been amended since receiving the advisory letter, the Plan administrator believes that the Plan is currently designed and operating, in compliance with the applicable requirements of Section 403(b) of the IRC and, therefore, believes that the Plan is qualified, and the related accounts are tax exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 10 - SUBSEQUENT EVENTS

Subsequent events have been evaluated through October 14, 2024, the date the financial statements were available to be issued. There are no subsequent events that would require recognition or additional disclosure in the Plan's financial statements.
